Director Miller reviewed this item relating to modification of the Unified Development Code.

Councilmember Muller asked why appeals wouldn't come back to the Planning Commission and Council instead of the Hearing Examiner. Director Miller explained this is a normal process for Marysville and is a way to maintain consistency. She suggested discussing this at the planning retreat if there was an interest in changing the process. Councilmember Muller remarked that when it comes to business uses he thinks the Council should be involved, at least in this section of the code. Director Miller discussed safeguards built into the code and explained how the Hearing Examiner process provides balance and fairness in the process.

Councilmember Richards asked how often things go before the Hearing Examiner. Director Miller thought it was approximately 5-10 items a year.

Councilmember Vaughan suggested revisiting this after the planning retreat. CAO Hirashima explained they could do further research regarding appeals of land use interpretation related to this new section. Director Miller suggested waiting to take action on this since there is no rush.

7. Consider an Ordinance Adopting RCW 9.61.260, Cyberstalking, by Reference

City Attorney Walker reviewed this item related to cyberstalking.

8. Consider an Ordinance Amending Chapter 6.56 of the Marysville Municipal Code to Add a Crime of Exposing a Minor Child to Domestic Violence and Providing for a Non-merger of Domestic Violence Crimes

City Attorney Jon Walker introduced this item. Senior Prosecutor Jennifer Millett discussed the far-reaching and complex impacts of domestic violence on children and how this ordinance would address the secondary impacts of domestic violence.

Councilmember James asked if there is a precedence for this with other cities. Ms. Millett explained that Lynnwood and Edmonds have had laws on the books for a while. Auburn, Puyallup and Issaquah have also adopted similar statutes. Councilmember James raised a concern about a recent situation he had heard of. Ms. Millett explained this only would only apply to a person who was committing a crime of domestic

violence. The victim of a violent crime would not be the one charged. Also, the prosecution team has a lot of experience and has the ability to dismiss cases where they don't believe a crime occurred or the wrong party was charged. They also have the ability to specifically tailor the sentence that would be given. City Attorney Walker added that the child would have to be the biological or step child of one of the parties or be residing in the home where it occurs. He acknowledged that it can be complicated, but Marysville's legal staff has extensive experience to understand those complexities.

Councilmember Richards asked how long it would be until the 15-day sentence is imposed. Ms. Millett explained it would begin after they have been convicted which can take 3-6 months or even longer.

Councilmember King asked if this would apply to foster children. City Attorney Walker replied it would apply if they were residing in the household.

9. Consider an Ordinance Amending the 2021-2022 Biennial Budget and Providing for the Increase of Certain Expenditure Items as Budgeted for in Ordinance No. 3160

CAO Hirashima reviewed proposed budget amendments. There were no comments or questions.

He also agreed with Councilmember Muller's concern. He asked whether this would have the signature of the Mayor or the Council President since it was initiated by the Council. City Attorney Walker replied that resolutions generally have signature of the Mayor. He noted that all resolutions are strictly a council undertaking. Regarding the concerns about the language not being more direct, he noted that Marysville is not having some of the problems other departments are because of the way the department has adjusted. Chief Scairpon explained that they are having favorable conversations with legislators, and the approach they wanted to take was one of calling for the action.
