## NOTICE OF DETERMINATION OF NON-SIGNIFICANCE

---

**DESCRIPTION OF PROPOSAL:** A NON-PROJECT action to adopt the updated 2017-2022 Capital Facilities Plan (CFP) as a sub-element of the *City of Marysville Comprehensive Plan*. The CFP is the document that communicates the City's plan for capital construction and purchases for a six-year period as required by the Growth Management Act.

Capital facilities are the public facilities we use on a daily basis. Presently the City of Marysville is responsible for providing facilities and services, which include police and fire protection, paramedic service, water and sewer service, streets, parks, library, and solid waste collection. In order to be fiscally responsible, it is imperative that a realistic Capital Facilities Plan (CFP) be formulated, adopted, and reviewed to ensure the acquisition, maintenance, and construction of the capital facilities needed to sustain the residents, businesses and industries at an acceptable level of service, while protecting the health, welfare, and safety of the community as a whole.
