Presentations

Α. Proclamation: Declaring March 14, 2021 Bob Peterson Day

Mayor Nehring read the Proclamation declaring March 14, 2021 Bob Peterson Day in appreciation of his great service to our nation.

B. Snohomish Health District

Shawn Frederick, Snohomish Health District, gave a presentation regarding 2020 in review. He discussed agency improvements, the Environmental Health Division statistics, Prevention Services Division statistics and general community health information. Regarding the COVID-19 response, he discussed case rates and what the response will be moving forward including disease prevention/containment and vaccines.

Moving forward the Health District will resume work to implement its Strategic Plan which began prior to COVID-19. Mr. Frederick reviewed projected revenues and an updated six-year forecast. Looking ahead, the Health District will be focusing on COVID funding, sustainable funding, and increased revenue.

Councilmember James asked if the 501c3 idea has been successful in other locales. Mr. Frederick explained that this and other non-profit agency models were studied and seen to be successful.

Councilmember Richards referred to the COVID-19 Vaccine Dashboard slide and asked if the numbers for the Tribes were included in the numbers. Mr. Frederick indicated that they were.

Councilmember King expressed appreciation to the Health District for their professionalism in working with their vendors during the Strawberry Festival. He asked for more information about the swimming pool inspection program. Mr. Frederick explained that they inspect outside the pool, safety systems around the pool, as well as inside the pool.

15. Consider Approving an Ordinance Amending Chapter 6.27 MMC and Criminalizing the Possession of a Controlled Substance without a Prescription

Motion to approve Ordinance No. 3179 Amending Chapter 6.27 MMC and Criminalizing the Possession of a Controlled Substance without a Prescription moved by Councilmember Richards seconded by Councilmember James.

City Attorney Walker reviewed this statute related to possession of a controlled substance without a prescription. Police Chief Scairpon commented that the City has always led with compassion in this area with the embedded mental health professional program that helps to incentivize treatment as opposed to penalties. Even so, it is important to have tools in place to address dangerous drug use out in public or on the streets for individuals that refuse treatment.

Councilmember James further discussed background on the state law and his questions about the proposed item. He noted that he had had concerns about the terms "use of" and "possession of" and the recitals, but City Attorney Walker had assured him the verbiage provides context and also enhances the tools. Councilmember James also had asked what constitutes an emergency and what the reason was for needing this to become effective immediately. He explained it had to do with preventing a loss of momentum that the police and legal teams had built up in Marysville and their efforts to ultimately help people in crisis and addiction. He stressed the importance of Marysville's reputation of being both compassionate and tough on crime and stated he would be voting in support.

City Attorney Walker informed the Council that if the state legislature amends the state law so that it is constitutional he would recommend repealing this.

AYES: ALL

Legal

Mayor's Business

- He urged everyone to take a look at Chief Scairpon's interview with Brandi Kruse on yesterday's Divide Show.
- He updated Council on a call he was on with other mayors and Governor Inslee's staff to encourage Governor Inslee to consider moving forward with opening restaurants, gyms and other businesses with greater capacity. They also

3/8/2021 City Council Meeting Minutes Page **5** of **8** encouraged the Governor to allow greater numbers for outdoor activities. They also asked that in any future phases Snohomish County would be able to stand on its own and not be coupled with King and Pierce counties.

Staff Business

Chief Scairpon:

- He gave an update on the new embedded mental health program which has been delayed due to a licensing issue with the Department of Health.
- There should be an announcement soon about the candidate for Assistant Police Chief.
- He gave an update on Assistant Chief Goldman's status.

Finance Director Langdon had no comments.

Interim Community Development Director Giffen noted that the public comment period is open through March 29 for the Draft Downtown Master Plan. Staff and the consultant team will be making a presentation to the Planning Commission tomorrow night.

City Engineer Laycock:

- Ground was broken last week for the Centennial Trail Connector.
- State Avenue north of 100th will be shut down in the northbound direction next week for sewer work.

Fire Chief McFalls thanked Chief Scairpon for the updates.

Parks & Recreation Director Mizell gave an update from last week's tryouts at Cedar Fields. Games will be starting next week.

Human Resources Manager Lester had no comments.

City Attorney Walker had no comments.

CAO Hirashima had no comments.

Call on Councilmembers and Committee Reports

Councilmember Vaughan reported on the recent Finance Committee meeting where they received a budget update. Things are tracking well. Sales tax total is up 12.1%. They received an update on the City Campus, utility billing, and the utility disconnection moratorium which has been extended to July 31.

Councilmember Stevens thanked staff for putting together Ordinance 3179. He believes this is important for the community.

Councilmember Muller reported on the March 5 Public Works Committee meeting. They are in the process of renewing existing water rights with the City of Everett for the water supply. There was also discussion about what will be done with solid waste recycle and land waste. They are exploring various options and hope to make a decision by May.

Councilmember Richards asked City Engineer Laycock about a timeline for State Avenue work up to 116th. City Engineer Laycock briefly reviewed the project and indicated he would put something together to share with Council. Councilmember Richards agreed that passing Ordinance No. 3179 was important for the City.

Councilmember James:

- He echoed comments in support of Ordinance 3179.
- He expressed thanks to Chief Scairpon for the update on Chief Goldman.
- He asked for more information about the delay in the new embedded mental health program. Chief Scairpon explained that one professional has been hired, but he cannot practice until he is licensed by the state to work for Compass Health in that capacity.
- Councilmember James said he enjoyed the Brandi Kruse interview with Chief Scairpon.

Councilmember King:

- He reported that the Center for Public Safety Excellence held a three-day seminar which the Fire Board participated in. There was good information on issues surrounding fire districts and regional fire authorities.
- Last Thursday was the monthly Sno-Isle Fire Commissioners meeting. There was a round table on how the fire districts have dealt with the COVID-19 vaccinations.
- The Centennial Trail is making good progress.
- He was pleased to hear the news about Cedar Fields.

Council President Norton:

- She reported on the February 25 Public Safety Committee meeting. There was a slight uptick in crime in certain areas of the city, but it is still down 15% compared to the four-year average. The jail is now fully staff. They started visitation and increasing the jail population. They are currently updating policies for the new jail which will be opening next year. The traffic unit has started. There was some discussion about the Ring Neighbors program which helps connect residents with the police department and with each other to share information about promote safer neighborhoods. Five patrol positions are open. They also received information about the embedded social worker program as well as the new mental health program.
- She thanked Council and staff for passing Ordinance 3179 in order to give police officers the tools they need to keep the city and streets safe.

Presentations

A. Waterfront Strategic Plan

CAO Hirashima made a presentation regarding the Waterfront Strategic Plan and solicited feedback on proposed catalyst projects. She stressed that the projects are not in priority order in the Plan.

- A: Downtown Master Plan Update This is currently underway. The Plan was first adopted in 2004, was updated in 2009, and is undergoing a review right now with a scheduled completion of summer 2021.
- B: Civic Center This is currently under construction with a scheduled completion of spring 2022.
- C: Cedar Avenue Low Impact Development This project is underway with a grant that Public Works secured. Cedar Avenue from 1st Street to 4th Street will be rebuilt. Completion is scheduled for 2021.
- D: Second Street Low Impact Development This project is underway with a grant that Public Works secured. It is scheduled to be completed in 2022 with a design similar to 3rd Street.
- E: Downtown Stormwater Treatment Facility This is an important environmental project and will treat all of the downtown stormwater. Public Works secured a grant for this project to move this project forward. It is underway and scheduled to be completed in 2022.
- F: Opera House Programming Since purchase of the building the City has had a good history with programming the facility. This project will help develop expanded offerings to target visitors both inside Marysville and outside of Marysville.
- G: Third Floor Opera House Use Parks Department is currently working on this to make use of the third floor of the Opera House. The City is looking at potential uses as gallery space for local arts or workshop space.
- H: Delta Avenue Public Plaza This is part of the Civic Center.
- I: Arts Policy and Public Art Parks is working on an Arts Policy to look at integrating art into public buildings, parks, and the public realm. The Civic 3/22/2021 City Council Meeting Minutes Page 2 of 11

Center itself will be the first effort on this with public art on the building and integrated in the facility itself.

- J: Gateways This will focus on building attractive gateways into the downtown and waterfront districts. A new potential opportunity exists for a roundabout at SR 529 at the southern entrance. An agreement was recently signed with WSDOT to develop a gateway concept at that entryway. There is also discussion about improving the existing entryway at 4th Street from I-5 to State Avenue.
- K: The Ebey Waterfront Park Expansion This looks at expansion of the park with additional docks, a new building, expanded lawn area, and other key features along the waterway. Currently Public Works is working on permitting for this site which is a long process with various agencies.
- L: Waterfront Restaurant The City purchased a building at 1408 First Street with a plan to renovate it into a waterfront restaurant. This is unfunded.
- M: Attract Private Developer for East Side Waterfront (Interfor/PW Site) -Master plan and market the east side waterfront site for housing. Conduct planning to include a fit test and construction costing analysis of the site in order to market the site to developers. Funding would be a public-private partnership with city funds to be used for master plan fit test and costing.
- N: Reestablish Street Grid to Waterfront This is something featured in past Downtown Plans and in the current update.
- O: Phase 4 of the Ebey Waterfront Trail The City has a grant to purchase property needed to construct Phase 4 to connect the two segments of the trail.
- P: New Community Center This would relocate the community center to a different site to allow for Comeford Park renovation.
- Q: Comeford Park Renovation Redesign and renovation of Comeford Park.
- R: Family Outdoor Entertainment Continue to expand offerings for family outdoor entertainment at both the waterfront and Comeford Park.
- S: Litter, Graffiti, and Beautification of Downtown Waterfront Cleanup and low-cost beautification of the waterfront area and downtown neighborhood.
- T: Marketing/Branding Campaign Continue to find opportunities to rebrand City identity theming around the natural environment and the waterfront.

- U: Signage and Wayfinding Plan and Installation New signage and wayfinding will be introduced as part of the Civic Center project.
- V: Placemaking Identify opportunity sites including vacant land, both public and private, that can be utilized either temporarily or permanently for placemaking improvements. This could involve creating amenities with landscaping, sitting areas, artwork or other additions that would provide street interest or a unique sense of place.
- W: Hawk Signal Fourth (SR528) & Delta This would be similar to the one in place near Asbery Field for pedestrian crossing.
- X: Marysville Downtown Waterfront Partners Create a task force of City elected officials, staff, downtown business and property owners, residents and other interests to champion the downtown waterfront initiatives. This could be an opportunity to engage people to support these initiatives.
- Y: Downtown Crime Reduction Continue to monitor crime statistics within the Downtown SODA, address nuisance crime issues, and communicate regularly with business owners.
- Z: State Avenue Beautification Project Reconstruct State Avenue to incorporate landscape islands and bulb-outs to improve the aesthetic along the corridor. This is currently unfunded.
- AA: Quiet Zone Phase 1 This would implement a quiet zone from 1st 88th and would remove the train horn from each public railroad crossing. This is currently underway.
- BB: 8th Street Improvements This is currently underway and will continue through 2022 with funding through the Transportation Benefit District. The project will include signal improvements at State Avenue, curb extensions and a four-way stop at Cedar Avenue, minor sidewalk improvements and roadway resurfacing.
- CC: Sidewalk Infill This will fill in gaps in the sidewalk to improve the pedestrian environment downtown. This is currently unfunded.
- DD: Roadway Resurfacing This will resurface and restore aging streets to bring new life, improve ride, and enhance safety.
- EE: Emissions Site Identify long-term plan for emissions site.

Discussion:

17

Councilmember Muller asked about the retrofit and rebranding of the water tower. CAO Hirashima explained it could be added to the list. They are moving forward with the maintenance of the water tower this summer.

Councilmember King asked if they have been in discussions with the Town Center Mall about improvements there. Mayor Nehring replied that they have had many discussions in the past, but not in the last year. CAO Hirashima added that the owner of the Town Center Mall is not an active developer and not interested in doing future improvements.

Council President Norton asked for more information about plans for the third floor of the Opera House. Parks Director Mizell explained they are painting the walls white for displaying arts. They are thinking of having a gallery-type operation along the outside rooms and using the internal area for some sort of artist-in-residency program. They are also looking at installing track lighting.

Councilmember James asked if there has been any advertising to see who might be interested in the third floor of the Opera House or the waterfront restaurant. He also asked about the City's involvement in any construction of the restaurant. CAO Hirashima replied that some local restaurants have looked at the waterfront building, but the cost of tenant improvements is very high. The City has not actively marketed the site because they are waiting for the Waterfront Park to advance further. Staff is hopeful that once COVID regulations are relaxed there will be more interest. Staff is interested in feedback from the Council about how involved the City should be in tenant improvements. Councilmember James suggested waiting until there is a serious interest from someone before doing any improvements. CAO Hirashima thought it would be important to know in advance of marketing the site if and how much the City is willing to help potential tenants. Councilmember James agreed.

Councilmember Vaughan commented he has heard that there is no investment happening in the restaurant industry now or in the near future. He added that it would be important to have more traffic there in order to be viable. He thought there would be a time in the future that it would be an ideal site for someone to invest in, but it is certainly not in the next couple of years. He also spoke to Council's expectation that there would be some cost recovery at the Opera House with the third floor space. He suggested possibly using the space as a gallery but still allowing the space to be used for events. Even though he is a supporter of the arts, he expressed concern about the government's role in public art.

Councilmember James recommending prioritizing projects Z (State Avenue Beautification) and AA (Quiet Zone). CAO Hirashima commented that State Avenue Beautification is not currently funded, but knowing Council's priorities will help staff know how to try to move projects forward.

Audience Participation

There were no comments.

Approval of Minutes (Written Comment Only Accepted from Audience.)

1. Approval of the March 1, 2021 City Council Work Session Minutes

Motion to approve the March 1, 2021 City Council Work Session Minutes moved by Council President Norton seconded by Councilmember James. AYES: ALL

6. Consider Approving the Interlocal Agreement with Marysville School District 25 for School Resource Officer Services

Chief Scairpon reviewed this item related to the return to school for two School Resource Officers. They will be funded by the school district at the 75% rate.

Councilmember James asked about data showing the success of School Resource Officer programs in general. Chief Scairpon replied that the primary purpose of the School Resource Officer program is rapport building, and they have definitely seen the results of this.

Councilmember Richards asked legal counsel if he should abstain from the vote since he works for the school district. Deputy City Attorney Eggertsen indicated that would be a good idea.

Motion to authorize the Mayor to sign the Interlocal Agreement with Marysville School District 25 for School Resource Officer Services moved by Councilmember James seconded by Councilmember Stevens.

VOTE: Motion carried 6 - 0

AYES: Council President Norton, Councilmember Vaughan, Councilmember King, Councilmember James, Councilmember Stevens, Councilmember Muller ABSTAIN: Councilmember Richards

7. Consider Approving the Agreement with Snohomish County Human Services for the First Responder Flex Funds, Ending Homelessness Program

Chief Scairpon reviewed this item related to pass-through funds for Snohomish County. The flex fund provides county funds to assist people suffering from homelessness and opioid abuse in the community in ways such as providing clothing, food, shelter, or other care that is needed to get the person back on track.

Motion to approve the Agreement with Snohomish County Human Services for the First Responder Flex Funds, Ending Homelessness Program moved by Councilmember Richards seconded by Councilmember James.

Mayor's Business

- He testified last Monday evening in the Senate for House Bill 1386, the tax measure. It passed out of Ways and Means on Thursday.
- He and Councilmember King attended a ribbon cutting at Jay's Flooring last Friday. There is another one scheduled for tomorrow at Crumbl Cookies.

Staff Business

Community Information Officer Mennie had no comments.

Chief Scairpon had the following comments:

22

- He explained there have been a lot of media inquiries in regards to the drug ordinance that the Council passed earlier this month. They have also been addressing some hate incidents that have occurred in the high schools over past several months. There is a community forum on Wednesday from 6-8 regarding racism which will be hosted by the school district. There also was a community forum last week hosted by the greater community which he and the Mayor both attended.
- He acknowledged that the 4th Street overpass by I-5 is a complete mess right now. Officers have been doing enforcement and made several arrests last week. The City is working closely with the State Patrol who started a team similar to the NITE team to address these types of issues. They will also be bringing in the DOT to fix the chain link fence, do cleanup, and get signage in place.

Director Giffen had no comments.

Chief McFalls had no comments.

Director Mizell noted she sent the Council information about the first game at Cedar Fields on April 1.

City Engineer Laycock had no comments.

Assistant Director Chennault had no comments.

Director Langdon had no comments.

Human Resources Manager Lester had no comments.

Deputy City Attorney Eggertsen stated the need for an Executive Session to go over three items: the potential purchase of property, the potential sale of property, and potential litigation expected to last 15 minutes with no action expected.

CAO Hirashima announced the hire of new Community Development Director Haylie Miller who will be starting on March 29. She thanked Interim Director Giffen for the great work he has done over the past several months in the Community Development Department. She expressed appreciation to him for agreeing to stay on for some project work going forward.

Call on Councilmembers and Committee Reports

Councilmember King:

• He thanked Interim Director Giffen for his service and for staying on board. It was nice to be at last Friday's ribbon cutting at Jay's Flooring. Jessica Sickles was there on behalf of the Chamber and announced she will be taking a job with Anacortes' Chamber of Commerce.

3/22/2021 City Council Meeting Minutes Page **9** of **11** • He asked City Engineer Laycock what plans are for pedestrian crossing at the Grove Street crossing over the tracks. City Engineer Laycock replied it would be closed to pedestrians and bikes at grade, and there will be a pathway via the overcrossing.

Councilmember Vaughan had no comments.

Councilmember Richards:

- He thanked Interim Director Giffen for his service. He thanked Chief Scairpon for providing information he had requested.
- He suggested looking into upgrading Council's electronics if they are planning on continuing with Zoom meetings.
- He reported on the Parks Board Meeting where they had a presentation from a Sunnyside student regarding a pump track. He wondered if it would be possible to put one along the side of one of their new trails. Steve Smith from Sunnyside Nursery wanted approval to put a bench in which was granted.

Councilmember James:

- He asked Chief Scairpon about information about Wednesday's community forum. Chief Scairpon indicated he would get that information to Council.
- He thanked Interim Director Giffen for his service.
- He gave an update on the food bank and reported that the backpack numbers are on the rise. They also got a donation of about \$3,000 from a fundraiser conducted by Dutch Brothers. Hams will be available next week for Easter.

Councilmember Stevens thanked Interim Director Giffen for his great work and for sticking around.

Councilmember Muller:

- He commented he would not be able to attend the game on April 1, but he is looking forward to Cedar Burgers.
- He thanked Interim Director Giffen for his help and for sticking around to help with projects.
- He commented on a place on Sunnyside where they are putting Conex containers in their front yard and another location behind the 76 station where garbage is being piled.

Council President Norton:

- She also thanked Interim Director Giffen for his service.
- She thanked Chief Scairpon for the update on 4th Street, especially in light of the downtown plans and gateway work.
- She asked about the feasibility of the Council returning to in-person meetings. Mayor Nehring indicated staff has discussed it internally, but no cities are currently planning on returning to in-person meetings. If they go over the 50% capacity of the meeting room the meeting has to be cancelled and restarted on another date or later that evening after the room is cleared unless they provide

3/22/2021 City Council Meeting Minutes Page **10** of **11**

an overflow room somewhere. Finance Director Langdon added that with social distancing requirements they would only be able to have 5-7 members of the public. Councilmember Richards asked about holding the meetings in the Opera House since it is a larger space. Information Services Manager Worth Norton replied that they are in the process of putting fiber into the Opera House, but right now there is not a network connection there. Councilmember James suggested utilizing one of the school district buildings for overflow. Finance Director Langdon thought that the overflow needed to be close enough that they could physically come in before the Council. Council President Norton acknowledged there are challenges, but voiced her support to move forward with in-person meetings when it is possible.

Adjournment/Recess

Council recessed for five minutes at 8:25 p.m. before reconvening in Executive Session to discuss three items: the potential purchase of property, the potential sale of property, and potential litigation expected to last 15 minutes with no action expected.

Executive Session

Executive Session began at 8:30 p.m. and was extended 15 minutes. No action taken.

- A. Litigation one item; RCW 42.30.110(1)(i)
- B. Personnel
- C. Real Estate two items; RCW 42.30.110(1)(b) and RCW 42.30.110(1)(c)

Reconvene

Council reconvened at 9:00 p.m.

Adjournment

Motion to adjourn moved by Councilmember Richards seconded by Councilmember Muller. AYES: ALL

The meeting was adjourned at 9:02 p.m.

Approved this ______ day of ______, 2021.

Mayor Jon Nehring

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: April 5, 2021 Briefing; April 12, 2021 Action

AGENDA ITEM:		
Ordinance amending the Unified Development Code to allow "mini-storage" as a Conditional		
Use under limited circumstances in the Community Business and General Commercial zones		
PREPARED BY:	DIRECTOR APPROVAL:	
Allan Giffen, Interim Community Development Director		
DEPARTMENT:	- Allan Giffen, Interim Director	
Community Development		
ATTACHMENTS:		
1. Ordinance		
BUDGET CODE: AMOUNT:		
N/A	N/A	
SUMMARY:		

The Planning Commission has recommended an amendment to the Unified Development Code to allow the establishment of mini-storage as a Conditional Use on a limited basis in the CB Community Business and GC General Commercial zones. The proposed amendment would apply only to an area located north of 100th Street NE, east of Interstate 5, and west of 47th Avenue NE. It would also be limited to properties without direct frontage on an arterial street, and that have access constraints that do not support retail, office or other permitted commercial uses.

The Conditional Use process will ensure notice to surrounding property owners.

The recommendation from the Planning Commission includes amendments to the existing standards for mini-storage uses.

Background information, including staff memos to the Planning Commission and the minutes from Planning Commission meetings on this item, can be found at the following link:

CC Agenda Bill Mini Storage documents

RECOMMENDED ACTION:

Staff recommends that Council approve Ordinance No. ____, amending the Marysville Municipal Code to allow "mini-storage" as a Conditional Use under limited circumstances in the Community Business and General Commercial zones.

RECOMMENDED MOTION:

I move to approve Ordinance No. ____, amending the Marysville Municipal Code to allow "mini-storage" as a Conditional Use under limited circumstances in the Community Business and General Commercial zones.

ORDINANCE NO.

AN ORDINANCE OF THE CITY OF MARYSVILLE, WASHINGTON, UPDATING TITLE 22C OF THE MARYSVILLE MUNICIPAL CODE, TO SPECIFY THAT MINI-STORAGE SHALL BE ALLOWED UNDER LIMITED CIRCUMSTANCES AS A CONDITIONAL USE IN THE CB COMMUNITY BUSINESS AND GC GENERAL COMMERCIAL ZONES; AMENDING MMC 22C.020.060, PERMITTED USES, AMENDING MMC 22C.020.070, PERMITTED USES – DEVELOPMENT CONDITIONS, AND AMENDING MMC 22C.170, DESIGN CONSIDERATIONS.

WHEREAS, the State Growth Management Act, Chapter 36.70A RCW mandates that cities periodically review and amend development regulations, including zoning ordinances and official controls; and

WHEREAS, RCW 36.70A.106 requires the processing of amendments to the City's development regulations in the same manner as the original adoption of the City's comprehensive plan and development regulations; and

WHEREAS, the State Growth Management Act requires notice and broad public participation when adopting or amending the City's comprehensive plan and development regulations; and

WHEREAS, the City, in reviewing and amending its development regulations has complied with the notice, public participation, and processing requirements established by the Growth Management Act, as more fully described below; and

WHEREAS, the City Council of the City of Marysville finds that from time to time it is necessary and appropriate to review and revise provisions of the City's municipal code and development code (MMC Title 22); and

WHEREAS, the Marysville Municipal Code regulates the location and development of "mini-storage" facilities; and

WHEREAS, the Planning Commission has initiated a review of potential amendments to the Marysville Municipal Code to allow mini-storage facilities as a Conditional Use under limited circumstances in the CB Community Business and GC General Commercial zones; and

WHEREAS, the Planning Commission held public work sessions on December 8, 2020, January 12, 2021, and February 9, 2021, to review the proposed amendments, including alternatives, and did hear and consider public comments; and

WHEREAS, the proposed amendments were submitted to the State of Washington Department of Commerce for 60-day review on February 1, 2021, in accordance with RCW 36.70A.106; and

WHEREAS, the proposed amendments to MMC Sections 22C.010.060, 22C.010.070, 22C.180.030, 22C.110.020, and 22C.110.030 are exempt from State Environmental Policy Act review under WAC 197-11-800(19)[BE1]; and

WHEREAS, the Planning Commission held a duly-advertised public hearing on February 23, 2021, and received testimony from City staff and the public; and

WHEREAS, at the public hearing, the Planning Commission reviewed and considered the proposed amendments to the Marysville Municipal Code, and recommended that the City Council approve the proposed amendments to the Marysville Municipal Code.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MARYSVILLE, WASHINGTON, DO ORDAIN AS FOLLOWS:

[BE2]

Section 1. <u>Required Findings</u>. In accordance with MMC 22G.010.520, the following findings are made regarding the proposed amendments to MMC sections 22C.020.060, 22C.020.070, and 22C.170.040[[BE3]] that are the subject of this ordinance:

(1) The amendments are consistent with the purposes of the comprehensive plan;

(2) The amendments are consistent with the purpose of Title 22 MMC;

(3) There have been significant changes in the circumstances to warrant a change;

(4) The benefit or cost to the public health, safety and welfare is sufficient to warrant the action.

Section 2. <u>Amendments to Development Regulations</u>. Section 22C.020.060, Section 22C.020.070, and Section 22C.170.040 of the Marysville Municipal Code are hereby amended as set forth in **Exhibit A**.

Section 3. <u>Severability</u>. If any section, subsection, sentence, clause, phrase, or word of this Ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality thereof shall not affect the validity or constitutionality of any other section, subsection, sentence, clause, phrase, or word of this Ordinance.

Section 4. <u>Correction</u>. Upon approval by the City Attorney, the City Clerk or the code reviser are authorized to make necessary corrections to this Ordinance, including

scrivener's errors or clerical mistakes; references to other local, state, or federal laws, rules, or regulations; or numbering or referencing of ordinances or their sections and subsections.

Section 5. <u>Effective Date</u>. This Ordinance shall become effective five days after the date of its publication by summary.

PASSED AND APPROVED by the Marysville City Council this 12th day of April, 2021.

CITY OF MARYSVILLE

Jon Nehring, Mayor

22C.020.070 Permitted uses – Development conditions.

(1) Bed and breakfast guesthouses and inns are subject to the requirements and standards contained in Chapter <u>22C.210</u> MMC, Bed and Breakfasts.

(2) Home occupations are subject to the requirements and standards contained in Chapter <u>22C.190</u> MMC, Home Occupations.

(3) Limited to one dwelling unit for the purposes of providing on-site service and security of a commercial or industrial business. Caretaker's quarters are subject to the provisions set forth in Chapter <u>22C.110</u> MMC, entitled "Temporary Uses."

(4) All units must be located above a street-level commercial use.

(5) Twenty percent of the units, but no more than two total units, may be located on the street level of a commercial use, if conditional use permit approval is obtained and the units are designed exclusively for ADA accessibility. The street-level units shall be designed so that the units are not located on the street front and primary access is towards the rear of the building.

(6) Permitted on the ground floor in the southwest sector of downtown vision plan area, as incorporated into the city of Marysville comprehensive plan.

(7) Mobile homes are only allowed in existing mobile home parks established prior to October 16, 2006.

(8) Home occupations are limited to home office uses in multifamily dwellings. No signage is permitted in townhouse or multifamily dwellings.

(9) Permitted in a legal nonconforming or conforming residential structure.

(10) Subject to Chapter 22C.220 MMC, Master Planned Senior Communities.

(11) The following conditions and limitations shall apply, where appropriate:

(a) Parks are permitted in residential and mixed use zones when reviewed as part of a subdivision or multiple-family development proposal; otherwise, a conditional use permit is required;

(b) Lighting for structures and fields shall be directed away from residential areas; and

(c) Structures or service yards shall maintain a minimum distance of 50 feet from property lines adjoining residential zones.

(12) Recreational vehicle parks are subject to the requirements and conditions of Chapter <u>22C.240</u> MMC.

(13) Golf Facility.

(a) Structures, driving ranges and lighted areas shall maintain a minimum distance of 50 feet from property lines adjoining residential zones.

(b) Restaurants are permitted as an accessory use to a golf course.

(14) Shooting Range.

(a) Structures and ranges shall maintain a minimum distance of 50 feet from property lines adjoining residential zones;

(b) Ranges shall be designed to prevent stray or ricocheting projectiles or pellets from leaving the property; and

(c) Site plans shall include safety features of the range; provisions for reducing noise produced on the firing line; and elevations of the range showing target area, backdrops or butts.

(15) Only in an enclosed building.

(16) Dock and Boathouse, Private, Noncommercial.

(a) The height of any covered over-water structure shall not exceed 20 feet as measured from the line of ordinary high water;

(b) The total roof area of covered, over-water structures shall not exceed 1,000 square feet;

(c) The entirety of such structures shall have not greater than 50 percent of the width of the lot at the natural shoreline upon which it is located;

(d) No over-water structure shall extend beyond the average length of all pre-existing overwater structures along the same shoreline and within 300 feet of the parcel on which proposed. Where no such pre-existing structures exist within 300 feet, the pier length shall not exceed 50 feet;

(e) Structures permitted hereunder shall not be used as a dwelling; and

(f) Covered structures are subject to a minimum setback of five feet from any side lot line or extension thereof. No setback from adjacent properties is required for any uncovered structure, and no setback from water is required for any structure permitted hereunder.

(17) Boat Launch, Noncommercial or Private.

(a) The city may regulate, among other factors, required launching depth, and length of docks and piers;

(b) Safety buoys shall be installed and maintained separating boating activities from other water-oriented recreation and uses where this is reasonably required for public safety, welfare and health; and

(c) All site improvements for boat launch facilities shall comply with all other requirements of the zone in which it is located.

(18) Excluding racetrack operation.

(19) Amusement and recreation services shall be a permitted use if they are located within an enclosed building, or a conditional use if located outside. In both instances they would be subject to the exclusion of a racetrack operation similar to other commercial zones.

(20) Structures shall maintain a minimum distance of 100 feet from property lines adjoining residential zones.

(21) Permitted as an accessory use; see MMC <u>22A.020.020</u>, the definition of "Accessory use, commercial/industrial."

(22) Only as an accessory to a gasoline service station; see retail and wholesale permitted use table in MMC <u>22C.020.060</u>.

(23) All processing and storage of material shall be within enclosed buildings and excluding yard waste processing.

(24) Limited to columbariums accessory to a church; provided, that existing required landscaping and parking are not reduced.

(25) Drive-through service windows in excess of one lane are prohibited in Planning Area 1.

(26) Limited to columbariums accessory to a church; provided, that existing required landscaping and parking are not reduced.

(27) All instruction must be within an enclosed structure.

(28) Car washes shall be permitted as an accessory use to a gasoline service station.

(29) Public Safety Facilities, Including Police and Fire.

(a) All buildings and structures shall maintain a minimum distance of 20 feet from property lines adjoining residential zones;

(b) Any buildings from which fire-fighting equipment emerges onto a street shall maintain a distance of 35 feet from such street.

(30) Outdoor storage of materials or vehicles must be accessory to the primary building area and located to the rear of buildings. Outdoor storage is subject to an approved landscape plan that provides for effective screening of storage, so that it is not visible from public right-of-way or neighboring properties.

(31) Limited to self-service household moving truck or trailer rental accessory to a gasoline service station.

(32) All WCFs and modifications to WCFs are subject to Chapter $\underline{22C.250}$ MMC including but not limited to the siting hierarchy, MMC $\underline{22C.250.060}$. WCFs may be a permitted use or a CUP may be required subject to MMC $\underline{22C.250.040}$.

(33) Subject to the conditions and requirements listed in Chapter 22C.030 MMC.

(34) Reserved.

(35) A factory-built commercial building may be used for commercial purposes subject to the following requirements:

(a) A factory-built commercial building must be inspected at least two times at the factory by the State Building and Electrical Inspector during the construction process, and must receive a state approval stamp certifying that it meets all requirements of the International Building and Electrical Codes. At the building site, the city building official will conduct foundation, plumbing and final inspections; and

(b) A factory-built commercial building cannot be attached to a metal frame allowing it to be mobile. All structures must be placed on a permanent, poured-in-place foundation. The foundation shall be structurally engineered to meet the requirements set forth in Chapter 16 of the International Building Code.

(36) Mini-storage facilities are subject to the development standards outlined in Chapter <u>22C.170</u> MMC.

(37) Except heavy equipment.

(38) With outdoor storage and heavy equipment.

(39) Incidental assembly shall be permitted; provided, it is limited to less than 20 percent of the square footage of the site excluding parking.

(40) Light industrial uses may be permitted; provided, there is no outdoor storage of materials, products or vehicles.

(41) Excluding drinking places such as taverns and bars and adult entertainment facilities.

(42) Excluding vehicle and livestock auctions.

(43) If the total storage capacity exceeds 6,000 gallons, a conditional use permit is required.

(44) The retail sale of products manufactured on site shall be permitted; provided, that not more than 20 percent of the constructed floor area in any such development may be devoted to such retail use.

(45) Limited to 5,000 square feet or less.

(46) Eating and Drinking Places.

- (a) Limited to 4,000 square feet or less.
- (b) Drive-through service windows in excess of one lane are prohibited in Planning Area 1.

(c) Taverns, bars, lounges, etc., are required to obtain a conditional use permit in the mixed use zone.

- (47) Limited to hardware and garden supply stores.
- (48) Limited to convenience retail, such as video, and personal and household items.
- (49) Provided there is no outdoor storage and/or display of any materials, products or vehicles.
- (50) Except slaughterhouses.
- (51) Limited to photocopying and printing services offered to the general public.
- (52) Limited to less than 10 employees.
- (53) In conjunction with an eating and drinking establishment.
- (54) Provided there is no outdoor storage and/or display of any materials, products or vehicles.
- (55) May be further subject to the provisions of city of Marysville shoreline management program.
- (56) Except weapons armories and outdoor shooting ranges.
- (57) Except outdoor shooting ranges.
- (58) Only in conjunction with an existing or proposed school.
- (59) Except racing of motorized vehicles.

(60) Limited to land located along east side of 47th Avenue NE alignment, in the east half of the northeast quarter of Section 33, Township 30N, Range 5E, W.M., and in the northeast quarter of the southeast quarter of Section 33, Township 30N, Range 5E, W.M., and land located east side of SR 529, north of Steamboat Slough, south and west of Ebey Slough (a.k.a. TP No. 300533-002-004-00)

and in the northwest and southwest quarters of Section 33, Township 30N, Range 5E, W.M., as identified in Exhibit A, attached to Ordinance No. 2452.

(61) Opiate substitution treatment program facilities permitted within commercial zones are subject to Chapter <u>22G.070</u> MMC, Siting Process for Essential Public Facilities.

(62) Opiate substitution treatment program facilities, as defined in MMC <u>22A.020.160</u>, are subject to the standards set forth below:

(a) Shall not be established within 300 feet of an existing school, public playground, public park, residential housing area, child-care facility, or actual place of regular worship established prior to the proposed treatment facility.

(b) Hours of operation shall be restricted to no earlier than 6:00 a.m. and no later than 7:00 p.m. daily.

(c) The owners and operators of the facility shall be required to take positive ongoing measures to preclude loitering in the vicinity of the facility.

(63) Permitted uses include Whiskey Ridge zones.

(64) Level 1 and Level 2 charging only.

(65) The term "rapid" is used interchangeably with Level 3 and fast charging.

(66) Rapid (Level 3) charging stations are required to comply with the design and landscaping standards outlined in MMC <u>22C.020.265</u>.

(67) Rapid (Level 3) charging stations are required to be placed within a parking garage.

(68) Excepting "marijuana (cannabis) dispensaries," "marijuana (cannabis) collective gardens," and "marijuana cooperatives" as those terms are defined or described in this code and/or under state law; such facilities and/or uses are prohibited in all zoning districts of the city of Marysville.

(69) No person or entity may produce, grow, manufacture, process, accept donations for, give away, or sell marijuana concentrates, marijuana-infused products, or usable marijuana within commercial, industrial, recreation, and public institution zones in the city. Provided, activities in strict compliance with RCW <u>69.51A.210</u> and <u>69.51A.260</u> are not a violation of the Marysville Municipal Code.

(70) Permitted within existing legal nonconforming single-family residences.

(71) Subject to the requirements set forth in MMC 10.04.460.*

(72) Pet daycares are restricted to indoor facilities with limited, supervised access to an outdoor fenced yard. Overnight boarding may be permitted as a limited, incidental use. Both outdoor access and overnight boarding privileges may be revoked or modified if the facility is not able to comply with the noise standards set forth in WAC $\underline{173-60-040}$.*

(73) Shipping/cargo and similar storage containers may be installed on commercial or industrial properties provided they are screened from public view pursuant to MMC <u>22C.120.160</u>, Screening and impact abatement.

(74) Tanks, generators, and other machinery which does not generate nuisance noise may be located in the service/loading area. Truck service/loading areas shall not face the public street and shall be screened from the public street.

(75) Hotels/motels are prohibited within Arlington Airport Inner Safety Zones (ISZ) 2, 3, and 4. Hotel/motels that are proposed to locate within Arlington Airport Protection Subdistricts B and C shall be required to coordinate with the Arlington Municipal Airport to ensure that height, glare, and other aspects of the hotels/motels are compatible with air traffic and airport operations.

(76) Use limited to properties that have property frontage along State Avenue/Smokey Point Boulevard.

(77) Enhanced Services Facilities are prohibited in all commercial and industrial zones as such are identified and adopted in chapter 22C.020 MMC.

(78) Mini-storage facilities may be allowed in the CB and GC zone as a conditional use on property located east of Interstate 5, North of 100th Street, and west of 47th Avenue NE, subject to the following conditions:

- 1. The property does not have direct frontage on an arterial street.
- 2. <u>Vehicular access to the property is limited by physical constraints, such as railroad</u> <u>tracks, proximity to congested public street intersection where turning movements are</u> <u>restricted, or other physical barriers that limit convenient vehicular access for higher</u> <u>traffic-generating uses such as retail or office.</u>
- 3. <u>Buildings shall be located a minimum of 150 feet from the nearest arterial street or interstate highway right-of-way.</u>

22C.170.040 Design considerations.

The following exterior design requirements apply to a mini-storage <u>facilities</u> facility when located adjacent to or across a right-of-way from a residentially zoned or designated property.

(1) Architectural Features. Architectural features are to be consistent with the character of the surrounding neighborhood. The following are minimum standards.

(a) Minimum roof pitch is 4:12 for buildings with less than three floors.

(b) Exterior vertical surfaces require 50 percent of the area to be materials such as decorative brick veneer, stone, stucco, textured block, and other materials which reflect residential design elements.

(c) Unique architectural features such as towers, turrets and pergolas are subject to the standards of this subsection. An applicant is required to demonstrate that the proposed architectural features are consistent with the neighborhood character.

(d) Access points, except for emergency access, may not be from a local access street: provided that when a conditional use permit is required, the City may allow access from a local street if it determines traffic will not be disruptive to residential uses.

(e) Fencing is required to be low-maintenance material and articulation at intervals no greater than 20 feet. Chain-link fencing is not permitted.

(f) Display and floodlighting is required to be constructed, shielded and used so as not to directly illuminate, or create glare visible from, adjacent property or public right-of-way.

(g) A building or series of buildings parallel with and adjacent to residentially zoned or developed property or street frontage must have staggered setbacks for every 100 50 feet of lineal development. The setbacks shall be stepped back or projected forward at intervals to provide a minimum of 40 percent facade modulation. The minimum depth of modulation should be one four feet foot, and the minimum width should be five eight feet. There must be at least 10 feet of separation between buildings.

(h) Where allowed as a conditional use in the CB and GC zones, the following regulations shall apply:

(i) Outdoor storage of trucks, boats, recreational vehicles or other types of vehicles or equipment is permitted subject to the following standards:

- (A) <u>outdoor storage areas are not visible from abutting properties or public right-of-</u> way through the use of buildings, or other method of solid screening; and
- (B) the area devoted to outdoor storage is less that fifty percent of the footprint of the storage building(s).

(ii) Buildings shall have a minimum height of three floors, except in the following circumstances:

- (A) When there is more than one building, only buildings located within fifty feet of a public street shall have a height of three floors; or
- (B) The City may allow less than three floors if the applicant proposes an architectural and landscape design quality that is superior to what is otherwise required by development standards and design guidelines applicable to a building containing three floors. To determine if the quality is superior, the scale and design of the building, exterior building materials and landscaping treatment proposed must be comparable to what would be required for a retail or office building. The City shall take into consideration compatibility of the proposed design with existing development, or the likely future development, of surrounding properties.

(2) Landscaping and Screening. The following landscaping and screening requirements apply to all mini-storage facilities:

(a) All setback areas shall be landscaped with a variety of trees, shrubs and ground cover plants consistent with L2 landscaping as defined under Chapter <u>22C.120</u> MMC, Landscaping and Screening.

(b) A solid wall, a screening fence or a combination of both achieving a perimeter screening to a minimum of six feet in height is required and shall be located so that a minimum of 75 percent of the landscaping area is outside the fence.

(c) All use of the site shall comply with the city noise standards stated in Chapter <u>6.76</u> MMC. (Ord. 2852 § 10 (Exh. A), 2011).

ARTICLE II. ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS

The Subrecipient shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 20EMPG-S Program, including, but not limited to, all criteria, restrictions, and requirements of the DHS NOFO FY 2020 EMPG-S document, the DHS Award Letter for Grant No. EMS-2020-EP-00009-S01, and the federal regulations commonly applicable to DHS/FEMA grants, all of which are incorporated herein by reference. The DHS Award Letter is incorporated in this Agreement as Attachment F.

The Subrecipient acknowledges that since this Agreement involves federal award funding, the performance period described herein may begin prior to the availability of appropriated federal funds. The Subrecipient agrees that it will not hold the Department, the state of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds, or if federal funds are not appropriated or in a particular amount.

A. STATE AND FEDERAL REQUIREMENTS FOR DHS/FEMA PREPAREDNESS GRANTS:

The following requirements apply to all DHS/FEMA Preparedness Grants administered by the Department.

1. SUBAWARDS & CONTRACTS BY SUBRECIPIENT

- a. The Subrecipient must make a case-by-case determination whether each agreement it makes for the disbursement of 20EMPG-S funds received under this Agreement casts the party receiving the funds in the role of a subrecipient or contractor in accordance with 2 CFR 200.330.
- b. If the Subrecipient becomes a pass-through entity by making a subaward to a non-federal entity as its subrecipient:
 - i. The Subrecipient must comply with all federal laws and regulations applicable to pass-through entities of 20EMPG-S funds, including, but not limited to, those contained in 2 CFR 200.
 - ii. The Subrecipient shall require its subrecipient(s) to comply with all applicable state and federal laws, rules, regulations, requirements, and program guidance identified or referenced in this Agreement and the informational documents published by DHS/FEMA applicable to the 20EMPG-S Program, including, but not limited to, all criteria, restrictions, and requirements of the DHS NOFO FY 2020 EMPG-S document, the DHS Award Letter for Grant No. EMS-2020-EP-

00009-S01 in Attachment F, and the federal regulations commonly applicable to DHS/FEMA grants.

iii. The Subrecipient shall be responsible to the Department for ensuring that all 20EMPG-S federal award funds provided to its subrecipients, and associated matching funds, are used in accordance with applicable federal and state statutes and regulations, and the terms and conditions of the federal award set forth in Attachment F of this Agreement.

2. BUDGET, REIMBURSEMENT, AND TIMELINE

- a. Within the total Grant Agreement Amount, travel, subcontracts, salaries, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis upon completion unless otherwise provided in this Agreement.
- b. The maximum amount of all reimbursement requests permitted to be submitted under this Agreement, including the final reimbursement request, is limited to and shall not exceed the total Grant Agreement Amount.
- c. If the Subrecipient chooses to include indirect costs within the Budget (Attachment E), an indirect cost rate agreement negotiated between the federal cognizant agency and the Subrecipient establishing approved indirect cost rate(s) as described in 2 CFR 200.414 and Appendix VII to 2 CFR 200 must be submitted to the Department Key Personnel. However, under 2 CFR 200.414 (f), if the Subrecipient has never received a negotiated indirect cost rate agreement establishing federally negotiated rate(s), the Subrecipient may negotiate a rate with the Department or charge a de minimis rate of 10% of modified total direct costs. The Subrecipient's actual indirect cost rate percentage for the time period of the expenditures. If a Subrecipient chooses to charge the 10% de minimis rate, but did not charge indirect costs to previous subawards, a request for approval to charge indirect costs must be submitted to the Department Key Personnel for approval with an explanation for the change.
- d. For travel costs, the Subrecipient shall comply with 2 CFR 200.474 and should consult their internal policies, state rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, and federal maximum rates set forth at <u>http://www.gsa.gov</u>, and follow the most restrictive. If travel costs exceed set state or federal limits, travel costs shall not be reimbursed without written approval by Department Key Personnel.
- e. Reimbursement requests will include a properly completed State A-19 Invoice Form and Reimbursement Spreadsheet (in the format provided by the Department) detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to <u>Reimbursements@mil.wa.gov</u> no later than the due dates listed within the Timeline (Attachment D).

Reimbursement request totals should be commensurate to the time spent processing by the Subrecipient and the Department.

- f. Receipts and/or backup documentation for any approved items that are authorized under this Agreement must be maintained by the Subrecipient consistent with record retention requirements of this Agreement and be made available upon request by the Department and auditors.
- g. The Subrecipient must request **prior** written approval from Department Key Personnel to waive or extend a due date in the Timeline (Attachment D) and, once approved, submit those costs on the next scheduled reimbursement due date contained in the Timeline. Waiving or missing deadlines serves as an indicator for assessing an agency's level of risk of noncompliance with the regulations, requirements, and the terms and conditions of the Agreement and may increase required monitoring activities. Any request for a waiver or extension of a due date in the Timeline will be treated as a request for Amendment of the Agreement. This request must be submitted to the Department Key Personnel

sufficiently in advance of the due date to provide adequate time for Department review and consideration and may be granted or denied within the Department's sole discretion.

- h. All work under this Agreement must end on or before the Grant Agreement End Date, and the final reimbursement request must be submitted to the Department within 45 days after the Grant Agreement End Date, except as otherwise authorized by either (1) written amendment of this Agreement or (2) written notification from the Department to the Subrecipient to provide additional time for completion of the Subrecipient's project(s).
- i. No costs for purchases of equipment/supplies will be reimbursed until the related equipment/supplies have been received by the Subrecipient, its contractor, or any non-federal entity to which the Subrecipient makes a subaward and is invoiced by the vendor.
- j. Failure to submit timely, accurate, and complete reports and reimbursement requests as required by this Agreement (including, but not limited to, those reports in the Timeline) will prohibit the Subrecipient from being reimbursed until such reports and reimbursement requests are submitted and the Department has had reasonable time to conduct its review.
- k. Final reimbursement requests will not be approved for payment until the Subrecipient is current with all reporting requirements contained in this Agreement.
- I. A written amendment will be required if the Subrecipient expects cumulative transfers to budget categories, as identified in the Budget (Attachment E), to exceed 10% of the Grant Agreement Amount. Any changes to budget category totals not in compliance with this paragraph will not be reimbursed without approval from the Department.
- m. Subrecipients shall only use federal award funds under this Agreement to supplement existing funds and will not use them to replace (supplant) non-federal funds that have been budgeted for the same purpose. The Subrecipient may be required to demonstrate and document that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds. None of the funds awarded under this Agreement may duplicate the same costs already paid for with funding under FEMA's Public Assistance Program or any other Federal program.

3. REPORTING

- a. With each reimbursement request, the Subrecipient shall report how the expenditures, for which reimbursement is sought, relate to the Work Plan (Attachment C) activities in the format provided by the Department.
- b. With the final reimbursement request, the Subrecipient shall submit to the Department Key Personnel a final report describing all completed activities under this Agreement.
- c. The Subrecipient shall comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the Department an Audit Certification/FFATA Form This form is required to be completed once per calendar year, per Subrecipient, and not per agreement. The Department's Contracts Office will request the Subrecipient submit an updated form at the beginning of each calendar year in which the Subrecipient has an active agreement.

4. EQUIPMENT AND SUPPLY MANAGEMENT

- a. The Subrecipient and any non-federal entity to which the Subrecipient makes a subaward shall comply with 2 CFR 200.318 200.326 when procuring any equipment or supplies under this Agreement, 2 CFR 200.313 for management of equipment, and 2 CFR 200.314 for management of supplies, to include, but not limited to:
 - i. Upon successful completion of the terms of this Agreement, all equipment and supplies purchased through this Agreement will be owned by the Subrecipient, or a recognized non-federal entity to which the Subrecipient has made a subaward, for which a contract, Subrecipient grant agreement, or other means of legal transfer of ownership is in place.

81

- ii. All equipment, and supplies as applicable, purchased under this Agreement will be recorded and maintained in the Subrecipient's inventory system.
- iii. Inventory system records shall include:
 - A. description of the property
 - B. manufacturer's serial number, model number, or other identification number

82

- C. funding source for the equipment, including the Federal Award Identification Number (FAIN)
- D. Assistance Listings Number (formerly CFDA Number)
- E. who holds the title
- F. acquisition date
- G. cost of the equipment and the percentage of federal participation in the cost
- H. location, use, and condition of the equipment at the date the information was reported
- I. disposition data including the date of disposal and sale price of the property.
- iv. The Subrecipient shall take a physical inventory of the equipment, and supplies as applicable, and reconcile the results with the property records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by the Subrecipient to determine the cause of the difference. The Subrecipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.
- v. The Subrecipient shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment and supplies including all questions of liability. The Subrecipient shall develop appropriate maintenance schedules and procedures to ensure the equipment, and supplies as applicable, are well maintained and kept in good operating condition.
- vi. The Subrecipient shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage, or theft shall be investigated, and a report generated and sent to the Department's Key Personnel.
- vii. The Subrecipient must obtain and maintain all necessary certifications and licenses for the equipment.
- viii. If the Subrecipient is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return. For disposition, if upon termination or at the Grant Agreement End Date, when original or replacement supplies or equipment acquired under a federal award are no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Subrecipient must comply with the following procedures:
 - A. For Supplies: If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, the Subrecipient must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment.

- B. For Equipment:
 - 1) Items with a current per-unit fair-market value of \$5,000 or less may be retained, sold, or otherwise disposed of with no further obligation to the federal awarding agency.
 - 2) Items with a current per-unit fair-market value in excess of \$5,000 may be retained or sold. The Subrecipient shall compensate the federal awarding agency in accordance with the requirements of 2 CFR 200.313 (e) (2).
- ix. Records for equipment shall be retained by the Subrecipient for a period of six years from the date of the disposition, replacement, or transfer. If any litigation, claim, or audit is started before the expiration of the six-year period, the records shall be retained by the Subrecipient until all litigation, claims, or audit findings involving the records have been resolved.
- b. The Subrecipient shall comply with the Department's Purchase Review Process, which is incorporated by reference and made part of this Agreement. No reimbursement will be provided unless the appropriate approval has been received.
- c. Allowable categories for the EMPG-S Program are listed in the 20EMPG-S NOFO and on the Authorized Equipment List (AEL) located on the FEMA website at http://www.fema.gov/authorized-equipment-list. It is important that the Subrecipient and any non-federal entity to which the Subrecipient makes a subaward regard the AEL as an authorized purchasing list identifying items allowed under the specific grant program and includes items that may not be categorized as equipment according to the federal, state, local, and tribal definitions of equipment. The Subrecipient is solely responsible for ensuring and documenting purchased items under this Agreement are authorized as allowed items by the AEL at time of purchase.

If the item is not identified in the 20EMPG-S NOFO or on the AEL as allowable under EMPG-S, the Subrecipient must contact the Department Key Personnel for assistance in seeking FEMA approval prior to acquisition.

- d. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory and/or DHS/FEMA adopted standards to be eligible for purchase using federal award funds.
- e. The Subrecipient must pass on equipment and supply management requirements that meet or exceed the requirements outlined above to any non-federal entity to which the Subrecipient makes a subaward under this Agreement.

5. ENVIRONMENTAL AND HISTORICAL PRESERVATION

- a. The Subrecipient shall ensure full compliance with the DHS/FEMA Environmental Planning and Historic Preservation (EHP) program. EHP program information can be found at <u>https://www.fema.gov/environmental-planning-and-historic-preservation-compliance</u> all of which are incorporated in and made a part of this Agreement.
- b. Projects that have historical impacts or the potential to impact the environment, including, **but not limited to**, construction of communication towers; modification or renovation of existing buildings, structures and facilities; or new construction including replacement of facilities, must participate in the DHS/FEMA EHP review process prior to initiation. Modification of existing buildings, including minimally invasive improvements such as attaching monitors to interior walls, and training occurring outside in areas not considered previously disturbed, also require a DHS/FEMA EHP review before project initiation.
- c. The EHP review process involves the submission of a detailed project description that includes the entire scope of work, including any alternatives that may be under consideration, along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.

d. The Subrecipient agrees that to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process **must be completed and FEMA approval received by the Subrecipient before** any work is started for which reimbursement will be later requested. Expenditures for projects started before completion of the EHP review process and receipt of approval by the Subrecipient will not be reimbursed.

6. **PROCUREMENT**

- a. The Subrecipient shall comply with all procurement requirements of 2 CFR Part 200.318 through 200.326 and as specified in the General Terms and Conditions (Attachment B, A.10). With the exception of the requirements in 2 CFR Part 200.319(b), regarding geographical preferences and 2 CFR Part 200.321 regarding contracting small and minority businesses, women's business enterprises, and labor surplus area firms, which have been temporarily exempted by OMB Memo M-20-17. These exempted requirements will be reinstated upon notification from OMB that it has discontinued the exemption.
- b. For all sole source contracts expected to exceed \$250,000, the Subrecipient must submit to the Department for pre-procurement review and approval the procurement documents, such as requests for proposals, invitations for bids and independent cost estimates. This requirement must be passed on to any non-federal entity to which the Subrecipient makes a subaward, at which point the Subrecipient will be responsible for reviewing and approving sole source justifications of any non-federal entity to which the Subrecipient makes a subaward.

7. SUBRECIPIENT MONITORING

- a. The Department will monitor the activities of the Subrecipient from award to closeout. The goal of the Department's monitoring activities will be to ensure that agencies receiving federal pass-through funds are in compliance with this Agreement, federal and state audit requirements, federal grant guidance, and applicable federal and state financial regulations, as well as 2 CFR Part 200 Subpart F.
- b. To document compliance with 2 CFR Part 200 Subpart F requirements, the Subrecipient shall complete and return to the Department an Audit Certification/FFATA form. This form is required to be completed once per calendar year, per Subrecipient, and not per agreement. The Department's Contracts Office will request the Subrecipient submit an updated form at the beginning of each calendar year in which the Subrecipient has an active agreement.
- c. Monitoring activities may include, but are not limited to:
 - i. Review of financial and performance reports
 - ii. Monitoring and documenting the completion of Agreement deliverables
 - iii. Documentation of phone calls, meetings (e.g. agendas, sign-in sheets, meeting minutes), e-mails and correspondence
 - iv. Review of reimbursement requests and supporting documentation to ensure allowability and consistency with Agreement work plan, budget, and federal requirements
 - v. Observation and documentation of Agreement related activities, such as training, events, and equipment demonstrations
 - vi. On-site visits to review equipment records and inventories, to verify source documentation for reimbursement requests and performance reports, and to verify completion of deliverables.
- d. The Subrecipient is required to meet or exceed the monitoring activities, as outlined above, for any non-federal entity to which the Subrecipient makes a subaward as a pass-through entity under this Agreement.

e. Compliance will be monitored throughout the performance period to assess risk. Concerns will be addressed through a Corrective Action Plan.

8. LIMITED ENGLISH PROFICIENCY (CIVIL RIGHTS ACT OF 1964 TITLE VI)

The Subrecipient must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) a. prohibition against discrimination on the basis of national origin, which requires that Subrecipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services, selecting language services, and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance at https://www.dhs.gov/guidance-published-helpdepartment-supported-organizations-provide-meaningful-access-people-limited and additional resources on http://www.lep.gov.

9. NIMS COMPLIANCE

- a. The National Incident Management System (NIMS) identifies concepts and principles that answer how to manage emergencies from preparedness to recovery regardless of their cause, size, location, or complexity. NIMS provides a consistent, nationwide approach and vocabulary for multiple agencies or jurisdictions to work together to build, sustain, and deliver the core capabilities needed to achieve a secure and resilient nation.
- b. Consistent implementation of NIMS provides a solid foundation across jurisdictions and disciplines to ensure effective and integrated preparedness, planning, and response. NIMS empowers the components of the National Preparedness System, a requirement of Presidential Policy Directive 8, to guide activities within the public and private sector and describes the planning, organizational activities, equipping, training, and exercising needed to build and sustain the core capabilities in support of the National Preparedness Goal.
- c. In order to receive FY 2020 federal preparedness funding, to include EMPG-S, the Subrecipient will ensure all NIMS objectives have been initiated and/or are in progress toward completion. NIMS Implementation Objectives are located at https://www.fema.gov/media-library/assets/documents/130743.

B. EMPG PROGRAM SPECIFIC REQUIREMENTS

The Department receives EMPG-S funding from DHS/FEMA, to assist state, local, and tribal governments with their public health and emergency management activities supporting the prevention of, preparation for, and response to the ongoing COVID-19 public health emergency as authorized by the *Coronavirus Aid, Relief, and Economic Security (CARES) Act*, Div. B (Pub. L. No. 116-136); section 662 of the *Post-Katrina Emergency Management Reform Act of 2006 (PKEMRA)*, as amended (Pub. L. No. 109-295) (6 U.S.C. § 762); *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended (Pub. L. No. 93-288) (42 U.S.C. §§ 5121 et seq.); *Earthquake Hazards Reduction Act* of 1977, as amended (Pub. L. No. 95-124) (42 U.S.C. §§ 7701 et seq.); and *National Flood Insurance Act of 1968*, as amended (Pub. L. No. 90-448) (42 U.S.C. §§ 4001 et seq.).

A portion of the 20EMPG-S is passed through to local jurisdictions and tribes with emergency management programs to supplement their local/tribal operating budgets to help sustain and enhance emergency management capabilities pursuant to Washington Administrative Code (WAC) 118-09.

- 1. The Subrecipient shall use the EMPG-S funds authorized under this Agreement only to perform tasks as described in the Work Plan of the Subrecipient's application for funding, as approved by the Department and incorporated into this Agreement.
- 2. Funding may not be used to replace or supplant existing local or tribal government funding of emergency management programs.
- 3. The Subrecipient shall provide a fifty percent match of non-federal origin. The Federal share applied toward the EMPG-S budget shall not exceed fifty percent of the total budget as submitted and approved in the application and documented in the Budget (Attachment E). To meet matching requirements, the Subrecipient's cash matching contributions must be considered reasonable, allowable, allocable, and necessary under the grant program and must comply with all Federal requirements and regulations, including, but not limited to, 2 CFR Part 200. An appropriate mechanism must be in place to capture, track, and document matching funds. In the final report, the Subrecipient shall identify how the match was met and documented.
- 4. If funding is allocated to emergency communications, the Subrecipient must ensure that all projects comply with SAFECOM Guidance on Emergency Communications Grants ensuring the investments are compatible, interoperable, resilient, and support national goals and objectives for improving emergency communications.
- 5. Subrecipients are encouraged to participate in the State's annual Training and Exercise Planning Workshop (TEPW)/Integrated Preparedness Planning Workshop (IPPW) or may conduct their own local/regional TEPW/IPPW.
- 6. If funding is allocated to non-DHS FEMA training, the Subrecipient must request prior approval from the Department Key Personnel before attending the training. The Department will coordinate approval with the State Training Point of Contact. Pursuant to DHS/FEMA Grant Programs FΡ 207-008-064-1 (https://www.fema.gov/media-Directorate Policy library/assets/documents/34856), the training must fall within the FEMA mission scope and be included in the Subrecipient's Emergency Operations Plan. This requirement only applies to training courses and does not include attendance at conferences. See DHS/FEMA's Information Bulletin 432, Review and Approval Requirements for Training Courses Funded Through https://www.fema.gov/media-library-data/1532096548973-Preparedness Grants d6869629eef3ce43b92691f4254829dc/Training Course Review and Approval IB Final 7 19 18 508.pdf. Furthermore, additional federal approvals are required for courses that relate to Countering Violent Extremism prior to attendance.

C. DHS TERMS AND CONDITIONS

As a Subrecipient of 20EMPG-S funding, the Subrecipient shall comply with all applicable DHS terms and conditions of the 20EMPG-S Award Letter and its incorporated documents for DHS Grant No. EMS-2020-EP-00009-S01, which are incorporated and made a part of this Agreement as Attachment F.

Washington State Military Department GENERAL TERMS AND CONDITIONS Department of Homeland Security (DHS)/ Federal Emergency Management Agency (FEMA) Grants

A.1 <u>DEFINITIONS</u>

As used throughout this Agreement, the terms will have the same meaning as defined in 2 CFR 200 Subpart A (which is incorporated herein by reference), except as otherwise set forth below:

- a. "Agreement" means this Grant Agreement.
- b. **"Department**" means the Washington State Military Department, as a state agency, any division, section, office, unit or other entity of the Department, or any of the officers or other officials lawfully representing that Department. The Department is a recipient of a federal award directly from a federal awarding agency and is the pass-through entity making a subaward to a Subrecipient under this Agreement.
- c. **"Subrecipient**" when capitalized is primarily used throughout this Agreement in reference to the non-federal entity identified on the Face Sheet of this Agreement that has received a subaward from the Department. However, the definition of "Subrecipient" is the same as in 2 CFR 200.93 for all other purposes.
- d. **"Monitoring Activities**" means all administrative, financial, or other review activities that are conducted to ensure compliance with all state and federal laws, rules, regulations, authorities and policies.
- e. **"Investment**" means the grant application submitted by the Subrecipient describing the project(s) for which federal funding is sought and provided under this this Agreement. Such grant application is hereby incorporated into this Agreement by reference.

A.2 ADVANCE PAYMENTS PROHIBITED

The Department shall make no payments in advance or in anticipation of goods or services to be provided under this Agreement. Subrecipient shall not invoice the Department in advance of delivery and invoicing of such goods or services.

A.3 AMENDMENTS AND MODIFICATIONS

The Subrecipient or the Department may request, in writing, an amendment or modification of this Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the Department and the Subrecipient. No other understandings or agreements, written or oral, shall be binding on the parties.

The Agreement performance period shall only be extended by (1) written notification of DHS/FEMA approval of the Award performance period, followed up with a mutually agreed written amendment, or (2) written notification from the Department to the Subrecipient to provide additional time for completion of the Subrecipient's project(s).

A.4 <u>AMERICANS WITH DISABILITIES ACT (ADA) OF 1990, PUBLIC LAW 101-336, 42 U.S.C. 12101 ET</u> <u>SEQ. AND ITS IMPLEMENTING REGULATIONS ALSO REFERRED TO AS THE "ADA" 28 CFR Part</u> <u>35.</u>

The Subrecipient must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunication.

A.5 <u>ASSURANCES</u>

The Department and Subrecipient agree that all activity pursuant to this Agreement will be in accordance with all the applicable current federal, state and local laws, rules and regulations.

A.6 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, OR INELIGIBILITY

As federal funds are a basis for this Agreement, the Subrecipient certifies that the Subrecipient is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Agreement by any federal department or agency.

The Subrecipient shall complete, sign, and return a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form located at <u>http://mil.wa.gov/emergency-management-division/grants/requiredgrantforms</u>. Any such form completed by the Subrecipient for this Agreement shall be incorporated into this Agreement by reference.

Further, the Subrecipient agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Subrecipient certifies that it will ensure that potential contractors or subrecipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in "covered transactions" by any federal department or agency. "Covered transactions" include procurement contracts for goods or services awarded under a non-procurement transaction (e.g. grant or cooperative agreement) that are expected to equal or exceed \$25,000, and subawards to Subrecipients for any amount. With respect to covered transactions, the Subrecipient may comply with this provision by obtaining a certification statement from the potential contractor or subrecipient or by checking the System for Award Management (https://sam.gov/SAM/) maintained by the federal government. The Subrecipient also agrees not to enter into any arrangements or contracts with any party on the Washington State Department Labor "Debarred Contractor of and Industries' List" (https://secure.lni.wa.gov/debarandstrike/ContractorDebarList.aspx). The Subrecipient also agrees not to enter into any agreements or contracts for the purchase of goods and services with any party on the Department of Enterprise Services' Debarred Vendor List (http://www.des.wa.gov/services/ContractingPurchasing/Business/Pages/Vendor-Debarment.aspx).

A.7 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING

As required by 44 CFR Part 18, the Subrecipient hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of the Subrecipient to any person for influencing or attempting to influence an officer or employee of an agency. a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, grant, loan, or cooperative agreement, the Subrecipient will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; (3) and that, as applicable, the Subrecipient will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.

A.8 <u>COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES</u>

The Subrecipient and all its contractors and subrecipients shall comply with, and the Department is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, executive orders, OMB Circulars, and/or policies. This obligation includes, but is not limited to: nondiscrimination laws and/or policies, Energy Policy and Conservation Act (PL 94-163, as amended), the Americans with Disabilities Act (ADA), Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Civil Rights Act of 1968, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, (PL 93-288, as amended), Ethics in Public Service (RCW 42.52), Covenant Against Contingent Fees (48 CFR Section 52.203-5), Public Records Act (RCW 42.56), Prevailing Wages on Public Works (RCW 39.12), State Environmental Policy Act (RCW 43.21C), Shoreline Management Act of 1971 (RCW 90.58), State Building Code (RCW 19.27), Energy Related Building Standards (RCW 19.27A), Provisions in Buildings for Aged and Handicapped Persons (RCW 70.92), and safety and health regulations.

In the event of noncompliance or refusal to comply with any applicable law, regulation, executive order, OMB Circular or policy by the Subrecipient, its contractors or subrecipients, the Department may rescind, cancel, or terminate the Agreement in whole or in part in its sole discretion. The Subrecipient is

responsible for all costs or liability arising from its failure, and that of its contractors and subrecipients, to comply with applicable laws, regulations, executive orders, OMB Circulars or policies.

A.9 CONFLICT OF INTEREST

No officer or employee of the Department; no member, officer, or employee of the Subrecipient or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of the Subrecipient who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Agreement.

The Subrecipient shall incorporate, or cause to incorporate, in all such contracts or subawards, a provision prohibiting such interest pursuant to this provision.

A.10 CONTRACTING & PROCUREMENT

a. The Subrecipient shall use a competitive procurement process in the procurement and award of any contracts with contractors or subcontractors that are entered into under the original agreement award. The procurement process followed shall be in accordance with 2 CFR Part 200.318 General procurement standards through 200.326 Contract provisions. As per OMB Memo 20-17, certain procurement requirements have been temporarily exempted. For details, refer to the Special Terms and Conditions, Section 6(a).

As required by Appendix II to 2 CFR Part 200, all contracts entered into by the Subrecipient under this Agreement must include the following provisions, as applicable:

- Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-federal entity including the manner by which it will be affected and the basis for settlement.
- 3) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
- Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program 4) legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Subrecipient must be prohibited from inducing, by any means, any person employed in the construction,

completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency.

- 5) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- 6) Rights to Inventions Made Under a Contract or Agreement. If the federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or Subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.
- 7) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- 8) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- 9) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award.
- 10) Procurement of recovered materials -- As required by 2 CFR 200.322, a non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded

\$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

- 11) Notice of federal awarding agency requirements and regulations pertaining to reporting.
- 12) Federal awarding agency requirements and regulations pertaining to copyrights and rights in data.
- 13) Access by the Department, the Subrecipient, the federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.
- 14) Retention of all required records for six (6) years after the Subrecipient has made final payments and all other pending matters are closed.
- 15) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163, 89 Stat. 871).
- 16) Pursuant to Executive Order 13858 "Strengthening Buy-American Preferences for Infrastructure Projects," the Department encourages Subrecipients to use, to the greatest extent practicable and consistent with the law, the use of goods, products, and materials produced in the United States in every contract, subcontract, purchase order, or sub-award that is chargeable against federal financial assistance awards.
- b. The Department reserves the right to review the Subrecipient's procurement plans and documents and require the Subrecipient to make changes to bring its plans and documents into compliance with the requirements of 2 CFR Part 200.318 through 200.326. The Subrecipient must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Subrecipient and Department to make a determination on eligibility of project costs.
- c. All contracting agreements entered into pursuant to this Agreement shall incorporate this Agreement by reference.

A.11 DISCLOSURE

The use or disclosure by any party of any information concerning the Department for any purpose not directly connected with the administration of the Department's or the Subrecipient's responsibilities with respect to services provided under this Agreement is prohibited except by prior written consent of the Department or as required to comply with the state Public Records Act, other law or court order.

A.12 <u>DISPUTES</u>

Except as otherwise provided in this Agreement, when a bona fide dispute arises between the parties and it cannot be resolved through discussion and negotiation, either party may request a dispute resolution panel to resolve the dispute. A request for a dispute resolution board shall be in writing, state the disputed issues, state the relative positions of the parties, and be sent to all parties. The panel shall consist of a representative appointed by the Department, a representative appointed by the Subrecipient and a third party mutually agreed upon by both parties. The panel shall, by majority vote, resolve the dispute. Each party shall bear the cost for its panel member and its attorney fees and costs and share equally the cost of the third panel member.

A.13 LEGAL RELATIONS

It is understood and agreed that this Agreement is solely for the benefit of the parties to the Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Agreement.

To the extent allowed by law, the Subrecipient, its successors or assigns, will protect, save and hold harmless the Department, the state of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Subrecipient, its subcontractors, subrecipients, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Agreement.

To the extent allowed by law, the Subrecipient further agrees to defend the Department and the state of Washington and their authorized agents and employees in any litigation; including payment of any costs or attorneys' fees for any claims or action commenced thereon arising out of or in connection with acts or activities authorized by this Agreement.

This obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of the Department; provided, that if the claims or damages are caused by or result from the concurrent negligence of (1) the Department, and (2) the Subrecipient, its agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Subrecipient, or the Subrecipient's agents or employees.

Insofar as the funding source, the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), is an agency of the Federal government, the following shall apply:

<u>44 CFR 206.9 Non-liability</u>. The Federal government shall not be liable for any claim based upon the exercise or performance of, or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the Federal government in carrying out the provisions of the Stafford Act.

A.14 LIMITATION OF AUTHORITY – AUTHORIZED SIGNATURE

The signatories to this Agreement represent that they have the authority to bind their respective organizations to this Agreement. Only the Department's Authorized Signature representative and the Authorized Signature representative of the Subrecipient or Alternate for the Subrecipient, formally designated in writing, shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Agreement. Any alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made in writing and signed by both parties' Authorized Signature representatives, except as provided for time extensions in Article A.3.

Further, only the Authorized Signature representative or Alternate for the Subrecipient shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans, and other requests, certifications and documents authorized by or required under this Agreement.

A.15 LOSS OR REDUCTION OF FUNDING

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the Department may unilaterally reduce the work plan and budget or unilaterally terminate all or part of the Agreement as a "Termination for Cause" without providing the Subrecipient an opportunity to cure. Alternatively, the parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the Department has no obligation to do so.

A.16 NONASSIGNABILITY

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Subrecipient.

A.17 NONDISCRIMINATION

The Subrecipient shall comply with all applicable federal and state non-discrimination laws, regulations, and policies. No person shall, on the grounds of age, race, creed, color, sex, sexual orientation, religion, national origin, marital status, honorably discharged veteran or military status, or disability (physical, mental, or sensory) be denied the benefits of, or otherwise be subjected to discrimination under any project, program, or activity, funded, in whole or in part, under this Agreement.

A.18 NOTICES

The Subrecipient shall comply with all public notices or notices to individuals required by applicable local, state and federal laws and regulations and shall maintain a record of this compliance.

A.19 <u>OCCUPATIONAL SAFETY/HEALTH ACT and WASHINGTON INDUSTRIAL SAFETY/HEALTH ACT</u> (OSHA/WISHA)

The Subrecipient represents and warrants that its work place does now or will meet all applicable federal and state safety and health regulations that are in effect during the Subrecipient's performance under this Agreement. To the extent allowed by law, the Subrecipient further agrees to indemnify and hold harmless

92

A.20 OWNERSHIP OF PROJECT/CAPITAL FACILITIES

The Department makes no claim to any capital facilities or real property improved or constructed with funds under this Agreement, and by this subaward of funds does not and will not acquire any ownership interest or title to such property of the Subrecipient. The Subrecipient shall assume all liabilities and responsibilities arising from the ownership and operation of the project and agrees to indemnify and hold the Department, the state of Washington, and the United States government harmless from any and all causes of action arising from the ownership and operation of the project.

A.21 POLITICAL ACTIVITY

No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.

A.22 PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION

The assistance provided under this Agreement shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such assistance or any other approval or concurrence under this Agreement provided, however, that reasonable fees or bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as project costs.

A.23 <u>PUBLICITY</u>

The Subrecipient agrees to submit to the Department prior to issuance all advertising and publicity matters relating to this Agreement wherein the Department's name is mentioned, or language used from which the connection of the Department's name may, in the Department's judgment, be inferred or implied. The Subrecipient agrees not to publish or use such advertising and publicity matters without the prior written consent of the Department. The Subrecipient may copyright original work it develops in the course of or under this Agreement; however, pursuant to 2 CFR Part 200.315, FEMA reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Agreement shall include an acknowledgement of FEMA's financial support, by the Assistance Listings Number (formerly CFDA Number), and a statement that the publication does not constitute an endorsement by FEMA or reflect FEMA's views.

A.24 <u>RECAPTURE PROVISION</u>

In the event the Subrecipient fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws, regulations, and/or the provisions of the Agreement, the Department reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for the life of the project following Agreement termination. Repayment by the Subrecipient of funds under this recapture provision shall occur within 30 days of demand. In the event the Department is required to institute legal proceedings to enforce the recapture provision, the Department shall be entitled to its costs and expenses thereof, including attorney fees from the Subrecipient.

A.25 <u>RECORDS</u>

- a. The Subrecipient agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect the Subrecipient's contracts, subawards, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Agreement (the "records").
- b. The Subrecipient's records related to this Agreement and the projects funded may be inspected and audited by the Department or its designee, by the Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller General of the United States or its designees, or by other state or federal officials authorized by law, for the purposes of determining compliance by the Subrecipient with the terms of this Agreement and to determine the appropriate level of funding to be paid under the Agreement.

- c. The records shall be made available by the Subrecipient for such inspection and audit, together with suitable space for such purpose, at any and all times during the Subrecipient's normal working day.
- d. The Subrecipient shall retain and allow access to all records related to this Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Agreement. Despite the minimum federal retention requirement of three (3) years, the more stringent State requirement of six (6) years must be followed.

A.26 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN

While the Department undertakes to assist the Subrecipient with the project/statement of work/work plan (project) by providing federal award funds pursuant to this Agreement, the project itself remains the sole responsibility of the Subrecipient. The Department undertakes no responsibility to the Subrecipient, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Subrecipient, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Subrecipient shall ensure that all applicable federal, state, and local permits and clearances are obtained, including, but not limited to, FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws, regulations, and executive orders.

The Subrecipient shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Subrecipient in connection with the project. The Subrecipient shall not look to the Department, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including, but not limited to, cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.27 <u>SEVERABILITY</u>

If any court of rightful jurisdiction holds any provision or condition under this Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Agreement are declared severable.

A.28 SINGLE AUDIT ACT REQUIREMENTS (including all AMENDMENTS)

The Subrecipient shall comply with and include the following audit requirements in any subawards.

Non-federal entities, as Subrecipients of a federal award, that expend **\$750,000** or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a programspecific audit conducted in accordance with 2 CFR Part 200 Subpart F. Non-federal entities that spend less than **\$750,000** a year in federal awards are exempt from federal audit requirements for that year, except as noted in 2 CFR Part 200 Subpart F. As defined in 2 CFR Part 200, the term "non-federal entity" means a state, local government, Indian tribe, institution of higher education, or nonprofit organization that carries out a federal award as a recipient or subrecipient.

Subrecipients that are required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the United States Comptroller General and the OMB Compliance Supplement. The Subrecipient has the responsibility of notifying its auditor and requesting an audit in compliance with 2 CFR Part 200 Subpart F, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by 2 CFR Part 200.425.

The Subrecipient shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any subcontractors also maintain auditable records. The Subrecipient is responsible for any audit exceptions incurred by its own organization or that of its subcontractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The Subrecipient must respond to Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The Department reserves the right to recover from the Subrecipient all disallowed costs resulting from the audit.

After the single audit has been completed, and if it includes any audit findings, the Subrecipient must send a full copy of the audit and its Corrective Action Plan to the Department at the following address no later than nine (9) months after the end of the Subrecipient's fiscal year(s):

Contracts Office Washington Military Department Finance Division, Building #1 TA-20 Camp Murray, WA 98430-5032

The Department retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

Conducting a single or program-specific audit in compliance with 2 CFR Part 200 Subpart F is a material requirement of this Agreement. In the absence of a valid claim of exemption from the audit requirements of 2 CFR Part 200 Subpart F, the Subrecipient's failure to comply with said audit requirements may result in one or more of the following actions in the Department's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with 2 CFR Part 200 Subpart F; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.29 SUBRECIPIENT NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Agreement. The Subrecipient, and/or employees or agents performing under this Agreement are not employees or agents of the Department in any manner whatsoever. The Subrecipient will not be presented as, nor claim to be, an officer or employee of the Department by reason of this Agreement, nor will the Subrecipient make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the Department by reason of this Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

It is understood that if the Subrecipient is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the state of Washington in their own right and not by reason of this Agreement.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Agreement, the Subrecipient shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the Subrecipient or its staff required by statute or regulation that are applicable to Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Agreement, the Subrecipient may terminate this Agreement by providing written notice of such termination to the Department Key Personnel identified in the Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Agreement, the Department, in its sole discretion and in the best interests of the state of Washington, may terminate this Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the Subrecipient. Upon notice of termination for convenience, the Department reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds. In the event of termination, the Subrecipient shall be liable for all damages as authorized by law. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR CAUSE

In the event the Department, in its sole discretion, determines the Subrecipient has failed to fulfill in a timely and proper manner its obligations under this Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Subrecipient unable to perform any aspect of the Agreement, or has violated any of the covenants,

95

agreements or stipulations of this Agreement, the Department has the right to immediately suspend or terminate this Agreement in whole or in part.

The Department may notify the Subrecipient in writing of the need to take corrective action and provide a period of time in which to cure. The Department is not required to allow the Subrecipient an opportunity to cure if it is not feasible as determined solely within the Department's discretion. Any time allowed for cure shall not diminish or eliminate the Subrecipient's liability for damages or otherwise affect any other remedies available to the Department. If the Department allows the Subrecipient an opportunity to cure, the Department shall notify the Subrecipient in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the Department, or if such corrective action is deemed by the Department to be insufficient, the Agreement may be terminated in whole or in part.

The Department reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Subrecipient from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Subrecipient, if allowed, or pending a decision by the Department to terminate the Agreement in whole or in part.

In the event of termination, the Subrecipient shall be liable for all damages as authorized by law, including, but not limited to, any cost difference between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the Subrecipient: (1) was not in default or material breach, or (2) failure to perform was outside of the Subrecipient's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

A.33 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the Department terminates this Agreement, the Subrecipient shall follow any procedures specified in the termination notice. Upon termination of this Agreement and in addition to any other rights provided in this Agreement, the Department may require the Subrecipient to deliver to the Department any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

If the termination is for convenience, the Department shall pay to the Subrecipient as an agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the Department prior to the effective date of Agreement termination, the amount agreed upon by the Subrecipient and the Department for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the Department, (iii) other work, services and/or equipment or supplies which are accepted by the Department, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Agreement. If the termination is for cause, the Department shall determine the extent of the liability of the Department. The Department shall have no other obligation to the Subrecipient for termination. The Department may withhold from any amounts due the Subrecipient such sum as the Department determines to be necessary to protect the Department against potential loss or liability.

The rights and remedies of the Department provided in this Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the Department in writing, the Subrecipient shall:

- a. Stop work under the Agreement on the date, and to the extent specified, in the notice;
- b. Place no further orders or contracts for materials, services, supplies, equipment and/or facilities in relation to this Agreement except as may be necessary for completion of such portion of the work under the Agreement as is not terminated;
- c. Assign to the Department, in the manner, at the times, and to the extent directed by the Department, all of the rights, title, and interest of the Subrecipient under the orders and contracts

96

so terminated, in which case the Department has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and contracts;

- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and contracts, with the approval or ratification of the Department to the extent the Department may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the Department and deliver in the manner, at the times, and to the extent directed by the Department any property which, if the Agreement had been completed, would have been required to be furnished to the Department;
- f. Complete performance of such part of the work as shall not have been terminated by the Department in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the Department may require, for the protection and preservation of the property related to this Agreement which is in the possession of the Subrecipient and in which the Department has or may acquire an interest.

A.34 UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES (MWBE)

The Subrecipient is encouraged to utilize business firms that are certified as minority-owned and/or women-owned in carrying out the purposes of this Agreement. The Subrecipient may set utilization standards, based upon local conditions or may utilize the state of Washington MWBE goals, as identified in WAC 326-30-041.

A.35 <u>VENUE</u>

This Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by, the laws of the state of Washington. Venue of any suit between the parties arising out of this Agreement shall be the Superior Court of Thurston County, Washington. The Subrecipient, by execution of this Agreement, acknowledges the jurisdiction of the courts of the state of Washington.

A.36 WAIVERS

No conditions or provisions of this Agreement can be waived unless approved in advance by the Department in writing. The Department's failure to insist upon strict performance of any provision of the Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Agreement.

FY 2020 Emergency Management Performance Grant COVID-19 Supplemental

Emergency Management Organization: City of Marysville

The purpose of EMPG-S funds is to assist state, local, and tribal emergency management activities supporting the prevention of, preparation for, and response to the ongoing Coronavirus Disease 2019 (COVID-19) public health emergency. Funding will be used to support planning and operational readiness for COVID-19 preparedness and response, development of tools and strategies for prevention, preparedness, and response, and ongoing communication and coordination among federal, State, local, tribal, and territorial partners throughout the response. EMPG-S grant funds are intended to support the National Preparedness Goal and fund activities and projects that build and sustain the capabilities necessary to prevent, protect against, mitigate the effects of, respond to, and recover from those threats and hazards that pose the greatest risk to the security of the Nation.

Program Area #1 Title	
Personal Protective Equipment (PPE)	
WORK PLANNED	RESULT OF THE WORK
Purchase fitted respirator masks for Law Enforcement Officers (LEOs) who serve the city.	LEOs will have masks with reinforced fittings that will help minimize exposure to airborne particles and microorganisms. This will assist in protecting LEOs from contamination, as well as protecting the community they serve.

Program Area #2 Title	
Public Outreach	
WORK PLANNED	RESULT OF THE WORK
Printing of materials that will be used during Spring and	EM will have materials for distribution that will help the
Summer 2021 scheduled outdoor events. EM will be	community be better prepared and educated on EM
participating with Parks in a series of outdoor events in	subjects, including COVID-19.
2021.

Award Letter

U.S. Department of Homeland Security Washington, D.C. 20472

Tirzah Kincheloe Military Department, Washington State 20 Aviation Drive Building 20 Camp Murray, WA 98430 - 5122

Re: Grant No.EMS-2020-EP-00009

Dear Tirzah Kincheloe:

Congratulations, on behalf of the Department of Homeland Security, your application for financial assistance submitted under the Fiscal Year (FY) 2020 Emergency Management Performance Grant Program COVID-19 Supplemental (EMPG-S) has been approved in the amount of \$2,126,974.00. As a condition of this award, you are required to contribute a cost match in the amount of \$2,126,974.00 of non-Federal funds, or 50 percent of the total approved project costs of \$4,253,948.00.

Before you request and receive any of the Federal funds awarded to you, you must establish acceptance of the award. By accepting this award, you acknowledge that the terms of the following documents are incorporated into the terms of your award:

- Agreement Articles (attached to this Award Letter)
- Obligating Document (attached to this Award Letter)
- Fiscal Year (FY) 2020 Emergency Management Performance Grant Program COVID-19 Supplemental (EMPG-S) Notice
 of Funding Opportunity.

Please make sure you read, understand, and maintain a copy of these documents in your official file for this award.

In order to establish acceptance of the award and its terms, please follow these instructions:

Step 1: Please log in to the ND Grants system at https://portal.fema.gov.

Step 2: After logging in, you will see the Home page with a Pending Tasks menu. Click on the Pending Tasks menu, select the Application sub-menu, and then click the link for "Award Offer Review" tasks. This link will navigate you to Award Packages that are pending review.

Step 3: Click the Review Award Package icon (wrench) to review the Award Package and accept or decline the award. Please save or print the Award Package for your records.

System for Award Management (SAM): Grant recipients are to keep all of their information up to date in SAM, in particular, your organization's name, address, DUNS number, EIN and banking information. Please ensure that the DUNS number used in SAM is the same one used to apply for all FEMA awards. Future payments will be contingent on the information provided in the SAM; therefore, it is imperative that the information is correct. The System for Award Management is located at http://www.sam.gov.

If you have any questions or have updated your information in SAM, please let your Grants Management Specialist (GMS) know as soon as possible. This will help us to make the necessary updates and avoid any interruptions in the payment process.

Article I - Summary of Award

Washington State Military Department is awarded a total federal allocation in the amount of \$2,126,974.00 under the Fiscal Year 2020 Emergency Management Performance Grant Program COVID-19 Supplemental (EMPG-S) to assist with public health and emergency management activities supporting the prevention of, preparation for, and response to the ongoing Coronavirus Disease 2019 (COVID-19) public health emergency, in accordance with the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Div. B (Pub. L. No. 116-136).

Article II - Activities Conducted Abroad

Recipients must ensure that project activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

Article III - Reporting of Matters Related to Recipient Integrity and Performance

If the total value of any currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this federal award, then the recipients must comply with the requirements set forth in the government-wide Award Term and Condition for Recipient Integrity and Performance Matters located at 2 C.F.R. Part 200, Appendix XII, the full text of which is incorporated here by reference in the award terms and conditions.

Article IV - Trafficking Victims Protection Act of 2000 (TVPA)

Recipients must comply with the requirements of the government-wide financial assistance award term which implements Section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), codified as amended at 22 U.S.C. section 7104. The award term is located at 2 C.F.R. section 175.15, the full text of which is incorporated here by reference.

Article V - Federal Leadership on Reducing Text Messaging while Driving

Recipients are encouraged to adopt and enforce policies that ban text messaging while driving as described in E.O. 13513, including conducting initiatives described in Section 3(a) of the Order when on official government business or when performing any work for or on behalf of the federal government.

Article VI - Debarment and Suspension

Recipients are subject to the non-procurement debarment and suspension regulations implementing Executive Orders (E.O.) 12549 and 12689, which are at 2 C.F.R. Part 180 as adopted by DHS at 2 C.F.R. Part 3000. These regulations restrict federal financial assistance awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities.

Article VII - Fly America Act of 1974

Recipients must comply with Preference for U.S. Flag Air Carriers (air carriers holding certificates under 49 U.S.C. section 41102) for international air transportation of people and property to the extent that such service is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974, 49 U.S.C. section 40118, and the interpretative guidelines issued by the Comptroller General of the United States in the March 31, 1981, amendment to Comptroller General Decision B-138942.

Article VIII - Americans with Disabilities Act of 1990

Recipients must comply with the requirements of Titles I, II, and III of the *Americans with Disabilities Act*, Pub. L. No. 101-336 (1990) (codified as amended at 42 U.S.C. sections 12101-12213), which prohibits recipients from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities.

Article IX - Duplication of Benefits

Any cost allocable to a particular federal financial assistance award provided for in 2 C.F.R. Part 200, Subpart E may not be charged to other federal financial assistance awards to overcome fund deficiencies; to avoid restrictions imposed by federal statutes, regulations, or federal financial assistance award terms and conditions; or for other reasons. However, these prohibitions would not preclude recipients from shifting costs that are allowable under two or more awards in accordance with existing federal statutes, regulations, or the federal financial assistance award terms and conditions.

Article X - Copyright

Recipients must affix the applicable copyright notices of 17 U.S.C. sections 401 or 402 and an acknowledgement of U.S. Government sponsorship (including the award number) to any work first produced under federal financial assistance awards.

Article XI - Civil Rights Act of 1968

Recipients must comply with Title VIII of the Civil Rights Act of 1968, Pub. L. No. 90-284, as amended through Pub. L. 113-4, which prohibits recipients from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (see 42 U.S.C. section 3601 et seq.), as implemented by the U.S. Department of Housing and Urban Development at 24 C.F.R. Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units-i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators)-be designed and constructed with certain accessible features. (See 24 C.F.R. Part 100, Subpart D.)

Article XII - Best Practices for Collection and Use of Personally Identifiable Information (PII)

Recipients who collect PII are required to have a publicly available privacy policy that describes standards on the usage and maintenance of the PII they collect. DHS defines personally identifiable information (PII) as any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual. Recipients may also find the DHS Privacy Impact Assessments: Privacy Guidance and Privacy Template as useful resources respectively.

Article XIII - Limited English Proficiency (Civil Rights Act of 1964, Title VI)

Recipients must comply with Title VI of the Civil Rights Act of 1964, (42 U.S.C. section 2000d et seq.) prohibition against discrimination on the basis of national origin, which requires that recipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance: https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited and additional resources on http://www.lep.gov.

Article XIV - Hotel and Motel Fire Safety Act of 1990

In accordance with Section 6 of the Hotel and Motel Fire Safety Act of 1990, 15 U.S.C. section 2225a, recipients must ensure that all conference, meeting, convention, or training space funded in whole or in part with federal funds complies with the fire prevention and control guidelines of the Federal Fire Prevention and Control Act of 1974, (codified as amended at 15 U.S.C. section 2225.)

Article XV - Disposition of Equipment Acquired Under the Federal Award

When original or replacement equipment acquired under this award by the recipient or its sub-recipients is no longer needed for the original project or program or for other activities currently or previously supported by DHS/FEMA, you must request instructions from DHS/FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. Section 200.313.

Article XVI - Patents and Intellectual Property Rights

Recipients are subject to the Bayh-Dole Act, 35 U.S.C. section 200 et seq, unless otherwise provided by law. Recipients are subject to the specific requirements governing the development, reporting, and disposition of rights to inventions and patents resulting from federal financial assistance awards located at 37 C.F.R. Part 401 and the standard patent rights clause located at 37 C.F.R. section 401.14.

Article XVII - DHS Specific Acknowledgements and Assurances

All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff.

1. Recipients must cooperate with any compliance reviews or compliance investigations conducted by DHS.

2. Recipients must give DHS access to, and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance.

3. Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.

4. Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

5. Recipients of federal financial assistance from DHS must complete the DHS Civil Rights Evaluation Tool within thirty (30) days of receipt of the Notice of Award or, for State Administering Agencies, thirty (30) days from receipt of the DHS Civil Rights Evaluation Tool from DHS or its awarding component agency. After the initial submission for the first award under which this term applies, recipients are required to provide this information once every two (2) years as long as they have an active award, not every time an award is made. Recipients should submit the completed tool, including supporting materials, to <u>CivilRightsEvaluation@hq.dhs.gov</u>. This tool clarifies the civil rights obligations and related reporting requirements contained in the DHS Standard Terms and Conditions. Subrecipients are not required to complete and submit this tool to DHS. The evaluation tool can be found at https://www.dhs.gov/publication/dhs-civil-rights-evaluation-tool.

6. The DHS Office for Civil Rights and Civil Liberties will consider, in its discretion, granting an extension if the recipient identifies steps and a timeline for completing the tool. Recipients should request extensions by emailing the request to <u>CivilRightsEvaluation@hq.dhs.gov</u> prior to expiration of the 30-day deadline.

Article XVIII - Procurement of Recovered Materials

States, political subdivisions of states, and their contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965), (codified as amended by the Resource Conservation and Recovery Act, 42 U.S.C. section 6962.) The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition.

Article XIX - Terrorist Financing

Recipients must comply with E.O. 13224 and U.S. laws that prohibit transactions with, and the provisions of resources and support to, individuals and organizations associated with terrorism. Recipients are legally responsible to ensure compliance with the Order and laws.

Article XX - Civil Rights Act of 1964 - Title VI

Recipients must comply with the requirements of Title VI of the Civil Rights Act of 1964 (codified as amended at 42 U.S.C. section 2000d et seq.), which provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. DHS implementing regulations for the Act are found at 6 C.F.R. Part 21 and 44 C.F.R. Part 7.

Article XXI - Prior Approval for Modification of Approved Budget

Before making any change to the DHS/FEMA approved budget for this award, you must request prior written approval from DHS/FEMA where required by 2 C.F.R. Section 200.308. DHS/FEMA is also utilizing its discretion to impose an additional restriction under 2 C.F.R. Section 200.308(e) regarding the transfer of funds among direct cost categories, programs, functions, or activities. Therefore, for awards with an approved budget where the Federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from DHS/FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget DHS/FEMA last approved. You must report any deviations from your DHS/FEMA approved budget in the first Federal Financial Report (SF-425) you submit following any budget deviation, regardless of whether the budget deviation requires prior written approval.

Article XXII - Acknowledgement of Federal Funding from DHS

Recipients must acknowledge their use of federal funding when issuing statements, press releases, requests for proposal, bid invitations, and other documents describing projects or programs funded in whole or in part with federal funds.

Article XXIII - Acceptance of Post Award Changes

In the event FEMA determines that changes are necessary to the award document after an award has been made, including changes to period of performance or terms and conditions, recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award. Please call the FEMA/GMD Call Center at (866) 927-5646 or via e-mail to <u>ASK-GMD@fema.dhs.gov</u> if you have any questions.

Article XXIV - Rehabilitation Act of 1973

Recipients must comply with the requirements of Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112 (1973), (codified as amended at 29 U.S.C. section 794,) which provides that no otherwise qualified handicapped individuals in the United States will, solely by reason of the handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Article XXV - False Claims Act and Program Fraud Civil Remedies

Recipients must comply with the requirements of the False Claims Act, 31 U.S.C. sections 3729-3733, which prohibits the submission of false or fraudulent claims for payment to the federal government. (See 31 U.S.C. sections 3801-3812, which details the administrative remedies for false claims and statements made.)

Article XXVI - Nondiscrimination in Matters Pertaining to Faith-Based Organizations

It is DHS policy to ensure the equal treatment of faith-based organizations in social service programs administered or supported by DHS or its component agencies, enabling those organizations to participate in providing important social

services to beneficiaries. Recipients must comply with the equal treatment policies and requirements contained in 6 C.F.R. Part 19 and other applicable statues, regulations, and guidance governing the participations of faith-based organizations in individual DHS programs.

Article XXVII - Lobbying Prohibitions

Recipients must comply with 31 U.S.C. section 1352, which provides that none of the funds provided under a federal financial assistance award may be expended by the recipient to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any federal action related to a federal award or contract, including any extension, continuation, renewal, amendment, or modification.

Article XXVIII - Education Amendments of 1972 (Equal Opportunity in Education Act) - Title IX

Recipients must comply with the requirements of Title IX of the Education Amendments of 1972, Pub. L. No. 92-318 (1972) (codified as amended at 20 U.S.C. section 1681 et seq.), which provide that no person in the United States will, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance. DHS implementing regulations are codified at 6 C.F.R. Part 17 and 44 C.F.R. Part 19.

Article XXIX - Age Discrimination Act of 1975

Recipients must comply with the requirements of the Age Discrimination Act of 1975, Pub. L. No. 94-135 (1975) (codified as amended at Title 42, U.S. Code, section 6101 et seq.), which prohibits discrimination on the basis of age in any program or activity receiving federal financial assistance.

Article XXX - National Environmental Policy Act

Recipients must comply with the requirements of the National Environmental Policy Act of 1969 (NEPA), Pub. L. No. 91-190 (1970) (codified as amended at 42 U.S.C. section 4321 et seq.) and the Council on Environmental Quality (CEQ) Regulations for Implementing the Procedural Provisions of NEPA, which require recipients to use all practicable means within their authority, and consistent with other essential considerations of national policy, to create and maintain conditions under which people and nature can exist in productive harmony and fulfill the social, economic, and other needs of present and future generations of Americans.

Article XXXI - Assurances, Administrative Requirements, Cost Principles, Representations and Certifications

DHS financial assistance recipients must complete either the Office of Management and Budget (OMB) Standard Form 424B Assurances - Non-Construction Programs, or OMB Standard Form 424D Assurances - Construction Programs, as applicable. Certain assurances in these documents may not be applicable to your program, and the DHS financial assistance office (DHS FAO) may require applicants to certify additional assurances. Applicants are required to fill out the assurances applicable to their program as instructed by the awarding agency. Please contact the DHS FAO if you have any questions.

DHS financial assistance recipients are required to follow the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at Title 2, Code of Federal Regulations (C.F.R.) Part 200, and adopted by DHS at 2 C.F.R. Part 3002.

Article XXXII - USA PATRIOT Act of 2001

Recipients must comply with requirements of Section 817 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act), Pub. L. No. 107-56, which amends 18 U.S.C. sections 175-175c.

Article XXXIII - Non-Supplanting Requirement

Article XXXIV - Drug-Free Workplace Regulations

Recipients must comply with drug-free workplace requirements in Subpart B (or Subpart C, if the recipient is an individual) of 2 C.F.R. Part 3001, which adopts the Government-wide implementation (2 C.F.R. Part 182) of Sec. 5152-5158 of the Drug-Free Workplace Act of 1988 (41 U.S.C. sections 8101-8106).

Article XXXV - Universal Identifier and System of Award Management

Recipients are required to comply with the requirements set forth in the government-wide financial assistance award term regarding the System for Award Management and Universal Identifier Requirements located at 2 C.F.R. Part 25, Appendix A, the full text of which is incorporated here by reference.

Article XXXVI - Reporting Subawards and Executive Compensation

Recipients are required to comply with the requirements set forth in the government-wide award term on Reporting Subawards and Executive Compensation located at 2 C.F.R. Part 170, Appendix A, the full text of which is incorporated here by reference in the award terms and conditions.

Article XXXVII - Energy Policy and Conservation Act

Recipients must comply with the requirements of the Energy Policy and Conservation Act, Pub. L. No. 94- 163 (1975) (codified as amended at 42 U.S.C. section 6201 et seq.), which contain policies relating to energy efficiency that are defined in the state energy conservation plan issued in compliance with this Act.

Article XXXVIII - Whistleblower Protection Act

Recipients must comply with the statutory requirements for whistleblower protections (if applicable) at 10 U.S.C section 2409, 41 U.S.C. section 4712, and 10 U.S.C. section 2324, 41 U.S.C. sections 4304 and 4310.

Article XXXIX - Federal Debt Status

All recipients are required to be non-delinquent in their repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowances, and benefit overpayments. (See OMB Circular A-129.)

Article XL - Use of DHS Seal, Logo and Flags

Recipients must obtain permission from their DHS FAO prior to using the DHS seal(s), logos, crests or reproductions of flags or likenesses of DHS agency officials, including use of the United States Coast Guard seal, logo, crests or reproductions of flags or likenesses of Coast Guard officials.

Article XLI - Notice of Funding Opportunity Requirements

All the instructions, guidance, limitations, and other conditions set forth in the Notice of Funding Opportunity (NOFO) for this program are incorporated here by reference in the award terms and conditions. All recipients must comply with any such requirements set forth in the program NOFO.

Article XLII - SAFECOM

Recipients receiving federal financial assistance awards made under programs that provide emergency communication equipment and its related activities must comply with the SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications.

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: April 12, 2021

AGENDA ITEM:								
Professional Services Agreement – Geddes Remediation Design and Permitting								
PREPARED BY:	DIRECTOR APPROVAL:							
Steven Miller, Senior Project Manager	10 r							
DEPARTMENT:								
Public Works (Engineering)								
ATTACHMENTS:								
Professional Services Agreement								
BUDGET CODE:	AMOUNT:							
40250594.563000, D1901	\$374,939.37							
	•							

SUMMARY:

The lagoon on the former Geddes property has been contaminated from prior uses, and requires clean up prior to development. The City desires to expand the Ebey Waterfront Park onto this site. The Geddes Remediation project proposes to fill the lagoon, and to mitigate stormwater and environmental impacts, which require a federal permit from the US Army Corps of Engineers (COE). This work includes a reroute of the existing stormwater outfall from the lagoon to Ebey Slough. The attached Professional Services Agreement with Parametrix, Inc. includes scope to design and provide permitting services.

RECOMMENDED ACTION:

Staff recommends that Council authorize the Mayor to sign and execute the Professional Services Agreement with Parametrix, Inc. for design and permitting services for the Geddes Remediation Project.

RECOMMENDED MOTION:

I move to authorize the Mayor to sign and execute the Professional Services Agreement with Parametrix, Inc.

115

PROFESSIONAL SERVICES AGREEMENT BETWEEN CITY OF MARYSVILLE AND PARAMETRIX, INC.

THIS AGREEMENT ("Agreement") is made and entered into as of the date of the last signature below, by and between the City of Marysville, a Washington State municipal corporation ("City"), and Parametrix, Inc., a corporation, organized under the laws of the state of Washington, located and doing business at 719 2nd Avenue, Suite 200, Seattle, WA 98104 ("Consultant").

In consideration of the terms, conditions, covenants, and performances contained herein, the parties hereto agree as follows:

1. SCOPE OF SERVICES. The Consultant shall provide the work and services described in the attached EXHIBIT A, incorporated herein by this reference (the "Services"). All services and materials necessary to accomplish the tasks outlined in the Scope of Services shall be provided by the Consultant unless noted otherwise in the Scope of Services or this Agreement. All such services shall be provided in accordance with the standards of the Consultant's profession.

2. **TERM.** The term of this Agreement shall commence on ______ and shall terminate at midnight on December 31, 2022. The parties may extend the term of this Agreement by executing a written supplemental amendment.

3. **COMPENSATION.** The Consultant shall be paid by the City for Services rendered under this Agreement as described in **EXHIBIT A** and as provided in this section. In no event shall the compensation paid to Consultant under this Agreement exceed **Three hundred-seventy-four-thousand, nine-hundred-thirty-nine dollars and thirty-seven cents** (\$374,939.37) within the term of the Agreement, including extensions, without the written agreement of the Consultant and the City. Such payment shall be full compensation for the Services and for all labor, materials, supplies, equipment, incidentals, and any other expenses necessary for completion.

The Consultant shall submit a monthly invoice to the City for Services performed in the previous calendar month in a format acceptable to the City. The Consultant shall maintain time and expense records and provide them to the City upon request.

The City will pay timely submitted and approved invoices received before the 20th of each month within thirty (30) days of receipt.

4. CONSULTANT'S OBLIGATIONS.

4.1 MINOR CHANGES IN SCOPE. The Consultant agrees to accept minor changes, amendments, or revisions to the scope of the Services, as may be required by the City, when such changes, amendments, or revisions will not have any impact on the cost of the Services or the

proposed delivery schedule.

4.2 ADDITIONAL WORK. The City may desire to have the Consultant perform additional work or services which are not identified in the scope of the Services. If the parties agree to the performance of additional work or services, the parties will execute a written supplemental amendment detailing the additional work or services and compensation therefore. In no event will the Consultant be compensated for preparing proposals for additional work or services. In no event shall the Consultant begin work contemplated under a supplemental amendment until the supplemental amendment is fully executed by the parties.

4.3 WORK PRODUCT AND DOCUMENTS. The work product and all documents produced under this Agreement shall be furnished by the Consultant to the City, and upon completion of the Services shall become the property of the City, except that the Consultant may retain one copy of the work product and documents for its records. The Consultant will be responsible for the accuracy of the Services, the work product, and all documents produced under this Agreement, even though the Services have been accepted by the City.

In the event that the Consultant defaults on this Agreement or in the event that this Agreement is terminated prior to the completion of the Services or the time for completion, all work product and all documents and other materials produced under this Agreement, along with a summary of work as of the date of default or termination, shall become the property of the City. The summary of Services provided shall be prepared at no additional cost to the City. Upon request, the Consultant shall tender the work product, all documents, and the summary to the City within five (5) business days. Tender of said work product shall be a prerequisite to final payment under this Agreement.

The Consultant will not be held liable for reuse of work product or documents produced under this Agreement or modification of the work product or documents for any purpose other than those identified in this Agreement without the written authorization of the Consultant.

4.4 PUBLIC RECORDS ACT. Consultant acknowledges that the City is subject to the Public Records Act, chapter 42.56 RCW (the "PRA"). All records owned, used, or retained by the City are public records subject to disclosure unless exempt under the PRA, whether or not the records are in the possession or control of the City or Consultant. All exemptions to the PRA are narrowly construed.

a. **Confidential Information**. Any records provided to the City by the Consultant which contain information that the Consultant in good faith believes is not subject to disclosure under the PRA shall be marked "Confidential" and shall identify the specific information that the Consultant in good faith believes is not subject to disclosure under the PRA and a citation to the statutory basis for non-disclosure.

Responding to Public Records Requests. The City shall exercise its sole

legal judgment in responding to public records requests.

b.

- (1) The City may rely upon the lack of notification from the Consultant in releasing any records that are not marked "Confidential."
- (2) If records identified as "Confidential" by the Consultant are responsive to a PRA request, the City will seek to provide notice to Consultant at least ten (10) business days before the date on which the City anticipates releasing records. The City is under no obligation to assert any applicable exemption on behalf of the Consultant. The Consultant may seek, at its sole cost, an injunction preventing the release of information which it believes is protected. In no event will the City have any liability to Consultant for any failure of the City to provide notice prior to release.
- (3) If the City, in its sole legal judgment, believes that the Consultant possesses records that (1) are responsive to a PRA request and (2) were used by the City, the City will request the records from the Consultant. The Consultant will, within ten (10) business days:
 - i. Provide the records to the City in the manner requested by the City;
 - ii. Obtain a court injunction, in a lawsuit involving the requester, covering all, or any confidential portion of, the records and provide any records not subject to the court injunction; or
 - iii. Provide an affidavit, in a form acceptable to the City Attorney, specifying that the Consultant has made a diligent search and did not locate any requested documents.

c. **Indemnification**. In addition to its other indemnification and defense obligations under this Agreement, the Consultant shall indemnify and defend the City from and against any and all losses, penalties, fines, claims, demands, expenses (including, but not limited to, attorneys fees and litigation expenses), suits, judgments, or damages (collectively "Damages") arising from or relating to any request for records related to this Agreement, to the extent such Damages are caused by action or inaction of the Consultant. This indemnification and defense obligation shall survive the expiration or termination of this Agreement.

4.5 MAINTENANCE/INSPECTION OF RECORDS. The Consultant shall maintain all books, records, documents, and other evidence pertaining to the costs and expenses allowable under this Agreement in accordance with generally accepted accounting practices. All such books and records required to be maintained by this Agreement shall be subject to inspection and audit by representatives of the City and/or the Washington State Auditor at all reasonable times, and the Consultant shall afford the proper facilities for such inspection and audit.

Representatives of the City and/or the Washington State Auditor may copy such books, accounts, and records where necessary to conduct or document an audit. The Consultant shall preserve and make available all such books of account and records for a period of three (3) years after final payment under this Agreement. In the event that any audit or inspection identifies any discrepancy in such financial records, the Consultant shall provide the City with appropriate clarification and/or financial adjustments within thirty (30) calendar days of notification of the discrepancy.

4.6 INDEMNITY.

a. Indemnification and Hold Harmless. The Consultant shall defend, indemnify, and hold the City, its officers, officials, employees, and volunteers harmless from any and all claims, injuries, damages, losses, or suits including attorney fees, arising out of or resulting from the acts, errors, or omissions of the Consultant in performance of this Agreement, except for injuries and damages caused by the sole negligence of the City.

b. Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and the City, its officers, officials, employees, and volunteers, the Consultant's liability, including the duty and cost to defend, hereunder shall be only to the extent of the Consultant's negligence.

c. The provisions of this Section 4.6 shall survive the expiration or termination of this Agreement.

d. The Consultant hereby knowingly, intentionally, and voluntarily waives the immunity of the Industrial Insurance Act, Title 51 RCW, solely for the purposes of the indemnity contained in subpart "a" of this Section 4.6. This waiver has been mutually negotiated by the parties.

(City Initials) (Contractor Initials)

4.7 INSURANCE.

a. **Insurance Term**. The Consultant shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the Services hereunder by the Consultant, its agents, representatives, or employees.

b. **No Limitation.** Consultant's maintenance of insurance as required by the Agreement shall not be construed to limit the liability of the Consultant to the coverage provided by such insurance, or otherwise limit the City's recourse to any remedy available at law or in equity.

c. **Minimum Scope of Insurance.** Consultant shall obtain insurance of the types and coverage described below:

- <u>Automobile Liability</u> insurance covering all owned, non-owned, hired, and leased vehicles. Coverage shall be written on Insurance Services Office (ISO) form CA 00 01 or a substitute form providing equivalent liability coverage.
- (2) <u>Commercial General Liability</u> insurance shall be at least as broad as ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, stop-gap independent contractors and personal injury and advertising injury. The City shall be named as an additional insured under the Consultant's Commercial General Liability insurance policy with respect to the Services performed for the City using an additional insured endorsement at least as broad as ISO CG 20 26.
- (3) <u>Workers' Compensation</u> coverage as required by the Industrial Insurance laws of the State of Washington.
- (4) <u>Professional Liability</u> insurance appropriate to the Consultant's profession.

d. **Minimum Amounts of Insurance.** Consultant shall maintain the following insurance limits:

- (1) <u>Automobile Liability</u> insurance with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident.
- (2) <u>Commercial General Liability</u> insurance shall be written with limits no less than \$1,000,000 each occurrence, \$2,000,000 general aggregate.
- (3) <u>Professional Liability</u> insurance shall be written with limits no less than \$1,000,000 per claim and \$1,000,000 policy aggregate limit.

e. **Other Insurance Provision.** The Consultant's Automobile Liability and Commercial General Liability insurance policies are to contain, or be endorsed to contain that they shall be primary insurance as respect the City. Any Insurance, self-insurance, or self-insured pool coverage maintained by the City shall be excess of the Consultant's insurance and shall not contribute with it.

f. **Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.

g. **Verification of Coverage.** The Consultant shall furnish the City with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Consultant before commencement of the Services.

h. **Notice of Cancellation.** The Consultant shall provide the City with written notice of any policy cancellation within two business days of the Consultant's receipt of such notice.

i. **Failure to Maintain Insurance.** Failure on the part of the Consultant to maintain the insurance as required shall constitute a material breach of contract, upon which the City may, after giving five (5) business days notice to the Consultant to correct the breach, immediately terminate the Agreement or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to the City on demand, or at the sole discretion of the City, offset against funds due the Consultant from the City.

j. **Insurance to be Occurrence Basis.** Unless approved by the City all insurance policies shall be written on an "Occurrence" policy as opposed to a "Claims-made" policy. The City may require an extended reporting endorsement on any approved "Claims-made" policy. Professional liability insurance may be written on a "Claims-made" basis if it is maintained for a period of three (3) years following completion of the services.

k. **City Full Availability of Consultant Limits.** If the Consultant maintains higher insurance limits than the minimums shown above, the City shall be insured for the full available limits of Commercial General and Excess or Umbrella liability maintained by the Consultant, irrespective of whether such limits maintained by the Consultant are greater than those required by this Agreement or whether any certificate of insurance furnished to the City evidences limits of liability lower than those maintained by the Consultant.

4.8 LEGAL RELATIONS. The Consultant shall comply with all federal, state, and local laws, regulations, and ordinances applicable to the Services to be performed under this Agreement. The Consultant represents that it and all employees assigned to perform any of the Services under this Agreement are in full compliance with the statutes of the State of Washington governing the Services and that all personnel to be assigned to the Services are fully qualified and properly licensed to perform the work to which they will be assigned.

4.9 INDEPENDENT CONTRACTOR.

a. The Consultant and the City understand and expressly agree that the Consultant is an independent contractor in the performance of each and every part of this Agreement. The Consultant expressly represents, warrants, and agrees that the Consultant's status as an independent contractor in the performance of the Services required under this Agreement is consistent with and meets the six-part independent contractor test set forth in RCW 51.08.195 or as hereafter amended. The Consultant, as an independent contractor, assumes the entire responsibility for carrying out and accomplishing the Services required under this Agreement. The Consultant shall not make

a claim of City employment and shall not claim any related employment benefits, social security, and/or retirement benefits.

b. The Consultant shall be solely responsible for paying all taxes, deductions, and assessments, including but not limited to federal income tax, FICA, social security tax, assessments for unemployment and industrial injury, and other deductions from income which may be required by law or assessed against either party as a result of this Agreement. In the event the City is assessed a tax or assessment as a result of this Agreement, the Consultant shall pay the same before it becomes due.

c. The City may, during the term of this Agreement, engage other independent contractors to perform the same or similar work to the Services that the Consultant performs under this Agreement.

d. Prior to commencement of Services, the Consultant shall obtain a business license from the City.

4.10 EMPLOYMENT.

a. The term "employee" or "employees" as used herein shall mean any officers, agents, or employee of the Consultant.

b. Any and all employees of the Consultant, while performing any Services under this Agreement, shall be considered employees of the Consultant only and not of the City. The Consultant shall be solely liable for: (1) and any and all claims that may or might arise under the Workman's Compensation Act, Title 51 RCW, on behalf of any said employees while performing any Services under this Agreement, and (2) any and all claims made by any third party as a consequence of any negligent act or omission on the part of the Consultant or its employees while performing any Services under this Agreement.

c. The Consultant represents, unless otherwise indicated below, that all employees of the Consultant that will perform any Services under this Agreement have never been retired from a Washington State retirement system, including but not limited to Teacher (TRS), School District (SERS), Public Employee (PERS), Public Safety (PSERS), law enforcement and fire fighters (LEOFF), Washington State Patrol (WSPRS), Judicial Retirement System (JRS), or otherwise. (*Please use initials to indicate No or Yes below.*)

_____ No, employees performing the Services have never been retired from a Washington state retirement system.

_____ Yes, employees performing the Services have been retired from a Washington state retirement system.

In the event the Consultant checks "no", but an employee in fact was a retiree of a Washington State retirement system, and because of the misrepresentation the City is required to defend a claim by the Washington State retirement system, or to make contributions for or on account of the employee, or reimbursement to the Washington State retirement system for benefits paid, the Consultant hereby agrees to save, indemnify, defend and hold the City harmless from and against all expenses and costs, including reasonable attorney fees incurred in defending the claim of the Washington State retirement system and from all contributions paid or required to be paid, and for all reimbursement required to the Washington State retirement system. In the event the Consultant checks "yes" and affirms that an employee providing work has ever retired from a Washington State retirees shall provide the City with all information required by the City to report the employment with Consultant to the Department of Retirement Services of the State of Washington.

4.11 NONASSIGNABLE. Except as provided in **EXHIBIT B**, the Services to be provided by the Consultant shall not be assigned or subcontracted without the express written consent of the City.

4.12 SUBCONTRACTORS AND SUBCONSULTANTS.

a. The Consultant is responsible for all work or services performed by subcontractors or subconsultants pursuant to the terms of this Agreement.

b. The Consultant must verify that any subcontractors or subconsultants the Consultant directly hires meet the responsibility criteria for the Services. Verification that a subcontractor or subconsultant has proper license and bonding, if required by statute, must be included in the verification process. If the parties anticipate the use of subcontractors or subconsultants, the subcontractors or subconsultants are set forth in **EXHIBIT B**.

c. The Consultant may not substitute or add subcontractors or subconsultants without the written approval of the City.

d. All subcontractors or subconsultants shall have the same insurance coverage and limits as set forth in this Agreement and the Consultant shall provide verification of said insurance coverage.

4.13 CONFLICTS OF INTEREST. The Consultant agrees to and shall notify the City of any potential conflicts of interest in Consultant's client base and shall obtain written permission from the City prior to providing services to third parties when a conflict or potential conflict of interest exists. If the City determines in its sole discretion that a conflict is irreconcilable, the City reserves the right to terminate this Agreement.

4.14 CITY CONFIDENCES. The Consultant agrees to and will keep in strict confidence, and will not disclose, communicate, or advertise to third parties without specific prior written consent from the City in each instance, the confidences of the City or any information regarding the City or the Services provided to the City.

4.15 DISCRIMINATION PROHIBITED AND COMPLIANCE WITH EQUAL OPPORTUNITY LEGISLATION. The Consultant agrees to comply with equal opportunity employment and not to discriminate against any client, employee, or applicant for employment or for services because of race, creed, color, religion, national origin, marital status, sex, sexual orientation, age, or handicap except for a bona fide occupational qualification with regard, but not limited to, the following: employment upgrading; demotion or transfer; recruitment or any recruitment advertising; layoff or terminations; rates of pay or other forms of compensation; selection for training; or rendition of services. The Consultant further agrees to maintain (as appropriate) notices, posted in conspicuous places, setting forth its nondiscrimination obligations. The Consultant understands and agrees that if it violates this nondiscrimination provision, this Agreement may be terminated by the City, and further that the Consultant will be barred from performing any services for the City now or in the future, unless a showing is made satisfactory to the City that discriminatory practices have been terminated and that recurrence of such action is unlikely.

4.16 UNFAIR EMPLOYMENT PRACTICES. During the performance of this Agreement, the Consultant agrees to comply with RCW 49.60.180, prohibiting unfair employment practices.

5. CITY APPROVAL REQUIRED. Notwithstanding the Consultant's status as an independent contractor, the Services performed pursuant to this Agreement must meet the approval of the City, which shall not be unreasonably withheld if the Services have been completed in compliance with the Scope of Services and City requirements.

6. GENERAL TERMS.

6.1 NOTICES. Receipt of any notice shall be deemed effective three (3) calendar days after deposit of written notice in the U.S. mail with proper postage and address.

Notices to the City shall be sent to the following address:

CITY OF MARYSVILLE Steven Miller, P.E. 80 Columbia Avenue Marysville, WA 98270 Notices to the Consultant shall be sent to the following address:

PARAMETRIX, INC.

Benn Burke 719 2nd Avenue, Suite 200 Seattle, WA 98104

6.2 TERMINATION. The City may terminate this Agreement in whole or in part at any time by sending written notice to the Consultant. As per Section 6.1, the Consultant is deemed to have received the termination notice three (3) calendar days after deposit of the termination notice in the U.S. mail with proper postage and address. The termination notice is deemed effective seven (7) calendar days after it is deemed received by the Consultant.

If this Agreement is terminated by the City for its convenience, the City shall pay the Consultant for satisfactory Services performed through the date on which the termination is deemed effective in accordance with payment provisions of Section 3, unless otherwise specified in the termination notice. If the termination notice provides that the Consultant will not be compensated for Services performed after the termination notice is received, the City will have the discretion to reject payment for any Services performed after the date the termination notice is deemed received.

6.3 DISPUTES. The parties agree that, following reasonable attempts at negotiation and compromise, any unresolved dispute arising under this Agreement may be resolved by a mutually agreed-upon alternative dispute resolution of arbitration or mediation.

6.4 EXTENT OF AGREEMENT/MODIFICATION. This Agreement, together with exhibits, attachments, and addenda, represents the entire and integrated Agreement between the parties and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended, modified, or added to only by a written supplemental amendment properly signed by both parties.

6.5 SEVERABILITY.

a. If a court of competent jurisdiction holds any part, term, or provision of this Agreement to be illegal or invalid, in whole or in part, the validity of the remaining parts, terms, or provisions shall not be affected, and the parties' rights and obligations shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

b. If any part, term, or provision of this Agreement is in direct conflict with any statutory provision of the State of Washington, that part, term, or provision shall be deemed inoperative and null and void insofar as it may conflict, and shall be deemed modified to conform to such statutory provision. **6.6 NONWAIVER.** A waiver by either party of a breach by the other party of any covenant or condition of this Agreement shall not impair the right of the party not in default to avail itself of any subsequent breach thereof. Leniency, delay, or failure of either party to insist upon strict performance of any agreement, covenant, or condition of this Agreement, or to exercise any right herein given in any one or more instances, shall not be construed as a waiver or

6.7 FAIR MEANING. The terms of this Agreement shall be given their fair meaning and shall not be construed in favor of or against either party hereto because of authorship. This Agreement shall be deemed to have been drafted by both of the parties.

relinquishment of any such agreement, covenant, condition, or right.

6.8 GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington.

6.9 VENUE. The venue for any action to enforce or interpret this Agreement shall lie in the Superior Court of Washington for Snohomish County, Washington.

6.10 COUNTERPARTS. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same Agreement.

6.11 AUTHORITY TO BIND PARTIES AND ENTER INTO AGREEMENT. The undersigned represent that they have full authority to enter into this Agreement and to bind the parties for and on behalf of the legal entities set forth herein.

EXHIBIT A Scope of Services

EXHIBIT A- SCOPE OF WORK

City of Marysville Geddes Marina Phase 2 Remediation Design and Permitting

PROJECT BACKGROUND

The City of Marysville (City) owns property on Ebey Slough, a tidal distributary of the Snohomish River, that are formerly the sites of the Geddes Marina at 1326 First Street in Marysville, Washington. Historically, the property was used for timber- and marine-related operations. A former log pond was modified to be the marina boat basin (referred to as the on-site lagoon). A weir formerly controlled tidal inflow and discharge from the lagoon. The weir is non-operational but partially remains. Sediment has accumulated behind the weir structure. A municipal stormwater outfall is present at the north end of the lagoon and stormwater and tidal waters discharge to Ebey Slough south from the derelict weir structure. The Geddes Marina property is currently vacant, with no buildings/structures present.

In 2016, the City initiated an interim remedial action (Phase 1 Remediation Project) on upland portions of the Geddes Marina property, which included the removal of existing structures and the placement of a cap of 6 inches of clean, imported soil. In 2018 the City initiated work on two associated projects: the Ebey Waterfront Park Expansion project, which would expand the adjoining Ebey Waterfront Park onto the Geddes Marina property, and the Downtown Stormwater Treatment (DSTP) project, which is a stormwater retrofit project to treat stormwater runoff from downtown Marysville. The DSTP facility will be located on an upland area at the Geddes Marina site adjoining Front Street. Parametrix has been supporting both projects by providing survey, utility location, civil design, surface water design, critical areas assessments, endangered species act assessments, and environmental permitting support.

In 2020 the City completed a Remedial Investigation and Feasibility Study (RI/FS). The RI/FS was conducted on the site as an independent action. The RI/FS evaluated three cleanup alternatives for the site. Alternative 1 was no further action. Alternative 2 was to cap impacted sediment to the ordinary high-water mark (OHWM) of the former boat basin/lagoon area with imported clean material. Alternative 3 involved removal of impacted sediment from the lagoon through mechanical dredging. The RI/FS recommended that the City advance Alternative 2 as the Phase 2 remedial approach. The Phase 2 Remediation will be implemented as an independent action. The City will lead the coordination with Ecology to facilitate review and approval of the project. This scope of work includes the following tasks to support the City's implantation of the RI/FS Alternative 2 as the Phase 2 Remediation project:

TASK 1 – PROJECT ADMINISTRATION

Task 1.1 – Administration and Coordination

The purpose of this task is to provide oversight, communications, and management of the contract and scope of work. Work includes administrative project support, subconsultant management, project team coordination, and quality control/assurance program.

1

Activities:

- Prepare a project schedule.
- Prepare monthly billing review and invoices.
- Prepare monthly progress reports and project status updates.
- Conduct Subconsultant management and contracting.
- Monthly administrative project support.

Deliverables:

- Base Project Schedule
- Monthly invoices with progress reports and schedule updates

Task 1.2 – Team Meetings

The project includes up to six team meetings. Anticipated team meetings are:

- Kick off
- Alternatives Analysis Workshop
- Review of geotechnical exploration and additional survey prior to initiation of Preliminary Design
- Review of Preliminary Design and Associated Cost Estimate
- Review of Plans Specifications following City Review of 60% design
- Review of Plans Specifications following City Review of 90% design

General Project Assumptions:

- The budget provides for 16 months of project management (May 2021 through September 2022).
- All submittals will be in electronic file format. The City is responsible for publication and distribution of printed materials and notices, if necessary.
- All submittals include draft and final versions unless otherwise specified.
- Subconsultant contracting is limited to two firms.
- Oversight and review of subconsultant products is included in task-specific budgets.
- The project includes up to six team meetings. Anticipated team meetings are:
 - o Kick off
 - o Alternatives Analysis Workshop
 - o Review of geotechnical exploration and additional survey prior to initiation of Preliminary Design
 - o Review of Preliminary Design and Associated Cost Estimate
 - o Review of Plans, Specifications, and Estimate following City Review of 60% design
 - o Review of Plans, Specifications, and Estimate following City Review of 90% design
- The City selected alternative will be consistent with Alternative 2 identified in the RI/FS.
- This scope of work does not include additional remedial investigations. Previous investigations are sufficient for the implementation of the Phase 2 Remediation project.
- All meetings will be remote via MS Teams or similar platform.
- This scope of work does not include additional remedial investigations. Previous investigations are sufficient for the implementation of the Phase 2 Remediation project.

TASK 2 – ALTERNATIVES ANALYSIS AND PRELIMINARY DESIGN

The purpose of this phase is to evaluate alternatives for a stormwater pipeline to convey flows from the DSTP discharge location to Ebey Slough and to identify the preferred approach for the lagoon cap to advance to preliminary design. This task does not include revisiting the recommended remediation alternative identified in the RI/FS. This task will focus on evaluating alternative approaches to mitigate or manage anticipated settlement associated with the proposed cap and lagoon fill.

Task 2.1 – Alternatives Analysis

Activities:

- Evaluate two alternatives for the stormwater conveyance pipeline. Perform cost-benefit evaluations and determine the preferred stormwater conveyance pipeline alignment and configuration. Alternatives will include concepts for mitigating or managing settlement of the pipeline.
- Evaluate two alternatives for mitigating or managing anticipated settlement for the lagoon cap.
- Present the proposed approaches to City staff in a 2-hour workshop meeting (included in Task 1)
- Identify potential below-ground constraints and considerations.
- Perform preliminary hydraulic conveyance analysis for the stormwater pipeline.
- Provide planning level cost opinion for each alternative.
- Prepare an Alternatives Technical Memorandum (TM) to support preliminary design and permit applications.
- Prepare a Permit Matrix for the City-selected stormwater conveyance and lagoon cap alternatives.

Assumptions:

- One alternative will be consistent with the stormwater conveyance concept described under Alternative 2 in the RI/FS. One alternative will evaluate an easterly pipeline alignment. One alternative will evaluate a central pipeline alignment.
- Each alternative pipeline alignment will include an assessment of the feasibility of designing the pipeline to tolerate anticipated settlement versus the feasibility of constructing the pipeline to mitigate for anticipated settlement.
- The evaluation of alternatives for the lagoon cap will be limited to evaluating up to two grading concepts for managing or mitigating anticipated settlement resulting from the lagoon fill.
- The City will select the preferred lagoon cap and stormwater conveyance pipeline alternative prior to start of Tasks 2.2 and 2.3.

Deliverables:

- Alternatives TM
- Permit Matrix

2.2 – Geotechnical Characterization

The purpose of this task is to collect subsurface information of the site to support the evaluation of alternatives for the stormwater conveyance pipeline and lagoon cap and the preliminary and final design of the lagoon cap and stormwater conveyance pipeline.

Activities:

- Alternatives Analysis and Preliminary Design Support
 - Evaluate impacts the existing subsurface conditions will have on the design and long-term performance of the lagoon cap and up to three alignments for the stormwater conveyance pipeline (based on review of existing subsurface data of lagoon sediment and Geddes Marina).
 - Evaluate up to three alternatives for mitigation of settlement based on proposed fill/placement stormwater pipeline.
 - Evaluate anticipated impacts of a design level seismic event to the functionality of the stormwater conveyance system and alternatives for mitigation of seismic slope stability and liquefaction/lateral spreading.
 - o Provide input for subgrade preparation and placement of lagoon fill
 - Provide input for excavation support for stormwater pipeline during construction.
 - o Provide input of construction costs for alternatives for planning level cost evaluation
 - Prepare Geotechnical Alternatives TM
- Geotechnical Explorations for Lagoon Fill and Outfall Design
 - Generate Geotechnical Work Plan for borings once the preferred alignment for stormwater conveyance pipeline is selected.
 - Perform site reconnaissance and utility locates for borings.
 - Drill 2 Borings to explore subsurface conditions soils for installation of stormwater conveyance and evaluate compressibility of existing alluvial/marsh deposits within the stormwater conveyance pipeline alignment.
 - Submit samples for analytical testing for profiling cuttings
 - o Prepare logs and assign laboratory testing for samples obtained during drilling.
 - Review profile testing of Geddes site and coordinate disposal.
- Geotechnical Support Services for Final Design
 - Construct 2 geologic profiles for evaluating potential differential settlements across lagoon and along stormwater outfall alignment
 - Estimate potential consolidation settlements due to placement of fill and stormwater conveyance pipeline.
 - Perform liquefaction analyses to determine depth of liquefaction.
 - o Evaluate slope stability and potential of lateral spreading of the riverbank along the Slough
 - Provide earth pressures for stormwater pipeline energy dissipation vault design
 - Provide recommendations for fill placement in the lagoon
 - o Provide recommendations to resist buoyancy for stormwater pipeline energy dissipation vault
 - Provide recommendations for utilities and earthwork
 - Provide recommendations for selected liquefaction mitigation method
 - o Miscellaneous design support
 - o Review geotechnical aspects of the plans and specifications
 - o Prepare draft and final geotechnical report
- Participate in kick-off and up to 2 workshops/team meetings.

Assumptions:

• Proposed number of borings assumes that the preferred stormwater conveyance alignment has been selected prior to drilling.

- Scope includes analytical testing of cuttings from borings for profiling and disposal at a suitable facility and does not include environmental testing for purposes of characterization of subsurface soils.
- The drums can be left on the Geddes Marina site while they are being tested for contamination. HWA will coordinate the disposal of drummed investigation derived waste (IDW). IDW disposal estimate assumes that IDW meets Subtitle D landfill criteria and is not considered hazardous waste.
- All required rights of entry will be provided by others at no cost to HWA.
- Boring locations will be field located using handheld GPS and measurement from existing known features. Locations will be stakes for location during the supplemental survey.

Deliverables:

- Geotechnical Exploration Work Plan
- Geotechnical Alternatives TM
- Geotechnical Findings Report

Task 2.3 - Preliminary (30%) Design

Activities:

• Complete preliminary design drawings, including civil, structural, and landscape restoration drawings

The proposed plan sheets to be delivered for this task are listed as follows:

≻	Cover with Vicinity Map and Sheet Index	1 sheet
≻	Notes, Legend and Abbreviations	1 sheet
≻	Survey Notes and Control	1 sheet
۶	Grading and Drainage Plan	2 sheets at 1 inch = 20 feet scale
≻	Grading and Drainage Profiles	2 sheets
۶	Grading and Drainage Details	2 sheets
۶	Landscape Restoration Plan and Details	<u>1 sheet</u>
		10 sheets total

- Develop preliminary Engineer's Opinion of Probable Cost (EOPC).
- Identify supplemental field survey needs, including utility locates, and provide survey to base map.
- Conduct Supplemental Survey
- Coordinate design with ongoing DSTP and Ebey Waterfront Park development projects
- Perform hydraulic and civil design and prepare basis of design memorandum.

Assumptions:

- Significant conflicts with existing utilities or site features and are not anticipated. This will be identified and evaluated in Task 2.1.
- Supplemental survey is assumed to require up to two days of in the field and 12 hours of office time.
- Additional utility locates are not included. The City will provide additional survey location services, if needed.
- Key decisions will be made by the City during the Task 2.1 work including: preferences for stormwater pipeline alignment, and outfall energy dissipator type and location, preferences for the look and aesthetic considerations, a preferred approach to mitigate or manage settlement of lagoon cap, a preferred

approach to mitigate or manage settlement of the stormwater conveyance pipeline, and a preferred approach to providing the required compensatory wetland and shoreline mitigation.

- Stormwater pipeline and energy dissipater design will be coordinated with the ongoing DSTP design. It is imperative that the hydraulic characteristics of the pipeline and outfall consider upstream effects at the stormwater treatment system.
- Landscape restoration design will be limited to turf restoration for the lagoon cap area for upland portions of the Geddes Marina site and shoreline/buffer restoration as needed to meet anticipated regulatory and environmental permit requirements. The design of compensatory mitigation is not included.
- The City will provide one set of resolved and consolidated comments on 30% design, which will be incorporated into the 60% design submittal. This task does not include a draft and final 30% design submittal.
- Comments on the updated Basis of Design TM will be incorporated into the 60% design submittal. This task does not include a draft and final 30% Basis of Design TM.
- Deliverables will be submitted electronically using a City-selected platform.
- The 30% Plans will be the basis for the Corps of Engineers and Ecology 404/401 Permit applications.
- The City will facilitate coordination with Ebey Waterfront Park design elements.

Deliverables:

- Draft and final Basis of Design TM describing basis of design including a description of how hydraulic performance at the outfall does not negatively affect the upstream stormwater treatment system.
- Preliminary design (30%) drawings.
- Preliminary (30%) engineer's estimate of probable cost.
- Draft Basis of Design TM.

TASK 3 – DETAILED DESIGN

This phase includes services for detailed design and includes tasks for intermediate (60%), pre-final (90%), and final (100%) design.

Task 3.1 – Intermediate (60% Design)

- Advancement of drawings to intermediate design level, including civil, structural, and landscape restoration design drawings.
- The proposed plan sheets to be delivered for this task are listed as follows:

۶	Cover with Vicinity Map and Sheet List	1 sheet
\triangleright	Notes, Legend and Abbreviations	1 sheet
\triangleright	Sheet Index Map	1 sheet
\triangleright	Survey Notes and Control	1 sheet
۶	Site Preparation, Demolition, and TESC Plan	1 sheet at 1 inch = 20 feet scale
۶	Site Preparation, Demolition, and TESC Details	1 sheet
۶	Grading and Drainage Plan	2 sheets at 1 inch = 20 feet scale
\triangleright	Grading and Drainage Profiles	2 sheets

- > Grading and Drainage Details
- Landscape Restoration Plan and Details
- Structural Plan
- Structural Details
- Piling Plan
- > Piling Details

2 sheets 1 sheet 1 sheet 2 sheets 1 sheet at 1 inch = 20 feet scale <u>1 sheet</u> **18 sheets total**

- Develop draft technical specifications.
- Advancement of EOPC to intermediate design level.
- Update Basis of Design TM describing basis of design.
- Prepare 60% design set and 60% Basis of Design TM for submittal to Ecology for review of the proposed independent action.

Assumptions:

- The same applicable assumptions described for preliminary (30%) and intermediate (60%) design apply.
- Technical specifications will be prepared in WSDOT format.
- Division 1 special provisions will be provided by the City for compilation with special provisions by Parametrix.
- One meeting with the City is included to discuss the intermediate design before the City's review of the submittals.
- Parametrix will prepare the updated Basis of Design TM as part of the 60% submittal to Ecology.
- Ecology will approve the proposed independent remedial action based on the 90% design submittal.
- The City will lead coordination with Ecology and others related to the independent clean up action.
- The City will provide one set of resolved and consolidated comments on the 60% design, which will be incorporated into the 90% design submittal. This task does not include a draft and final 60% design submittal.
- City and Ecology Comments on the updated Basis of Design TM will be incorporated into the 90% design submittal. This task does not include a draft and final 60% Basis of Design TM.
- Ecology will concur with the proposed remediation design concept prior to implantation of Task 3.2.
- The 60% Plans will be the basis for the City Environmental and Land Use Permit Applications

Deliverables:

- Intermediate (60%) design drawings.
- Draft contract documents including special provisions as single pdf file, electronic only
- Intermediate (60%) EOPC
- Updated Basis of Design TM

Task 3.2 – Pre-Final (90% Design)

- Advancement of drawings to pre-final design level.
- Develop pre-final contract documents and technical specifications.

- Provide input contract documents and Division 1 special provisions such as bid form, summary of work, price and payment.
- Advancement of EOPC to pre-final design level.

- The list of plan sheets is the same as for 60% design
- Same assumptions as described for 30% and 60% design.
- Contract documents will be provided by the City for compilation with the special provisions by Parametrix
- One meeting with the City is included to discuss the pre-final design before the City's review. The meeting will be attended by three Parametrix staff.
- Parametrix will update and finalize the Basis of Design TM as part of the 90% submittal to Ecology.
- Ecology will approve the proposed independent remedial action based on the 90% design submittal.
- The 90% plans will provide the basis for the WDFW HPA and NPDES Permits.
- The City will provide one set of resolved and consolidated comments on the 90% design, which will be incorporated into the final design submittal. This task does not include a draft and final 90% design submittal.

Deliverables:

- Pre-final (90%) design drawings
- Pre-final technical specifications
- Pre-final (90%) EOPC
- Updated Basis of Design TM

Task 3.3 – Final (100% Design)

- Activities:
- Advancement of drawings to final design level, including civil, mechanical, structural, and electrical design drawings.
- Draft final contract documents and technical specifications.
- Advancement of EOPC to final design level
- Prepared responses to Ecology 90% comments in a TM format.
- Revise the Basis of Design TM per Ecology comments as directed by the City.

Assumptions:

- Same assumptions described for previous design iterations.
- One meeting with the City is included to discuss and review the final design prior to submittal.
- The City's engineering comments and building department comments on 90% design will be incorporated into the final (100%) design submittal.
- Assumes one bid package and no pre-procurement packages.

Deliverables:

- Final design (100%) drawings, as single pdf and CAD file
- Final (100%) EOPC

- Responses to Ecology Comments on 90% Design
- Revised Basis of Design TM

TASK 4 – ENVIRONMENTAL ANALYSIS AND PERMITTING SUPPORT FOR PHASE 2 REMEDIATION PROJECT

This task includes services to support obtaining the following environmental and land use permits and approvals:

- City of Marysville
 - o Shoreline Permit
 - o Floodplain Development Permit
 - SEPA (via addendum of existing determination)
 - o Critical Area review
- Corps of Engineers Section 404/10 Nationwide Permit
- Ecology 401 Individual Water Quality Certification
- Washington Department of Fish and Wildlife Hydraulic Project Approval
- Ecology NPDES Construction Stormwater General Permit (CSWGP)

Task 4.1 – Technical Studies and Plans

Parametrix will prepare technical studies and plans to support submittal of the environmental permits and approvals listed above. The studies and plans will be based on those formerly completed for the Ebey Waterfront Park Expansion Project and the DSTP project.

- Wetland Delineation/OHWM Determination. Wetland and OHWM Determinations on the Geddes Marina were completed during the Ebey Waterfront Park Expansion project preliminary design phase. This scope of work includes a site visit to confirm and reflag the delineated wetland and OHWM boundary in proximity to the proposed new outfall prior to submittal of City environmental and land use permit applications but does not include additional delineations or determinations prior to completing the Critical Areas Study.
- SEPA Documentation. The City as the SEPA lead agency issued a determination of non-significance (DNS) for the Phase 2 Remediation Project in 2016. The DNS is assumed to be valid. Parametrix will prepare a SEPA addenda in TM format that identifies key similarities between the 2016 and current proposal and identify additional impacts and mitigation measures, if applicable.
- Technical Studies and Reports. The Consultant shall also prepare the following technical materials to supplement local, state, and federal permit applications:
 - Geotechnical Report: (per Task 2.3)
 - Critical Areas Study: Revise the Critical Areas Study prepared for the Ebey Waterfront Park project to address Wetlands, Fisheries, and regulated buffers per City of Marysville requirements specific to the Geddes Marina Site.
 - Prepare a conceptual mitigation plan specific the proposed Geddes Marina Phase 2 Remediation Project. The project with utilize mitigation credits available at the City's Qwuloolt advanced mitigation site and/or credits purchased from a certified wetland or habitat bank. The conceptual mitigation plan will include a project specific Advanced Mitigation Site Use/Bank Use Plan.
 - Section 106/Cultural Resources Report: Revise the Section 106/Cultural Resources Report prepared for the Ebey Waterfront Park project to address conditions specific to the Geddes Marina Site.

- Biological Assessment: Revise the Biological Assessment prepared for the Ebey Waterfront Park project to address conditions specific to the Geddes Marina Site.
- Stormwater Pollution Prevision Plan: Prepare a Preliminary SWPPP Report prior to preparation of the CSWGP.

- The previously conducted wetland and OHWM determinations will be sufficient for approval of the Phase 2 Remediation project.
- There are sufficient credits available at the Qwuloolt advance mitigation site to meet the project needs and/or sufficient credits are available at an approved mitigation or habitat bank. Currently the project is not within the service area of an approved mitigation bank; however, the site is within the service area of a mitigation bank that is pending certification.
- Purchase of mitigation credits or associated fees is not included.
- The City will be the SEPA lead agency.
- The previously issued DNS will be sufficient for approval of the Phase 2 Remediation by state agencies.
- No additional technical analysis or special studies will be required to support a City review of the SEPA beyond those identified in this scope of work or previously prepared for prior phases of work.
- The project will not utilize state or federal funding for construction, which would trigger additional environmental documentation.
- Completion of the NHPA Section 106 consultation can be competed based on existing site-specific information. No additional field survey or investigation will be required.
- No on-site features will be determined eligible for listing on the National Register of Historic Places. The project will not result in impacts to eligible cultural or historic resources.
- The ESA Section 7 consultation can be competed based on existing site-specific information. No additional field survey or investigation will be required.
- The project can be designed to meet ESA Section 7 guidelines for informal consultation. Support of the preparation of a Biological Opinion is not included.
- The project can be designed to meet state and federal guidelines for outfalls, bank armoring, fish screens, and fish exclusion.
- Ecology will not require submittal of the Preliminary SWPPP prior to issuance of CSWGP. This scope of work does not include the preparation of a final SWPPP. A final SWPPP will be contractor-provided.

Deliverables:

- Critical Areas Study
- Mitigation Plan
- SEPA Addendum Technical Memoranda
- Section 106/Cultural Resources Report
- Biological Assessment
- Preliminary Stormwater Pollution Prevention Plan

Task 4.2 – City Permit Applications

Compile and prepare applications for identified City environmental and land use permits.

- Prepare SEPA addendum TM.
- Prepare Shoreline Substantial Development Permit.
- Prepare Shoreline Master Plan Consistency Memorandum.
- Prepare Shoreline Permit JARPA application.
- Floodplain Development Permit application.
- Floodplain Permit ESA Checklist.
- Coordinate with City planning department to identify permit thresholds and submittal requirements.
- Respond to City planning department comments on permit materials.
- Revise permit materials per City planning department comments.

- A Railroad Use permit will not be required.
- A Conditional Use permit will not be required.
- The project will not require issuance of a critical area exemption, exception, or variance.
- The project will not trigger the need for compensatory floodplain storage.
- The project will not trigger the need for a zero-rise analysis.
- The project will not require modeling to demonstrate compliance with floodplain development requirements.
- The project will not require completion of a flood hazard certification.
- The City will lead and be responsible for applications for construction, utility, and right-of-way use permits.
- No evaluation of traffic impacts will be required.
- The City will be responsible for all permit application fees and third-party review fees.
- The City will be responsible for the publication of all notices and announcements.

Deliverables:

- Shoreline Substantial Development Permit Application and associated materials
- Floodplain Development Permit Application and associated materials

Task 4.3 – State and Federal Permit Applications

Compile and prepare applications for State and Federal Environmental Permits and supporting materials

- Agency Coordination and Preapplication Meetings. Lead coordination with regulatory agencies. Anticipated agency coordination meetings include site visits with: WDFW, Ecology (Water and Shorelines), Ecology (Waste and Toxics), and Tribes.
- Prepare JARPA for Corps/Ecology Section 404/10/401 Submittal
- Prepare JARPA figures for Corps/Ecology Section 404/10/401 Submittal
- Prepare and coordination Public Notice materials for Ecology 401 Individual Water Quality Certification
- Update critical areas study/mitigation plan/Advanced Mitigation Site Use/Bank Use Plan to support Corps and Ecology permit submittals.
- Prepare Coastal Zone Management Consistency Determination submittal.
- Revise JARPA to support WDFW HPA on-line submittal.

- Complete HPA submittal process.
- Complete materials for CSWGP Notice of Intent documentation.
- Prepare Substantial Development Permit application
- Prepare Shoreline Master Plan Consistency Memorandum
- Prepare Shoreline Permit JARPA application
- Floodplain Development Permit application
- Floodplain Permit ESA Checklist
- Coordinate with City planning department to identify permit requirements.
- Respond to City planning department comments on permit materials
- Revise permit materials per City planning department comments

- The project will not utilize state or federal funding for construction, which would trigger additional environmental documentation.
- The project will qualify for a Corps of Engineers Nationwide Permit.
- The current Corps Nationwide Permit program expires in March 2022 and may be updated prior to that date. The Corps will issue new Nationwide Permits prior to construction. The project will be grandfathered under the current permit program or the newly issued Nationwide Permits will have similar requirements and conditions as the current program.
- A Corps of Engineers Individual Permit will not be required.
- A Corps of Engineers 404(b)(1) Alternatives Analysis will not be required.
- A Coast Guard permit will not be required.
- A FEMA CLOMR or LOMR will not be required.
- The project will qualify for a CSWGP.
- The current NPDES General Permit program expires on December 31, 2020. Ecology will issue a new NPDES CSWGP prior to completion of final design, which will have similar requirements and conditions as the current program.
- The project will not require review under NEPA. The Corps of Engineers NWP program has been evaluated programmatically under NEPA.
- The scope of work anticipates up to 2 agency site visits and anticipates combined attendance at the site visits.
- The City will be responsible for all permit application fees and third-party review fees.
- The City will be responsible for the publication of all notices and announcements.

Deliverables:

- Corps/Ecology JARPA form and figures
- Ecology 401 Public Notice materials
- CZM Consistency Determination Submittal
- WDFW JARPA/on-line HPA submittal materials
- NPDES Notice of Intent Submittal

Task 4.4 – Coordination/Permit Support

The City is anticipated to submit for the long-lead time permits and reviews identified above (City of Marysville Shoreline Permit, City of Marysville Floodplain Development Permit and City of Marysville Critical Areas Review,

139

Corps of Engineers 404/10 and Ecology 401) using preliminary and/or intermediate level design information. Ongoing coordination will be required to provide the City and regulatory agencies additional project information to support the permit application process as design is advanced.

Assumptions:

- Parametrix will provide ongoing support to the City during the permit review and approval process up the level of effort identified in project budget.
- Level of effort for Coordination/Permit Support assumes 16 hours each month for 12 months.

Deliverables:

- Responses to Requests for Information from regulatory agencies.
- Responses to comments from the regulatory agencies on permit submittals.

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: April 12, 2021

AGENDA ITEM:	
Puget Sound Energy Easement - Civic C	lenter
PREPARED BY:	DIRECTOR APPROVAL:
Leah Tocco	
DEPARTMENT:	
Executive	
ATTACHMENTS:	
Easement agreement	
BUDGET CODE:	AMOUNT:
SUMMARY: Puget Sound Energy has a provide gas service to the new Civic Cen	submitted an easement agreement for authorization to ter.

RECOMMENDED ACTION:

Staff recommends that Council authorize the Mayor to sign and execute the Puget Sound Energy Easement agreement for providing gas service to the new Civic Center.

<u>RETURN ADDRESS</u>: Puget Sound Energy, Inc. Attn: ROW Department-TH 1660 Park Lane Burlington, WA 98233

EASEMENT

REFERENCE #:GRANTOR (Owner):CITY OF MARYSVILLEGRANTEE (PSE):PUGET SOUND ENERGY, INC.SHORT LEGAL:A Portion of the SW1/4 Sec 28, Twn 30N, Rng 5E, W.M.ASSESSOR'S PROPERTY TAX PARCEL:00576200100100, 00576200600100 & 00576200700502

For and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **CITY OF MARYSVILLE**, a municipal corporation of the State of Washington ("Owner" herein), hereby grants and conveys to **PUGET SOUND ENERGY**, **INC.**, a Washington corporation ("PSE" herein), for the purposes described below, a nonexclusive perpetual easement over, under, along across and through the following described real property (the "Property" herein) in Snohomish County, Washington:

SEE EXHIBIT "A" ATTACHED HERETO AND BY THIS REFERENCE MADE A PART HEREOF.

Except as may be otherwise set forth herein PSE's rights shall be exercised upon that portion of the Property ("Easement Area" herein) described as follows:

AN EASEMENT AREA TEN (10) FEET IN WIDTH HAVING FIVE (5) FEET OF SUCH WIDTH ON EACH SIDE OF THE CENTERLINE OF PSE'S FACILITIES AS NOW CONSTRUCTED OR TO BE CONSTRUCTED, EXTENDED OR RELOCATED LYING WITHIN THE ABOVE DESCRIBED PROPERTY, EXCEPT WHERE BUILDING FOOTINGS, FOUNDATIONS, AND/OR SUBSURFACE STRUCTURES PRECLUDE. IN SUCH CASE, THE FOOTINGS, FOUNDATIONS, AND/OR SUBSURFACE STRUCTURES WILL BECOME THE BOUNDARY OF THIS EASEMENT.

1. Purpose. PSE shall have the right to use the Easement Area to construct, operate, maintain, repair, replace, improve, remove, upgrade and extend one or more utility systems for purposes of transmission, distribution and sale of gas. Such systems may include, but are not limited to:

Underground facilities. Pipes, pipelines, mains, laterals, conduits, regulators, gauges and rectifiers for gas; fiber optic cable and other lines, cables and facilities for communications; semi-buried or ground-mounted facilities and pads, manholes, meters, fixtures, attachments and any and all other facilities or appurtenances necessary or convenient to any or all of the foregoing.

Following the initial construction of all or a portion of its systems, PSE may, from time to time, construct such additional facilities as it may require for such systems. PSE shall have the right of access to the Easement Area over and across the Property to enable PSE to exercise its rights granted in this easement.

2. Easement Area Clearing and Maintenance. PSE shall have the right, but not the obligation to cut, remove and dispose of any and all brush, trees or other vegetation in the Easement Area. PSE shall also have the right, but

PSE Easement 2014 WO -1106374215 / RW-121258 / 501 & 601 Delta Ave Page 1 of 4 not the obligation, to control, on a continuing basis and by any prudent and reasonable means, the establishment and growth of brush, trees or other vegetation in the Easement Area.

3. Trees Outside Easement Area. PSE shall have the right to cut, trim remove and dispose of any trees located on the Property outside the Easement Area that could, in PSE's sole judgment, interfere with or create a hazard to PSE's systems. PSE shall, except in the event of an emergency, prior to the exercise of such right, identify such trees and make a reasonable effort to give Owner prior notice that such trees will be cut, trimmed, removed or disposed. Owner shall be entitled to compensation for the actual market value of merchantable timber (if any) cut and removed from the Property by PSE.

4. Restoration. Following initial installation, repair or extension of its facilities, PSE shall, to the extent reasonably practicable, restore landscaping and surfaces and portions of the Property affected by PSE's work to the condition existing immediately prior to such work, unless said work was done at the request of Owner, in which case Owner shall be responsible for such restoration. All restoration which is the responsibility of PSE shall be performed as soon as reasonably possible after the completion of PSE's work and shall be coordinated with Owner so as to cause the minimum amount of disruption to Owner's use of the Property.

5. Owner's Use of Easement Area. Owner reserves the right to use the Easement Area for any purpose not inconsistent with the rights herein granted, provided, however, Owner shall not excavate within or otherwise change the grade of the Easement Area or construct or maintain any buildings or structures on the Easement Area and Owner shall do no blasting within 300 feet of PSE's facilities without PSE's prior written consent.

6. Indemnity. PSE agrees to indemnify Owner from and against liability incurred by Owner as a result of the negligence of PSE or its contractors in the exercise of the rights herein granted to PSE, but nothing herein shall require PSE to indemnify Owner for that portion of any such liability attributable to the negligence of Owner or the negligence of others.

7. Termination. The rights herein granted shall continue until such time as PSE terminates such right by written instrument. If terminated, any improvements remaining in the Easement Area shall become the property of Owner. No termination shall be deemed to have occurred by PSE's failure to install its systems on the Easement Area.

8. Successors and Assigns. PSE shall have the right to assign, apportion or otherwise transfer any or all of its rights, benefits, privileges and interests arising in and under this easement. Without limiting the generality of the foregoing, the rights and obligations of the parties shall be binding upon their respective successors and assigns.

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: 4/12/2021

AGENDA ITEM:								
AN ORDINANCE OF THE CITY OF MARYSVILLE AMENDING THE 2021-2022								
BIENNIAL BUDGET AND PROVIDING FOR THE INCREASE OF CERTAIN								
EXPENDITURE ITEMS AS BUDGETED FOR IN ORDINANCE NO. 3160								
PREPARED BY:	DIRECTOR APPROVAL:							
Sandy Langdon, Finance Director								
DEPARTMENT:]							
Finance								
ATTACHMENTS:								
Ordinance								
Budget Amendment Requests								
BUDGET CODE:	AMOUNT:							
Various								
SUMMARY:								

Since the adoption of the 2021/2022 Biennial Budget in October 2020, the finance of the City have been monitored monthly.

Sales tax revenue has continued to be received at levels above those projected for the budget. Some revenues that are related to business closures continue to be sparse.

Community Development activity continues to be at or near high levels.

County in Phase III

Current staffing at capacity

Civic Center entering last year of construction

During the 2021/2022 Budget process it was noted that the budget be revised in the Spring February 2020 Retreat on hold

With the reasons stated above that there is a proposal to revisit the budget and give consideration to budget needs. Many of the budget amendment requests were included in the February 2020 Retreat. An example of this is 39.5 FTEs were requested at the February 2020 Retreat, current requests total 34.5.

RECOMMENDED ACTION:

Staff recommends that Council authorize the Mayor or sign and execute Ordinance______ amending the 2021/2022 Biennial Budget.

RECOMMENDED MOTION:

I move to authorize the Mayor to sign and execute Ordinance

ORDINANCE NO.

AN ORDINANCE OF THE CITY OF MARYSVILLE AMENDING THE 2021-2022 BIENNIAL BUDGET AND PROVIDING FOR THE INCREASE OF CERTAIN EXPENDITURE ITEMS AS BUDGETED FOR IN ORDINANCE NO. 3160.

THE CITY COUNCIL OF THE CITY OF MARYSVILLE, WASHINGTON DO ORDAIN AS FOLLOWS:

<u>Section 1</u>. Since the adoption of the 2021-2022 budget by the City Council on October 26, 2020, it has been determined that the interests of the residents of the City of Marysville may best be served by the increase of certain expenditures in the 2021- 2022 budget. The following funds as referenced in Ordinance No. 3160 are hereby amended to read as follows:

[include amendment fund totals]

The detail concerning the above – referenced amendments are attached hereto as Exhibit "A".

Section 2. Since the adoption of the 2021-2022 budget and in accordance with MMC 2.50.030, the 2021-2022 biennial budget hereby directs that City employees shall be compensated in accordance with the established pay classifications and grades or ranges attached hereto and contained in Exhibit "B".

<u>Section 3.</u> Except as provided herein, all other provisions of Ordinance No. 3160 shall remain in full force and effect, unchanged.

<u>Section 4.</u> Upon approval by the city attorney, the city clerk or the code reviser are authorized to make necessary corrections to this ordinance, including scrivener's errors or clerical mistakes; references to other local, state, or federal laws, rules, or regulations; or numbering or referencing of ordinances or their sections and subsections.

<u>Section 5.</u> Effective date. This ordinance shall become effective five days after the date of its publication by summary.

PASSED by the City Council and APPROVED by the Mayor this _____ day of _____, 2021.

POSITION REQUEST SUMMARY

	2021/2022 BUDGE	T REQUEST	
		Check the year of request x 2021 x	2022
DEPARTMENT NAME	Executive	PRIORITY:	1
DEPARTMENT ORG #			
BUDGET REQUEST TITLE:		Communication Specialists (2)	
DESCRIPTION/JUSTIFICATIO	N		
The demands of communication for	or the City have drown over the ve	ars In the early 1990's the City had 1	

Communications position when we were approximately 15,000 population and relying solely on print publications for communications. The City is now approximately 70,000 population, 300 employees and uses print, e-distribution, and social media for communications. We must both monitor and distribute through these outlets. A survey of 14 area jurisdictions communications staff levels showed average staffing over the 14 jurisdications at 1:12k, which would suggest a need for 5 Communications employees. However, taking out the low ratios of Marysville, and high of Kent, then the average of the remaining 12 jurisdictions is 1:22K. This represents a need for 3 Communications personnel. This staffing level would address our needs for coverage in the various departments and media.

BENEFIT IF APPROVED:

This staffing level would address our needs for coverage in the various departments and media. With the additional staffing, we would pursue more monitoring, communication, video development using social media, marketing for economic development and also provide more strategic communication on neighborhood/community priorities.

IMPACT IF DENIED:

Limited ability to provide coverage in print, website, social media and digital realms.

DEPARTMENT NAME	Utility Billing	PRIORITY:	
DEPARTMENT ORG #	00143523		
BUDGET REQUEST TITLE:		Accounting Technician - Utility Billing	

DESCRIPTION/JUSTIFICATION

The Central Annexation solid waste collection franchise is scheduled to expire 12/31/2021 in order to ramp up for this change there is a need for an additional Accounting Technician in Utility Billing. Approximately 5,000 accounts would be added, the call volume, the increase in customer service needed to assist our current customers and the additional customers necessitate this addition. The Central Annexation Solid Waste Study conducted by FCS Group recommended an addition of an Accounting Technician.

BENEFIT IF APPROVED:

The ability to help more customers with our current levels of high customer service standards and to provide a smooth transition for customers new to the solid waste service. With such a large number of accounts being added, the ability to respond timely to the numerous questions will clearly be an advantage given the nature of the change where customers may not necessarily be familiar with the city and the mandatory garbage service requirement. This change is purposed for 4th quarter of 2021.

IMPACT IF DENIED:

The increase in calls and service requests would increase wait times for customers if the current staffing levels remains the same.

	2021/2022 BUDGET F	REQUEST	
	[Check the year of request x 2021	2022
DEPARTMENT NAME	Finance - Information Services	PRIORITY:	1
DEPARTMENT ORG #	503		
BUDGET REQUEST TITLE	Inform	nation Services Reorganization	<u> </u>

DESCRIPTION/JUSTIFICATION

Information Services has functioned with the same staff for the last 10 years. Addition of city staff, applications, and hardware over the years has stretch the staff. To help meet immediate needs of the City, IS has been using consultants, seasonal, and interns. Security has been one of the highest priorities and will continue to be. This focus and meeting immediate needs has made difficult for IS to stay current with technology, application review and project management. Reorganization of IS will assist with addressing this challenge. Currently, staffing ratio is 49:1. Compared to other cities the average is 30:1. The reorganization consists of adding an IS Supervisor position, upgrading one of the IS Analyst to a Systems & Database Analyst, and upgrading a Computer Technician to a Senior Systems and Operations Technician.

BENEFIT IF APPROVED:

The reorganization would improve the ability to manage and expedite projects, prioritize help desk calls more efficiently and begin technoloy and application review. As a result services to city departments will be improved and ultimately could improve customer service to the community.

IMPACT IF DENIED:

If the reorganization is denied IS staff will be unable to address current technoloy that could improve city staff efficencies. The addition of city positions will increase help desk calls and hardware upgrades that will reduce IS staff's ability to meet project and application needs.

DESCRIPTION/JUSTIFICATION

Seasonal Code Enforcement reclassified as a full time employee. Currently there is one part-time employee working in Code Enforcement. The demand for Code Enforcement response shows strong evidence that changing this position from part-time to full-time will benefit the City and the citizens that need support. This would involve reallocation of the seasonal funds for a full FTE. As a result of the Unit's success, it has been called upon more and subsequently generated more cases. Additionally, the unit supervisor's duties have prevented that person from taking on as many or increased number of cases.

BENEFIT IF APPROVED:

If the Code Enforcement seasonal employee is reclassified from part-time to full-time, this will remove the restrictions on some of the scheduling that currently takes place. Due to limited hours of staffing not all complaints can be addressed in a timely manner. Additional cases can be opened and addressed, expanding capacity to deal with community quality of life issues.

IMPACT IF DENIED:

Issues and complaints will have to be prioritized and may now be dealt with in as timely a fashion.

DEPARTMENT NAME	Public Works	PRIORITY:	·····
DEPARTMENT ORG #		_	
BUDGET REQUEST TITLE	:	Associate Traffic Engineer - N115	

DESCRIPTION/JUSTIFICATION

Traffic is considered a priority for the City and its citizens. Cities of similar size and infrastruture within Washington have Traffic Division staffing well above the City's current staffing level to support the department's needs. These needs include implementation of coordinated signal timing plans, support of capital improvement and development projects including review of traffic studies and tracking concurrency, responding to and addressing traffic safety issues, developing ITS infrastructure and overall management/maintenance of the City's traffic management system including signal and illumination systems. Many of these items have either been delayed or neglected due to limitations on staffing and competing priorities. Addressing these items with additional staff will help to improve traffic, safety and reduce overall risk. An Associate Traffic Engineer is a new position that would assist the Traffic Engineering Manager in support of the duties described above.

BENEFIT IF APPROVED:

An Associate Traffic Engineer will be able to support the Traffic Engineer Manager and carry out departmental needs that have otherwise been delayed or neglected due to limitations on staffing. Traffic is a priority for the citizens of Marysville and approving this position will allow staff to gain ground on implementing and deliverying key departmental goals to improve traffic, safety and reduce overall risk to the City.

IMPACT IF DENIED:

The lack of key, technical staff within the Traffic Division will result in continued backlog of departmental goals, reduced response time to citizens, and potential impacts to the overall transportation system resulting in a greater risk to the City.

DEPARTMENT NAME	Public Works	PRIORITY:	
DEPARTMENT ORG #	00107020		
BUDGET REQUEST TITLE:		Construction Inspector II - N113	

DESCRIPTION/JUSTIFICATION

There is currently one Construction Inspector I and one Construction Inspector II performing all development construction inspection and assisting with capital project inspection throughout the City. The positions also inspect right-of-way permit work. Up until the pandemic, there were three inspectors. One of the inspectors left the City in March 2020. The position was never backfilled and the position had been removed from the 2021/22 budget. The number of applications received by Community Development has increased over the past several months, which is expected to increase the upcoming inspection workload further.

BENEFIT IF APPROVED:

Approval of this position will restore staffing for construction inspectors to pre-pandemic levels. Current development and capital project construction necessitate the need for the Construction Inspector II position and to ensure adequate coverage.

IMPACT IF DENIED:

The lack of inspection coverage will result in missed or delayed inspections which could have an overall impact to the City's infrastructure.

DEPARTMENT NAME	Public Works	PRIORITY:	
DEPARTMENT ORG #	00107020		
BUDGET REQUEST TITLE:	D	evelopment Services Technician - N112	÷

The Development Services Technician was previously held by an employee who retired in June 2020. The position was never backfilled and had been removed from the 2021/22 budget. Since the position was vacated, the duties that this position performs have been distributed amongst various staff. The result impacted staff workload, increased stress, reduced customer service and is generally ineffective in the long-term. The position plays an important role in interacting with the public as it relates to utility service, tracking and monitoring developer capital improvement charges, development contracts, and coordinating amongst Public Works and Community Developments. Additionally, the workload for this position is expected to increase once the office is able to re-open and accept customers at the counter.

BENEFIT IF APPROVED:

Approval of this position will backfill a once filled position and restore staffing for development services to prepandemic levels.

IMPACT IF DENIED:

The impact of not having this position filled has already had an impact on existing staff, towards customer service and the overall processes required under this position. By not approving this position, this trend will continue and could lead to errors or misteps that this position is responsible for.

DEPARTMENT NAME	Public Works	PRIORITY:	
DEPARTMENT ORG #	00107020		
BUDGET REQUEST TITLE:		Civil Plan Review - N115	

DESCRIPTION/JUSTIFICATION

There is currently one Civil Plan Review position performing all pre-application and construction civil plan review related to development within the City. This position has become reliant on comments from other departments within Public Works. The department has also had to utilize consulants for plan review to support the significant amount of development reviews. Community Development is seeing an increased number of applications, including large, time-intensive review projects such as the Cascade Commerce Center. Based on the current and future development demands, another Civil Plan Review position is needed to support development activity.

BENEFIT IF APPROVED:

Current development applications, demand on staff and use of consultants, as well as assurance for adequate coverage necessitate the need for the Civil Plan Review position.

IMPACT IF DENIED:

The impact if denied will result in a slower review process to support development, items missed during plan review, lack of coverage within the position, and continued demand on other staff or consultants to assist with the workload.

BUDGET REQUEST TITLE:	FTE -	Public Works Services Manager - M119					

This new position will provide direct oversight and support for four Public Works supervisors and the divisions they oversee (Public Works Administration, Solid Waste/Fleet, Streets Maintenance, and Parks Maintenance/Support Services). The current organizational chart has the Assistant Public Works Director serving in this role in addition to the duties identified in the Assistant Public Works Director job description. This new manager-level position would allow for more appropriate distribution of responsibilities across the department's management team, allowing the Assistant Director position to focus on more high-level planning and projects for the entire department and create a management level team that would improve continuity of coverage.

BENEFIT IF APPROVED:

This position will create an equitable distribution of managerial alignment within the Department.

IMPACT IF DENIED:

If denied, the Assistant Public Works Director will continue to face challenges in accomplishing the core responsibilities of the position and the level of daily support for the four division supervisors would continue to be impacted.

		Check the year of request
		X 2021 X 2022
DEPARTMENT NAME	Public Works	PRIORITY:
DEPARTMENT ORG #	401	
BUDGET REQUEST TITLE:		Construction Tech II - 1 FTE - U45

There is a vacancy in this department that was left unfilled after an early retirement. The Water System Comprehensive Plan completed in 2016 revealed a deficit of almost four FTEs in the water utility. The Water Construction Division takes care of all installation, replacement, and repair activities of the water distribution system piping, services, valves, hydrants, and appurtenances, as well as support of the utility locating duties. With new construction activities underway almost constantly the water system has grown considerably in size. requiring greater resources dedicated to construction activities. In addition, there are changes to the Lead and Copper Rule that will require inventory of the city's water service lines as well as the customer's service line. This work would primarily be completed by the utility construction division.

BENEFIT IF APPROVED:

If approved, the division would have support to keep up with the work load and accomplish necessary construction and utility locating activities in a timely manner.

IMPACT IF DENIED:

If denied, it would defer less critical work until adequate resources are available. Less availability of skilled employees for emergency repairs could increase time needed for repairs, increasing the timeframe customers are without water. It would reduce the availability of staff for inventory of service lines for new regulations. More locating responsibilities would have to be completed by the maintenance division which impacts their ability to complete their necessary work volumes.

DEPARTMENT NAME	Public Works	PRIORITY:	
DEPARTMENT ORG #			
BUDGET REQUEST TITLE:		1 FTE - Meter Technician - U35	

Add one FTE - Meter Technician to the Water Resources Division. The meter reading and meter repair, replacement and installation work load has exceed the quantity that can be accomplished by two meter technicians. Historically the meter technicians have installed 100-150 new meters per year in addition to handling routine meter replacement and repairs and meter reading, but the past couple of years the amount of new meters has increased to over 500 in 2019 and over 350 in 2020; this trend is expected to continue. This coupled with the high rate of failing meter transmission units (MTU) and meters, all of which are at or very near end of useful life and must be replaced, continues to generate a work load that more than two people can handle. Personnel are borrowed from other departments on a weekly basis to provide additional FTE resources to accomplish meter technician duties. This request also includes a vehicle for the employee's use.

BENEFIT IF APPROVED:

An additional FTE would allow the meter technician work group to keep up with the work load without having to borrow personnel resources from other work groups.

IMPACT IF DENIED:

Meter technicians will not be able to keep up with the work load and will cotinue to get further and further behind. Personnel resources will be borrowed from other work groups to accomplish critical tasks and meet current customer service expectations; this will directly impact the work load and productivity of the work groups providing assistance. If other personnel resources are not available, customer service/customer response time will decline.

BUDGET REQUEST TITLE:		1 FTE - Mechanic - U50	

Add one FTE - Mechanic to the Fleet Division of Public Works. This position will provide additional resources for the maintenance and repair of solid waste vehicles. Solid Waste is adding two additional vehicles to its fleet in 2021 in order to service the Central Annexaiton Area in 2022. The position will also assist in maintenance and repairs of other Fleet vehicles.

BENEFIT IF APPROVED:

An additional FTE would reduce the time necessary for preventative maintenance and repairs for fleet vehicles in addition to reducing down time for non-scheduled repairs to vehicles. In addition, more maintenance and repairs will be able to be completed by in-house staff as opposed to outside shops.

IMPACT IF DENIED:

More resources will be allocated to outside vendors for maintenance and repairs of fleet vehicles.

BUDGET REQUEST TITLE	Mother Nati	ure's Window Park Public Park Acce	SS
DESCRIPTION/JUSTIFICA	TION		

Funds would help us re-open Mother Nature's Window which has been closed to the public for twenty years. We would like to start the re-opening process by funding Phase 1 of our revitalization of the site. With this funding we will trim brush back, remove garbage, remove downed trees, increase visibility to the site and add interior parking for volunteers and guests. This gem located in the heart of Marysville (100th St NE between 55th and 59th Drive) is 34.5 acres of old growth forest. Due to the huge scope of this project we will be looking for community volunteer partnerships to help clear the site. At the last public meeting for this site we had over 100 residents attend in hopes of changing the use of the land. Much like we did in Comeford Park, our hope is to use the "good people to drive out the bad".

BENEFIT IF APPROVED:

In opening the park we hope to improve the neighborhood, reduce the crime and move forward with securing funding for long term design of the site.

IMPACT IF DENIED:

The park will remain closed to the public. Conditions on the site will continue to decline. 2021-2025 2021 2022 2023 2024 2025 Total **Revenue Sources:** General Fund _ Expenditures: Salaries (11) Overtime (12) _ Benefits (20) Office & Operating (31) -Small Tools (35) Professional Services (41) _ Miscellaneous (49) 360,000 Capital (60)* 360,000 Transfer (97) **Total Expenditures** 360,000 360,000 _ -TOTAL REQUEST 360,000 360,000 -_ --

BUDGET REQUEST TITLE:		AMI Repairs and Maintenance	

Meter transmission units (MTUs) and water meters have a life expectancy of about 20 years. 1.6% of total MTUs are currently failed, and an additional 4.5% of MTUs are very near end of life, do not perform correctly, and are expected to fail completely within the next two years (total of 1,105 MTUs). MTU failures and subpar performance causes manual meter reading at an average rate of 250 meters per week, equalling 2,000 meters over an 8 week billing cycle. Each week 3-7 city personnel spend 3-5 days performing manual meter reading. Nearly 29% of all water meters (5,711 meters) are of the Elster brand and are very near end of life. These meters are no longer manufactured and cannot be repaired, so they must be replaced with a new meter when failures occur.

BENEFIT IF APPROVED:

Meter readings will be transmitted electronically as expected, negating the need to deploy excessive City personnel to collect manual meter readings due to MTU and water meter failures.

IMPACT IF DENIED:

The City will continue to experience a high rate of failed electronic meter reading, which will require time consuming and costly deployment of City meter reader/repair and additional personnel to collect meter readings manually. This burden impacts other City programs that must be delayed or cancelled.

DECODIDITION/ MOTIFICATION			

One Part-Time MHP (mental health professional) This position would be focused on homelessness and opioid addiction. This can be either a contract position or a City position. There currently is a part-time MHP program funded by WASPC. There is a marked increase in opioid issues and homelessness in our community, the two often intertwine. This position builds on savings from converting the County contract to an in-house position and allows for expansion of services.

BENEFIT IF APPROVED:

This position would augment the Embedded Social Worker program. The Embedded Social Worker program has already proven to be a needed and vital part of the policing program we currently have. This provides a path for helping vulnerable members of our community break the cycle of drug addiction and reduce homelessness in our city.

IMPACT IF DENIED:

Clients needs will not be met. It lessens our abilities to pair individuals to appropriately tailored services thus relying on traditional law enforcement services.

DESCRIPTION/JUSTIFICAT			
Evidence.com is an excellent	program that supports efficient	cy and effectiveness across technology	/ and
		Disclosure. This program will allow for	
management of the Evidence	Room to have accountability if	levibility and evidence destruction on -	a casa hy

information systems, Police, Courts, Prosecution and Public Disclosure. This program will allow for the management of the Evidence Room to have accountability, flexibility, and evidence destruction on a case by case basis. The platform allows for cloud management of the ever increasing flow of digital evidence needed to successfully prosecute cases.

BENEFIT IF APPROVED:

As evidence is ready to be destroyed there needs to be the audit and accountability pieces with digital evidence. This program is a priority for the Police Department. It will aid in each audit that is conducted and each inventory that is completed. This will assist in achieving our accredited status.

IMPACT IF DENIED:

Staff will rely on out of date processes and technology that take longer to complete and are not as effective.

2021/2022 BUDGET REQUEST Check the year of request XXX 2021 2022 DEPARTMENT NAME Police PRIORITY: XXXX **DEPARTMENT ORG #** 00103 960.541000 BUDGET REQUEST TITLE: Mid-cycle Budget Amendment **DESCRIPTION/JUSTIFICATION** Guardian RFID Inmate Tracking and Accountability Software. This is a \$25,000 up front fee. Then is it \$5,000 annually. The new jail facility is larger in physical size and inmate capacity. This system will allow for enhanced monitoring and tracking of inmate population by all staff. **BENEFIT IF APPROVED:**

This system will allow for real-time tracking of all inmates by on-duty staff throughout the facility. Multiple tasks/ checks of inmates are conducted daily and can be logged by this system as opposed to the current process of physically conducting and hand logging checks.

IMPACT IF DENIED:

Officers will be required to continue with antiquated system of logging. This ties up staff and creates potential for information to not be adequately tracked, particularly in the new larger facility.
