RE: Lavender Massage 1 LLC

City of Marysville Business License Application

Dear Ms. Miller,

Pursuant to MMC 5.02.060(3) please consider this written notification to appeal your findings of the denial of business license for Lavendar Massage 1 LLC. Please provide me with notification of the date that you intend to hold the appeal hearing.

Please be advised I'm the new owner of Lavendar Massage 1 LLC and am not aware of what the previous owner did or was associated with, that being said I can assure you that once I am licensed, I will take any opportunity to distance myself from any illegal acts with respect to advertisements of prostitution or any other illegal acts.

At this point because I don't have a license to operate, I cannot take any actions to disengage the business from the advertisements that you referred to.

Respectfully,
Feng Xu
