

PROJECT NARRATIVE – KRYKUN’S DUPLEX

Re: 10408 Shoultes Road Marysville, WA Development 04/15/2023

Greetings; We have submitted a conditional use permit application, site plan, critical area study, grading/drainage plans, survey and building plans for a development on Shoultes Road. The general scope of the development would be to clear the lot, construct an access road to service the duplex, build a 2story duplex. I look forward to your comments.

Thanks,

Pavel & Julia Krykun
