The Washington Department of Ecology (Ecology) received the following pre-filing meeting request on **10/18/2022**. If a pre-filing meeting is needed, Ecology will be in contact with you. Otherwise, you are welcome to submit a Section 401 Request at least 30 days after the above date.

For future inquiries regarding your project, please use the Aquatics ID number below:

Aquatics ID number: 142113
Project Name: 87th Townhomes
County: Snohomish

Additionally, please visit Ecology's Clean Water Act - Section 401 Water Quality Certifications [webpage](#) for the newest updated forms and information regarding the Section 401 process. If you have further questions, please email us at: ecyrefedpermits@ecy.wa.gov.

Thank you,
Taylor Belisle (she/they)
