## **Right-of-Way Permit Application** (Outside City Limits)

### **Right-of-Way Permits (Snohomish County & Tribal Lands)**

Application must be completed and approved prior to any work being performed in the right-of-way per MMC 12.02A.050.

- Submit application and 3 sets of plans to the Community Development/Public Works Department located at 80 Columbia Ave, Marysville, WA 98270.
- Contractor to provide info to clerical staff for completion of SnoCo R/W permit.
- No fee is required at time of submittal. Fees will be calculated by the City and collected by the County. Inspection fees will be collected by City of Marysville after inspection(s).
- Applications are reviewed by the Street Department, Utilities Department, and the Engineering Department. The review process generally takes 5 to 7 working days. You will receive a phone call when the permit is ready.
- Return permit and 2 sets of plans to Snohomish County and pay fees.
- Schedule pre-construction meeting with City of Marysville Construction Division and bring approved R/W permit.
- Call the Utilities Underground Location Center two (2) days prior to site work at 1-800-424-5555.

### **Right-of-Way Permits (City of Arlington/Smokey Point)**

Application must be completed and approved prior to any work being performed in the right-of-way per MMC 12.02A.050.

- Apply for R/W permit and pay fee at City of Arlington Public Works Department.
- Submit plans to City of Marysville for review and approval. (May require a 'Letter of Utility Availability').
- Schedule pre-construction meeting with City of Marysville Construction Division and bring approved R/W permit.
- City of Marysville inspection fees will be collected after inspection(s).
- Call the Utilities Underground Location Center two (2) days prior to site work at 1-800-424-5555.
