

NOTICE OF PUBLIC HEARING BEFORE THE PLANNING COMMISSION

Notice is hereby given that an open record public hearing will be held before the Planning Commission on **Tuesday, January 24, 2023 at 6:30 PM** to consider the following proposal:

File Number: CA22-001
Project Title: Sign Code Amendments
Proponent: City of Marysville
Project Location: Non-project action. Standards apply city-wide.
Proposal: Amendments to the Marysville Municipal Code (MMC) pertaining to Chapters 22A.020, *Definitions*, 22G.080, *Signs*. The City has experienced an increase in temporary signs, particularly in the right-of-way. The proliferation of these signs compromises the City's goal of preserving aesthetic value and also can distract drivers, particularly when masses of signs appear in one location. Temporary signs do not require a permit unlike permanent signs. The proposed changes would: limit the duration for signs directed at a specific event, require the permission of the abutting property owner to place a temporary sign, and prohibit off-premises general business signs.
