Notice is hereby given that a Public Hearing will be held before the Marysville Planning Commission at City Council Chambers, located at 1049 State Avenue, on **Tuesday, January 10, 2017, at 7:00 PM**. The public hearing is to consider adoption of the 2016 Water Comprehensive Plan (Action 1) and 2016 Surface Water Comprehensive Plan (Action 2) as sub-elements of the Public Facilities & Services Element of the Marysville Comprehensive Plan.

Action 1 – File Number and Name:

PA16-009 – 2016 Water Comprehensive Plan

Project Description:

The Water Comprehensive Plan (WCP) is a planning document that identifies and schedules water system improvements that correct existing system deficiencies and ensures a safe and reliable supply of water to current and future customers. The WCP presents a description of the existing water system and service area, a forecast of future water demands, policies and design criteria for water system operation and improvements, the operations and maintenance program, staffing needs, an improvement schedule, and a financial plan.

Action 2 – File Number and Name:

PA16-036 – 2016 Surface Water Comprehensive Plan

Project Description:

The Surface Water Comprehensive Plan is a planning document that provides guidance to minimize adverse effects of stormwater runoff on ground and surface water in a manner that complies with federal, state, and local surface water regulations. It identifies water quality and quantity problems associated with stormwater runoff that may affect the environment and community, and provides recommendations for improvements and programs including a financial analysis and implementation schedule.
