RE: Installation of a new Wireless Communications facility
Site Address: APN # 0064600000202 / , 11435 38TH DRIVE NE, Marysville, WA 9827
AT&T Project No.: SN4998 Quilceda (AT&T)

Dear Community Development:

On behalf of New Cingular Wireless PCS, LLC ("AT&T") we are pleased to submit this request to install a new wireless communication facility in the City of Marysville, as a Conditional Use Permit Application.

Scope of Work

AT&T proposes the following: A new 140 ft. monopine (a 135' monopole camouflaged as a pine tree) with associated antenna equipment capable of supporting 3 additional carriers; a two door equipment cabinet and an emergency back-up generator within a 76'5"x46'6"x73' ft. fenced compound ..

Attachments

AT&T has included the following documents:

- Conditional Use Permit Application Package to include:
 - Land Use Application
- Title Report
- Vicinity Map
- Attachment 1—SEPA Environmental Checklist
- Attachment 2—Project Narrative and Statement of Code Compliance
- Attachment 3—Statement of Code Compliance
- Attachment 4—Zoning Drawings
- Attachment 5—NIER Report
- Attachment 6—Radio Frequency (RF) Justification (Propagation Maps; Service Area Map)
- Attachment 7—Photo Simulations
- Attachment 8-Affidavit of Siting Hierarchy/RF Cover Letter
- Attachment 9-Collocation Agreement Letter
- Attachment 10-Noise Report
- Attachment 11-FAA TOWAIR Determination
-

Once received, please provide required fee amount and electronic payment instructions. Please let me know if there is anything else you require.

Sincerely,

Nancy Sears
