COUNCIL*DRAFT*
MINUTES

Regular Meeting
January 22, 2018

Call to Order / Pledge of Allegiance

Mayor Nehring called the meeting to order at 7:00 p.m. and led those present in the Pledge of Allegiance. Pastor Greg Kanehan gave the invocation.

Roll Call

Chief Administrative Officer Hirashima gave the roll call. The following staff and councilmembers were in attendance.

Mayor: Jon Nehring

Council: Mark James, Tom King, Steve Muller, Kamille Norton (President), Michael Stevens, Rob Toyer, and Jeff Vaughan

Absent: None

Also Present: Chief Administrative Officer Gloria Hirashima, Finance Director Sandy Langdon, Police Chief Rick Smith, City Attorney Jon Walker, Public Works Director Kevin Nielsen, Parks Director Jim Ballew, Community Development Director Dave Koenig, Fire Chief Martin McFalls, and Recording Secretary Laurie Hugdahl.

Motion made by Councilmember Muller, seconded by Councilmember Toyer, to approve the agenda. **Motion** passed unanimously (7-0).

Committee Reports

Councilmember King reported on the recent Parks Advisory Board Meeting where the following topics were addressed:

- The Board adopted a naming rights policy for the City which will be coming to the Council in the near future.
- Director Jim Ballew did a presentation on the recent Tour of Lights.
- Upcoming capital improvement projects were discussed.
- Mike Leighan was selected as Parks Board Chair.

DRAFT

Councilmember King also reported on the Fire Board Committee meeting where he was picked for the EMS and the Personnel Committee.

Councilmember Vaughan reported on the Public Health District Board of Directors meeting on January 9. New Board members were sworn in and a new chair and vice chair were selected. The Health District is going through an accreditation process which should help them be eligible for certain grants. There was discussion about funding from cities.

Councilmember Stevens stated he also attended the Fire Board meeting. He added that Commissioner Pat Cook was reappointed as Chair for the Committee and Councilmember Toyer was selected as the new Vice Chair.

Mayor Nehring commented on the Government Affairs Committee meeting. They met with the Tulalip Tribes where there was a healthy discussion around shared policing issues, particularly around the opioid issue. There was also discussion about shared transportation projects.

Presentations

A. Officer Swearing-in

Officers Dylan Burnett and Garrett Wiseman were introduced by Chief Smith and sworn in by Mayor Nehring.

B. Marysville School District Presentation

Scott Beebe, Chief Technology Officer and Mike Sullivan, Executive Director Finance and Operations, Marysville School District, made a presentation regarding Proposition 1 – Replacement Educational Programs Maintenance & Operations Levy and Proposition 2 – Replacement Technology & Capital Projects Levy.

Audience Participation

Preston Dvoskin, 11920 46th Ave NE, Marysville, WA congratulated Chief Smith on the two new police officers. He expressed concern about a police shortage in patrolling the roads near Marshall Elementary to help address speeding. He also expressed concern about the condition of streets in his neighborhood. Finally, he congratulated the new councilmembers. He also asked when there would be more firefighters.

Police Chief Smith acknowledged the issue at the school and stated that SRO's are getting around as much as possible. He explained that 4-5 officers will be hired to fill vacancies which will help with the issues around the schools. Fire District Chief McFalls explained that they are keeping up with attrition, but hope to increase the number of firefighters as they move forward with a Regional Fire Authority and other sources of income flow.

DRAFT

Steve Powell, 4708 57th Drive NE, stated he lives near Harborview Trail, and a lot of people aren't using the east side of the trail due to homeless activity.

Approval of Minutes (Written Comment Only Accepted from Audience.)

1. Approval of the January 2, 2018 Council Work Session Minutes.

Councilmember Stevens indicated he would be abstaining as he was absent at that meeting.

Motion made by Councilmember Norton, seconded by Councilmember Muller, to approve the January 2, 2018 Council Work Session Minutes. **Motion** passed unanimously (6-0) with Councilmember Stevens abstaining.

2. Approval of the January 8, 2018 Council Meeting Minutes.

Motion made by Councilmember Vaughan, seconded by Councilmember Stevens, to approve the January 8, 2018 Council Meeting Minutes. **Motion** passed unanimously (7-0).

Consent

3. Approval of the December 28, 2017 Claims in the Amount of \$265,314.68 Paid by EFT Transactions and Check Numbers 121749 through 121820 with No Check Numbers Voided.
4. Approval of the January 3, 2018 Claims in the Amount of \$1,897,982.99 Paid by EFT Transactions and Check Numbers 121731 through 121748 with No Check Numbers Voided.
5. Approval of the January 10, 2018 Claims in the Amount of \$279,944.61 Paid by EFT Transactions and Check Numbers 121821 through 121887 with No Check Numbers Voided.
6. Approval of the December 29, 2017 Claims in the Amount of \$629,602.87 Paid by EFT Transactions and Check Numbers 121888 through 122026 with No Check Numbers Voided.

Motion made by Councilmember Muller, seconded by Councilmember Stevens, to approve Consent Agenda items 3-6. **Motion** passed unanimously (7-0).

Review Bids

Public Hearings

New Business

DRAFT

7. Consider Approving an Ordinance Granting Verizon Wireless a Nonexclusive Telecommunications Franchise Agreement.

City Attorney Walker stated that this had already been reviewed by the Council at two previous meetings.

Motion made by Councilmember Toyer, seconded by Councilmember King, to approve Ordinance No. 3083. **Motion** passed unanimously (7-0).

8. Consider Approving the Recovery Contract with Custom Comfort Homes, LLC for Utility Construction Costs. (Sewer Main for a Duplex Development located on 100th St NE east of 48th Dr. NE)

Director Koenig explained that this would allow a developer who has put in a sewer line to recover a portion of that cost from four benefitting properties.

Motion made by Councilmember Vaughan, seconded by Councilmember Norton, to approve the Recovery Contract No. 296. **Motion** passed unanimously (7-0).

9. Consider Approving a Professional Services Agreement with OTAK, in the Amount of \$698,645.00 for Engineering Services to Develop 30% Design Documents for Improvements to Enable Development of the Manufacturing and Industrial Center within the Smokey Point Master Plan Area.

Director Nielsen explained that this is the roadway network and utilities design which will get the City to 30% design and will start the permitting process for the MIC.

Motion made by Councilmember Vaughan, seconded by Councilmember Toyer, to approve the Professional Services Agreement with OTAK, in the Amount of \$698,645.00 for Engineering Services to Develop 30% Design Documents for Improvements to Enable Development of the Manufacturing and Industrial Center within the Smokey Point Master Plan Area. **Motion** passed unanimously (7-0).

10. Consider Approving the Marshall Elementary Safe Routes to School Project with SRV Construction, Inc., Starting the 45-day Lien Period for Project Closeout.

Director Nielsen stated that this is project acceptance to start the lien process and the closeout. He explained that this makes the area safer with the Safe Routes to School grant and with TBD funds.

Motion made by Councilmember Muller, seconded by Councilmember Stevens, to approve authorize the Mayor to accept the Marshall Elementary Safe Routes to School Project with SRV Construction, Inc., Starting the 45-day Lien Period for Project Closeout. **Motion** passed unanimously (7-0).

DRAFT

11. Consider Approving a Resolution Authorizing a \$1,445,500.00 Interfund Loan from the Solid Waste Management Fund 410 to the Parks Capital Improvement Fund 310, and Providing for Payment and a Formula for Payment of Interest.

Finance Director Langdon reviewed this interfund loan to purchase the Opera House.

Motion made by Councilmember Vaughan, seconded by Councilmember King, to approve Resolution No. 2432. **Motion** passed unanimously (7-0).

12. Consider Approving Per Capita Funding and an Interlocal Agreement with Snohomish Health District.

Councilmember Stevens recused himself from discussion due to the fact that his company recently entered into a Professional Services Agreement.

CAO Hirashima explained that staff is requesting consideration on funding for 2018 funding for the Health District.

Councilmember Norton spoke in opposition to having Marysville funds go toward needle exchange programs. She is comfortable funding at \$1 per capita on a quarterly basis so that if they start pursuing other things the City is not comfortable pursuing they would be able to terminate funding.

Councilmember Vaughan commented on various options for paying funding. He explained that the Health District wants to know what they can count on.

Councilmember Toyer agreed with Councilmember Norton.

Councilmember Muller asked if the Health District's budget was any more fixed than it was last year. Councilmember Vaughan stated it was still in flux. Councilmember Muller spoke in support of the \$1.

Motion made by Councilmember Norton, seconded by Councilmember Toyer, to approve Per Capita Funding and an Interlocal Agreement with Snohomish Health District at \$1 per capita to be paid quarterly. **Motion** passed unanimously (6-0) with Councilmember Stevens abstaining.

Councilmember Stevens returned to the meeting.

Legal

Mayor's Business

13. Legislative Agenda

Mayor Nehring presented the proposed legislative agenda.

Motion made by Councilmember Vaughan, seconded by Councilmember Toyer, to approve the legislative package. **Motion** passed unanimously (7-0).

14. Resolution of the City Council of the City of Marysville, Washington Encouraging the Citizens of Marysville to Vote on Marysville School District Propositions No. 1 & 2 on the February 1, 2018 Special Election.

Mayor Nehring explained that this is merely asking people to vote, not telling them how to vote.

Motion made by Councilmember Norton, seconded by Councilmember King, to authorize Resolution No. 2433. **Motion** passed unanimously (7-0).

Other Mayor Business:

- Mayor Nehring nominated Donna Wright to fulfill a vacancy on the Salary Commission.

Motion made by Councilmember Toyer, seconded by Councilmember King, to approve the nomination of Donna Wright to the Salary Commission. **Motion** passed unanimously (7-0).

- Friday was Economic Alliance Snohomish County's advocacy day down in Olympia which was quite beneficial. Maryville had some big wins in the capital budget.
- Last week he attended the recognition ceremony for Marysville Volunteer Patrol.
- He attended a Snohomish County Cities dinner with Councilmembers King and James. He discussed a need for additional classes for the Basic Law Enforcement Academy for police officers in order to get them on the streets more quickly. There is currently quite a long wait to get officers into the classes.
- Snohomish County 911 Board met for their first meeting.

Staff Business

Chief Smith explained that the police department has a very robust hiring process in order to get the very best candidates.

Jon Walker stated the need for three Executive Session items relating to the acquisition of real estate with action expected on two items and expected to last ten minutes.

Dave Koenig explained that indications are that this will be a busy year for single-family homes.

Chief McFalls had no comments.

Jim Ballew:

DRAFT

- RCO is starting to put out their contractual language. It appears that the Olympic View Park project will be funded.
- The Father-Daughter dance is already full.
- The Diversity Committee is looking for assistance from the media and community to develop an “I am Marysville” campaign.
- A naming policy will be brought forward at the next meeting for Council to consider.
- Congratulations to new police officers.

Director Nielsen:

- Design money for Cedar from 1st to 4th was also included on the Capital Budget.
- This year there is money in the Capital Budget with DOE.
- Public Works Committee will be meeting on February 2 at 2:00.
- There has been some work going on in the city at 136th and 116th for the railroad crossings. Beyond that, there have been a lot of trains coming through the City at the same time. At one point they caused a 20-minute delay at the signals.

Gloria Hirashima:

- Congratulations to everyone who worked on the Capital Projects requests. These projects will help to move Marysville forward in many ways.
- Congratulations to Chief Smith on the hiring of new officers.

Call on Councilmembers

Jeff Vaughan:

- He attended the Finance committee meeting last Wednesday where they discussed the City’s financial status. Sales tax is up a little from last year. Everything is on budget and tracking well. There was a new Chair of the finance committee selected.
- He relayed lessons he learned from Former Washington Governor John Spellman who recently passed away. He was a good example of a good public servant and will be missed.

Mark James had no comments.

Tom King:

- He enjoyed the Snohomish County Cities meeting last week.
- Marysville Community Food Bank served 16,000 families in 2017 and provided 915,000 pounds of food. The Food for Thought backpack program for schools provided over 14,000 bags which go home with kids on Fridays so they have something to eat over the weekend.
- He thanked the City of Marysville on behalf of Strawberry Festival for letting them use the old Baxter Auto Repair building to work on their float.
- Mayor Nehring noted that Councilmember King was elected as an alternate on the Economic Development Board for Puget Sound Regional Council, and Councilmember Toyer was elected to the Law and Justice Committee.

Michael Stevens congratulated the new police hires and announced he will be going to the Father-Daughter dance for the 8th straight year.

Rob Toyer had no comments.

Steve Muller had no comments.

Kamille Norton:

- Welcome and congratulations to new officers.
- The capital budget is exciting news.
- She is looking forward to being in Olympia next week.

Adjournment

The meeting was adjourned at 8:30 p.m.

Reconvenement

Council reconvened in Executive Session at 8:33 p.m. to address three Executive Session items relating to the acquisition of real estate with action expected on two items and expected to last ten minutes.

Executive Session

- A. Litigation
- B. Personnel – 3 items
- C. Real Estate

Executive Session ended and public meeting reconvened at 8:43 p.m.

Motion made by Councilmember Muller, seconded by Councilmember Toyer to authorize the Mayor to sign a purchase and sale agreement with Terry and Mary Miller for tax parcel #00518500200400 in the amount of \$88,000. **Motion** passed unanimously (7-0).

Motion made by Councilmember Muller, seconded by Councilmember Stevens, to authorize the Mayor to sign a purchase and sale agreement with James and Pamela Seaver for tax parcel #00576200600400 and #00576200700502 in the amount of \$500,937. **Motion** passed unanimously (7-0).

Adjournment

The meeting was adjourned at 8:43 p.m.

DRAFT

Approved this _____ day of _____, 2018.

CITY OF MARYSVILLE AGENDA BILL
EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: February 12th, 2018

AGENDA ITEM: Carroll's Creek Emergency Generator Supplemental Agreement No. 1 to Professional Services Agreement with Stantec	
PREPARED BY: Kyle Hays, Project Engineer	DIRECTOR APPROVAL: 
DEPARTMENT: Public Works, Engineering	
ATTACHMENTS: PSA Supplement No. 1	
BUDGET CODE: 40230594.563000, S1601	AMOUNT: \$0.00

SUMMARY:

The City contracted with Stantec on July 26th, 2016 to provide the City with professional engineering design services and construction support for standby generators at three wastewater lift stations in the city (Carroll's Creek, Cedarcrest Vista, and Kellogg Ridge).

Design of the generator upgrades is complete, however construction is currently ongoing at the Carroll's Creek location and is scheduled to continue through April. Stantec's remaining scope includes submittal/RFI review, construction observation, punchlist, and producing record drawings.

The original agreement with Stantec expired on December 31st, 2017. The attached supplement No. 1 to the City's agreement with Stantec revises the end date with a no-cost time extension to December 31st, 2018.

RECOMMENDED ACTION:

Staff recommends that Council authorize the Mayor to sign and execute the attached Supplement No. 1, a no-cost time extension, to the City's agreement with Stantec, Inc.

**SUPPLEMENTAL AGREEMENT NO. 1 TO
PROFESSIONAL SERVICES AGREEMENT BETWEEN
CITY OF MARYSVILLE
AND STANTEC CONSULTING SERVICES, INC.**

THIS SUPPLEMENTAL AGREEMENT NO. 1 (“Supplemental Agreement”) is made and entered into as of the date of the last signature below, by and between the City of Marysville, a Washington State municipal corporation (“City”) and Stantec Consulting Services, Inc., a New York Corporation licensed to do business in Washington (“Consultant”).

WHEREAS, the parties hereto have previously entered into an agreement for consultant services for the design and installation of a diesel fueled generator at the Carroll's Creek Lift Station (the “Original Agreement”), said Original Agreement being dated July 26, 2016; and

WHEREAS, both parties desire to supplement the Original Agreement, by extending the Contract Term;

NOW THEREFORE, in consideration of the terms, conditions, covenants, and performances contained herein or attached and incorporated, and made a part hereof, the parties hereto agree as follows:

1. Section 2 of the Original Agreement, “TERM”, is amended to provide all work shall be completed by December 31, 2018.

2. Each and every provision of the Original Agreement for Professional Services dated July 26, 2016, shall remain in full force and effect, except as modified herein.

DATED this _____ day of _____, 20_____.

CITY OF MARYSVILLE AGENDA BILL
EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: February 12th, 2018

AGENDA ITEM: Cedarcrest Pump Station Generator Supplemental Agreement No. 1 to Professional Services Agreement with Stantec	
PREPARED BY: Kyle Hays, Project Engineer	DIRECTOR APPROVAL: 
DEPARTMENT: Public Works, Engineering	
ATTACHMENTS: PSA Supplement No. 1	
BUDGET CODE: 40230594.563000, W1602	AMOUNT: \$0.00

SUMMARY:

The City contracted with Stantec on July 15th, 2016 to provide the City with professional engineering design services and construction support for standby generators at the City's Cedarcrest Water Booster Pump Station.

Design of the generator upgrades is complete, however construction is currently ongoing and is scheduled to continue through April. Stantec's remaining scope includes submittal/RFI review, construction observation, punchlist, and producing record drawings.

The original agreement with Stantec expired on December 31st, 2017. The attached supplement No. 1 to the City's agreement with Stantec revises the end date with a no-cost time extension to December 31st, 2018.

RECOMMENDED ACTION:

Staff recommends that Council authorize the Mayor to sign and execute the attached Supplement No. 1, a no-cost time extension, to the City's agreement with Stantec, Inc.

SUMMARY:	
<p>The FARO Laser scanner is technology used to forensically map crime scenes and serious collisions. The Faro Scanner can be deployed inside or outside a structure and could be operated by a single operator if necessary. The Faro Scanner also may deployed during day or night conditions.</p> <p>The technology provides investigators a proficient mapping system while creating a comprehensive product.</p> <p>This item is a sole source vendor item.</p>	

RECOMMENDED ACTION:

Staff respectfully recommends City Council authorize the purchase of the FARO laser scanner and accessories.

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: February 12th, 2018

AGENDA ITEM:	
Project Acceptance – 83 rd Avenue Water Main (Soper Hill Road to Sunnyside School Road)	
PREPARED BY:	DIRECTOR APPROVAL:
Adam Benton, Project Engineer	
DEPARTMENT:	
Engineering	
ATTACHMENTS:	
Notice of Physical Completion Letter	
BUDGET CODE:	AMOUNT:
40220594.563000, W1604	N/A
SUMMARY:	
<p>The 83rd Avenue Water Main (Soper Hill Road to Sunnyside School Road) project allowed for replacement of approximately 6,180 linear feet of existing water main with new 16-inch ductile iron water main, new valves, new water services, removal of existing sewer main, a single-lane two inch asphalt overlay and other associated work.</p> <p>City Council awarded the project to Reece Construction Company on July 24th, 2017 in the amount of \$1,180,696.57 including a management reserve of \$118,069.66 for a total allocation of \$1,298,766.23. The project was completed at a cost of \$1,134,969.82, which was \$45,726.75 or 3.87% below the original bid amount.</p> <p>Work performed under this contract was inspected by City staff and found to be physically complete in accordance with the approved plans and specifications.</p>	

RECOMMENDED ACTION:

Staff recommends that Council authorize the Mayor to accept the 83rd Avenue Water Main (Soper Hill Road to Sunnyside School Road) project, starting the 45-day lien filing period for project closeout.

PUBLIC WORKS
Kevin Nielsen, *Director*

80 Columbia Avenue

January 22nd, 2018

Reece Construction Company
Attn: Nicole Smith
P.O. Box 1531
Marysville, WA 98270

Subject: 83rd Avenue Water Main (Soper Hill to Sunnyside School Road) – Notice of Physical Completion

Dear Nicole,

In accordance with Section 1-05.11(2) of the Special Provisions, this project was considered physically complete as of Thursday, January 22nd, 2018. This notification does not constitute final acceptance. Recommendation for final acceptance will be sent to the City Council for approval at the first available council meeting. Please submit the following items for project closeout:

1. Affidavits of Wages Paid

Upon obtaining receipt of the above items and acceptance I will submit a notice of completion of public works project to obtain the following:

1. Certificate of Release from the Department of Revenue
2. Certificate of Release from the Employment Security Department
3. Certificate of Release from the Department of L&I

It has been a pleasure working with Reece Construction Company on this project. I look forward to working with you in the future.

Sincerely,

A handwritten signature in blue ink that reads "Adam Benton".

Adam Benton
Project Engineer

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: February 12, 2018

AGENDA ITEM:	
State Avenue Corridor Widening Project (100th St. NE to 116th St. NE) - Supplemental Agreement No. 1 with HDR Engineering, Inc. for Engineering Services including Design, Environmental Documentation & Permitting and Right of Way	
PREPARED BY:	DIRECTOR APPROVAL:
Jay Cooke, Project Manager	
DEPARTMENT:	
Public Works / Engineering	
ATTACHMENTS:	
PSA, Supplemental Agreement No. 1	
BUDGET CODE:	AMOUNT:
30500030.563000	\$470,288.53
SUMMARY:	
<p>HDR Engineering, Inc. (HDR) has been providing preliminary engineering services to the City on the corridor widening of State Avenue to 5-lanes. As a requirement of WA State TIB construction funding, HDR completed a Value Engineering (VE) Study for this project which recommended several design changes.</p> <p>The most significant design change revises the original box-culvert structure located at the Quil Ceda Creek crossing to a single-span pile-supported bridge. This proposed design change is expected to save the overall project an estimated \$1.2M in retaining wall structure and soil improvement construction costs, as well as reduce the construction risk across the Quil Ceda Creek. Other VE recommendations and design additions include stormwater facilities, Right-of-way acquisition and survey, addition of a HAWK signal, installation of a Joint Utility Trench, preparation of hazardous materials report and assistance in federal construction project funding.</p> <p>This supplement agreement increases the original agreement compensation by \$470,288.53 to a total of \$2,135,833.62.</p>	

RECOMMENDED ACTION: Staff recommends that Council authorize the Major to sign and execute the attached Supplemental Agreement No. 1 to the original Professional Services Agreement with HDR Engineering, Inc., increasing the contract.

**SUPPLEMENTAL AGREEMENT NO. 1 TO
PROFESSIONAL SERVICES AGREEMENT BETWEEN
CITY OF MARYSVILLE
AND HDR ENGINEERING, INC.**

THIS SUPPLEMENTAL AGREEMENT NO. 1 (“Supplemental Agreement”) is made and entered into as of the date of the last signature below, by and between the City of Marysville, a Washington State municipal corporation (“City”) and HDR Engineering, Inc., a Nebraska corporation (“Consultant”).

WHEREAS, the parties hereto have previously entered into an agreement for the State Ave. Corridor Improvement Project (100th St NE to 116th St NE) consisting of widening the highway to 5-lanes (the “Original Agreement”), said Original Agreement being dated April 11, 2017; and

WHEREAS, both parties desire to supplement the Original Agreement, by expanding the Scope of Services to provide for revising the roadway design crossing of Quil Ceda Creek using an elevated bridge span and other project design related items and to provide compensation therefore;

NOW THEREFORE, in consideration of the terms, conditions, covenants, and performances contained herein or attached and incorporated, and made a part hereof, the parties hereto agree as follows:

1. Exhibit A, as referenced and incorporated in Section 1 of the Original Agreement, “SCOPE OF SERVICES”, shall be amend by Exhibit A-1, attached hereto and by this references made part of this Supplemental Agreement No. 1, and a part of the Original Agreement.

2. Section 3 of the Original Agreement, “COMPENSATION”, is amended to include the additional Consultant fee of \$470,288.53 and shall read as follows: “In no event shall the compensation paid to Consultant under this Agreement exceed \$2,135,833.62 within the term of the Agreement, including extensions, without the written agreement of the Consultant and the City.”

The total compensation payable to the Consultant is summarized as follows:

Original Agreement	\$1,665,545.09
Supplemental Agreement No.1	\$470,288.53
Grand Total	\$2,135,833.62

3. Each and every provision of the Original Agreement for Professional Services dated April 11, 2017, shall remain in full force and effect, except as modified herein.

DATED this _____ day of February, 2018.

CITY OF MARYSVILLE

HDR ENGINEERING, INC.

By _____
Jon Nehring, Mayor

By _____
Paul Ferrier
Its: Vice President

ATTEST/AUTHENTICATED:

_____, Deputy City Clerk

Approved as to form:

Jon Walker, City Attorney

INTRODUCTION

During the term of this PROFESSIONAL SERVICES AGREEMENT (AGREEMENT), HDR Engineering, Inc. (CONSULTANT) shall perform professional services for the City of Marysville (CITY) in connection with the following project: **State Avenue Corridor Improvement Project (100th Street NE to 116th Street NE) (PROJECT)**

This Supplemental Agreement No. 1 authorizes additional work necessary for the successful completion of the PROJECT, described generally as:

- Revising the design of the Quilceda Creek crossing from a box culvert structure to a single-span bridge;
- Adding the design of a HAWK signal;
- Revising the stormwater collection, treatment, and discharge system; and
- Adding the design of a Joint Utility Trench (JUT).

Background Information

The 30% Design efforts and Value Engineering (VE) Study identified certain design alternatives where the overall quality and functionality of the corridor improvements could be improved.

During the development of the 30% Design, geotechnical analysis determined that the existing fill supporting the road section over Quilceda Creek consisted of loosely compacted materials and was underlain by soft, liquefiable soils. The work to stabilize and reinforce the existing soils was determined to be significantly expensive and not consistent with the PROJECT's cost-benefit goals. The Design Team completed the 30% Design of a box-culvert structure in accordance with the scope of services, identified the issue and began exploring other alternative designs. The VE Study confirmed the Design Team's findings and provided additional design recommendations. The Design Team then reviewed the VE Study recommendations and provided three (3) recommendations to the City. It was determined that a single-span bridge was the best value alternative.

The original scope of services included coordination with Community Transit (CT) for locations of transit stops and the identification of need for a High Intensity Activated Crosswalk Beacon (HAWK) pedestrian signal. It was determined that a southbound transit stop should remain located in the vicinity of 106th Street NE and that a HAWK signal should be included to enhance safety for pedestrians crossing State Avenue.

The VE Study recommended certain revisions to the stormwater system including relocating one of the stormwater detention/infiltration ponds and shifting a segment of the storm drain pipe to provide additional clearance from a retaining wall structure near the creek crossing.

The Design Team coordinated with franchise utilities during the 30% Design efforts to place existing overhead communications and power utilities underground, in a joint utility trench (JUT). The discussion included potential options including requiring the utility companies would accomplish this work ahead of the PROJECT and including the JUT as part of the State Avenue reconstruction contract. The VE Study included evaluation

of the options in its review. The VE Study recommendations supported the alternative incorporating the construction of the JUT (installation of conduits) in the State Avenue reconstruction contract. The original design scope of services assumed that the utility companies would perform this work prior to the road construction.

Scope of Work

This supplemental scope of work includes additional design and revisions to existing roadway design, geotechnical testing and evaluation, subsurface utility exploration, PS&E development, traffic engineering and analysis, surface water design, retaining wall and bridge design, utility coordination and design, permitting, right of way acquisition, environmental review and documentation, critical area delineation, stream and wetland mitigation, cultural resources review, grant application assistance, and Council reports/updates.

Major Milestone Schedule Revisions

The following are major schedule milestones for the project:

Preliminary Design.....	August 2017 - Completed
30% Design.....	October 2017 - Completed
JARPA/SEPÀ Submittal.....	October 2017 - Completed
60% Design.....	April 2018
90% Design.....	August 2018
ROW Acquisition Complete.....	August 2018
Ad-Ready.....	December 2018
Bidding Phase.....	February 2019

Project Assumptions

General Assumptions

1. The General Assumptions remain unchanged except that the CITY has designated Jay Cooke, PE as the CITY's Project Manager.

Design Standards and References

- 1) The PROJECT Design Standards and References remain unchanged from the original scope of services, except as follows. State Publications
 - a) 2018 Standard Specifications for Road, Bridge, and Municipal Construction (M 41-10)

Project Tasks

The CONSULTANT shall manage the work as described within the following major Work Elements:

TASK 1. PROJECT MANAGEMENT & ADMINISTRATION

This task will be continuous throughout the project duration, which is assumed to be 24 months. The additional work includes the work to update the scope, schedule and budget, and subconsultant agreements; additional project coordination with the CONSULTANT staff and SUBCONSULTANTS; and management of the changes to the project scope, schedule and budget. Components of this work including planning the Project, executing the Project, managing change, and closing the Project, include:

1.1. Project FTP Site, Project Set up, Management Plan, HASP

The CONSULTANT shall revise and update the Project scope and budget, project accounting and project management records to include the additional work of this Supplemental Agreement No.1.

1.3. Project Schedule

The CONSULTANT shall revise the Project Schedule to include the additional work authorized by this Supplemental Agreement No.1. A Project schedule shall be developed by the CONSULTANT to establish Baseline Start and Baseline Finish dates for tasks and deliverables under this AGREEMENT, and shall be submitted to the CITY for review and approval, prior to commencement of any work under this AGREEMENT. The project schedule shall be developed using Microsoft Project software, and shall show a critical path leading to the project major milestone dates. The schedule for this project shall be updated bi-monthly and submitted to the CITY. The updated schedule will show Baseline, Actual and/or Projected Start and Finish dates that reflect the actual progress of the project.

1.7. Project Team Management

The CONSULTANT project manage shall oversee and manage the work authorized by this Supplemental Agreement No.1.

Assumptions:

- The Revised Project Schedule shall become the Revised Baseline Schedule.

Deliverable(s):

- Draft and Final Revised Baseline Schedule

TASK 2. CLIENT COMMUNICATIONS AND COORDINATION

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 3. QUALITY ASSURANCE/QUALITY CONTROL

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 4. DATA COLLECTION/REVIEW OF EXISTING INFORMATION

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 5. SURVEY AND MAPPING

The purpose of this task is to provide additional support to revise certain legal descriptions and provide preliminary location survey staking to aid in right-of-way negotiations.

5.4 Right-of-Way and Parcel Resolution, Easements, Exhibits, and Legal Descriptions

CONSULTANT will resolve adjacent parcel boundaries for up to three parcels within the project area.

It is estimated that three Title Reports will be needed to determine parcel boundaries and potential right of way acquisition areas, easements and permits. This task also includes the development and delivery of up to 9 Exhibits and Legal Descriptions in support of ROW acquisition or new easement requirements.

This task also includes the modification of two parcel's proposed acquisitions and easements.

Assumptions:

- The assumptions as defined in the original scope of services remain unchanged except as noted herein.
- Up to a maximum of 9 Exhibits and Legal Descriptions will require preparation or revision. Legal descriptions and Right-of-way Exhibits currently prepared using metes & bounds are sufficient and not anticipated to be revised to reference highway engineering stations. Revision of legal descriptions and exhibits is considered to be extra work not included in this supplement.

Deliverable(s):

- Revised Legal Descriptions and Exhibits.

TASK 6. GEOTECHNICAL ENGINEERING

CONSULTANT will provide additional geotechnical engineering services needed to support the decision to change the design of the creek crossing from a culvert type structure to a single-span bridge structure and the

development of contract documents for the construction of improvements associated with the project. CONSULTANT services include:

6.2 Subsurface Explorations and Laboratory Testing:

With the decision to change the Quilceda Creek crossing alternative from a box-culvert structure to a single-span bridge, the CONSULTANT will perform additional subsurface explorations, laboratory testing, and geotechnical engineering analyses for the project.

Conduct Subsurface Explorations: CONSULTANT will conduct 2 additional borings at the proposed bridge abutment locations, to assess the subsurface soil and groundwater conditions. The borings will be drilled using hollow-stem or mud rotary drilling methods from a truck mounted or low overhead access drill rig. Preliminary subsurface locations and depths include:

- Two borings up to 200 feet deep at the north and south bridge abutment locations.

In-situ testing using a Standard Penetration Test (SPT) will occur at 5 foot intervals from a depth of approximately 30 feet to the bottom of the hole. SPT samples will be collected and returned to the CONSULTANT geotechnical laboratory for testing. The CONSULTANT will install a 2-inch diameter groundwater monitoring well in one boring to measure groundwater level at the site. Groundwater level measurements will be used to evaluate deep groundwater levels to assess deep foundation constructability.

Groundwater instrumentation (transducers) will be installed in each well to measure the groundwater fluctuations over time. We will visit the site one time to collect the recorded groundwater data.

CONSULTANT will observe the geotechnical explorations and prepare summary logs. It is estimated that it will take about 7 days to complete the two borings and perform the well installation.

CONSULTANT will perform geotechnical laboratory testing on select soil samples in accordance with ASTM International standards. Anticipated geotechnical laboratory testing includes visual classification, moisture content determination, grain size analyses, and Atterberg Limits.

6.3 Geotechnical Design Services:

CONSULTANT will develop geotechnical recommendations for the design and construction of the proposed bridge structure alternative. Anticipated geotechnical design services include the following:

Soil Properties: CONSULTANT will generate estimates of the soil strength and other properties needed to evaluate the effects that the subsurface conditions will have on the proposed improvements.

Seismic Design Parameters and Geologic-Hazard Assessment: CONSULTANT will determine the Site Class for seismic design and the design spectral acceleration parameters in accordance with the AASHTO Specifications for Road and Bridge. CONSULTANT will also evaluate the risk of geologic hazards at the site during the design-level ground motion, including liquefaction, lateral spreading, and fault rupture.

Bridge Design Recommendations: CONSULTANT will provide geotechnical recommendations for designing a single-span, pile-supported bridge structure as a replacement for the existing culvert. Recommendations will include deep foundation axial resistance evaluation for up to 3 foundation types/sizes, soil parameters for foundation lateral resistance analysis, and foundation settlement. In addition, global stability analyses will be performed for abutment walls and recommendations will be provided for lateral earth pressure and stability improvement, as needed. Geotechnical analyses and recommendations will incorporate applicable static and seismic design requirements in accordance with the WSDOT GDM.

Quality Assurance/Quality Control (QA/QC): CONSULTANT will have the design calculations, recommendations, and reports reviewed in accordance with its QA/QC plan.

Draft Geotechnical Engineering Report: CONSULTANT will prepare an addendum to the draft geotechnical engineering report for the project. The addendum will contain the results of the additional subsurface exploration program, including logs, laboratory test results, and a description of the subsurface conditions; a site plan showing exploration locations and other pertinent features; and geotechnical engineering recommendations for the design and construction of the proposed bridge improvements.

Final Geotechnical Engineering Report: CONSULTANT will include the additional geotechnical engineering information, relative to the bridge structure in the final geotechnical engineering report.

Plan and Specification Review: CONSULTANT will conduct a review of the project plans at the 60% and 100% milestone submittals to ensure that the additional geotechnical aspects of the project have been incorporated into the project documents.

Assumption(s):

- The assumptions outlined in the original scope of services remain unchanged.

Deliverable(s):

- Addendum to the Draft Geotechnical Engineering Report (Electronic copy as Adobe PDF)

TASK 7. WATERMAIN & SANITARY SEWER DESIGN

The objective of this task is to prepare the design for the replacement of the existing ACP watermain with a new ductile iron water main the length of the project, and replace the adverse-grade sanitary sewer main at the south end of the project corridor, near the Quilceda Creek crossing. The design efforts will include temporary bypass watermain and sanitary sewer pipes to facilitate the construction of the Quilceda Creek crossing embankment.

7.2 60% Submittal

The CONSULTANT will make design adjustments as necessary to align and support the watermain and sanitary sewer lines across the bridge structure at the Quilceda Creek crossing.

Deliverable(s):

- Inclusion of design changes into the 60% Watermain and Sanitary Sewer Pipe Replacement Plans (incorporated into the overall 60% plans submittal)

7.3 90% Submittal

The CONSULTANT will make design adjustments as necessary to align and support the watermain and sanitary sewer lines across the bridge structure at the Quilceda Creek crossing.

Deliverable(s):

- Inclusion of design changes into the 90% Watermain and Sanitary Sewer Pipe Replacement Plans (incorporated into the overall 90% plans submittal).

TASK 8. TRAFFIC ANALYSIS

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 9. PRELIMINARY ENGINEERING

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 10. 30% DESIGN

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 11. VALUE ENGINEERING (VE) STUDY

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 12. ENVIRONMENTAL DOCUMENTATION & PERMITTING

The purpose of this task is to provide additional environmental and documentation services needed to support the decision to change the design of the creek crossing from a culvert type structure to a single-span bridge structure and the potential relocation of stormwater detention facilities.

12.2 SEPA/Permitting Stakeholder Meetings and Agency Coordination

The CONSULTANT will organize and conduct up to one project overview and site visit meeting with agency permitting staff to review proposed change in the design of the creek crossing. Attendees may include staff from the Corps, WDFW, CITY planning, and representatives from tribal interests.

12.5 Cultural Resources Assessment

The CONSULTANT, utilizing a SUBCONSULTANT, will prepare an addendum to the Cultural Resources Assessment to address two potential locations of a stormwater pond, either just south of Furniture World to the parcel just north of the store. The SUBCONSULTANT will conduct the following tasks:

- Conduct an Archaeological field survey will be completed in one day at the proposed stormwater detention pond sites:
 - Field mobilization efforts will include: 1) communication with appropriate tribes, 2) arranging a utilities' locate, and 3) completing job-specific safety forms. The Tulalip Tribes and the Stillaguamish Tribe of Indians will be contacted about the project to solicit any additional concerns about heritage resources and to inform them when field investigations will take place. A utilities locate will be arranged by SWCA prior to archaeological field work, pursuant to RCW 19.122 "Underground Utilities," which requires notification to the State Public Works Office at least 3 days before digging but no more than 10 days before digging. Note that delays in utility flagging have the potential to delay the project.
 - At the discretion of the Project Archaeologist up to 10 shovel probes will be excavated in accessible portions of the project area that have not undergone significant modern disturbance. Any artifacts will be described, photographed, returned to the probe of origin, and reburied. Notes about content and sediments encountered will be recorded on standard forms. All shovel probes will be recorded with a GPS. The survey will verify field conditions and identify historic properties. An important part of the fieldwork will be to document historic and modern disturbance and to document the specific locations of any newly discovered cultural resources.
- Conduct an Architectural History Survey: Review databases for historical buildings adjacent to proposed stormwater detention pond sites. If historical buildings are present that were not previously documented, record and photograph all buildings and structures constructed within or adjacent to the project area prior to 1967, or older than 50 years in age.
- Prepare an addendum letter addressing cultural resources findings for the proposed stormwater detention pond sites. This letter will be submitted to the USACE as a supplement to the SWCA Cultural Resources Assessment that was submitted to the USACE under the original scope of work.

Assumption(s):

- CITY will ensure access to the stormwater detention pond sites, including the exterior of any historical buildings to be recorded even if they are on private property.
- No archaeological resources are present within the project area. Discovery of an archaeological site during survey may require additional work beyond the present scope and budget to establish boundaries, evaluate significance, and arrive at appropriate assessments of adverse effects and treatment measures.
- Up to one day of field time for archaeological monitoring of geotechnical investigations.

- Monitoring of additional geotechnical investigations is not included in this task.

Deliverable(s):

- Draft and Final Cultural Resources Assessment Addendum Letter

12.6 Endangered Species Act Compliance – Biological Assessment Update

The Consultant will revise the Biological Assessment (BA) to evaluate the changes in design of the creek crossing and stormwater detention facilities in terms of its potential impacts to any species listed or proposed for listing as threatened or endangered under Section 7 of the Endangered Species Act (ESA).

The BA will be updated by a WSDOT certified author (to cover any potential future NEPA process) and include detailed descriptions of all project activities, status and occurrence of listed species in project area, direct and indirect effects to all listed species and critical habitat, and conservation measures. The BA will include an updated effects determination for each listed species and critical habitat. An update of Essential Fish Habitat (EFH) will be completed as part of the BA and will also include an effects determination.

12.7 Critical Area Report Update

The Critical Area Report that was being drafted under the original scope of work will be updated to address change in design of the creek crossing.

12.8 Hazardous Materials

CONSULTANT's hazardous materials regulatory agency database review completed under the original scope of work identified several sites of concern are located within or near the Project Area, which may have impacted the soil and groundwater within the Project Area:

- Texaco Station 120445, 10210 Old Hwy 99
- Ed's Transmission (SOC #7), 10228 Smokey Point Boulevard
- Universal Fleet Serv (SOC #6), 10219 State Avenue
- Marysville Shell and Food Court (SOC #2), 11601 State Avenue
- 7-Eleven (SOC #9), 10013A Shoultes Road

Based on the identification of sites of concern, as well as the potential for additional sites of concern to be identified through review of historical sources, site reconnaissance, and interviews with property owners, HDR would prepare a full Hazardous Materials Analysis (HMA) Report for the Project Area. The HMA Report would be prepared in accordance with the WSDOT Local Agency Guidelines (LAG) for Hazardous Materials Analysis Reports.

12.11 Permit Support

The CONSULTANT will revise and resubmit the Joint Aquatic Resource Protection Application (JARPA) and JARPA specific graphics to the US Army Corps of Engineers to reflect change in design of the creek crossing.

CITY Responsibilities:

- The City responsibilities outlined in the original scope of services remain unchanged.

Assumption(s):

- The assumptions outlined in the original scope of services remain unchanged.

Deliverable(s):

- Revised Draft and Final Biological Assessment.
- Revised Draft and Final JARPA for Corps/Ecology.
- Draft and Final Hazardous Materials Analysis (HMA) Report

12.12 NEPA Documentation and Approval

The CONSULTANT shall complete appropriate NEPA documentation based on the studies and analysis provided above. The CONSULTANT shall complete NEPA environmental documentation in accordance with Chapter 24 of the LAG Manual and other appropriate WSDOT and/or FHWA guidance documents. The Local Agency Environmental Classification Summary form (ECS) is the assumed NEPA document for a Documented Categorical Exclusion (DCE). The CONSULTANT shall prepare the Environmental Classification Summary Form to satisfy NEPA requirements following the format and procedures specified in the WSDOT Environmental Procedures Manual and Local Agency Guidelines. The CONSULTANT shall coordinate with the WSDOT Highways and Local Programs Area Engineer during document preparation and review cycle. The CONSULTANT shall coordinate with WSDOT to address comments on the ECS. The CONSULTANT presently anticipates a NEPA DCE.

Assumption(s):

- NEPA documentation is assumed to be a DCE, and the preparation of an environmental assessment (EA) or environmental impact statement (EIS) is not included in this scope of work.
- Document preparation will begin upon the selection of a preferred alternative.
- The project will be processed by WSDOT and FHWA as a DCE.
- Reports prepared by HDR and others under Task 6 – Geotechnical Engineering - and Task 12 – Environmental Documentation and Permitting - in the original scope of work and as updated in Supplemental Agreement No. 1 will provide sufficient information to address project effects in applicable sections of Parts 4 and 5 of the ECS.
- CITY revisions and WSDOT comments on the ECS are minor edits and do not require additional technical analysis.

Deliverables:

- Draft and Final NEPA ECS (electronic)

12.13 Noise Memorandum

A qualitative noise assessment shall be prepared to support the ECS. The Consultant shall conduct a noise study to meet the requirements of the Federal Highway Administration (FHWA). A noise assessment and

technical memorandum will be prepared to document existing and project-related noise levels in the study area.

The Consultant shall monitor noise levels at a maximum of 4 (4) locations to use in validation of the noise model and documentation of existing noise levels. In locations where other sources dominate, a description of the contributing sources will be provided. Photographs of microphone placement will be taken at each monitoring location.

The Consultant shall prepare a draft Noise Qualitative Memorandum to document existing conditions, current regulations, and explain why more detailed noise modeling is not warranted for this project

Assumption(s):

- One City and one WSDOT review and comment response cycle is anticipated.
- WSDOT will concur with this methodology. If they request noise modeling, it will require a scope and budget amendment.

Deliverables:

- Draft and Final Noise Qualitative Memorandum (electronic)

12.14 Air Quality Qualitative Memorandum

A qualitative air quality memorandum is proposed to support the ECS. The memorandum will document the existing conditions, regulations, and explain why the EPA Moves model is not warranted. No modeling is proposed since the area is considered to be in attainment.

Assumption(s):

- One City and one WSDOT review and comment response cycle is anticipated.
- WSDOT will concur with this methodology. If they request air quality modeling, it will require a scope and budget amendment.

Deliverables:

- Draft and Final Air Quality Qualitative Memorandum (electronic)

12.15 Visual Quality Technical Memorandum

The purpose of this memorandum is to document the visual effects of the project to support the ECS. The CONSULTANT shall complete a visual impacts analysis addressing the potential visual impacts of the project. The analysis will be completed per the requirements of Chapter 459 of the EPM. This analysis will evaluate potential visual impacts, including aesthetics, light, glare, and night sky impacts. The analysis will document the baseline visual conditions and evaluate the potential effects of the proposed project on potential viewers of the project. The project team will choose viewpoints in consultation with City staff, existing maps, aerial photos, GIS data, and photos of the project areas. Up to 3 viewpoints will be used for the analysis that will represent the visual environment of the project area. A map will be included showing the viewpoints, view

directions, and visible areas of these three viewpoints. A photo simulation will be developed for each viewpoint to show how the constructed project may appear from the viewpoints.

Assumption(s):

- One City and concurrent WSDOT review and comment response cycle is anticipated
- The City will participate in the determination of appropriate viewpoints.
- Up to 3 viewpoints will be chosen.
- Visual simulations may be sketches, renderings, or photos.

Deliverables:

- Draft and Final Visual Quality/Aesthetics Technical Memorandum (electronic)

TASK 13. FINAL DESIGN - PS&E

The CONSULTANT shall follow the guidelines set forth in the CITY's Design Standards and Plans Preparation Manual when preparing the 60%, 90%, and Ad-Ready plans, specifications, and estimate.

Assumption(s):

- The additional efforts outlined in this task description are necessary for the successful completion of the project and are a result of the decision to replace the culvert crossing of Quilceda Creek with a single-span bridge structure.
- The level of effort and fee estimate for this task is based on the number of sheets for each discipline as shown in the sheet list provided. The sheet list was prepared based on CONSULTANT's current knowledge of the project scope and anticipated work elements.
- CONSULTANT shall consult with the CITY prior to developing any sheets if the actual number of required sheets varies from the original sheet count estimate. If the CITY and CONSULTANT concur that total number of sheets required to detail the project exceeds the original estimate, the budget for this task may be amended.

13.3 Typical Roadway Sections

Additional roadway sections will be developed for State Avenue denoting roadway widths, right-of-way widths, sidewalks, medians, landscaping, pavement design, wall locations, and traffic lanes at the bridge location.

13.10 Drainage System Plans & Details

CONSULTANT will revise gravity drainage design and stormwater ponds to implement the accepted recommendations from the VE Study.

13.12 Fish Passage Bridge Design and Details

The CONSULTANT will revise and develop the design the fish passage structure to a single-span bridge structure meeting the structural requirements of AASHTO LRFD. The size of the single-span bridge is assumed to be 66' in width and 130' in length. CONSULTANT will design plan, profile, and detail sheets including the design parameters and construction sequencing.

The CONSULTANT will prepare plans, sections and details for the bridge, and upstream and downstream grading where required to match the existing channel. The plans will include typical sections of the channel within the reach, the depth and placement of the streambed material within the reach.

13.12.1 Structures Technical Memorandum

A brief Bridge Structure Memorandum that documents the justification for the preferred alternative determined by the CITY in coordination with the CONSULTANT shall also be prepared and submitted. The considerations listed below shall be addressed in the Report where applicable and the Report shall discuss how these factors led to the preferred alternative and show how the constraints eliminated or supported the alternatives.

- Aesthetics
- Cost Estimates
- Right-of-way Impacts
- Geometric Constraints
- Project Staging and Stage Construction Requirements (if applicable)
- Traffic Impacts and Public Access During Construction
- Utility Coordination
- Feasibility of Construction
- Structural and Foundation Constraints
- Long-term Structure Maintenance
- Environmental Compliance with Fish Windows

13.13 Pavement Marking

CONSULTANT will include the design of additional pavement markings in the plans and details for the HAWK pedestrian signal.

13.14 Signing Plans, Schedules & Details

CONSULTANT will include the design of additional signage in the signing plans for the HAWK pedestrian signal.

13.15 Signals, Illumination, & ITS

CONSULTANT will prepare the design and signal modification plans, and details showing the proposed location for the HAWK pedestrian signal equipment, electrical hardware, and wiring diagrams. The proposed location of the HAWK signal is generally identified as near the State Avenue/106th Street NE intersection.

CONSULTANT will revise the illumination improvement design to incorporate the HAWK signal and provide appropriate light levels for a pedestrian crossing.

13.18 Utility Design and Concrete Panel Potholing

CONSULTANT will design and detail the location, alignment and cross-section of a joint utility trench (JUT) for relocation of overhead communications and power facilities to underground. Installation of the JUT and casing conduit will become a part of the road improvement project, as a result of acceptance of certain VE Study recommendations. Individual franchise utility providers will be responsible for coordinating with the roadway improvement project and relocating their facilities. One additional conduit for future use shall be included in the City's illumination trench.

Deliverable(s):

- JUT Utility Plans to support utility relocation by others

13.19 60% Submittal

The CONSULTANT will use the 30% design plans and progress to the 60% design and plan level. The CONSULTANT will take into consideration the 30% design review comments from the CITY and VE Study while advancing to the 60% level.

13.19.1 60% Plans

The CONSULTANT will further develop the 30% plans to a 60% plan level including the sheets listed in the following table.

The anticipated sheet list for final design includes:

60%, 90%, 100% & Ad-Ready Submittal Sheet List

Sheet Description	60%	90%	100%
Cover Sheet with Vicinity Map and Index	1	1	1
Legend, General Notes, Abbreviations, and Project Key map	2	2	2
Roadway Typical Sections	6	6	6
Alignment, Profile, and ROW Plans	19	19	19
Site Preparation & TESC Plans	12	13	13
TESC Notes	1	1	1
TESC Details	2	2	2
Temporary Access Road Plans	2	2	2
Paving Plans	12	12	12
Paving Details	2	4	4
Intersection & Curb Ramp Grading Details	6	6	6
Drainage Plans and Profiles	14	14	14
Drainage Details	2	4	4
Retaining Wall Notes & Sequencing Plan	1	1	1
Retaining Wall Plan and Profiles	5	5	5
Retaining Wall Details	2	4	4
Bridge Plans	20	27	27
Stream Restoration Details	2	2	2
Pavement Marking & Signing Plans	12	12	12
Pavement Marking Details	1	1	1
Signing Schedule & Details	1	2	2
Signals, Illumination & ITS Plans	17	17	17
Signal Details (3 Intersections)	4	4	4
Illumination Schedule & Details	2	2	2
Landscaping and Irrigation Plans	6	6	6
Landscaping Details	-	2	2
Irrigation Details	-	1	1
Utility Plans and Profiles	20	20	20
Utility Details	6	6	6
Staging and Traffic Control Sequencing Notes	1	1	1
Staging and Traffic Control Plans	2	2	2
Total # Sheets	183	201	201

13.19.2 60% Specifications

The 60% Specifications shall include the additional design considerations associated with the bridge structure, HAWK pedestrian signal, stormwater system changes, and joint utility trench.

13.19.3 60% Engineer's Opinion of Cost

The 60% Engineer's Opinion of Cost shall include the additional design considerations associated with the bridge structure, HAWK pedestrian signal, stormwater system changes, and joint utility trench.

13.20 90% Submittal

The CONSULTANT will use the 60% design plans and progress to the 90% design and plan level. The CONSULTANT will take into consideration the 60% design review comments from the CITY while advancing to the 90% level.

13.20.1 90% Plans

The CONSULTANT will further develop the 60% plans to a 90% plan level including the sheets listed in the previous table.

13.20.2 90% Specifications

The CONSULTANT will update the specifications with any new or additional special provisions from the advancement of design and incorporation of CITY comments. The CONSULTANT shall run the "run-list" prior to submittal.

13.20.3 90% Engineer's Opinion of Cost

CONSULTANT's Engineer's Estimate shall develop an opinion of cost and document the estimate with backup quantity calculations. Backup calculations (including quantity takeoff sheets), showing assumptions made in determining quantities for each bid item, shall be made available upon request. Backup calculations shall specifically include items measured by the appropriate unit. The Engineer's Estimate will include an itemized list in tabular form, describing; section, item, and number of units (quantity), estimated unit costs, and total cost, with the understanding that any cost opinion or Engineer's Estimate provided by the CONSULTANT will be on the basis of experience and judgment. The estimate shall be prepared using standard unit costs and lump sum prices. Ott- Sakai subconsultants will provide recommendations for unit costs and of estimate items. The 90% opinion of probably cost shall include contingencies for elements not yet fully defined. The "Bid Proposal" within the boilerplate specifications shall be prepared from this information by the CONSULTANT.

13.21 Ad-Ready Submittal

CONSULTANT will use the 90% design plans and progress to the Ad-Ready design and plan level. The CONSULTANT will take into consideration the 90% design review comments from the CITY while advancing to the Ad-Ready level.

TASK 14. CONSTRUCTABILITY ANALYSIS/MOCK BID EXERCISE

This Supplemental Agreement No. 1 makes no changes to this Task.

TASK 15. REAL ESTATE SERVICES

The objective of this task is to provide assistance to the CITY in acquiring the necessary right-of-way, permanent easements and temporary construction easements to construct the roadway and utility improvements.

CONSULTANT will provide the following additional work:

15.2 Property Descriptions and Valuations. Manage the preparation of a PFE, AOS reports, Appraisals for up to thirty-eight (38) parcels.

1. Review and quality control (QC) legal descriptions, exhibits, and right-of-way plans revised by Survey Subconsultant (1-Alliance) for the transfer of the property rights needed for construction, including fee interests, permanent and temporary easements, for use by the right of way acquisition team. These revisions are required due to the changes in scope necessary from the outcome of the 30% Design Review and VE Study recommendations.
2. Revise appraisals previously accomplished to reflect the changes in stormwater facilities.

15.3 Right-of-Way Acquisitions and Negotiations.

1. Provide coordination with WSDOT Real Estate and Highways & Local Programs through conference calls and attendance at in-progress meetings held at the City of Marysville.
2. Prepare right-of-way acquisition documents and conduct negotiations as detailed in the original scope of services for one (1) additional parcel.

CITY Responsibilities:

1. CITY responsibilities remain unchanged from the original scope.

Assumption(s):

1. Assumptions remain unchanged from the original scope of services, except as defined herein.
2. Up to a maximum of 9 Exhibits and Legal Descriptions will require preparation or revision.
3. Right-of-way plans, legal descriptions and Right-of-way Exhibits currently prepared using metes & bounds are sufficient and not anticipated to be revised to reference highway engineering stations. Revision of legal descriptions and exhibits is considered to be extra work not included in this supplement.

Deliverable(s):

1. Revised Appraisal Reports, Appraisal QC Checklists, and Appraisal Reviews for parcels impacted by the change in location for the stormwater facilities.
2. Appraisal Report and Appraisal Review for the additional parcel.

TASK 16. FUNDING SUPPORT

This Supplemental Agreement No. 1 provides for the additional effort to develop an overall funding strategy and implementation plan that includes state and federal grant funding sources and opportunities.

CONSULTANT will:

- In coordination with the City, develop an overall project funding strategy to include local, state and federal funding sources;
- prepare a strategic funding plan outlining the likely sources, grant opportunities and funding cycles;
- attend up to two (2) meetings with Puget Sound Regional Council (PSRC) for the purposes of promoting the PROJECT;
- prepare up to two (2) federal funding grant applications (1-Draft and 1-Final for each application);
- provide ongoing coordination with WSDOT Highways & Local Programs, Snohomish County Coordinating Committee, PSRC and the CITY through the application process and project development.

TASK 17. BIDDING PHASE ASSISTANCE

This Supplemental Agreement No. 1 makes no changes to this Task.

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: February 12, 2018

AGENDA ITEM:	
Authorizing an increase in hours for the Computer Support Technician from .75 FTE to a full FTE.	
PREPARED BY:	DIRECTOR APPROVAL:
Worth Norton	
DEPARTMENT:	
Finance / Information Services	
ATTACHMENTS:	
None	
BUDGET CODE:	AMOUNT:
50300090	16,965.00
SUMMARY:	

Currently the Information Services department has a vacant .75 FTE computer support position. This position became vacant on January 19, 2018.

There is a significant need for additional hours in the Information Services department to help reduce overtime and improve customer service. By increasing this position’s hours to full time, Information Services will be able to help reduce a backlog of support tickets and entice a greater pool of applicants to fill the vacant position.

As this position is currently a .75 FTE, most benefits are already being paid so the increased cost is primarily salary and taxes.

RECOMMENDED ACTION:
 City staff recommends that the City Council authorize the increase in hours for the Information Services Computer Technician from a .75 FTE to a full FTE.

**City of Marysville
JOB DESCRIPTION**

Job Title:	Computer Support Technician
Department/Division:	Finance Department / Information Services
Reports To:	Information Services Manager
FLSA Status	non-exempt
Union Status:	non-union
Approval/Revision Date:	February 2018

POSITION SUMMARY:

This position provides technical help desk assistance to desktop computers users and performs routine maintenance to computer systems. Positions in this class perform a variety of routine technical support tasks for users of personal computer hardware, software, peripheral devices, VoIP phones, and cell phones.

The work performed by this class is routine and repetitive, and while incumbents may operate independently, supervision or guidance is readily available, their work may be reviewed frequently, and decisions are generally limited to minor changes in routine.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Other duties may be assigned as needed.

1. Responsible for help desk functions including expediting requests to the appropriate IT personnel and tracking help desk requests.
2. Troubleshoot problems with desktop computer systems, software applications, and peripheral devices; make needed repairs and adjustments.
3. Install and set-up new desktop computer systems, software applications, PC peripheral devices.
4. Assist with routine maintenance on city websites including SharePoint.
5. Perform preventive maintenance on desktop computer systems and peripheral devices.
6. Maintain inventories of software, computers and phones.
7. Perform basic user account administration, such as password resets.
8. Administer and deploy VoIP and wireless phones.
9. Train users on basic PC software, email, and phone systems.

KNOWLEDGE, SKILLS AND ABILITIES:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Knowledge of:

- Operations of a variety of desktop computer systems, software applications, and peripheral devices.
- Basic phone and data wiring including general knowledge of LAN operations.
- Intermediate to advanced use of all Microsoft Office products.
- SharePoint, HTML, web site design and graphics.

Ability to:

- Diagnose problems with desktop computer systems, software applications, peripheral devices, and phones and identify and implement effective solutions.
- Provide excellent customer service under sometimes stressful situations.
- Communicate effectively, orally and in writing.
- Prioritize projects and requests for assistance and work on multiple projects in the same timeframe.
- Establish and maintain effective working relationships with city staff, city officials, the public and other agencies.
- Maintain confidentiality of business records and other information.

QUALIFICATIONS:

A combination of the experience, education, and training listed below which provides an equivalent background to perform the work of this position.

Experience:

- Two years of experience installing and/or maintaining Windows workstations and supporting users on PC software.
- Web site design experience desirable.
- Two years of customer service experience providing services by phone and in person.

Education and Training:

- High school diploma or GED is required.
- Associate of technical arts degree in computer information is desired.

Licenses or Certificates:

- A+ certification or Microsoft coursework is desired.
- Possession of, or ability to possess within one month of hire date, a Washington State driver's license is required.

Other:

- Must be able to pass an extensive fingerprint background check.

PHYSICAL DEMANDS / WORKING CONDITIONS:

The physical demands and characteristics of the work environment described here are representative of those occurring in the performance of the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the essential functions of this job, the employee is frequently required to stand; walk; sit; use hands to finger, handle, or feel objects, tools, or controls; and talk

or hear. The employee is occasionally required to reach with hands and arms and stoop, kneel, crouch, or crawl. The employee must frequently lift up to 10 pounds; occasionally lift 10 to 20 pounds; and rarely lift and/or move 20 to 50 pounds (employee may ask for assistance).

Specific vision abilities required by this job include close vision, color vision, distance vision, peripheral vision, depth perception, and the ability to adjust focus. While performing the duties of this job, the employee is occasionally exposed to toxic or caustic chemicals, i.e. copier toner.

This position works in an office, and the noise level in the work environment is usually low to moderate.

This position works a regular schedule; however, incumbents may be required to work some holiday, evening and/or weekend hours to respond to emergencies and/or to implement specific projects.

This position description generally describes the principle functions of the position and the level of knowledge and skills typically required. It does not constitute an employment agreement between the employer and employee, and it is subject to change as the needs of the employer and the requirements of the job change.

CITY OF MARYSVILLE AGENDA BILL
EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: 2/12/18

AGENDA ITEM:	
City Commemorative Naming Policy Recommendation	
PREPARED BY:	DIRECTOR APPROVAL:
Jim Ballew and Jon Walker	
DEPARTMENT:	
Parks, Culture and Recreation	
ATTACHMENTS:	
Recommended Policy- Resolution - Ordinance	
BUDGET CODE:	AMOUNT:
SUMMARY:	

The Marysville Parks, Culture and Recreation Advisory Board has assisted in the development of a Commemorative Naming Policy for City Council review. The Board reviewed examples from several public jurisdictions and has created a draft document for review and implementation if the City Council approves.

The Policy provides definitions, responsibilities and procedures regarding a process to determine naming of public facilities in the future.

<p>RECOMMENDED ACTION: Staff recommends the City Council consider implementation of the Commemorative Naming Policy as recommended by the Parks, Culture and Recreation Advisory Board.</p>
--

CITY OF MARYSVILLE
Marysville, Washington

ORDINANCE NO. _____

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MARYSVILLE,
WASHINGTON, ADDING A SECTION TO CHAPTER 6.82 OF THE
MUNICIPAL CODE ADDRESSING NAMING PARKS AND PARK PROPERTY.**

WHEREAS, city parks and park property are an important public resource; and

WHEREAS, park names reflect the community’s values and priorities; and

WHEREAS, formally vesting the authority to name parks and park property in the city council will ensure that the community’s wishes are represented when parks are named; and

WHEREAS, the city council may set standards for naming parks or delegate its authority to name parks by resolution.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MARYSVILLE,
WASHINGTON, DO ORDAIN AS FOLLOWS:

SECTION 1. A new section is added to the municipal code as set forth in Exhibit A.

SECTION 2. Severability. If any section, subsection, sentence, clause, phrase or word of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality thereof shall not affect the validity or constitutionality of any other section, subsection, sentence, clause, phrase or word of this ordinance.

SECTION 3. Effective Date. This ordinance shall become effective five days after the date of its publication by summary.

PASSED by the City Council and APPROVED by the Mayor this _____ day of _____, 20_____.

CITY OF MARYSVILLE

By _____
JON NEHRING, MAYOR

Attest:

By _____,
DEPUTY CITY CLERK

Approved as to form:

CITY OF MARYSVILLE
Marysville, Washington

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARYSVILLE,
WASHINGTON, ADOPTING A POLICY FOR COMMEMORATIVE NAMING
OF PARKS AND PARK PROPERTY.**

WHEREAS, the Parks, Culture, and Recreation Advisory Board has studied practices for commemorative naming of parks and park property and voted to approve a policy for the city council’s consideration; and

WHEREAS, the city council finds that adopting a policy delineating definitions, responsibilities, and procedures for the commemorative naming process is in the public interest; and

WHEREAS, the policy recommended by the Parks, Culture, and Recreation Advisory Board should be adopted as the city’s policy.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MARYSVILLE that the attached commemorative naming policy is adopted to guide decisions regarding naming Marysville’s parks.

ADOPTED by the City Council at an open public meeting this _____ day of _____, 20____.

CITY OF MARYSVILLE

JON WALKER, CITY ATTORNEY

City of Marysville Commemorative Naming Policy for City Parks and Park Property

Commemorative naming refers to the naming of a property in recognition of geographic, cultural, natural and/or geological features or in honor of outstanding achievement, distinctive service, or significant community contribution, generally without financial consideration. Naming rights refers to the granting by the owner the right to name a piece of property or portions of a property usually granted in exchange for financial consideration.

This policy is intended to cover commemorative naming. A companion policy regarding naming rights, once developed and approved, will address requests to name park and recreation facilities in exchange for financial consideration.

The City of Marysville finds that it is in the best interest of the community to develop a formal process for requests to commemoratively name parks and recreation facilities, including designated features or elements within a park or facility. The City deems it desirable, and in the public interest, to establish a set of guidelines and procedures for the selection of names for parks and recreational facilities. It is a function of the Marysville Parks, Culture and Recreation Advisory Board to make recommendations to the City Council about the naming of parks, trails, open spaces, recreation areas or other facilities.

The purpose of this policy is to provide a systematic and consistent approach when considering commemorative naming proposals for parks, facilities, and related features with park and recreation areas. It addresses as-yet unnamed parks and recreation facilities as well as renaming of existing parks and recreation facilities under certain limited circumstances.

1.0 POLICY

It is the policy of the Marysville Parks, Culture and Recreation Department to:

1.1 Ensure that parks, recreational areas, facilities and features within such areas are easily identified and located.

1.2 Ensure that given names to parks, recreational areas, facilities and features are consistent with the values and character of the area or neighborhood served and avoid names similar to or duplicative to existing parks and recreation facilities or indoor /outdoor feature.

1.3 Encourage a commemorative naming process to occur and name assigned prior to construction of new park and recreation facilities. In the absence of any naming requests, interim placeholder names may be assigned by the Parks, Culture and Recreation Director or designee, when property is initially acquired or purchased but shall comply with this commemorative naming policy.

1.4 Encourage neighborhood and public participation in the commemorative naming, renaming and dedication of parks, recreation areas and facilities using print, broadcast and electronic media, including direct mail, public opinion and on-line surveys, public forums, etc. No persons shall be prohibited from proposing or requesting a commemorative name nor excluded from participating in the naming process for any reason.

1.5 Encourage the dedication of lands, facilities or donations by individuals and/or groups.

1.6 Ensure commemorative naming recognition will be compatible with the physical attributes of a location.

1.7 Ensure proposals or requests for commemorative naming comply with established policies as described herein or subsequently amended.

1.8 Discourage commemorative naming referencing a living person except when a significant gift or donation of land and/or financial contribution is made and the donor stipulates naming the park or recreation facility as a condition of the gift(s). As applicable, such circumstances shall be coordinated with local foundation(s) or community non-profit organizations, or other entity facilitating such gifts.

1.9 Discourage proposals or requests for renaming of existing park and recreation facilities. Renaming of such assets carries greater burden of process, as tradition and continuity of name and community identification are important community values.

Only those parks and recreation facilities named for geographic, cultural, natural and/or geological features or subdivision shall be considered for renaming. No asset shall be renamed if the name was a condition of a gift, donation or deed restriction and the noncompliance with that condition would invalidate the gift, donation or deed.

1.10 Reject commemorative naming requests that propose a name associated with an individual or family who sells a property to the City for fair market value, unless the seller stipulates naming the future park or recreation facility as a condition of the sale.

1.11 Only consider commemorative naming requests or proposals of individuals deceased for at least 1 year or greater from the individuals' recorded death.

1.12 Ensure commemorative naming requests or proposals not conflict with the terms and conditions of any existing City lease, tenant agreement or other contract.

2.0 DEFINITIONS

2.1 Marysville Parks, Culture and Recreation Department (MPCR) – Parks, Culture and Recreation administrative office managed by a Director who oversees programs to provide park, trail, open space, sports fields, recreation services and cultural arts. The Director is authorized to administer policies directing business decisions for the department, including the Commemorative Naming of Park and Recreation Facilities policy. The Director, at their sole discretion, may designate responsible persons to manage assigned programs and services.

2.2 Marysville Parks, Culture and Recreation Advisory Board (MPCRAB) – created by ordinance and appointed by the City Council. The MPCRAB advises the City Council, Department Director and other city service areas concerning formulation of policy, plans and programs to carry out duties of parks and recreation services.

2.3 Parks, Culture and Recreation facilities – Includes (a) developed and undeveloped neighborhood, community and regional parks; (b) trails; (c) undeveloped open space/natural areas; (d) community centers; (e) special use facilities (e.g. sports fields, disc golf courses, dog parks, skateboarding facilities, etc.; and (f) specific features within a larger park or recreation facility (e.g. climbing wall, tennis courts, picnic shelters, sports fields, etc.)

3.0 RESPONSIBILITY

3.1 The MPCRCD Director, or designee, shall oversee the commemorative naming of parks and recreation facilities and coordinate the review of proposals, requests and process consistent with this policy.

3.2 The MPCRCD Director shall have the authority to independently review and recommend commemorative naming proposals for designated features or elements within a park or facility to the MPCCRAB for final approval.

3.3 The City of Marysville Parks, Culture and Recreation Advisory Board (MPCCRAB) shall consider and take action on requests and proposals for commemorative naming of park and recreation facilities. Upon recommendation, the request or proposal shall be advanced to the appropriate local legislative body for approval. The MPCCRAB shall have final review and approve/reject commemorative naming proposals for designated features or elements within a park or facility.

3.4 The Marysville City Council shall have final approval regarding commemorative naming requests or proposals for parks, trails, open spaces and recreation or other facilities.

4.0 PROCEDURES

4.1 Any person, group or organization may submit a written proposal or request to commemoratively name or rename a public park or recreation facility to the MPCRCD Director, or designee.

4.2 A written proposal or request shall include sufficient explanation to enable the MPCRCD Director, or designee, to make a determination that commemorative naming or renaming is justified and complies with this policy. Factors to be considered include, but are not limited to:

4.2.1 The proposed name and the reason for the naming or renaming

4.2.2 The background information, biographical information demonstrating the contribution or other factors associated with a person or place to be named.

4.2.3 Whether and to what extent the appropriate and/or impacted communities support the proposal.

4.2.4 In cases of proposals recognizing deceased individuals, documentation verifying that the living family members or relatives are in agreement with the proposal.

4.2.5 Any other factors, which would support the proposal or request, including consistency with this policy.

4.3 The City of Marysville Parks, Culture and Recreation Department may also initiate and facilitate a commemorative naming process associated with new park acquisitions and construction whereby neighborhoods and the public shall be invited to participate in the naming process consistent with these policies.

4.4 The MPCRCD Director, or designee's consideration regarding the naming or renaming of parks, recreation facilities or features within such areas, shall be guided by the following considerations:

4.4.1 Recognized geographic names and/or relative location of the park, facility, neighborhood, area, etc.

4.4.2 Natural or geological features proximate to the park or facility

4.4.3 Cultural or historical significance to the City, County or surrounding neighborhood

4.4.4 A deceased individual who made a significant community contribution, exhibited outstanding achievement, performed distinctive service or otherwise has well documented community support.

4.5 The MPCRCD Director, or designee, shall review the proposal for adherence to the stated policy criteria and authentication of statements, as well as existing features already named within a particular park or recreation facility, before advancing the proposal to the Parks and Recreation Advisory Commission. The MPCRCD Director, or designee, shall make reasonable attempts to confirm support and permission from the family or relatives of the deceased individual being proposed, as well as confirm biographical information. If the request is incomplete, the Director or designee will contact the applicant, in writing, and provide an opportunity to resubmit a revised request.

4.6 The Parks and Recreation Advisory Board shall consider the commemorative naming proposal upon it being advanced by the MPCRCD Director, or designee, and shall offer the opportunity for public input. The Board shall review the proposal or request.

4.7 If recommended by the Board, the proposal shall be advanced to the City Council. The City Council shall approve all property (park, trail or open space) and building naming.

4.8 Special features within a park, trail, open space or the Director and the Parks, Culture and Recreation Advisory Board can name building with the approval OF City Council.

4.9 The requestor will be notified in writing of the action by the Parks and Recreation Advisory Board and action by the local legislative body if subsequently advanced to them for approval.

4.10 Record of the approved name will be recorded in the MPCRDR park inventory database and all applicable records, signage and documentation shall be updated, as applicable, with the new name.

End of Policy

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: February 12, 2018

AGENDA ITEM:	
Amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060, relating to prohibition of siting of supervised drug consumption facilities	
PREPARED BY:	DIRECTOR APPROVAL:
Chris Holland, Planning Manager	
DEPARTMENT:	
Community Development	
ATTACHMENTS:	
<ol style="list-style-type: none"> 1. PC Recommendation, including: <ul style="list-style-type: none"> . Exhibit A – Recommended Amendments . Exhibit B – PC Public Hearing DRAFT Minutes 01.09.18 2. Public Comments – Memo received from Robert & Brenda Pearce at the Public Hearing 3. Ordinance 3071 4. Adopting Ordinance enacting permanent regulations 	
BUDGET CODE:	AMOUNT:
SUMMARY:	

Marysville City Council adopted Ordinance No. 3071 enacting interim official controls prohibiting the siting of supervised drug consumption facilities. The interim ordinance shall automatically expire and be deemed to have been repealed six months from the date of adoption unless renewed, or otherwise extended prior to such date in accordance with RCW 35A.63.220. Therefore, the interim ordinance will expire on May 27, 2018, unless permanent regulations are adopted.

The Marysville Planning Commission held a public hearing on January 9, 2018 to consider amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060, prohibiting the siting of supervised drug consumption facilities. At the public hearing the Planning Commission recommended City Council approve the amendments as reflected in the Recommendation and Adopting Ordinance, attached hereto.

RECOMMENDED ACTION:
Affirm the Planning Commission’s recommendation adopting amendments to the Marysville Municipal Code Sections 22A.020.200, 22C.010.060 and 22C.020.060, prohibiting the siting of supervised drug consumption facilities.

PC Recommendation - Supervised Drug Consumption Facility

The Planning Commission of the City of Marysville, having held a public hearing on January 9, 2018, in review of amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060, relating to prohibition of siting of supervised drug consumption facilities, and having considered the exhibits and testimony presented, does hereby enter the following findings, conclusions and recommendation for consideration by Marysville City Council:

FINDINGS:

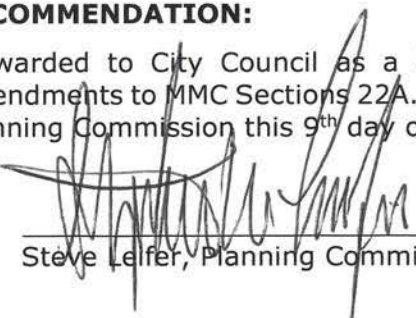

1. Marysville City Council adopted Ordinance No. 3071 enacting interim official control prohibiting the siting of supervised drug consumption facilities, amending MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060.
2. Ordinance No. 3071 shall automatically expire and be deemed to have been repealed six months from the date of adoption unless renewed or otherwise extended prior to such date in accordance with RCW 35A.63.220. Therefore, the interim ordinance will expire on May 27, 2018, unless formal regulations are adopted.
3. The proposed amendments to the City’s development regulations are exempt from State Environmental Policy Act review under WAC 197-11-800(19).
4. Community Development Staff submitted the DRAFT amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060, relating to prohibition of siting of supervised drug consumption facilities, to the State of Washington Department of Commerce for expedited review pursuant to RCW 36.70A.106(3)(b).
5. The Community Development Department received a letter from the State of Washington Department of Commerce acknowledging receipt of the DRAFT amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060, relating to prohibition of siting of supervised drug consumption facilities, on November 30, 2017 and processed with the material ID #24398. No comments were received from State Agencies.
6. The Planning Commission held a duly-advertised public hearing on January 9, 2018.
7. No public comments were received on the DRAFT amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060, relating to prohibition of siting of supervised drug consumption facilities.

CONCLUSION:

At the public hearing, the Planning Commission recommended adoption of the amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060 attached hereto as **Exhibit A**, and as reflected in the Planning Commission Minutes, dated January 9, 2018, attached hereto as **Exhibit B**.

RECOMMENDATION:

Forwarded to City Council as a Recommendation of Approval of the development code amendments to MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060, by the Marysville Planning Commission this 9th day of January, 2018.

By: 
 Steve Lelifer, Planning Commission Chair

PLANNING COMMISSION

MINUTES

January 9, 2018

7:00 p.m.

City Hall

CALL TO ORDER

Chair Leifer called the January 9, 2018 meeting to order at 7:00 p.m.

Marysville

Chairman: Steve Leifer

Commissioners: Roger Hoen, Jerry Andes, Kelly Richards¹, Kay Smith, Brandon Whitaker

Staff: Community Development Director Dave Koenig, Planning Manager Chris Holland

Absent: Tom Thetford

Chair Leifer noted the excused absences of Tom Thetford who was out of town and Kelly Richards who had called to indicate he would be late.

NOMINATION AND ELECTION OF COMMISSION CHAIR AND VICE-CHAIR

Motion made by Commissioner Smith to nominate Steve Leifer as Chair. Commissioner Andes seconded the motion. **Motion** passed unanimously (5-0).

Motion made by Commissioner Hoen to nominate Jerry Andes as Vice Chair. Commissioner Smith seconded the motion. **Motion** passed unanimously (5-0).

APPROVAL OF MINUTES

November 14, 2017

Motion made by Commissioner Smith, seconded by Commissioner Andes, to approve the November 14, 2017 Meeting Minutes as presented. **Motion** passed unanimously (5-0).

¹ Kelly Richards arrived at 7:22 p.m.

AUDIENCE PARTICIPATION

None.

PUBLIC HEARINGS

The public hearings were opened at 7:06 p.m.

- A. Code Amendment – MMC Section 22C.020.060 Permitted uses, proposing to allow Miscellaneous Light Manufacturing in the General Commercial (GC) Zone.

Community Development Director Koenig reported that there had been a request to add Light Manufacturing as a permitted use to the General Commercial Zone since it is similar to other uses in that zone. Staff is in support of that amendment provided there is a note stating that no outdoor storage or display of any material product or vehicles would be allowed. Staff is also recommending a note related to noise stating that tanks, generators and other machinery that does not generate nuisance noise may be located in service and loading areas. Truck service and loading areas shall not face the public street and shall be screened from the public street.

Commissioner Andes asked if General Commercial included mainly retail uses. Director Koenig explained that it is broader than that. The area being discussed is north of 156th. The General Commercial zone includes things such as a behavior hospital, a car dealership, United Rentals, etc. Commissioner Andes asked if late night hours could be a problem for nearby residents. Director Koenig replied that there are no residential areas nearby. Additionally, this is meant to be light manufacturing which is fairly quiet. There are also existing regulations regarding noise and screening which would be considered at the time of application.

Commissioner Hoen asked about limits for freight and cargo service on the roads in that zone. Planning Manager Holland explained that freight and warehousing are currently already allowed in the General Commercial zone. There wouldn't be any restrictions unless they were going to break a noise standard which is already included in the code.

Public Testimony was solicited on this matter. There was none.

Motion made by Commissioner Andes, seconded by Commissioner Smith, to forward this item to Council, as presented. **Motion** passed unanimously (5-0).

- B. Code Amendment – MMC Section(s) – 22C.010.060, 22C.020.060 & 22A.020200, proposing adoption of permanent regulations banning supervised drug consumption facilities in the City of Marysville

Planning Manager Holland explained that the Council passed an Ordinance in November of 2017 which enacted regulations prohibiting the siting of supervised drug consumption facilities in the City. This is an interim ordinance and will expire in May of 2018 if there are not permanent regulations in place. The proposed code amendment is

a recommendation to enact permanent regulations which would establish a new definition of what a supervised drug consumption facility is. It would also reference supervised drug consumption facilities in both the residential and commercial permitted use sections of code and would show within the matrix that it is not allowed.

There was consensus among the Planning Commission in support of the permanent ban.

Public Testimony:

Robert Pearce, 5417 - 80th Avenue NE, Marysville, WA 98270 spoke on behalf of himself and his wife in opposition to supervised drug consumption sites. He believes that the problem is the production and distribution of drugs. He thinks there should be strict penalties for the drug producers and distributors. He presented a memorandum discussing his opposition.

Brad Thompson, 6914 - 57th Street NE, Marysville, WA, spoke in support of staff's recommendation. He does not think it is appropriate to assist others in consuming illegal drugs.

Motion made by Commissioner Richards, seconded by Commissioner Whitaker, to forward this to Council with a recommendation for approval. **Motion** passed unanimously (6-0).

Seeing no further public comments, the public hearings were closed at 7:31 p.m.

NEW BUSINESS

2018 Planning Commission Work Program

Director Koenig explained there is a new employee at Community Development to help at the counter to help answer questions and issue simple permits. There has been good community reaction to this. He gave an update on other staffing positions and noted that they are now fully staffed.

The City is moving ahead with design and permitting for the waterfront park and trail. A consultant team has been selected and a Scope of Work has been done.

The City is in the 2nd year of its two-year budget. Money was set aside to build more of the trail and more of the design for the park.

Staff anticipates having a number of joint meetings this year with Arlington relating to discuss the Manufacturing Industrial Center area. Code work coming to the Planning Commission this year includes a small cell ordinance,

Director Koenig stated he is working on a year-end report with data related to permit numbers and other development information which will be provided at a future date.

CITY COUNCIL AGENDA ITEMS AND MINUTES

ADJOURNMENT

Motion made by Commissioner Richards, seconded by Commissioner Smith, to adjourn the meeting at 7:50 p.m. **Motion** passed unanimously (6-0).

NEXT MEETING:

TBD

Laurie Hugdahl, Recording Secretary

January 9, 2018

Memorandum

From Robert & Brenda Pearce **RP**
5417 80th Ave NE
Marysville, WA 98270

To Marysville Planning Commission

In re Supervised Drug Consumption Sites

We oppose Supervised Drug Consumption Sites for the following reasons:

1. Drug addiction fuels criminal activities:
 - a) The illegal distribution and sale of controlled substances; and
 - b) The illegal actions used by addicts to fund acquisition of those substances.To permit Consumption Sites is to give tacit approval of criminal activities.
2. Arguments that addicts are disabled and must be accommodated under the Americans With Disabilities Act are, in our view, about as solid as a fresh cow-pie. We trust the ADA was never intended to assist self-imposed disabilities that fuel criminal activities.
3. Availability of Drug Consumption Sites is not the message we want our young people to hear. That message, loud and clear, should be "Don't start. Addiction onset is rapid; getting clean is a long nightmarish road of unbelievable mental and physical hell."
4. Drug Consumption Sites accommodate addiction. We believe the way to motivate an addict to get clean is to destroy the supply, not accommodate usage. For ourselves, we want nothing more complicated than to be law-abiding citizens living among the same.
5. Authorizing Drug Consumption Sites would probably cause an influx of addicts and suppliers to the City. Such influx would impose additional demands on City Departments and Districts. Marysville has an excellent record of prudent use of tax dollars. We want that record to continue.

We urge the Planning Commission to recommend to City Council the permanent banning of Supervised Drug Consumption Sites within our City limits, and we salute Councilman Rob Toyer, quoted as having said "This is a no-brainer."

CITY OF MARYSVILLE
Marysville, Washington

ORDINANCE NO. 3071

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MARYSVILLE, WASHINGTON, RELATING TO GROWTH MANAGEMENT, ADOPTING AN INTERIM OFFICIAL CONTROL PROHIBITING THE SITING OF SUPERVISED DRUG CONSUMPTION FACILITIES, AMENDING SECTIONS 22C.010.060, 22C.020.060, AND 22E.030.090 OF THE MUNICIPAL CODE, DECLARING AN EMERGENCY, AND SETTING A HEARING DATE.

WHEREAS, in March 2016, King County and the cities of Seattle, Renton, and Auburn convened a Heroin and Opioid Addiction Task Force; and

WHEREAS, in September 2016, the Heroin and Opioid Addiction Task Force released a report with recommendations to prevent opioid addiction and improve opioid use disorder outcomes in King County; and

WHEREAS, one of the recommendations of the Heroin and Opioid Addiction Task Force was to establish, on a pilot program basis, at least two sites for supervised opioid consumption in King County; and

WHEREAS, neither the City of Marysville nor Snohomish County currently regulate the siting and establishment of supervised drug consumption facilities; and

WHEREAS, residents and business owners within the City of Marysville have expressed concerns about negative impacts to communities resulting from supervised drug consumption facilities; and

WHEREAS, the City Council wishes to explore options for regulating the siting and establishment of supervised drug consumption facilities, including potentially prohibiting the siting and establishment of such facilities within the City of Marysville; and

WHEREAS, without adequate regulations and review processes, new supervised drug consumption facilities may locate in areas that would create negative impacts and potential safety issues for the community; and

WHEREAS, the City Council wishes to prevent supervised drug consumption facilities or uses from siting or commencing such use in the City of Marysville during the period of time necessary for the City to consider appropriate regulations for such facilities; and

WHEREAS, Article XI, Section 11 of the Washington Constitution provides that any city may “make and enforce within its limits all such local police, sanitary and other regulations as

are not in conflict with general laws,” which grants counties jurisdiction over land use issues like zoning; and

WHEREAS, RCW 36.70A.390 provides that the City Council may adopt a moratorium, interim zoning ordinance, interim zoning map, or interim official control; and

WHEREAS, moratoria, interim zoning ordinances, interim zoning maps, and interim official controls enacted under RCW 36.70A.390 are methods by which local governments may preserve the status quo so that new regulations will not be rendered moot by intervening development; and

WHEREAS, RCW 35A.63.220 provides that the City Council must hold a public hearing on the proposed moratorium or interim zoning ordinance within at least sixty days of its adoption.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MARYSVILLE, WASHINGTON, DO ORDAIN AS FOLLOWS:

SECTION 1. The City Council makes the following findings and conclusions:

- A. The City Council adopts and incorporates the foregoing recitals as findings.
- B. Proposals to open supervised drug consumption facilities within the region have highlighted the lack of regulation of such facilities and uses within the City of Marysville.
- C. The interim zoning regulations in MMC 22C.010.060 and MMC 22C.020.060 will prohibit new supervised drug consumption facilities from locating or establishing such a use in the City of Marysville while regulations that address the siting of supervised drug consumption facilities, including prohibiting such facilities entirely, are considered.
- D. It is in the best interest of the City of Marysville to prohibit supervised drug consumption facilities from locating or establishing such a use in the City of Marysville at this time, pending further study and public engagement on potential long-term regulatory changes.
- E. The proposed interim official control will promote the public health, safety, morals, and general welfare, and it is consistent with the goals and policies of the Comprehensive Plan.
- F. This ordinance satisfies the procedural and substantive requirements of and is consistent with the GMA.
- G. Pursuant to WAC 197-11-880 and MMC 22E.030.090, the adoption of this ordinance is exempt from the requirements for a threshold determination under the State Environmental Policy Act (SEPA).

SECTION 2. Pursuant to RCW 35A.12.130, the Marysville City Council finds and concludes that adopting an interim official control to regulate the siting of supervised drug consumption facilities is necessary for the immediate preservation of the public peace, health or

safety. Non-emergency options would not be adequate to prevent supervised drug consumption facilities from opening in neighborhoods where they would be detrimental to the public peace, health and safety. Accordingly, the Marysville City Council declares an emergency exists and this ordinance shall take effect immediately.

SECTION 3. Section 22C.010.060 of the municipal code, is amended to read:

SECTION 5. A new definition is added to section 22A.020.200 of the municipal code and shall be placed in alphabetical order in that section as follows:

“Supervised drug consumption facility” means a facility designed to provide a location where individuals are able to consume illicit drugs under professional supervision.

SECTION 6. Expiration. The interim zoning regulations in sections 3, 4, and 5 of this ordinance shall automatically expire and be deemed to have been repealed six months from the date of adoption unless renewed or otherwise extended prior to such date in accordance with RCW 35A.63.220.

SECTION 7. Public hearing. The Marysville City Council will hold a public hearing on this matter on November 27, 2017, at the hour of 7:00 p.m. in the Marysville City Hall, 1049 State Avenue, Marysville, Washington, for the purpose of hearing the public testimony on this matter in accordance with RCW 36.70A.390 and RCW 35A.63.220. The notice for the public hearing shall specifically indicate that this ordinance may be renewed for one or more six month periods if a subsequent public hearing is held and findings of fact are made prior to each renewal.

SECTION 8. Renewal. In accordance with RCW 35A.63.220, this ordinance may be renewed for one or more six month periods if a subsequent public hearing is held and findings of fact are made prior to each renewal.

SECTION 9. Severability. If any section, sentence, clause, or phrase of this ordinance shall be held to be invalid or unconstitutional by the Growth Management Hearings Board, or a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this ordinance. Provided,

however, that if any section, sentence, clause or phrase of this ordinance is held to be invalid by the Board or court of competent jurisdiction, then the section, sentence, clause or phrase in effect prior to the effective date of this ordinance shall be in full force and effect for that individual section, sentence, clause or phrase as if this ordinance had never been adopted.

PASSED by the City Council and APPROVED by the Mayor this 27 day of November, 2017.

CITY OF MARYSVILLE

By 
JON NEHRING, MAYOR

Attest:

By 
TINA BROCK, DEPUTY CITY CLERK

Approved as to form:

By 
JON WALKER, CITY ATTORNEY

Date of publication: 12/02/17
Effective Date (5 days after publication): 12/07/17

CITY OF MARYSVILLE
Marysville, Washington
ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF MARYSVILLE, WASHINGTON, RELATING TO PROHIBITION OF SITING OF SUPERVISED DRUG CONSUMPTION FACILITIES, AMENDING SECTIONS 22A.020.200, 22C.010.060, 22C.020.060, AND 22A.010.160 OF THE MARYSVILLE MUNICIPAL CODE.

WHEREAS, in March 2016, King County and the cities of Seattle, Renton, and Auburn convened a Heroin and Opioid Addiction Task Force; and

WHEREAS, in September 2016, the Heroin and Opioid Addiction Task Force released a report with recommendations to prevent opioid addiction and improve opioid use disorder outcomes in King County; and

WHEREAS, one of the recommendations of the Heroin and Opioid Addiction Task Force was to establish, on a pilot program basis, at least two sites for supervised opioid consumption in King County; and

WHEREAS, on September 25, 2017, Snohomish County enacted Emergency Ordinance No. 17-081, placing a moratorium on the siting and establishment of supervised drug consumption facilities in unincorporated areas of the county; and

WHEREAS, residents and business owners within the City of Marysville have expressed concerns about negative impacts to communities resulting from supervised drug consumption facilities; and

WHEREAS, Marysville City Council adopted Ordinance No. 3071 enacting interim official control prohibiting the siting of supervised drug consumption facilities, amending MMC Sections 22A.020.200, 22C.010.060 and 22C.020.060; and

WHEREAS, the State Growth Management Act, RCW Chapter 36.70A mandates that cities periodically review and amend development regulations which include but are not limited to zoning ordinances and official controls; and

WHEREAS, RCW 36.70A.106 requires the processing of amendments to the City's development regulations in the same manner as the original adoption of the City's comprehensive plan and development regulations; and

WHEREAS, the State Growth Management Act requires notice and broad public participation when adopting or amending the City's comprehensive plan and development regulations; and

WHEREAS, the City, in reviewing and amending its development regulations has complied with the notice, public participation and processing requirements established by the Growth Management Act, as more fully described below; and

WHEREAS, the City Council of the City of Marysville finds that from time to time it is necessary and appropriate to review and revise provisions of the City's municipal code and development code (MMC Title 22); and

WHEREAS, the development code amendment is consistent with the following required findings of MMC 22G.010.500:

- (1) The amendment is consistent with the purposes of the comprehensive plan;
- (2) The amendment is consistent with the purpose of this title;
- (3) There have been significant changes in the circumstances to warrant a change;
- (4) The benefit or cost to the public health, safety and welfare is sufficient to warrant the action.

WHEREAS, on January 9, 2018, the Marysville Planning Commission held a duly-advertised public hearing; and

WHEREAS, on January 9, 2018, the Marysville Planning Commission recommended City Council adopt the proposed amendments to the City's development regulations; and

WHEREAS, at a public meeting on February 12, 2018, the Marysville City Council reviewed and considered the Marysville Planning Commission's Recommendation and proposed amendments to the City's development regulations; and

WHEREAS, the City of Marysville has submitted the proposed development regulation revisions to the Washington State Department of Commerce on November 30, 2017, seeking expedited review under RCW 36.70A.160(3)(b) in compliance with the procedural requirement under RCW 36.70A.106; and

WHEREAS, the amendments to the development regulations are exempt from State Environmental Policy Act review under WAC 197-11-800(19);

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MARYSVILLE DO ORDAIN AS FOLLOWS:

Section 1. Amendment of Municipal Code. MMC Section 22A.020.200, entitled "S" definitions, is hereby amended as follows:

MMC Section 22A.020.200 "S" definitions.

"Supervised drug consumption facility" means a facility designed to provide a location where individuals are able to consume illicit drugs under professional supervision.

Section 2. Amendment of Municipal Code. MMC Section 22C.010.060, entitled "Permitted uses," is hereby amended as follows:

Section 4. Amendment of Municipal Code. MMC Section 22A.010.160, entitled “Amendments,” is hereby amended as follows by adding reference to this adopted ordinance in order to track amendments to the City’s Unified Development Code (all unchanged provisions of MMC 22A.010.160 remain unchanged and in effect):

“22A.010.160 Amendments.

The following amendments have been made to the UDC subsequent to its adoption:

<u>Ordinance</u>	<u>Title (description)</u>	<u>Effective Date</u>
_____	Supervised Drug Consumption Facilities	_____, 2018”

Section 5. Severability. If any section, subsection, sentence, clause, phrase or word of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality thereof shall not affect the validity or constitutionality of any other section, subsection, sentence, clause, phrase or word of this ordinance.

Section 6. Effective Date. This ordinance shall become effective five days after the date of its publication by summary.

PASSED by the City Council and APPROVED by the Mayor this _____ day of _____, 2018.

CITY OF MARYSVILLE

By: _____
JON NEHRING, MAYOR

Attest:

By: _____
APRIL O'BRIEN, DEPUTY CITY CLERK

Approved as to form:

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: February 12, 2018

AGENDA ITEM:	
Amendments to MMC Sections 22C.020.060 and 22C.020.070, relating to allowing miscellaneous light manufacturing uses within the General Commercial (GC) zone.	
PREPARED BY:	DIRECTOR APPROVAL:
Dave Koenig, CD Director	
DEPARTMENT:	
Community Development	
ATTACHMENTS:	
<ol style="list-style-type: none"> 1. PC Minutes 11.14.17 2. PC DRAFT Minutes 01.09.18 3. Adopting Ordinance allowing Miscellaneous Light Manufacturing in the GC zone. 	
BUDGET CODE:	AMOUNT:
SUMMARY:	

The City of Marysville has had input from some property owners and commercial realtors that the General Commercial (GC) allowed uses should be expanded to include Miscellaneous Light Manufacturing. There are uses which have a similar scale and building requirement which are allowed in the General Commercial (GC) zone. They are warehousing and wholesale trade, mini-storage, freight and cargo service, and commercial/industrial accessory uses. These uses are often in large concrete tilt up buildings which are very flexible in how the interior space is used. They can be sectioned off within the building to have multiple tenants or one user. Light manufacturing is a very clean use with similar needs as the other uses mentioned above.

The Marysville Planning Commission held a public hearing on January 9, 2018 to consider amendments to MMC Sections 22C.020.060 and 22C.020.070, permitting miscellaneous light manufacturing uses within the General Commercial zone. At the public hearing the Planning Commission recommended City Council approve the amendments as reflected in adopting Ordinance, attached hereto.

RECOMMENDED ACTION:
Affirm the Planning Commission's recommendation adopting amendments to the Marysville Municipal Code Sections 22C.020.060 and 22C.020.070, permitting miscellaneous light manufacturing uses within the General Commercial zone.

PLANNING COMMISSION

MINUTES

November 14, 2017

7:00 p.m.

City Hall

CALL TO ORDER

Chair Leifer called the November 14, 2017 meeting to order at 7:00 p.m.

Marysville

Chairman: Steve Leifer

Commissioners: Roger Hoen, Jerry Andes, Kay Smith, Kelly Richards, Tom Thetford, Brandon Whitaker

Staff: Community Development Director Dave Koenig, Planning Manager Chris Holland, Senior Planner Angela Gemmer

Absent: None

APPROVAL OF MINUTES

September 12, 2017

Motion made by Commissioner Smith, seconded by Commissioner Richards, to approve the September 12, 2017 Meeting Minutes.

Commissioner Hoen submitted a paragraph to replace his comments in the first full paragraph of page 2 of the minutes from September 12, 2017 meeting.

Motion passed unanimously to approve the minutes as amended (7-0).

AUDIENCE PARTICIPATION

None

PUBLIC HEARING

- A. Code Amendment – MMC Section 22E.010.100(5)(b) proposing to allow Category I and II wetlands to pursue a 25 percent buffer reduction if the specific criteria in MMC Section 22E.010.100(5)(b) are met. Minor amendments are also proposed in order to refer to the most current manuals, forms and scoring system when evaluating wetlands.

The hearing was opened at 7:04 p.m.

Staff Presentation: Senior Planner Gemmer reviewed the proposed amendments which are a cleanup to the Critical Areas Code. The one substantive change would be to allow wetland buffer reductions for Category I and II wetlands when the current requirements in code for buffer reductions are met. There are additional updates to reference the current publication that DOE uses for their wetland rating system for Western Washington which the City is already required to use. She reviewed Ecology's wetland category and function score conversion tables. She explained there is an additional change that is proposed to reorganize the wetland buffer table in Section 22E.010.100(4) to enhance clarity.

Public Testimony:

Merle Ash, 18820 3rd Avenue NE, Arlington, WA, expressed concern about the proposed changes and the inability of developers to get scores under 5 with the state's new scoring system. He stated that developers in other jurisdictions in Snohomish County where this has already been implemented have had a lot of problems. In order to get the standard buffer under the old system, as per the table in the Critical Area Ordinance, you have a score under 20. Under the new system, in order to get the standard buffer you have to score less than 5 for the habitat score. Several projects scored well under the old system, but scored 5's and 6's on the new system. He expressed concerns about discrepancies between the two systems and the potential requirement for increased buffers as a result. Most of the consultants they have worked with say they rarely, if ever, have gotten habitat scores under 5.

Angie Sievers, Master Builders of King and Snohomish County, 335 – 116th Avenue SE, Bellevue, WA 98004, thanked the Planning Commission for taking the time to review this very technical information. She stated that all three amendments tonight were requests from the building community to help incentivize development in Marysville. She concurred with Mr. Ash's concerns and asked that the Commission consider the impacts of this very carefully. She agreed that it is nearly impossible to get a score of 4 and relayed an example of how this would play out on real projects. She requested that staff take another look at this. She noted that Master Builders is also working with the legislature to help them understand the impacts.

Senior Planner Gemmer clarified that while these score changes aren't codified, Marysville's code already requires that the State's most current revised manual be used so this is how the code is being applied. The code states that, ". . . wetlands shall be classified using Ecology's current Wetland Rating System for Western Washington or as amended hereafter." Planning Manager Holland concurred and noted that the only

substantial change being proposed is for the reductions for the Category I and II wetlands.

Chair Leifer recalled from previous discussions that the cities' hands are pretty much tied on this issue. Planning Manager Holland agreed that their hands are tied unless each individual community wants to go out and hire a consultant, do a Best Available Science study, rework their entire code, and have Ecology approve it. This would be very costly and time consuming.

Chair Leifer asked about the history on this and what efforts are being made at the state level with the legislature to make some changes. Planning Manager Holland replied that staff hasn't noticed a change in application of the scores across the city based on the new rating form. He reviewed the reasoning for the proposed change to allow reductions to Category I and II wetland buffers which is the only substantive change being proposed tonight. The other change is just to address outdated language.

Angie Sievers addressed the question about what is being done at the state level and explained that Master Builders has been in conversations with DOE. Next week they are meeting with state legislators because there are some projects in the south part of the region that are being severely restricted by this. She agrees that this would only impact specific projects. She discussed how this would impact buildable lands and growth potential in the City. She pointed out that there are some other cities that are not formally adopting the updated regulations.

Chair Leifer asked staff's opinion on postponing action on this. Planning Manager Holland stated that it would be fine. Category 1 and 2 wetlands would just stay as they are and the code will continue to function as it has since 2005. Chair Leifer asked Ms. Sievers if her opinion is that they should postpone action. She expressed concern about adopting the updated regulations. Director Koenig reiterated that the City's code already adopts the most current version; this just makes it clearer.

Chair Leifer asked Mr. Ash to explain again why staff should not move forward with this. Merle Ash clarified that they are in support of adopting the manual, but not of changing the classification of wetlands themselves. The developers' main concern is with the requirement for wildlife habitat scores of 4 or less in order to get standard buffers.

Chair Leifer asked staff how they could accomplish changing the numbers without breaching the intent of the code. Senior Planner Gemmer explained that they can't just change numbers from what the DOE Manual requires. Any proposed changes have to be based on Best Available Science and would require a thorough study. She explained that Marysville has very conservative and predictable wetland buffers compared to other jurisdictions.

Chair Leifer solicited feedback from other commissioners.

- Commissioner Thetford spoke to concerns, but noted that Ecology is the one who would need to make changes.

- Commissioner Whitaker spoke in support of moving forward with what staff is proposing. He noted that they could always review this in the future if needed.
- Commissioner Smith concurred.
- Commissioner Richards commended staff's work and noted that Ecology has told them what they have to do. This would align the City's regulations with what they have to do anyway.
- Commissioner Andes expressed frustration about the situation, but indicated that their hands are tied.
- Commissioner Hoen spoke in support of approving this as recommended by staff and then letting the City Council address any concerns they might have.

Motion made by Commissioner Richards, seconded by Commissioner Whitaker, to move the amendments forward as presented. **Motion** passed unanimously (7-0).

The hearing was closed at 8:10 p.m.

- B. Code Amendment – MMC Chapter 22C.090 Residential Density Incentives, including bonus allowances for contributions towards an identified capital improvement, energy conservation, critical areas buffer enhancement and clarifying the administrative review process.

The hearing was opened at 8:10 p.m.

Staff Presentation: Planning Manager Holland reviewed the proposed amendments which would add an RDI for contribution to identified capital improvement projects, reorganize Section 7(b) and 7(c) for clarification purposes, update Section 8 to add LEED evergreen standards and built-green units, and add a new Section 11 providing for a bonus for critical areas buffer enhancements. The City received comments from Master Builders related to energy conservation. What staff has proposed is a .20 bonus unit per certified unit. Master Builders has asked for a .25 or .33 bonus unit per unit constructed. Planning Manager Holland noted that staff has already increased it 100% from .10 to .20. Another comment received was related to critical areas buffer enhancement. Master Builders has requested a bonus unit per quarter acre or half acre instead of staff's recommendation of one bonus unit per acre of buffer enhancements. He reviewed examples of what this would look like for a project.

Chair Leifer asked if staff has any data about what the cost to enhance an acre of wetland might be. Senior Planner Gemmer replied it was in a packet a couple meetings ago. Planning Manager Holland explained that more than the cost of the actual enhancement, the concerns related to the increased costs due to the requirement for five years of maintenance and monitoring.

Commissioner Richards referred to number 8 and asked about inserting language related to "other energy efficient unit as approved by the director." Planning Manager Holland noted that it is already required, but this might clarify it.

Public Testimony:

Angie Sievers, Master Builders of King and Snohomish County, 335 – 116th Avenue SE, Bellevue, WA 98004, commended staff's work on this. She expressed concerns about the costs to developers to update degraded buffers and maintain them long-term. She spoke in support of Master Builders request to increase bonus units per acre in order to incentivize builders in Marysville to build green.

Merle Ash, 18820 3rd Avenue NE, Arlington, WA, commended staff for their work. He feels it works really well with Planned Residential Developments. He would like to see this applied to a half acre instead of an acre to due costs.

Planning Manager Holland reviewed staff's justification for the one acre size, but indicated that the Commission could modify this if desired.

The public testimony portion of the hearing was closed at 8:35 p.m.

Motion made by Commissioner Thetford, seconded by Commissioner Andes, to amend verbiage on item 11, Critical Areas Buffer Enhancement, from one bonus unit per one acre of buffer enhancement to two bonus unit per acre and an amendment to the energy conservation Section 8 to include "or equivalent energy efficient unit as approved by the director." **Motion** failed 2-5.

Motion made by Commissioner Richards, seconded by Commissioner Hoen, to forward this to City Council with an amendment to the energy conservation Section 8 to include ". . . or equivalent energy efficient unit as approved by the director." **Motion** passed unanimously.

The hearing was closed at 8:46 p.m.

- C. Code Amendment – MMC Chapter 22G.090 Subdivisions and Short Subdivisions delegating final plat approval authority to the Community Development Director and City Engineer in compliance with Senate Bill 5674, which amended RCW 58.17.100, 58.17.170 and 58.17.190.

The hearing was opened at 8:46 p.m.

Staff Presentation: Planning Manager Holland explained that the legislature passed amendments to the subdivision law which would make final plat review an administrative process rather than going to City Council. This would save a tremendous amount of time for the developers and would streamline the process.

Public Testimony:

Angie Sievers, Master Builders of King and Snohomish County, 335 – 116th Avenue SE, Bellevue, WA 98004, spoke in support of this amendment.

Merle Ash, 18820 3rd Avenue NE, Arlington, WA, also spoke in support of this item.

Motion made by Commissioner Richards, seconded by Commissioner Andes, to forward this to City Council. **Motion** passed unanimously (7-0).

The hearing was closed at 8:53 p.m.

Director Koenig thanked Angie Sievers and Merle Ash for their efforts in working with staff on the proposed amendments tonight.

NEW BUSINESS

- Code Amendment – Miscellaneous Light Manufacturing Uses proposed to be a permitted use in the General Commercial (GC) Zone.

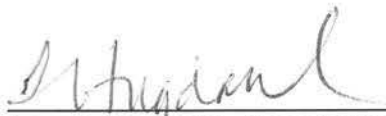

Director Koenig introduced this item and noted that it would be coming back to the Commission for review.

CITY COUNCIL AGENDA ITEMS AND MINUTES

ADJOURNMENT

Motion made by Commissioner Richards, seconded by Commissioner Whitaker, to adjourn the meeting at 9:02 p.m. **Motion** passed unanimously.

NEXT MEETING: TBD

Laurie Hugdahl, Recording Secretary

PLANNING COMMISSION

MINUTES

January 9, 2018

7:00 p.m.

City Hall

CALL TO ORDER

Chair Leifer called the January 9, 2018 meeting to order at 7:00 p.m.

Marysville

Chairman: Steve Leifer

Commissioners: Roger Hoen, Jerry Andes, Kelly Richards¹, Kay Smith, Brandon Whitaker

Staff: Community Development Director Dave Koenig, Planning Manager Chris Holland

Absent: Tom Thetford

Chair Leifer noted the excused absences of Tom Thetford who was out of town and Kelly Richards who had called to indicate he would be late.

Motion made by Commissioner Smith to nominate Steve Leifer as Chair. Commissioner Andes seconded the motion. **Motion** passed unanimously (5-0).

Motion made by Commissioner Hoen to nominate Jerry Andes as Vice Chair. Commissioner Smith seconded the motion. **Motion** passed unanimously (5-0).

APPROVAL OF MINUTES

November 14, 2017

Motion made by Commissioner Smith, seconded by Commissioner Andes, to approve the November 14, 2017 Meeting Minutes as presented. **Motion** passed unanimously (5-0).

¹ Kelly Richards arrived at 7:22 p.m.

AUDIENCE PARTICIPATION

None.

PUBLIC HEARINGS

The public hearings were opened at 7:06 p.m.

- A. Code Amendment – MMC Section 22C.020.060 Permitted uses, proposing to allow Miscellaneous Light Manufacturing in the General Commercial (GC) Zone.

Community Development Director Koenig reported that there had been a request to add Light Manufacturing as a permitted use to the General Commercial Zone since it is similar to other uses in that zone. Staff is in support of that amendment provided there is a note stating that no outdoor storage or display of any material product or vehicles would be allowed. Staff is also recommending a note related to noise stating that tanks, generators and other machinery that does not generate nuisance noise may be located in service and loading areas. Truck service and loading areas shall not face the public street and shall be screened from the public street.

Commissioner Andes asked if General Commercial included mainly retail uses. Director Koenig explained that it is broader than that. The area being discussed is north of 156th. The General Commercial zone includes things such as a behavior hospital, a car dealership, United Rentals, etc. Commissioner Andes asked if late night hours could be a problem for nearby residents. Director Koenig replied that there are no residential areas nearby. Additionally, this is meant to be light manufacturing which is fairly quiet. There are also existing regulations regarding noise and screening which would be considered at the time of application.

Commissioner Hoen asked about limits for freight and cargo service on the roads in that zone. Planning Manager Holland explained that freight and warehousing are currently already allowed in the General Commercial zone. There wouldn't be any restrictions unless they were going to break a noise standard which is already included in the code.

Public Testimony was solicited on this matter. There was none.

Motion made by Commissioner Andes, seconded by Commissioner Smith, to forward this item to Council, as presented. **Motion** passed unanimously (5-0).

- B. Code Amendment – MMC Section(s) – 22C.010.060, 22C.020.060 & 22A.020200, proposing adoption of permanent regulations banning supervised drug consumption facilities in the City of Marysville

Planning Manager Holland explained that the Council passed an Ordinance in November of 2017 which enacted regulations prohibiting the siting of supervised drug consumption facilities in the City. This is an interim ordinance and will expire in May of 2018 if there are not permanent regulations in place. The proposed code amendment is

a recommendation to enact permanent regulations which would establish a new definition of what a supervised drug consumption facility is. It would also reference supervised drug consumption facilities in both the residential and commercial permitted use sections of code and would show within the matrix that it is not allowed.

There was consensus among the Planning Commission in support of the permanent ban.

Public Testimony:

Robert Pearce, 5417 - 80th Avenue NE, Marysville, WA 98270 spoke on behalf of himself and his wife in opposition to supervised drug consumption sites. He believes that the problem is the production and distribution of drugs. He thinks there should be strict penalties for the drug producers and distributors. He presented a memorandum discussing his opposition.

Brad Thompson, 6914 - 57th Street NE, Marysville, WA, spoke in support of staff's recommendation. He does not think it is appropriate to assist others in consuming illegal drugs.

Motion made by Commissioner Richards, seconded by Commissioner Whitaker, to forward this to Council with a recommendation for approval. **Motion** passed unanimously (6-0).

Seeing no further public comments, the public hearings were closed at 7:31 p.m.

NEW BUSINESS

2018 Planning Commission Work Program

Director Koenig explained there is a new employee at Community Development to help at the counter to help answer questions and issue simple permits. There has been good community reaction to this. He gave an update on other staffing positions and noted that they are now fully staffed.

The City is moving ahead with design and permitting for the waterfront park and trail. A consultant team has been selected and a Scope of Work has been done.

The City is in the 2nd year of its two-year budget. Money was set aside to build more of the trail and more of the design for the park.

Staff anticipates having a number of joint meetings this year with Arlington relating to discuss the Manufacturing Industrial Center area. Code work coming to the Planning Commission this year includes a small cell ordinance,

Director Koenig stated he is working on a year-end report with data related to permit numbers and other development information which will be provided at a future date.

CITY COUNCIL AGENDA ITEMS AND MINUTES

ADJOURNMENT

Motion made by Commissioner Richards, seconded by Commissioner Smith, to adjourn the meeting at 7:50 p.m. **Motion** passed unanimously (6-0).

NEXT MEETING:

TBD

CITY OF MARYSVILLE
Marysville, Washington
ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF MARYSVILLE, WASHINGTON, RELATING TO MISCELLANEOUS LIGHT MANUFACTURING USES PERMITTED IN THE GENERAL COMMERCIAL ZONE, AMENDING SECTIONS 22C.020.060, 22C.020.070 AND 22A.010.160 OF THE MARYSVILLE MUNICIPAL CODE.

WHEREAS, the State Growth Management Act, RCW Chapter 36.70A mandates that cities periodically review and amend development regulations which include but are not limited to zoning ordinances and official controls; and

WHEREAS, RCW 36.70A.106 requires the processing of amendments to the City's development regulations in the same manner as the original adoption of the City's comprehensive plan and development regulations; and

WHEREAS, the State Growth Management Act requires notice and broad public participation when adopting or amending the City's comprehensive plan and development regulations; and

WHEREAS, the City, in reviewing and amending its development regulations has complied with the notice, public participation and processing requirements established by the Growth Management Act; and

WHEREAS, the City Council of the City of Marysville finds that from time to time it is necessary and appropriate to review and revise provisions of the City's municipal code and development code (MMC Title 22); and

WHEREAS, the development code amendment is consistent with the following required findings of MMC 22G.010.500:

- (1) The amendment is consistent with the purposes of the comprehensive plan;
- (2) The amendment is consistent with the purpose of this title;
- (3) There have been significant changes in the circumstances to warrant a change;
- (4) The benefit or cost to the public health, safety and welfare is sufficient to warrant the action.

WHEREAS, the Planning Commission discussed the above-referenced amendment during a public meeting held on November 14, 2017; and

WHEREAS, on January 9, 2018, the Marysville Planning Commission held a duly-advertised public hearing; and

WHEREAS, on January 9, 2018, the Marysville Planning Commission recommended City Council adopt the proposed amendments to the City's development regulations; and

WHEREAS, at a public meeting on February 12, 2108, the Marysville City Council reviewed and considered the Marysville Planning Commission’s Recommendation and proposed amendments to the City’s development regulations; and

WHEREAS, the amendments to the development regulations are exempt from State Environmental Policy Act review under WAC 197-11-800(19);

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MARYSVILLE DO ORDAIN AS FOLLOWS:

Section 1. Amendment of Municipal Code. MMC Section 22C.020.060, entitled “Permitted uses,” is hereby amended as follows:

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: 2/5/18

AGENDA ITEM:	
Update to MMC 3.51 Petty Cash Fund	
PREPARED BY:	DIRECTOR APPROVAL:
Jan Berg	
DEPARTMENT:	
Finance	
ATTACHMENTS:	
Marysville Municipal Code Chapter 3.51	
BUDGET CODE:	AMOUNT:
	N/A
SUMMARY:	

The Police Department and Cedarcrest Golf Course have returned cash drawer funds that are no longer needed for the daily operations at these facilities. The Police Department has turned in the \$300.00 change fund and both of the \$50.00 change funds. Cedarcrest Golf Course has returned their \$200.00 petty cash fund.

The attached Municipal Code Chapter 3.51 Petty Cash reflects the updates to these department's petty cash funds.

<p>RECOMMENDED ACTION: Staff respectfully recommends City Council to approve the Ordinance to amend MMC Chapter 3.51 Petty Cash.</p>

CITY OF MARYSVILLE

Marysville, Washington

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MARYSVILLE, WASHINGTON, AMENDING CHAPTER 3.51 OF THE MARYSVILLE MUNICIPAL CODE, "PETTY CASH FUND," TO REFLECT CURRENT OPERATIONS AND STRUCTURE OF CITY GOVERNMENT.

WHEREAS, some of the City’s petty cash needs are no longer reflected in the municipal code; and

WHEREAS, it is necessary to harmonize the City's Petty Cash Fund Ordinance with the current operations and structure of City government; and

WHEREAS, other minor revisions to custodians and the total amount of the petty cash fund should also be amended.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MARYSVILLE, WASHINGTON, DO ORDAIN AS FOLLOWS:

SECTION 1. Amendment. Chapter 3.51 of the municipal code is amended as set forth in Exhibit A.

SECTION 2. Severability. If any section, subsection, sentence, clause, phrase or word of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality thereof shall not affect the validity or constitutionality of any other section, subsection, sentence, clause, phrase or word of this ordinance.

SECTION 3. Effective Date. This ordinance shall become effective five days after the date of its publication by summary.

PASSED by the City Council and APPROVED by the Mayor this _____ day of _____, 2018.

CITY OF MARYSVILLE
