If he does sign, it would take effect immediately. The statute expires July of 2023, and then it will be revisited by the legislature. City Attorney Walker also stated the need for an Executive Session to address two items - one regarding the purchase of real estate and one

regarding a collective bargaining matter. These were expected to take 15 minutes with potential action on both items.

CAO Hirashima gave an update on reopening plans for the building. Departments are working on plans for how they will control the lobby.
