Notice is hereby given that an open record public hearing will be held before the Planning Commission on **Tuesday, February 22, 2022 at 6:00 PM** to consider the following code amendments:

File Number: CA22-002
Project Title: Mylars
Proponent: City of Marysville Community Development Department
80 Columbia Avenue, Marysville, WA 98270
Project Contact: Haylie Miller, Community Development Director
Hmiller@marysvillewa.gov

The City of Marysville and the Snohomish County Auditor no longer require a mylar copy for recording purposes. The City currently requires a mylar copy for subdivisions, boundary line adjustments and binding site plans. Mylars are transparent, durable, documents made out of plastic and/or polyester film. This material is costly (as compared to paper) and is no longer needed to be physically retained. The proposed amendments are to allow applicants to submit an original document in paper format (instead of a mylar) for City signatures for recording with the Snohomish County Auditor. An electronic copy of the executed and recorded document will be provided by the applicant to Community Development Department staff to retain on file.

The public hearing will take place remotely through Zoom. The Planning Commission, City staff, and members of the public will not attend in person. Anyone wishing to provide written or verbal public comment must pre-register by contacting Janis Lamoureux at jlamoureux@marysvillewa.gov by **4PM on Monday, February 21, 2022**. If you wish to provide verbal public comment, you will need to provide your name, address, e-mail and phone number, and identify the hearing number above that you wish to provide public comment on.
