CITY COUNCIL AGENDA ITEM REPORT

DATE: October 9, 2023

SUBMITTED BY: Senior Planner Amy Hess, Community Development

ITEM TYPE: Agreement

AGENDA SECTION: **Consent**

SUBJECT: CDBG Homage Senior Services Minor Home Repair Second Amendment

SUGGESTED ACTION:

Recommended Motion: I move to approve the second amendment increasing the total allocation for the Minor Home Repair program from \$114,021.72 to \$115,081.72 in order to be in compliance with HUD regulations related to minimum and maximum amounts for Public Services Projects, Capital Facilities and Infrastructure Projects, and Planning and Administration costs.

SUMMARY:

City Council approved the funding recommendation for Community Development Block Grant (CDBG) funds for Program Year 2023 on March 13, 2023. The Minor Home Repair program serves low-income senior and disabled adults and consistently runs out of CDBG funding for Marysville residents before the end of each Program Year. The original contract executed with Homage Senior Services for the Minor Home Repair program was \$110,000. Funding available from prior year projects that came in under budget, and in order to comply with HUD regulations related to minimum and maximum amounts for Public Services Projects, Capital Facilities and Infrastructure Projects, and Planning and Administration costs, increased the total allocation to \$115,081.72.

CITY COUNCIL AGENDA ITEM REPORT

SUBMITTED BY: Commander James Tolbert, Police

ITEM TYPE: Agreement

AGENDA SECTION: **Consent**

SUBJECT: Securus (AllPaid) Technologies LLC - Second Amendment

SUGGESTED ACTION:

Recommended Motion: I move to authorize the Mayor to sign and execute the attached Amendment to our current Securus (AllPaid) Technologies LLC contract.

SUMMARY: The contract amendment is an addition to our current Securus (AllPAid) Technologies Contract. Securus is our current provider for all in custody out going communication systems within the jail. The amendment would provide online access and or 24-hour call center access to bail posting. This would be in addition to our current available cash and in-person payment options through the court. This will assist in decreasing the cash bail payments directly to the jail staff after court administrative business office hours as well increase expanding access to bail payment options. This service allows a person to post an in-custody persons bail from anywhere. Using the system bail payments can be made using major credit or debit card brands (Visa, Master Card, Discover and American Express) as well as pre-paid debit/gift cards and E-Check. There is no cost to the City of Marysville for the provided bail payment services.

PAYMENT SERVICES SCHEDULE

1. Payment Services. Provider hereby delegates any and all of the services to be provided or obligations to be performed under this Payment Services Schedule ("Payment Services") to its affiliate, AllPaid, Inc. ("AllPaid") and Customer accepts AllPaid as an approved subcontractor. Customer understands and agrees that while Provider shall be responsible for the performance of AllPaid, AllPaid will provide the Payment Services. AllPaid shall (i) provide Customer with training, implementation, documentation, and electronic and telephonic support at AllPaid's expense; (ii) cause funds paid to be forwarded electronically to such account as Customer designates within two banking days after transaction authorization; and (iii) provide such other Payment Services as described herein. In the event of a conflict between the terms of this Payment Services Schedule and the terms of the Agreement, the terms of this Payment Services Schedule shall control.

2. Service Fees. AllPaid shall collect the fees ("Service Fees") shown in Exhibit A to this Payment Services Schedule, based on the type of payment processed. Service Fees include all costs of providing the Payment Services unless otherwise indicated. **ALL SERVICE FEES ARE NON-REFUNDABLE.** Customer may select any or all of the payment types available as follows:

- For criminal justice-related payments made by credit, debit, or prepaid debit card, such as fees for probation management, electronic monitoring, work release, restitution, or other payments associated with reducing or avoiding a term of incarceration, "**Service Fee Schedule for Criminal Justice-Related Payments**" applies.
- For cash bail/bond payments made by credit, debit, or prepaid debit card, "**Service Fee Schedule for Cash Bail Payments**" applies.
- For fines, administrative, and other payments made by credit, debit, or prepaid debit card, meaning all payments to Customer not categorized as cash bail/bond or criminal justice-related payments, "**Service Fee Schedule for Fines & Other Payments**" applies.

Service Fees may be the responsibility of Payer, Customer, or shared by Payer and Customer. Unless Customer advises AllPaid otherwise, Customer will be presumed to have chosen that Payers shall be responsible for all Service Fees. If Customer elects to pay all or any portion of the Service Fees, Customer must so advise AllPaid in writing. For any Service Fees Customer elects to pay, AllPaid will debit Customer's account for Customer's share of the Service Fee in accordance with the terms of an AllPaid debit authorization form Customer must complete. Customer must allow AllPaid 30 days to make any changes Customer requests to Service Fee responsibility.

3. Terms and Conditions Applicable to Criminal Justice-Related, Cash Bail/Bond, and Fines & Other Payments.

- 3.1 **Service Requests.** Customer is responsible for advising AllPaid as to the types of payments Customer desires to include in its Payment Services and shall coordinate directly with AllPaid for service implementation or discontinuation. **CUSTOMER IS NOT OBLIGATED TO USE ANY OF THE PAYMENT SERVICES.** Payment Services for Criminal Justice-Related Payments, Cash Bail/Bond Payments, and Fines & Other Payments will be provided through the service and equipment modes available for each payment type or category from time-to-time. Customer may at any time (i) authorize AllPaid to accept additional categories or specific types of payments within the above categories; (ii) cancel the processing of any types of payments; (iii) modify the service or equipment modes (from among Internet, telephone, Internet and telephone, *Gov\$wipe*[®], etc.); (iv) modify the account(s) to which AllPaid shall direct payments to Customer or specify settlement by mailed check; or (v) add other agencies, departments or sub-agencies ("Additional Agencies") to, or delete Additional Agencies from Customer's use of any Payment Services and equipment (provided, however, that the Payment Services for any Additional Agency are within the scope of this Amendment and documented to AllPaid's satisfaction) by specifying all such changes to the AllPaid in writing. Any such changes will be subject to the AllPaid's acknowledgment and acceptance in writing. For purposes of section 2 and this subsection, "in writing" shall include an email originating from Customer's or AllPaid's official email address as the case may be.

3.2 **Use of Gov\$wipe.** If Customer requests *Gov\$wipe*, AllPaid will provide Customer with card readers and peripheral equipment (cables, etc.), which are and will remain the property of AllPaid. Customer understands that card readers are embedded with proprietary technology ("Firmware"). AllPaid grants Customer a license to use such card readers and Firmware for the duration of the services provided under this Payment Services Schedule. Customer's use of card readers and Firmware shall be limited to the purposes of this Payment Services Schedule. Acceptance and use of card readers does not convey to Customer any title, patent, copyright or other proprietary right in or to the Firmware. At all times, AllPaid or its suppliers retain all rights to the Firmware, including but not limited to updates, enhancements, and additions. Customer shall not attempt to access or disclose the Firmware to any party, or transfer, copy, license, sub-license, modify, translate, reverse engineer, decompile, disassemble, tamper with, or create any derivative work based on Firmware.

Customer will use reasonable care to protect card readers from loss, theft, damage or any legal encumbrance. AllPaid shall provide card readers and installation instructions at service implementation and when providing any replacement or additional card readers by shipment to a location Customer designates or, at AllPaid's option, Customer will allow AllPaid and its designated representatives reasonable access to Customer's premises for training purposes and device installation, repair, removal, modification, upgrades, and relocation.

Card readers for use with *Gov\$wipe* are designed to communicate cardholder data to AllPaid through Customer's computing equipment to which they are cable-attached via USB port. Internet access to AllPaid is required for transaction processing via *Gov\$wipe* and is enabled solely by Customer's computers and networks. Customer is responsible to use standard safeguards and practices to keep its computers and networks secure and free from malicious software or hardware. Neither AllPaid nor Provider shall be held liable to Customer for exposure of Customer's computers or networks to malicious software or hardware of any kind. AllPaid is solely responsible for the maintenance of any card readers and shall supply Customer with replacement card readers on Customer's request and as AllPaid deems appropriate. Upon termination of the Agreement or the services provided under this Payment Services Schedule, AllPaid may require Customer to return card readers at AllPaid's expense and by such method as AllPaid specifies.

3.3 AllPaid shall provide Customer with participation procedures that Customer must follow in using AllPaid's payment services.

4. Compliance. AllPaid shall be responsible for complying with all laws, regulations, or industry rules applicable to its services including money transmission laws and regulations found by government officials to be applicable. Customer shall only use the Payment Services for legal purposes and shall not use the Payment Services in any way that violates laws, ordinances, or regulations applicable to Customer. Customer will reasonably cooperate with AllPaid in good faith to minimize potential illegal use of the Payment Services and shall cooperate with reasonable AllPaid requests for information related to potential fraud or abuse. AllPaid reserves the right to adjust service and security levels as AllPaid reasonably deems necessary to maintain payment security and integrity.

5. Limited Agency. Customer and AllPaid agree that AllPaid is to act as Customer's agent for the limited purpose of receiving payments from Payers on Customer's behalf and Customer expressly authorizes AllPaid to act as its agent for the receipt of Payer funds. Payment from the Payer to AllPaid by use of AllPaid's payment processing services shall be considered payment to Customer, extinguishing the Payer's payment obligation to Customer (in the amount paid by the Payer) as if the Payer had paid Customer directly, subject to any right Customer has to reject such transaction. AllPaid, and not the individual Payer, is solely liable to Customer for Payer funds if AllPaid fails to remit funds to Customer from Payers using AllPaid's services and AllPaid accepts such appointment subject to any conditions and limitations in the Agreement. AllPaid shall provide Customer with training, documentation, and electronic and telephonic support at AllPaid's expense. AllPaid shall cause funds to be forwarded electronically to such account as Customer designates within two banking days after transaction authorization. AllPaid shall provide Customer with participation procedures that Customer must follow in using AllPaid's payment services.

6. Disputes and Chargebacks. AllPaid shall be responsible, per the transaction type, for handling all transaction disputes raised by Payers associated with the use of the Payment Services. AllPaid shall further be responsible for all chargebacks initiated not more than 180 days after the completion of a transaction. If AllPaid determines that a chargeback may be inappropriate, AllPaid expects Customer to provide reasonable assistance in any challenge AllPaid

makes to the chargeback. AllPaid reserves the right to adjust service and security levels as AllPaid reasonably deems necessary to maintain payment security and integrity. **THE FOREGOING GUARANTEE DOES NOT APPLY TO BAIL PAYMENTS MADE TO LOCALES IN COLORADO OR TO ANY PAYMENT TO LOCALES IN MONTANA MADE UNDER THIS PAYMENT SERVICES SCHEDULE.**

7. Implementation and Documentation. Availability of Payment Services is further conditioned on Customer's completion of forms and authorizations AllPaid provides to Customer that are required for establishing and operating the Payment Services. Customer use of the Payment Services shall be subject to any user manuals and documentation AllPaid provides.

8. Awareness. Customer agrees to work with AllPaid, as appropriate, to notify and inform Payers about the Payment Services through posters, flyers, and Customer's website.

9. Indemnification and Disclaimers. With respect to the Payment Services, AllPaid shall indemnify and save harmless Customer, its agents, officers, and employees from responsibility or liability for all damages, costs, expenses, (including reasonable attorney fees and defense costs) relating to death or bodily injury or damages to physical property directly resulting from providing such Payment Services. **NEITHER PROVIDER NOR ALLPAID ACCEPT RESPONSIBILITY FOR SECURITY OF DATA ON SYSTEMS OTHER THAN THOSE CONTROLLED BY PROVIDER OR ALLPAID. A waiver of any portion of this Payment Services Schedule must be in writing and signed by the party to be charged and shall not be deemed a waiver or renunciation of any other portions. Rights and obligations under this Payment Services Schedule which by their nature should survive will remain in effect after termination or expiration of the Agreement or termination of the Payment Services. In the event that any provision of this Payment Services Schedule is adjudicated by any court of competent jurisdiction to be invalid, illegal, void, or unenforceable, all other provisions of this Payment Services Schedule shall remain in full force and effect.

CITY COUNCIL AGENDA ITEM REPORT

DATE: October 9, 2023

SUBMITTED BY: Assistant Police Chief Jim Lawless, Police

ITEM TYPE: Agreement

AGENDA SECTION: **Consent**

SUBJECT: Interagency Agreement between the City and the Washington Traffic Safety Commission regarding participation in and grant funding associated with the Target Zero Task Force

SUGGESTED ACTION: Recommended Motion: I move to authorize the Mayor to sign and execute this interagency agreement as presented.

SUMMARY: The Marysville Police Department has historically participated to varying degrees in the Target Zero Task Force, where in the goal is to “reduce the number of serious injury/fatality collisions through active, visible, consistent and targeted traffic law enforcement.” This is to be accomplished through High Visibility Enforcement (HVE) campaigns scheduled throughout the year (approximately 15 events), to include media campaigns and targeted emphasis enforcement focused on distracted driving, DUI, and motorcycle violations. This agreement allows us to participate and receive grant funding for reimbursement of officer overtime earned during the events, as well as associated training. This agreement covers the 2024 grant period.

This interagency agreement has been reviewed by the City Attorney and approved as to form.

INTERAGENCY AGREEMENT

BETWEEN THE

Washington Traffic Safety Commission

AND

The City of Marysville

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as "WTSC," and The City of Marysville, hereinafter referred to as "SUB-RECIPIENT."

NOW THEREFORE, in consideration of the authority provided to WTSC in RCW 43.59 and RCW 39.34, terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the parties mutually agree as follows:

1. PURPOSE OF THE AGREEMENT:

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listings Catalog of Federal Domestic Assistance (CFDA) number 20.600 for traffic safety grant project 2024-HVE-5120-Region 10 Target Zero Task Force, specifically to provide funding for the law enforcement agencies in WTSC Region 10 to conduct straight time or overtime enforcement activities (traffic safety emphasis patrols) as outlined in the Statement of Work (SOW), in support of Target Zero priorities. The Target Zero Manager (TZM) and/or the Law Enforcement Liaison (LEL) shall coordinate the SOW with the SUB-RECIPIENT with the goal of reducing traffic crashes.

Grant 2024-HVE-5120-Region 10 Target Zero Task Force was awarded to the WTSC Region 10 to support collaborative efforts to conduct HVE activities. By signing this agreement, the SUB-RECIPIENT can seek reimbursement for straight time or overtime for approved law enforcement activity expenses incurred as a participant in the region's HVE grant.

2. PERIOD OF PERFORMANCE

The period of performance of this Agreement shall commence upon the date of execution by both parties, but not earlier than October 1, 2023, and remain in effect until September 30, 2024 unless terminated sooner, as provided herein.

3. SCOPE OF WORK

3.1.1 Problem ID and/or Opportunity

The main causes of serious injury and fatality collisions on Washington's roadways are driver impairment through drug and/or alcohol use, speeding, occupant restraint mis/nonuse, and distraction. Fatalities have increased almost 40 percent since 2019. Despite a very high seat belt use rate (greater than 90% for many years in a row), the number of unrestrained fatalities

and serious injuries have increased to the highest number since before 2010. Since 2019, unrestrained fatalities have increased over 40 percent. Motorcyclists also represent a high number of injured and killed because of unsafe and poorly trained riders and the challenges vehicle drivers face in observing motorcycles on the road.

Washington has seen a drastic decrease in proactive enforcement of traffic laws. This decrease is due to a myriad of factors, include the COVID-19 pandemic, political actions to update laws that reduce an officer's ability to stop drivers,

This project will fund locally coordinated enforcement mobilizations to address impaired driving, distracted driving, seat belt safety, speeding, and motorcycle safety. Funding and events will be organized by local Target Zero Managers (TZMs) & the statewide Law Enforcement Liaison networks and their local Target Zero Task Force. These patrols will also be coordinated with the Washington State Patrol (WSP). Target Zero Managers will establish or strengthen relationships with key WSP district personnel to improve interagency coordination.

3.1.2 Project Purpose and Strategies

This project will fund High Visibility Enforcement (HVE) and Traffic Safety Enforcement Program (TSEP) patrols to prevent impaired driving, distracted driving, seat belt use, speeding, and motorcycle safety.

High Visibility Enforcement (HVE) and Traffic Safety Enforcement Program (TSEP) patrols are designed to create deterrence by increasing the expectation of a citation/fine/arrest. Officers may also remove high risk (impaired) drivers when encountered. So together, this countermeasure works by preventing dangerous driving behaviors and stopping those who still decide to engage in those behaviors.

Funding and events will be organized by local TZMs, LELs, and their local Target Zero Task Force. Task forces will use local data and professional judgement to determine enforcement priorities for their jurisdictions and will schedule and plan enforcement and outreach activities. Regional participation in the following National Campaigns is mandatory:

- Impaired driving enforcement during the Holiday DUI campaign (December 2023).
- Distracted driving enforcement during the Distracted Driving campaign (April 2024)
- Seat belt enforcement during the Click It or Ticket campaign (May 2024).
- Impaired driving enforcement during the Summer DUI campaign (August 2024).

These patrols will also be coordinated with the Washington State Patrol (WSP). Target Zero Managers will establish or strengthen relationships with key WSP district personnel to improve interagency coordination with the WSP.

3.1.3 Requirements for National Mobilizations and Traffic Safety Enforcement Program (TSEP)

1. HVE events will be data informed; based on crash data, anecdotal evidence, and the professional judgement of task force members. WTSC strongly believes in the expertise of local officers to understand the highest priority areas in their communities to focus their efforts.
2. The SUB-RECIPIENT will ensure that all officers participating in these patrols are BAC certified and have received and passed the SFST refresher training.
3. SUB-RECIPIENT will ensure all officers participating in Impaired Driving patrols have also received Advanced Roadside Impaired Driving Enforcement (ARIDE) training.
4. SUB-RECIPIENT shall ensure all participating personnel will use the WEMS system provided by the WTSC to record all activities in digital activity logs conducted by their commissioned officers pursuant to the HVE events. Participating officers will fill out all applicable fields of the digital activity log and use the comments field to provide details on irregularities, challenges or other details that would help explain what was encountered during their shift. SUB-RECIPIENT will also ensure all supervisors and fiscal staff have the ability to review and edit those activity logs.

5. Activity conducted outside of the quarterly task force operational plans will not be reimbursed.

3.1.4 Project Intent and Best Practice

1. SUB-RECIPIENT is encouraged to help their Region Task Force fulfill the requirement to participate in the four mandatory National Campaigns. (Holiday DUI campaign in December 2023, Distracted Driving campaign in April 2024, Click It or Ticket campaign in May 2024, and Summer DUI campaign in August 2024).

NOTE: Agencies must participate in speed or impaired driving enforcement under this agreement to be eligible to receive funding under the WASPC equipment grant.

2. SUB-RECIPIENT is strongly encouraged to participate in their task force to plan and execute enforcement events.
3. Regional task force will be submitting quarterly operational plans and SUB-RECIPIENT is encouraged to participate to the fullest extent possible. Quarterly operational plans are due October 15, December 15, March 15, and June 15.
4. WTSC encourages participating officers to prioritize violations that directly contribute to the injury and death of road users, such as impaired driving, speeding, distracted driving, non-restraint, etc.
5. SUB-RECIPIENT should promote patrol events through all earned, owned and, if funded, paid media that is available so that the public is made aware of the event before, during, and after the enforcement takes place. It is best practice to translate messages as needed and invite local media involvement in the effort to reach communities in which HVE will occur.
6. SUB-RECIPIENT should strive to actively enforce traffic safety laws focused on collision causing behaviors in priority areas throughout the year outside of HVE events.
7. When participating in motorcycle patrols SUB-RECIPIENT should focus on the illegal and unsafe driving actions of all motor vehicles interacting with motorcycles. This includes speeding, failure to yield to a motorcycle, following too closely to a motorcycle, distracted driving, etc.
8. When participating in motorcycle patrols SUB-RECIPIENT should ensure that enforcement will focus on the illegal and unsafe driving actions of motorcycles that are known to cause serious and fatal crashes. This includes impaired driving, speeding, and following too closely.
9. Performance will be monitored by the regional TSM, LEL, and Task Force, as well as WTSC. WTSC reserves the right to designate specific officers as ineligible for cost reimbursement. This will occur if an officer is determined to not have not met the purpose/intent of this grant in multiple emphasis patrols.
10. Funds can be used to support the mentoring of officers in traffic enforcement. This can be focused on impaired driving, or general traffic enforcement.

For DUI mentorship, WTSC has found it to be best practice to include a mix of instruction and practical experience. The mentor should be a DRE when possible, or a highly effective DUI emphasis patrol officer with a minimum of ARIDE training. Mentor/mentee activities will be pre-approved by the TSM or LEL after the mentee submits their interest.

11. Community outreach/collaboration: Funds can be used to pay for traffic safety focused community outreach and collaboration activities. The operational approach for regional community outreach and collaboration activities should be developed at the Task Force level and be approved by the WTSC. WTSC recommends that these activities include an opportunity for the audience to provide feedback on local traffic safety priorities and activities, which ideally will influence the region's plan for traffic safety programming.

In order to receive funding from this grant, agencies must participate with the regional traffic safety task force/coalition in the planning efforts for these activities.

WTSC also encourages all law enforcement agencies in Washington to utilize WTSC's data analysis resources, such as interactive dashboards and data from a statewide attitudinal survey, as well their regional Target Zero Manager to identify priorities for engaging with the community.

WTSC will provide tools for documenting community collaboration activities, such as the WEMS activity log.

3.1.5 NATIONAL AND STATE-WIDE MOBILIZATIONS

Not all agencies are required to participate in all of these, however the region has committed to participate as a region in all of these. Dates are tentative and may change when NHTSA publishes their FFY2024 mobilization calendar.

Mobilization	Dates
Holiday DUI	December 13, 2023 – January 1, 2024
U Drive. U Text. U Pay.	April 1 – 14, 2024
Click It or Ticket	May 13 – June 2, 2024
It's a Fine Line (optional if funded)	July 5 – 21, 2024

3.2 PROJECT GOALS

Prevent traffic crashes to reduce traffic related deaths and serious injuries through active, visible, consistent, and targeted traffic law enforcement, law enforcement training, and community outreach. Law enforcement can have a profound effect on traffic safety and this project aims to increase participation to accomplish that.

3.3 COMPENSATION

3.3.1 The Compensation for the straight time or overtime work provided in accordance with this Agreement has been established under the terms of RCW 39.34. The cost of accomplishing the work described in the SOW will not exceed dollar total from amounts listed below. Payment for satisfactory performance shall not exceed this amount unless the WTSC and SUB-RECIPIENT mutually agree to a higher amount in a written Amendment to this Agreement executed by both the WTSC and SUB-RECIPIENT. Comp-time is not considered overtime and will not be approved for payment. All law enforcement agencies who are active members of the Region's traffic safety task force with a fully executed grant agreement are eligible to participate in this grant.

3.3.2 WTSC will reimburse for personnel straight time or overtime expenses at 150 percent of the officer's normal salary rate plus SUB-RECIPIENT's contributions to employee benefits, limited to the following:

- FICA
- Medicare
- Any portion of L&I that is paid by the employer (SUB-RECIPIENT)
- Retirement contributions paid by the employer (SUB-RECIPIENT) can be included if the contribution is based on a percentage of their hours worked.

Health insurance, or any other benefits not listed above, are not eligible for reimbursement.

The SUB-RECIPIENT will provide law enforcement officers with appropriate equipment (e.g., vehicles, radars, portable breath testers, etc.) to participate in the emphasis patrols.

3.3.3 Funding alterations are permitted as follows: Upon agreement by the regional TZM and all other parties impacted by a proposed budget alteration, the budget category amounts may be increased or decreased without amending this

agreement, so long as the total grant award amount does not increase. HVE grant funds should be managed collaboratively by the SUB-RECIPIENT and the TZM.

These alterations must be requested through email communication between the regional TZM and assigned WTSC Program Manager. This communication shall include details of the requested budget modifications and a description of why these changes are needed. The TZM will also send an updated quarterly Operations Plan to the WASPC representative monitoring the project if the budget modification will result in changes to the previously submitted plan.

- 3.3.4 These funds, designated for salaries and benefits, are intended to pay for the hourly straight time or overtime costs and proportional amounts of fringe benefits of commissioned staff pursuing the activities described in the statement of work. These funds may not be used for any other purpose for example any work required to maintain a law enforcement commission including recertification trainings like firearm qualification. This agreement is expressly designated to fund salaries and benefits. By signing this agreement, SUB-RECIPIENT agrees to supply all necessary equipment and vehicles needed to accomplish the work in the scope of work. WTSC is not responsible for any equipment that is lost, stolen, or destroyed in the execution of the scope of work.
- 3.3.5 Dispatch: WTSC will reimburse communications officers/dispatch personnel for work on this project providing SUB-RECIPIENT has received prior approval from their region's TZM. This activity must be overtime and only the expenses listed in section 3.2 and its subsections will be reimbursed.
- 3.3.6 Transport Officers: WTSC will reimburse transport officers for their work on this project providing SUB-RECIPIENT has received approval from their regions TZM. The TZM will work with the regional LEL to determine if need is warranted for the type of HVE activity. This activity must be overtime and only the expenses listed in section 3.2 and its subsections will be reimbursed.
- 3.3.7 The law enforcement agency involved will not schedule individual officer overtime shifts for longer than eight hours. WTSC understands there may be instances when more than eight hours are billed due to DUI processing or other reasons and an explanation should be provided on the WEMS Officer Activity Log.
- 3.3.8 The law enforcement agency involved will ensure that any reserve officer for whom reimbursement is claimed has exceeded his/her normal weekly working hours when participating in an emphasis patrol and is authorized to be paid at the amount requested. Reserve officers may only be paid at the normal hourly rate and not at the 150 percent overtime rate.

3.4 PROJECT COSTS

The WTSC has awarded \$165,000.00 to the WTSC Region 10 Traffic Safety Task Force for the purpose of conducting coordinated HVE enforcement and community outreach/collaboration activities. The funding must be used for traffic safety purposes in the areas of impaired driving, distracted driving, occupant restraint use, speeding, and motorcycle safety. See the project in WEMS for an updated distribution of funding by specific emphasis area.

By signing this agreement, the SUB-RECIPIENT can seek reimbursement for approved straight time or overtime expenses incurred as a participant in this grant. Funds are expressly designated for staffing activities and may not be used for other expenses that may be incurred, such as vehicle damage, supply replacement, etc. All activity must be coordinated by the region's traffic safety task force and TZM to be eligible for reimbursement.

APPLICABLE STATE AND FEDERAL TERMS AND CONDITIONS:

4. ACTIVITY REPORTS

The SUB-RECIPIENT agrees to have all personnel who work HVE patrols submit a WEMS Officer Activity Log within 24 hours of the end of all shifts worked. These same logs will be associated with invoices as detailed in the "BILLING PROCEDURE" section. Use of the Officer Activity Log in the WTSC's online grant management system, WEMS, is required. Supervisor review and accuracy certification will also be done in WEMS.

5. ADVANCE PAYMENTS PROHIBITED

No payments in advance of or in anticipation of goods or services to be provided under this Agreement shall be made by the WTSC.

6. AGREEMENT ALTERATIONS AND AMENDMENTS

This Agreement may be amended by mutual agreement of the Parties in the form of a written request to amend this Agreement. Such amendments shall only be binding if they are in writing and signed by personnel authorized to bind each of the Parties. Changes to the budget, SUB-RECIPIENT'S Primary Contact, and WTSC Program Manager can be made through email communication and signatures are not required.

7. ALL WRITINGS CONTAINED HEREIN

This Agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.

8. ASSIGNMENT

The SUB-RECIPIENT may not assign the work to be provided under this Agreement, in whole or in part, without the express prior written consent of the WTSC, which consent shall not be unreasonably withheld. The SUB-RECIPIENT shall provide the WTSC a copy of all third-party contracts and agreements entered into for purposes of fulfilling the SOW. Such third-party contracts and agreements must follow applicable federal, state, and local law, including but not limited to procurement law, rules, and procedures. If any of the funds provided under this Agreement include funds from NHTSA, such third-party contracts and agreements must include the federal provisions set forth in this Agreement in sections 32 through 40.

9. ATTORNEYS' FEES

In the event of litigation or other action brought to enforce the Agreement terms, each party agrees to bear its own attorney fees and costs.

10. BILLING PROCEDURE

All invoices for reimbursement of HVE activities will be done using the WTSC's grant management system, WEMS. WEMS Officer Activity logs will be attached to invoices, directly linking the cost of the activity to the invoice. Because the activity, approval, and invoicing are all done within WEMS, no back up documentation is required in most cases.

Once submitted by the SUB-RECIPIENT, invoices are routed to the regional TZM for review and approval. The TZM will submit all approved invoices to the WTSC via WEMS within 10 days of receipt.

Payment to the SUB-RECIPIENT for approved and completed work will be made by warrant or account transfer by WTSC within 30 days of receipt of such properly documented invoices acceptable to WTSC. Upon expiration of the Agreement, any claim for payment not already made shall be submitted within 45 days after the expiration date of this Agreement. All invoices for goods received or services performed on or prior to June 30, 2024, **must be received by WTSC no later than August 10, 2024**. All invoices for goods received or services performed between July 1, 2024 and September 30, 2024, **must be received by WTSC no later than November 15, 2024**.

11. CONFIDENTIALITY / SAFEGUARDING OF INFORMATION

The SUB-RECIPIENT shall not use or disclose any information concerning the WTSC, or information which may be classified as confidential, for any purpose not directly connected with the administration of this Agreement, except with prior written consent of the WTSC, or as may be required by law.

12. COST PRINCIPLES

Costs incurred under this Agreement shall adhere to provisions of 2 CFR Part 200 Subpart E.

13. COVENANT AGAINST CONTINGENT FEES

The SUB-RECIPIENT warrants that it has not paid, and agrees not to pay, any bonus, commission, brokerage, or contingent fee to solicit or secure this Agreement or to obtain approval of any application for federal financial assistance for this Agreement. The WTSC shall have the right, in the event of breach of this section by the SUB-RECIPIENT, to annul this Agreement without liability.

14. DISPUTES

14.1. Disputes arising in the performance of this Agreement, which are not resolved by agreement of the parties, shall be decided in writing by the WTSC Deputy Director or designee. This decision shall be final and conclusive, unless within 10 days from the date of the SUB-RECIPIENT's receipt of WTSC's written decision, the SUB-RECIPIENT furnishes a written appeal to the WTSC Director. The SUB-RECIPIENT's appeal shall be decided in writing by the Director or designee within 30 days of receipt of the appeal by the Director. The decision shall be binding upon the SUB-RECIPIENT and the SUB-RECIPIENT shall abide by the decision.

14.2. Performance During Dispute. Unless otherwise directed by WTSC, the SUB-RECIPIENT shall continue performance under this Agreement while matters in dispute are being resolved.

14.3 In the event that either Party deems it necessary to institute legal action or proceedings to enforce any right or obligation under this Agreement, the Parties hereto agree that any such action or proceedings shall be brought in the superior court situated in Thurston County, Washington.

15. GOVERNANCE

15.1. This Agreement is entered into pursuant to and under the authority granted by the laws of the state of Washington and any applicable federal laws. The provisions of this Agreement shall be construed to conform to those laws.

15.2. In the event of an inconsistency in the terms of this Agreement, or between its terms and any applicable statute or rule, the inconsistency shall be resolved by giving precedence in the following order:

15.2.1. Applicable federal and state statutes and rules

15.2.2. Terms and Conditions of this Agreement

15.2.3. Any Amendment executed under this Agreement

15.2.4. Any SOW executed under this Agreement

15.2.5. Any other provisions of the Agreement, including materials incorporated by reference

16. INCOME

Any income earned by the SUB-RECIPIENT from the conduct of the SOW (e.g., sale of publications, registration fees, or service charges) must be accounted for, reported to WTSC, and that income must be applied to project purposes or used to reduce project costs.

17. INDEMNIFICATION

17.1. To the fullest extent permitted by law, the SUB-RECIPIENT shall indemnify and hold harmless the WTSC, its officers, employees, and agents, and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs of whatsoever kind ("claims") brought against WTSC arising out of or in connection with this Agreement and/or the SUB-RECIPIENT's performance or failure to perform any aspect of the Agreement. This indemnity provision applies to all claims against WTSC, its officers, employees, and agents arising out of, in connection with, or incident to the acts or omissions of the SUB-RECIPIENT, its officers, employees, agents, contractors, and subcontractors. Provided, however, that nothing herein shall require the SUB-RECIPIENT to indemnify and hold harmless or defend the WTSC, its agents, employees, or officers to the extent that claims are caused by the negligent acts or omissions of the WTSC, its officers, employees or agents; and provided further that if such claims result from the concurrent negligence of (a) the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors, and (b) the WTSC, its officers, employees, or agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the SUB- RECIPIENT, its officers, employees, agents, contractors, or subcontractors.

17.2. The SUB-RECIPIENT agrees that its obligations under this Section extend to any claim, demand and/or cause of action brought by, or on behalf of, any of its employees or agents in the performance of this agreement. For this purpose, the SUB-RECIPIENT, **by mutual negotiation**, hereby waives with respect to WTSC only, any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions chapter 51.12 RCW.

17.3. The indemnification and hold harmless provision shall survive termination of this Agreement.

18. INDEPENDENT CAPACITY

The employees or agents of each party who are engaged in the performance of this Agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party.

19. INSURANCE COVERAGE

19.1. The SUB-RECIPIENT shall comply with the provisions of Title 51 RCW, Industrial Insurance, if required by law.

19.2. If the SUB-RECIPIENT is not required to maintain insurance in accordance with Title 51 RCW, prior to the start of any performance of work under this Agreement, the SUB-RECIPIENT shall provide WTSC with proof of insurance coverage (e.g., vehicle liability insurance, private property liability insurance, or commercial property liability insurance), as determined appropriate by WTSC, which protects the SUB-RECIPIENT and WTSC from risks associated with executing the SOW associated with this Agreement.

20. LICENSING, ACCREDITATION, AND REGISTRATION

The SUB-RECIPIENT shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary for the performance of this Agreement. The SUB-RECIPIENT shall complete registration with the Washington State Department of Revenue, if required, and be responsible for payment of all taxes due on payments made under this Agreement.

21. RECORDS MAINTENANCE

21.1. During the term of this Agreement and for six years thereafter, the SUB-RECIPIENT shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended in the performance of the services described herein. These records shall be subject to inspection, review, or audit by authorized personnel of the WTSC, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration. The Office of the State Auditor, federal

auditors, the WTSC, and any duly authorized representatives shall have full access and the right to examine any of these materials during this period.

21.2. Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving them a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

22. RIGHT OF INSPECTION

The SUB-RECIPIENT shall provide right of access to its facilities to the WTSC or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Agreement. The SUB-RECIPIENT shall make available information necessary for WTSC to comply with the right to access, amend, and receive an accounting of disclosures of their Personal Information according to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations enacted or revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The SUB-RECIPIENT shall upon request make available to the WTSC and the United States Secretary of the Department of Health and Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this Agreement.

23. RIGHTS IN DATA

23.1. WTSC and SUB-RECIPIENT agree that all data and work products (collectively called "Work Product") pursuant to this Agreement shall be considered works made for hire under the U.S. Copyright Act, 17 USC §101 et seq., and shall be owned by the state of Washington. Work Product includes, but is not limited to, reports, documents, pamphlets, advertisement, books, magazines, surveys, studies, computer programs, films, tapes, sound reproductions, designs, plans, diagrams, drawings, software, and/or databases to the extent provided by law. Ownership includes the right to copyright, register the copyright, distribute, prepare derivative works, publicly perform, publicly display, and the ability to otherwise use and transfer these rights.

23.2. If for any reason the Work Product would not be considered a work made for hire under applicable law, the SUB-RECIPIENT assigns and transfers to WTSC the entire right, title, and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof.

23.3. The SUB-RECIPIENT may publish, at its own expense, the results of project activities without prior review by the WTSC, provided that any publications (written, visual, or sound) contain acknowledgment of the support provided by NHTSA and the WTSC. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

24. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30-day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

25. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

26. SITE SECURITY

While on WTSC premises, the SUB-RECIPIENT, its agents, employees, or sub-contractors shall conform in all respects with all WTSC physical, fire, or other security policies and applicable regulations.

27. TAXES

All payments of payroll taxes, unemployment contributions, any other taxes, insurance, or other such expenses for the SUB-RECIPIENT or its staff shall be the sole responsibility of the SUB-RECIPIENT.

28. TERMINATION FOR CAUSE

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation, and may terminate this Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15- day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

29. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, either party may terminate this Agreement, without cause or reason, with 30 days written notice to the other party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

30. TREATMENT OF ASSETS

30.1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the SUB-RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

30.3. The SUB-RECIPIENT shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the SUB-RECIPIENT or which results from the failure on the part of the SUB-RECIPIENT to maintain and administer that property in accordance with sound management practices.

30.4. If any WTSC property is lost, destroyed, or damaged, the SUB-RECIPIENT shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.

30.5. The SUB-RECIPIENT shall surrender to the WTSC all property of the WTSC upon completion, termination, or cancellation of this Agreement.

30.6. All reference to the SUB-RECIPIENT under this clause shall also include SUB-RECIPIENT's employees, agents, or sub- contractors.

31. WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement.

APPLICABLE CERTIFICATIONS AND ASSURANCES FOR HIGHWAY SAFETY GRANTS (23 CFR PART 1300 APPENDIX A):

32. BUY AMERICA ACT

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

33. DEBARMENT AND SUSPENSION

Instructions for Lower Tier Certification

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the "lower tier participant") is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1200.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, civil judgement, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded, as used in this clause, are defined in 2 CFR parts 180 and 1200.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by WTSC.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for

lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1200.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 33.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

34. THE DRUG-FREE WORKPLACE ACT OF 1988 (41 U.S.C. 8103)

34.1. The SUB-RECIPIENT shall:

Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the SUB-RECIPIENT's workplace, and shall specify the actions that will be taken against employees for violation of such prohibition.

34.1.2. Establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace; the SUB- RECIPIENT's policy of maintaining a drug-free workplace; any available drug counseling, rehabilitation, and employee assistance programs; and the penalties that may be imposed upon employees for drug violations occurring in the workplace.

34.1.3. Make it a requirement that each employee engaged in the performance of the grant be given a copy of the statement required by paragraph 34.1.1. of this section.

34.1.4. Notify the employee in the statement required by paragraph 34.1.1. of this section that, as a condition of employment under the grant, the employee will abide by the terms of the statement, notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction, and notify the WTSC within 10 days after receiving notice from an employee or otherwise receiving actual notice of such conviction.

34.1.5. Take one of the following actions within 30 days of receiving notice under paragraph 34.1.3. of this section, with respect to any employee who is so convicted: take appropriate personnel action against such an employee, up to and including termination, and/or require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

34.1.6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of all of the paragraphs above.

35. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)

In accordance with FFATA, the SUB-RECIPIENT shall, upon request, provide WTSC the names and total compensation of the five most highly compensated officers of the entity, if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in federal awards, received \$25,000,000 or more in annual gross revenues from federal awards, and if the public does not have access to information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986.

36.1.2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

36.1.3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grant, loans, and cooperative agreements), and that all sub-recipients shall certify and disclose accordingly.

36.2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

37.1.3. To keep and permit access to its books, records, accounts, other sources of information, and its facilities as required by the WTSC, USDOT, or NHTSA in a timely, complete, and accurate way. Additionally, the SUB-RECIPIENT must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance

37.1.4. That, in the event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding Agreement, the WTSC will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies, and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part.

37.1.5. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

41. CERTIFICATION ON CONFLICT OF INTEREST

41.1. No employee, officer or agent of the SUB-RECIPIENT who is authorized in an official capacity to negotiate, make, accept or approve, or to take part in negotiating, making, accepting or approving any subaward, including contracts or subcontracts, in connection with this grant shall have, directly or indirectly, any financial or personal interest in any such subaward. Such a financial or personal interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or personal interest in or a tangible personal benefit from an entity considered for a subaward.

41.2. Based on this policy:

41.2.1. The SUB-RECIPIENT shall maintain a written code or standards of conduct that provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents. The code or standards shall provide that the SUB-RECIPIENT's officers, employees, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from present or potential sub-awardees, including contractors or parties to subcontracts and establish penalties, sanctions or other disciplinary actions for violations, as permitted by State or local law or regulation.

SUBMITTED BY: CD Director Haylie Miller, Community Development

ITEM TYPE: Discussion Item

AGENDA SECTION: **New Business**

SUBJECT: Duck Regulations Discussion

SUGGESTED ACTION: Discuss duck regulations and provide direction to staff related to next steps.

SUMMARY: Staff proposes changes to regulations associated with fowl including but not limited to chickens, ducks, geese, turkeys and peacocks. Please review the attached staff memorandum for more details.

MEMORANDUM

DATE: October 9, 2023
TO: City Council
FROM: Haylie Miller, CD Director
SUBJECT: Nuisance Code – Duck Regulations

Exhibit 1 – Proposed Code Change
Exhibit 2 – Fowl regulations for neighboring Cities

Introduction:

The City Council discussed regulations associated with ducks and other types of fowl during the work session on October 2. Staff originally proposed to apply the existing regulations pertaining to chickens to a broader category of birds defined as fowl. After discussion, the City Council provided the following feedback and/or questions noted below which are followed by staff's responses in **bold italics**.

Comments/Questions from work session:

1. Turkeys were listed in the code but proposed to be removed. Are turkeys included in the definition for fowl?

Staff response: Turkeys were intended to fall under the category of fowl thus it was removed for redundancy purposes. Staff has listed turkeys under the fowl definition.

2. Has staff confirmed with Mr. Perrella (who provided public comment on this matter) if the changes addressed his concerns?

Staff response: Prior to the October 2nd workshop, Mr. Perrella indicated the code as proposed by staff to Council addressed his concerns. Staff will send the revised memorandum (for October 9th) for review and comment prior to the meeting. Staff is unsure if Mr. Perrella's issue is resolved in the new draft prepared which addresses the feedback from the City Council.

3. Is there a cap on the amount of roosters you can have?

Staff response: Roosters are currently not allowed on lots smaller than one acre. On lots over one acre, there is no limit to roosters. Staff has not observed any issues with the rooster regulations as codified that therefore proposes no changes to this topic.

4. Suggestion provided to limit the amount of each species but increase the total number of fowl allowed. Such as allowing eight total fowl but only two ducks.

Staff response: Staff has incorporated this suggestion in the revised code change in Exhibit 1.

5. Should we limit male ducks? Only allow female ducks?

Staff response: No, staff does not recommend that the code be revised to limit male ducks as there is no other City that has made this distinction based on the research attached in Exhibit 2.

6. What about geese?

Staff response: Staff proposes geese be defined as a fowl. However, the number of geese will be limited within the total allowance of fowl, as proposed.

7. Have there been any complaints about ducks or geese to code enforcement?

Staff response: According to the Police Department, absent this current situation, there have been no complaints within the last two years related to ducks and/or geese. The only duck related call was an animal abuse call.

8. How is a nuisance and/or loud duck handled? Is it treated similar to a loud dog?

Staff Response: MMC 10.04.220 prohibits any animal to unreasonably disturb persons by habitually barking, howling, yelping, whining, or making other oral noises.

Please note, staff anticipates making global changes to the animal control chapter early next year relating to animal licensing, outdated references and definitions. Staff proposes to harmonize noise regulations between MMC 10.04.220 and MMC 6.76.060 when the entire chapter is revised. Staff proposes to only change regulations related to fowl at this time in order to address a recent public comment. Other changes, outside of this topic, will be addressed in the near future.

9. Did we look at Stanwood or neighbors? Can staff research neighboring Cities?

Staff response: Information related to how neighboring Cities handle ducks is presented in Exhibit 2. Notable regulations include:

- **Stanwood allows 1 poultry and/or rabbit per 1,000 square feet of lot area.**
- **Lake Stevens has no maximums for fowl.**
- **Arlington has no maximums established for fowl but requires that fowl enclosures be setback 10 feet from residential structures.**

- **Bellevue considers 6 or less fowl as household pets.**
- **Kirkland allows for 3 fowl regardless of lot size.**
- **Mill Creek and Tukwila allow combinations of multiple fowl type up to 6 for lots that are at least 10,000 SF.**
- **Federal Way has set limitations to protect nearby properties based on four factors which are outlined in Exhibit 2.**

Proposal:

Staff recommends the code change below be reviewed during the October 9th Council meeting. Staff proposes to bring the final ordinance to Council for approval on October 23rd.

Exhibit 1

MMC 10.04.020 Definitions.

"Fowl" means all feathered birds, including all birds kept domestically and all fowl normally raised for meat or eggs, and includes, but is not limited to, female chickens, turkeys, ducks, carrier pigeons, peafowl, homing pigeons, racing pigeons, doves, pheasants, guinea hens and geese. This definition excludes birds kept as household pets, including but not limited to parrots and canaries.

"Rooster" a male chicken.

10.04.340 Location of building – Enclosures must be clean.

(1) Any building inhabited by livestock ~~or fowl~~ shall be located at a minimum distance of 100 feet of any adjoining residence.

(2) All houses, pens or enclosures where ~~chickens, turkeys, geese, ducks, pigeons or other domestic fowl or~~ rabbits are kept shall be kept clean and free from disagreeable odors. No organic materials furnishing food for flies shall be allowed to accumulate on the premises. All manure and other refuse must be kept in tightly covered fly-proof receptacles and disposed of at least once each week in a manner approved by the animal control officer.

10.04.315 Chickens Fowl.

The keeping of ~~chickens~~ fowl for personal use of the household shall be permitted subject to the following:

(1) ~~A maximum of six female chickens may be kept on residential lots less than one acre in size; provided, that roosters are prohibited on lots that are less than one acre in size.~~

(1) The maximum number of fowl which may be kept on residential lots is as follows:

a. Roosters are prohibited on lots that are less than one acre in size.

b. Lots less than one acre:

i. One fowl allowed per 5,000 square feet of property or six fowl, whichever is greater.

ii. The following fowl types are limited to a total of 3 of any combination of: geese, ducks, turkeys, pigeons, peafowl or guinea fowl.

c. Lots over one acre: no limits established.

STAFF NOTE ON THE MAXIMUMS PROPOSED ABOVE: The City Council requested to not reduce what is allowed in code already thus, staff proposes to allow six fowl

per lot, regardless of lot size. Based on feedback from the work session, staff proposes to allow for one additional fowl per every 5,000 square feet. The new calculation allows for a base of 6 fowl up to 8 fowl on lots up to one acre in size. There is also a limit proposed on the amount of ducks, geese, etc., within the total fowl count allowed.

EXAMPLE of scenarios that comply with the proposed code above.

- **1/2 acre lot or less: 6 chickens**
- **1/2 acre lot or less: 3 chickens, 3 ducks**
- **1/2 acre lot or less: 3 chickens, 1 goose, 2 turkeys**

- **3/4 acre lot: 7 chickens**
- **3/4 acre lot: 4 chickens, 2 pigeons, 1 turkey**
- **3/4 acre lot: 4 chickens, 3 turkeys**

- **1 acre: 8 chickens**
- **1 acre: 5 chickens, 3 ducks**
- **1 acre: 5 chickens, 3 geese**

- **1+ acres: no limits. Staff proposes that lots over one acre continue to have no limits (as currently allowed in code). Little to no issues have resulted in that regulation thus far.**

(2) A suitable shelter that is constructed so as to discourage predators shall be provided. The shelter shall be maintained in good working condition.

(a) Shelters, pens, and similar chicken enclosures shall be in the rear yard and shall be set back a minimum of 20 feet from neighboring residentially occupied structures.

(b) Shelters, pens, and similar ~~chicken~~ fowl enclosures shall be kept clean and free from disagreeable odors. No organic materials furnishing food for flies shall be allowed to accumulate on the premises. All manure and other refuse must be kept in tightly covered fly-proof receptacles and disposed of at least once each week in a manner approved by the animal control officer.

(c) ~~Chickens~~ Fowls may roam freely in the rear yard as long as they are contained on the premises by a fence.

(3) ~~Chickens~~ Fowls may be processed on the premises; provided, that the processing occurs in the rear yard out of public view.

(4) Infected ~~Chickens~~ fowls with diseases harmful to humans shall be removed from the premises.

CITY COUNCIL AGENDA ITEM REPORT

DATE: October 9, 2023

SUBMITTED BY: Assistant Police Chief Jim Lawless, Police

ITEM TYPE: Ordinance

AGENDA SECTION: **New Business**

SUBJECT: An **Ordinance** Amending Chapter 2.45 of the Marysville Municipal Code and Reclassifying the Marysville Jail as a Correctional Facility

SUGGESTED ACTION: Recommended Motion: I move to adopt Ordinance No. _____.

SUMMARY: RCW 70.48, the City and County Jails Act was legislated in 1987. This act sets the standards and legislative operational expectations of City and County Jails. About that same time the City of Marysville was building and preparing to move the police department and jail into a new larger facility located at 1635 Grove St. In January 1988 the City of Marysville adopted Ordinance No. 1589 in which a new chapter of the Marysville Municipal Code was enacted, MMC 2.45 "Jail Facilities". Section 2.45.010 adopted the applicable Washington Administrative Code (289) that pertained to **30-day "holding facilities"**.

In June of 2006 WAC 289, Jail Commission, was decodified and all standards and statutory authority were incorporated into RCW 70.48 and other related RCW's.

In May of 2011 the City of Marysville adopted Ordinance No. 2859. In this ordinance the city amended MMC 2.45 entitled "Jail Facilities" to now be entitled "Jail / Detention Facilities". MMC 2.45.010 adopted RCW 70.48 by reference. RCW 70.48.020. (4) defines "Detention facility" a facility operated by a governing unit primarily designed, staffed, and used for the temporary housing of adult persons charged with a criminal offense prior to trial or sentencing and for the housing

of adult persons for purposes of punishment and correction after sentencing or persons **servicing terms not to exceed ninety days**. This is the current designation of the Marysville Jail.

The City of Marysville opened a new Jail facility in May of 2022 at 601 Delta Ave. that is just over 20,000 square feet in size vs. the prior city jail at 1635 Grove St. which was just over 5,000 square feet. This larger, more advanced jail is equipped with new security and safety technology that making for considerably more efficient inmate management. The newer facility has the infrastructure to accommodate a larger inmate population for a longer period of time. It is the request of staff that the new Marysville jail be reclassified as a "Correctional Facility" as defined by RCW 70.48.020. (2) - "Correctional Facility" means a facility operated by a governing unit primarily designed, staffed, and used for the housing of adult persons **servicing terms not exceeding one year** for the purposes of punishment, correction, and rehabilitation following conviction of a criminal offense.

In addition to this change, several other amendments to the ordinance have been made in order to streamline processes for implementing programs within the jail via policies and procedures.

This ordinance was prepared by the City Attorney.

CITY COUNCIL AGENDA ITEM REPORT

DATE: October 9, 2023

SUBMITTED BY: City Attorney Jon Walker, Legal

ITEM TYPE: Ordinance

AGENDA SECTION: **New Business**

SUBJECT: An **Ordinance** of the City Council of the City of Marysville, Washington, Setting Mandatory Minimum Sentences for Certain Crimes Committed by Repeat Offenders, Creating a Crime of Escape in the Third Degree - Absconding from Treatment, and Amending Chapters 6.03 and 6.15 of the Municipal Code

SUGGESTED ACTION: Recommended Motion: I move to adopt Ordinance No. _____.

SUMMARY:

Citizens and businesses in Marysville have been negatively affected by crimes such as theft, criminal trespass, and the public use of illegal drugs and these negative effects include increased public disorder, financial loss, and decreased physical safety. These negative effects discourage the utilization of public amenities in Marysville, discourage business, and negatively affect our residents' quality of life. Sentences for criminal offenses should be proportionate to both the seriousness of the crime and the prior criminal history.

This ordinance identifies theft, criminal trespass, vehicle prowling, and using controlled substances in public as "Public Disorder Crimes." If multiple crimes are committed on the same day, they count as one Public Disorder Crime.

This ordinance sets a mandatory minimum sentence of 30 days for conviction of a Public Disorder Crime after the defendant has been convicted of a Public Disorder Crime twice within the last five years or has had the benefit of an alternative resolution (other than a not guilty verdict) twice within the last five years or a combination. The third conviction must be a crime that is charged on or after the effective date of the ordinance. A defendant sentenced to a mandatory minimum sentence may petition the municipal court to enter treatment.

A defendant otherwise eligible for the municipal court's Mental Health Alternatives Program (MAP) could still enter MAP on a third Public Disorder Crime charge, but would be subject to the mandatory minimum sentence if he or she opted out of the program or failed the program.

This ordinance also creates a crime of escape in the third degree - absconding from treatment. If a person released to treatment by order of the court fails to report to treatment or leaves the treatment facility without a court order, that person is subject to a mandatory minimum of 30 days on the first offense and 90 days on the second offense. The sentence would run consecutively to any remaining time (or suspended time imposed by the court) on the underlying conviction.

MEMO

To: Jennifer Ferrer-Santa Ines and John Nield, City of Marysville
From: Whitney Maher, Government Portfolio Advisors
Date: August 10, 2023
Re: Investment Policy Review and Update 2023

It is a best practice to periodically review and update the City of Marysville Investment Policy. The policy was updated and approved in September 2020. For 2023, GPA is recommending clients move their policies to follow statute more closely in relation to the authorized investments and minimum ratings requirements, etc. We have reviewed the City's policy and are making the following recommended changes:

- Move Policy Statement from Cover Page to Section 3
- Delegation of Authority – updated language, adds Finance Committee
- Safekeeping – added language regarding online access for reconciliation
- Remove split ratings language, replace with Washington State Investment Board language
- Combine US Agency Primary/Secondary into single category US Agency Obligations
- Update Municipal Debt minimum ratings language to align with statute
- Update CP minimum ratings language to align with statute
- Add Supranationals as allowable by statute
- Add Corporate notes as allowable by statute
- Reduce Bank Deposit issuer constraint from 30% to 20% - all balances are required to be PDPC approved, however as a best practice for diversification, GPA recommends reducing
- Update maximum single maturity to 5.5 years as allowable by statute

New language is shown in *italics* below:

- 1) **US Agency Obligations** – combine US Agency Primary and Secondary into single category to follow statute more closely

Original Language:

US Agency Obligations - Primary: Government Sponsored Enterprises (GSEs) – Federal Instrumentality Securities include, but are not limited to Federal National Mortgage Association (FNMA), the Federal Home Loan Mortgage Corporation (FHLMC), Federal Home Loan Banks (FHLB), and the Federal Farm Credit Bureau (FFCB).

US Agency Obligations - Secondary: Other US government sponsored enterprises that are less marketable are considered secondary GSEs. They include, but are not limited to: Private Export Funding Corporation (PEFCO), Tennessee Valley Authority (TVA), Financing Corporation (FICO) and Federal Agricultural Mortgage Corporation, (Farmer Mac).

Updated Language:

US Agency Obligations: US Government Agency Obligations and US Government Sponsored Enterprises (GSEs) which may include, but are not limited to the following: Federal Farm Credit Banks Funding Corporation (FFCB), Federal Home Loan Bank (FHLB), Federal National Mortgage Association (FNMA), Federal Home Loan Mortgage Corporation (FHLMC), and Tennessee Valley Authority (TVA).

- 2) Update Municipal Debt Language** – update minimum ratings requirements and language to follow statute more closely (moves ratings minimum from AA- to A- as allowable).

Original Language:

Municipal Debt Obligations: General Obligation and Revenue bonds in any local government in the State of Washington and General Obligation bonds only on government issuers outside the State of Washington. At the time of investment the bonds must have at a minimum rating of AA- from S&P, Aa3 from Moody's or AA- from Fitch. Debt of the City of Marysville is not required to be rated.

Updated Language:

General Obligation Bonds (GOs): Bonds secured by the pledge of the municipal issuer's full faith and credit, which usually includes unlimited taxing power.

Government Bonds: Securities issued by the federal government; they are obligations of the U.S. Treasury; also known as "government securities."

Interest: Compensation paid or to be paid for the use of money. The rate of interest is generally expressed as an annual percentage.

Investment Funds: Core funds are defined as operating fund balance, which exceeds the City's daily liquidity needs. Core funds are invested out the yield curve to diversify maturity structure in the overall portfolio. Having longer term investments in a portfolio will stabilize the overall portfolio interest earnings over interest rate cycles.

Investment Securities: Securities purchased for an investment portfolio, as opposed to those purchased for resale to customers.

Liquidity: The ease at which a security can be bought or sold (converted to cash) in the market. A large number of buyers and sellers and a high volume of trading activity are important components of liquidity.

Liquidity Component: A percentage of the total portfolio that is dedicated to providing liquidity needs for the City.

LGIP: Local Government Investment Pool run by the State of Washington Treasurer’s office established to help cities with short term investments.

Mark to Market: Adjustment of an account or portfolio to reflect actual market price rather than book price, purchase price or some other valuation.

Municipals: Securities, usually bonds, issued by a state, its agencies, by cities or other municipal entities. The interest on “munis” is usually exempt from federal income taxes and state and local income taxes in the state of issuance. Municipal securities may or may not be backed by the issuing agency’s taxation powers.

Par Value: The value of a security expressed as a specific dollar amount marked on the face of the security or the amount of money due at maturity. Par value should not be confused with market value.

Portfolio: A collection of securities held by an individual or institution.

Prudent Person Rule: A long-standing common-law rule that requires a trustee who is investing for another to behave in the same way as a prudent individual of reasonable discretion and intelligence who is seeking a reasonable income and preservation of capital.

Quotation or Quote: A bid to buy or the lowest offer to sell a security in any market at a particular time.

Repurchase Agreement: Range in maturity from overnight to fixed time to open end. Repos involve a simultaneous sale of securities by a bank or government securities dealer to an investor with an agreement for the bank or government securities dealer to repurchase the securities at a fixed date at a specified rate of interest.

Treasury Bill (T-Bill): An obligation of the U.S. government with a maturity of one year or less. T-bills bear no interest but are sold at a discount.

Treasury Bonds and Notes: Obligations of the U.S. government that bear interest. Notes have maturities of one to ten years; bonds have longer maturities.

Yield: The annual rate of return on an investment, expressed as a percentage of the investment. Income yield is obtained by dividing the current dollar income by the current market price for the security. Net yield, or yield to maturity, is the current income yield minus any premium above par or plus any discount from par in the purchase price, with the adjustment spread over the period from the date of purchase to the date of maturity of the bond.

Yield to Maturity: The average annual yield on a security, assuming it is held to maturity; equals to the rate at which all principal and interest payments would be discounted to produce a present value equal to the purchase price of the bond.
