## RESPONSE TO PLANNING DIVISION COMMENTS

1. The project was forwarded the comments provided by Community Transit on 10/28/22 and understand that at this time no revisions to the proposed bus stop relocation along the project frontage on State Avenue. The project will coordinate with Community Transit regarding the future Gold Line Swift Station along the project frontage when additional information is available.
2. Sheet C4.0
  - a. The northern entry access to the employee parking had been revised to the minimum 22' for the previous submittal, however the dimension callout had not been adjusted. This has been corrected in the current plan set.
3. Understood, the project will submit a separate signage permit application.
4. Understood, the project Applicant is in the process of providing a Concurrency Recommendation acceptance letter to the City and will review the revised Snohomish County Traffic Offer when it is provided.
