Soper Hill Kids 'N Us – Project Narrative

The proposed project consists of single- story wood frame building of approximately 12,000 sq. ft. The structure will include classrooms for children ranging from nursery age to school age along with support spaces for staff. The project sits on an approximately 1.35 acre site. Site improvements will include surface parking and children's playground area's.

Sincerely,

A handwritten signature in black ink that reads 'Mel A. Maertz'. The signature is fluid and cursive, with a large, sweeping flourish at the end.

Mel A. Maertz, Principal
