## **Presentations**

### **A. Volunteer of the Month**

Daryn Bundy received the Volunteer of the Month award for the month of September 2013 for his outstanding community service and volunteerism through his involvement in the Marysville Noon Rotary Club and Interact Program, leadership on the Career & Technical Education General Advisory Council, and his contribution to inspire students in our community to achieve their goals.

### **B. Employee of the Month**

Amy Hess received the Employee of the Month award for the month of September 2013 for her valuable service to the City of Marysville's Utility Billing staff when that department was understaffed. She did an outstanding job of multi-tasking her normal job duties while helping out with Utility Billing Department, doing both exceptionally well.

### **C. Proclamation: Declaring October Breast Cancer Awareness Month**

Mayor Pro Tem Vaughan read the proclamation declaring *October Breast Cancer Awareness Month in Marysville* and urging citizens to support breast cancer research and education, and join in activities that raise awareness about what we can do to prevent breast cancer.

### **D. Spray Park Presentation**

Parks and Recreation Director Jim Ballew welcomed Patrick Dillon from Ecos Design who is the landscape architect responsible for the very successful design of the City of Mt. Vernon spray park. Mr. Dillon gave a 3D presentation of the proposed spray park at Comeford Park.

Councilmember Wright asked about the capacity of the spray park. Director Ballew replied that the facility in Mt. Vernon, which is about the same size as the one proposed in Marysville, sees about 500-700 users a day.

Councilmember Stevens said he thinks this will be a nice addition to the downtown area. He likes how the existing elements have been incorporated into the design and the multi-use aspect of the park.

### **E. Statement of Support for the Guard and Reserve (This item was postponed)**

## **Audience Participation**

Cate Mighell, 15305 West Lake Goodwin Road, discussed the City's moratorium regarding I-502 regulations. She said she has been meeting with high quality investors who want to get involved in this industry, but she is having a hard time getting them to work with her because of the moratorium. She commented that Marysville stands to miss out on this window of opportunity by waiting until April.

Rob Mina, 5615 87<sup>th</sup> Avenue NE, Marysville, echoed Cate's comments. He expressed concern about the City's moratorium and the 30-day waiting period. From a business standpoint he thinks this is a tremendous opportunity to create jobs.

Dave Mills, 8302 82<sup>nd</sup> Avenue NE, Marysville, commented on activity and discussion surrounding I-502 in the area. He stated that people are really looking for direction. He recommended that the City move forward with lifting the moratorium and allowing this type of business.

Mayor Pro Tem Vaughan thanked the three individuals for coming forward to speak. He stated that the Council is putting together a committee to look at this matter. He explained that they hope to have it wrapped up no later than April, but it is possible that they could be done earlier.
