Subject: [External!] Sunnyside village co-housing expansion

There is a proposal to build a 32 unit and 64 parking lot in the back of yard of our our housing community. Let me ask you three simple question, would seriously approve this if it was going right next door to your home? Would you want your property value to go down by tens of thousands of dollars? Is the city going to lower the value of our homes and take in less tax revenue?

Please vote against this.
