Professional Services Agreement with BergerABAM for Design of the First Street Bypass Project	
PREPARED BY:	DIRECTOR APPROVAL:
Jeff Laycock, City Engineer	
DEPARTMENT:	
Engineering	
ATTACHMENTS:	
Professional Services Agreement	
BUDGET CODE:	AMOUNT:
30500030.563000, R0901	\$X
SUMMARY:	

On October 15, 2016, the City advertised a Request for Proposals, asking firms to submit written proposals stating their qualifications to provide consultant services related to the First Street Bypass project. The City received proposals from ten firms and selected BergerABAM, HDR Engineering and Pertee Engineering to participate in an interview selection process. Interviews were conducted on December 8, 2016. Following the interviews, the consultant selection committee concluded that BergerABAM was the most qualified firm for the project.

The attached Professional Services Agreement will provide the City with design, permitting and right-of-way services for the First Street Bypass project. It is in staff's opinion, that the negotiated fee of \$X is fair and consistent with industry standard. The scope of services demonstrates a clear approach in order to meet the project schedule. Staff is confident that the City will be well served by BergerABAM as it relates to this project.

RECOMMENDED ACTION:

Staff recommends that Council authorize the Mayor to sign and execute a Professional Services Agreement between the City of Marysville and BergerABAM, Inc. in the amount of \$X.
