There will be some active duty sailors involved in this through the Navy Recruiting District in Seattle who has donated \$1,000 towards materials. Other groups and individuals from the community will also be participating. He commended the Graffiti Task Force for their efforts against graffiti. He also thanked Commander Lamoureux, Lt. Rasmussen, Paul Rochon and Mike Robinson.

CITY OF MARYSVILLE

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: July 11, 2011

AGENDA ITEM: Professional Services Agreement and Interlocal Agreement Between City of Marysville and Strategies 360 Inc. for Consultant Services	AGENDA SECTION: Legal	
PREPARED BY: Gloria Hirashima, Chief Administrative Officer	AGENDA NUMBER:	
ATTACHMENTS 1. Professional Services Agreement 2. Interlocal Agreement for Lobbying Services	APPROVED BY:	
	MAYOR	CAO
BUDGET CODE:	AMOUNT:	

The proposed agreement amends the existing professional services agreement and interlocal agreement for lobbying services with Strategies 360 Inc. relating to the Highway 9 corridor project. A coalition consisting of Arlington, Marysville, Lake Stevens and Snohomish has formed to study and promote development to the transportation planning, design and construction of State Route 9. The City contracted with Strategies 360 Inc. for the 2011 legislative session. The amendment would extend the work through the 2012 legislative session and allow for additional modifications to the scope of work as long as the total remains under the contract cap of \$45,000. Approximately \$12,000 (approx \$3000 per city) was expended in the 2011 legislative session.

SR9 funding and improvement is a long term pursuit. The coalition believes that a coordinated effort between the four cities is desirable. The scope of work describes a Phase 1 and a Phase 2 work effort. The current effort remains at Phase 1 funding levels. Phase 2 work would not be authorized until it becomes probable that state and federal funding is likely to become available for Hwy 9 improvements. The costs of said work are equally allocated between the four cities. Marysville is the administrator of the interlocal agreement, contracting with Strategies 360 and invoicing each city for their monthly share.

The fee structure proposed for the Strategies 360 agreement would be:

- Phase 1 (Smaller effort): \$1,750 fee per month; \$437.50 per each city per month;
- Phase 2 (Larger effort): \$3,500 fee per month; \$875 per each city per month.

The fees above do not include approved expenses, which would mostly be travel expenses.

Arlington, Lake Stevens and Snohomish will also be acting on the amendment to the interlocal agreement.

RECOMMENDED ACTION: Approve proposed amendment to the interlocal agreement and professional services agreement

6. Advise SR 9 Coalition of timing for federal appropriations requests, review draft of funding proposals.
7. Provide monthly written summary.

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: 7/11/2011

AGENDA ITEM: Department of Justice/SERS Facility Sublease Renewal	
PREPARED BY: Tonya Miranda, Admin Services Manager DEPARTMENT: Public Works	DIRECTOR APPROVAL: 
ATTACHMENTS: Communication Site Sublease/License Renewal Form	
BUDGET CODE: 00100362.324001 Revenue	AMOUNT: \$15,201.36

SUMMARY:

The current Department of Justice sublease with SERS at the Highway 9 communication tower will expire September 30, 2011. The sublease renewal increases the annual lease payment by \$442.80 and extends the lease to September 30, 2012.

The original Contract calls for a rate study to be performed each year to determine what the rate increase should be for the next year's extension. Conducting this rate study has proven to be very difficult using information from other jurisdictions. Radio equipment type, sizes, and locations on other towers vary and contracts seem to vary quite a bit as well so it is difficult to find common conditions to base an increase.

<p>RECOMMENDED ACTION: Staff recommends that Council Authorize the Mayor to sign the Communication Site Sublease/License Renewal with the Department of Justice increasing the annual lease to \$15,201.36 and extending the lease period to September 30, 2012.</p>

COMMUNICATION SITE SUBLEASE/LICENSE RENEWAL

Whereas, the City of Marysville subleases or licenses to U.S. Department of Justice ("Subleasee/licensee") premises for the location of communications equipment pursuant to the terms of a Nonexclusive Communication Site Sublease/License dated May 11, 2004 (the "Sublease/License");

Whereas, Subleasee/licensee wishes to exercise a right of renewal under the Sublease/License;

Now, therefore, it is agreed as follows:

1. Exercise of Renewal. Subleasee/licensee hereby renews the lease for a period of 1 year from October 1, 2011 and ending on September 30, 2012 in accordance with paragraph 6 of the Sublease/License. Rent during the renewal period shall be in the amount of \$15,201.36, payable as follows: Payments will be made monthly through electronic fund transfers in the amount of \$1,266.78 for a total of 12 consecutive payments.
2. Contingencies. Renewal of the Sublease/License is conditioned on the following:
The extension of this license agreement is contingent upon Congressional approval of FY 2012 funding.
3. Acknowledgement of City. By the signature of the Mayor of the City of Marysville below the City acknowledges renewal of the Sublease/ License on the terms of the said Sublease/License and this Communication Site Sublease/License Renewal.
4. Ratification. Except for the provisions contained herein, the City of Marysville and Subleasee/licensee ratify and affirm as in full force and effect all terms and conditions of the Sublease/License.

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: 7/11/2011

AGENDA ITEM: Janitorial Services Contract Extension	
PREPARED BY: Tonya Miranda, Admin Services Manager DEPARTMENT: Public Works	DIRECTOR APPROVAL: 
ATTACHMENTS: Amendment No. 2 to Janitorial Services Contract	
BUDGET CODE: Various Buildings	AMOUNT: \$60,474.60

SUMMARY:

In 2009, the contract for janitorial services was bid and awarded to Advantage Building Services in the amount of \$57,936.79, and last year we exercised the option to renew the contract for an additional annual term. The contract can be renewed for up to nine additional years upon agreement of the State Office of Procurement, City of Marysville, and Advantage Building Services.

The vendor and City staff negotiated a new contract price to account for the vendor's increased operating costs and the removal of the "CD Construction Building" from the cleaning schedule. The proposed price increase is \$2,537.81 for the next annual term, which would result in a new annual contract amount of \$60,474.60. We propose extending the contract for an additional 12 months subject to all other existing terms, conditions, and specifications.

RECOMMENDED ACTION: Staff recommends that Council Authorize the Mayor to sign Amendment No. 2 to the Janitorial Services Contract between the City of Marysville and Advantage Building Services which increases the Contract by \$2,537.81 for a total amended Contract price of \$60,474.60 and extends the Contract for a third annual term.

**AMENDMENT NO. 2 TO JANITORIAL SERVICES CONTRACT
BETWEEN
THE CITY OF MARYSVILLE
AND

The City and Advantage Building Services agree to amend and modify the Contract as follows to include a 4.4% increase in janitorial service fees and to extend the Contract for a third annual term.

1. Site Address #14, "CD Construction Building," located at 60 State Avenue, will be removed from the cleaning schedule of the Contract.
2. Advantage Building Services will be paid an additional \$2,537.81 for the third annual term extension of the Contract for a total Contract amount of \$60,474.60.
3. The Contract will be extended for a third annual term beginning October 1, 2011 and will end September 30, 2012.
4. All terms, conditions and provisions of the Contract remain in full force and effect except as expressly modified by this Amendment.

5.46.010 Definitions.

(1) "Special events" include any event which is to be conducted on public property or on a public right-of-way; and, also, any event held on private property which would have a direct significant impact on traffic congestion; or traffic flow to and from the event over public streets or rights-of-way; or which would significantly impact the need for city-provided emergency services such as police, fire or medical aid. It is presumed that any event on private property which involves an open invitation to the public to attend or events where the attendance is by private invitation of 100 or more people are each presumed to be an event that will have a direct significant impact on the public streets, rights-of-way or emergency services. Special events might include, but not be limited to, fun runs, roadway foot races, fundraising walks, auctions, bikeathons, parades, carnivals, shows or exhibitions, filming/movie events, circuses, block parties, markets, sporting events and fairs. (Ord. 2099 § 1, 1996).

5.46.020 Permit required.

(1) An application for a special event permit can be obtained at the office of the city clerk and will be completed and submitted to the city clerk no later than 60 days prior to the proposed event. A completed application does not constitute approval of the permit.

(2) A waiver of application deadline shall be granted upon a showing of good cause or at the discretion of the city clerk (risk manager). The city clerk shall consider an application that is filed after the filing deadline if there is sufficient time to process and investigate the application and obtain police and other city services for the event. (3) The following information shall be provided on the special event permit application: purpose of the special event; name, address and telephone number of the sponsoring organization and/or individual(s); proposed date of event, location and hours of operation, schedule of events, estimated attendance, special facility requirements, city assistance required, and other information as the city deems reasonably necessary to determine that the permit meets the requirements of this chapter. (Ord. 2099 § 3, 1996).

(3) The city council will be notified of all special event approvals made by the city staff.

5.46.070 Insurance required.

The applicant is required to obtain and present evidence of comprehensive liability insurance naming the city of Marysville as an additional insured for use of streets, public rights of way and publicly owned property such as parks. The insurance requirement is a minimum of \$1,000,000 for individual incidents, \$2,000,000 aggregate, per event, against all claims arising from permits issued pursuant to this chapter. 5.46.080 Denial of permit.

Reasons for denial of a special event permit include, but are not limited to:

(a) If the permittee fails to clean up such refuse, the clean-up will be arranged by the city and the costs charged to the permittee.
