

CITY OF MARYSVILLE AGENDA BILL

EXECUTIVE SUMMARY FOR ACTION

CITY COUNCIL MEETING DATE: 06/09/2014

AGENDA ITEM: Authorizing the surplus of equipment which is no longer compatible with the City's technology infrastructure.	
PREPARED BY: Worth Norton	DIRECTOR APPROVAL: 
DEPARTMENT: Finance / Information Services	
ATTACHMENTS: Resolution No. _____	
BUDGET CODE: 50300090	AMOUNT: 0.00

SUMMARY:

The attached resolution contains a list of technology hardware that is currently inoperable, or obsolete. All of the laptops on this list have been tested and will not run the new Police or Community Development software. All of the servers on this list have been replaced with a new energy efficient virtual server system which also provides additional disaster recovery options.

The City's Information Services Department is committed to green technology based on reduce, reuse, and recycle. First the City will reuse all PCs that can be used in a less demanding situation within the City prior to being surplus if the costs of retaining the PCs are lower than replacing them. Then all PCs that are still in good enough condition will be sold. Only PCs that are damaged or have no useable value will be recycled.

These PCs will be completely cleaned of all data and reformatted with their original operating systems. All purchasers will be required to sign a letter of understanding that PCs are considered hazardous waste and must be disposed of properly.

We expect to be able to auction off some of the PCs using an "eBay style" purchase now or best bid format. This system has been successfully used for eight years and has sold approximately 110 surplus PCs and other miscellaneous technology.

RECOMMENDED ACTION: City staff recommends that the City Council authorizes the Mayor to sign the resolution declaring certain items of personal property to be surplus and authorizing the sale and disposal thereof.
