Together, these grant programs fund a range of preparedness activities, including planning, organization, equipment purchase, training, exercises, and management and administration. The Sub-grantee's preparedness activities (scope), timeline (schedule) and budget are detailed in Exhibits C, D and E.

ARTICLE II -- ADMINISTRATIVE AND/OR FINANCIAL REQUIREMENTS

The Sub-grantee shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by FEMA applicable to the FFY 2014 HSGP Program, including, but not limited to, all criteria, restrictions and requirements of the "Department of Homeland Security Funding Opportunity Announcement FFY 2014 Homeland Security Grant Program" document published by FEMA, the DHS Award Announcement Letter for Grant No. EMW-2014-SS-00016-S01, and the federal regulations commonly applicable to DHS/FEMA grants, which are incorporated herein by reference.

The Sub-grantee acknowledges that since this Agreement involves federal funding, the period of performance described herein will likely begin prior to the availability of appropriated federal funds. The Sub-grantee agrees that it will not hold the County, the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds.

The Sub-grantee agrees that it will not hold the County, the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement or any type of payment if federal funds are not appropriated or in a particular amount.

A. STATE AND FEDERAL REQUIREMENTS FOR DHS/FEMA PREPAREDNESS GRANTS:

The following requirements, which must be met prior to reimbursement, apply to all DHS/FEMA Preparedness Grants administered by the County.

1. REIMBURSEMENT & BUDGET REQUIREMENTS

- a. This is a fixed price, reimbursement Grant Agreement. Within the total Agreement amount, travel, sub-contracts, salaries and wages, benefits, printing, equipment, and other goods and services or other budget categories will be reimbursed on an actual cost basis unless otherwise provided in this Agreement.
- b. Any travel or subsistence reimbursement allowed under the Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050

- c. and RCW 43.03.060 as now existing or amended, but shall not exceed federal maximum rates set forth at <http://www.gsa.gov> without prior written approval by the County or Department key personnel.
- d. Copies of receipts and/or backup documentation for any approved budget line items including travel related expenses that are authorized under this Grant Agreement must be included with the Subgrantee's reimbursement requests. Originals are to be maintained by the Subgrantee and be made available upon request by the County, the Department, and local, state, or federal auditors. The Sub-grantee will submit reimbursement requests to the County's Key Personnel by submitting a properly completed State A-19 Invoice Form and Reimbursement Spreadsheet (in the format provided by the County) detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to the County no later than the due dates listed within the Milestone Timeline (Exhibit D), but not more frequently than monthly.
- e. Any request for extension of a due date will be treated as a request for Amendment of the Agreement and must be submitted to the County's Key Personnel sufficiently in advance of the due date to provide adequate time for County review and consideration, and can be granted or denied within the County's sole discretion and availability within the County's contract approval from the Department.
- f. All work under this Agreement must end on or before the Agreement End Date, and the final reimbursement request must be submitted to the County within 10 working days after the Agreement End Date, except as otherwise authorized by written amendment of the Agreement unless written approval is issued from the County as permitted by amendment.
- g. The maximum amount of all reimbursement requests permitted to be submitted under this Agreement, including the final reimbursement request, is limited to and shall not exceed the total Agreement Amount.
- h. No equipment or supply costs will be reimbursed until the related equipment/supplies have been received by the Sub-grantee and invoiced by the vendor.
- i. Requests for reimbursement of equipment purchases must include a copy of the vendor's invoice and packing slip or a statement signed and dated by the Sub-grantee's authorized representative that states "all items invoiced have been received in good working order, are operational, and have been inventoried according to contract and local procurement requirements".
- j. Failure to timely submit complete reports and reimbursement requests as required by this Agreement (including but not limited to those reports in the Milestone Timeline) will prohibit the Sub-grantee from being reimbursed until such complete reports and reimbursement requests are submitted and the County has had reasonable time to conduct its review.
- k. Final reimbursement requests will not be approved for payment if the Sub-grantee is not current with all reporting requirements contained in this Agreement.
- l. Cumulative changes to budget categories in excess of 10% of the Agreement amount will not be reimbursed without prior written authorization from the County. In no case shall the total budget amount exceed the Agreement amount. Budget categories are as specified or defined on the Budget Sheet Exhibit E of the Agreement. Any changes to

budget categories other than in compliance with this paragraph will not be reimbursed.

- m. The Sub-grantee is to ensure that Federal funds received under this Agreement do not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. The HSGP Program prohibits supplanting, and the Sub-grantee may be required to demonstrate and document that a reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.

2. REPORTING REQUIREMENTS

- a. The Sub-grantee shall submit with each reimbursement request a report describing completed Work Plan activities for which reimbursement is sought in the format provided by the County.
- b. The Sub-grantee shall also comply with the Federal Funding Accountability and Transparency Act (FFATA) and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the County Attachment #1 attached to and made a part of this Agreement.

Allowable equipment categories for the FFY 2014 HSGP Program are listed on the web-based version of the Authorized Equipment List (AEL) located at the DHS Lessons Learned Information Sharing Responder Knowledge Base Home Page sponsored by FEMA at <http://www.llis.dhs.gov/knowledgebase>. Reimbursement will only be provided for purchases of the following equipment: (1) equipment identified on the AEL as applicable to the HSGP program for which the Sub-grantee has received written approval from the Department prior to purchase and, (2) equipment not identified on the AEL as allowable under the HSGP Program for which the Sub-grantee has received written approval from FEMA through the Department prior to purchase. Sub-grantees must contact the Department for assistance in seeking FEMA approval for purchase of equipment not on the AEL. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory and/or FEMA adopted standards to be eligible for purchase using HSGP Program funds. No reimbursement will be provided unless the appropriate prior written approval has been provided.
- b. Upon successful completion of the terms of this Agreement, all equipment purchased through this Agreement will be owned by the Sub-grantee, or a recognized sub-recipient for which a contract, sub-Grant Agreement, or other means of legal transfer of ownership is in place.
- c. The Sub-grantee, or a recognized sub-recipient/sub-contractor, shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment including all questions of liability. - e. Records for equipment shall be retained by the Sub-grantee for a period of six years from the date of the disposition, replacement, or transfer. If any litigation, claim, or audit is started before the expiration of the six year period, the records shall be retained by the Sub-grantee until all litigation, claims, or audit findings involving the records have been resolved.
- f. The Sub-grantee shall take a physical inventory of the equipment and reconcile the results with the property records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by the Sub-grantee to determine the cause of the difference. The Sub-grantee shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.
- g. The Sub-grantee shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage, or theft shall be investigated and a report generated and sent to the County and the Department.
- h. If the Sub-grantee is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return.
- i. When original or replacement equipment is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:
 - i. Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of by the Sub-grantee with no further obligation to the awarding agency.
 - ii. Items of equipment with a current per-unit fair market value of more than \$5,000 may be retained or sold and the Sub-grantee shall compensate the Federal-sponsoring agency for its share.
- j. As a recipient of federal funds, the Sub-grantee must pass on equipment management requirements that meet or exceed the requirements outlined above for all sub-contractors, consultants, and sub-recipients who receive pass-through funding from this Agreement.
- k. The Sub-grantee must obtain and maintain all necessary certifications and licenses for the equipment. Sub-grantees are solely responsible for ensuring equipment eligibility.

The Sub-grantee shall ensure full compliance with FEMA's Environmental Planning and Historic Preservation (EHP) Program.

- a. Sub-grantees proposing projects that have the potential to impact the environment, including but not limited to construction of communication towers, modification or renovation of existing buildings, structures and

facilities, or new construction including replacement of facilities, must participate in the FEMA EHP review process.

- b. The EHP review process involves the submission of a detailed project description that explains the goals and objectives of the proposed project along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.
- c. The Sub-grantee agrees that to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process must be completed before funds are released to carry out the proposed project.

5. PROCUREMENT

The Sub-grantee shall comply with all procurement requirements of 44 CFR Part 13.36, Procurement, and as specified in the General Terms and Conditions, Exhibit B, A.28. All sole source contracts expected to exceed \$100,000 must be submitted to the County for review and approval prior to the Sub-grantee's award and execution of a contract. This requirement must be passed on to all of the Sub-grantee's sub-contractors, at which point the Sub-grantee will be responsible for reviewing and approving their sub-contractors' sole source justifications.

6. SUB-GRANTEE MONITORING

- a. The County will monitor the activities of the Sub-grantee from award to closeout. - c. Monitoring activities may include, but are not limited to:
 - i. review of performance reports;
 - ii. monitoring and documenting the completion of Agreement deliverables;
 - iii. documentation of phone calls, meetings, e-mails and correspondence;
 - iv. review of reimbursement requests and supporting documentation to ensure allowability and consistency with Agreement work plan, budget and federal requirements;
 - v. observation and documentation of Agreement related activities, such as exercises, training, funded events and equipment demonstrations;
 - vi. on-site visits to review equipment records and inventories, to verify source documentation for reimbursement requests and performance reports, and to verify completion of deliverables.
- d. The Sub-grantee is required to meet or exceed the monitoring activities, as outlined above, for all sub-contractors, consultants, and sub-recipients who receive pass-through funding from this Agreement.

7. NIMS COMPLIANCE

- a. The National Incident Management System (NIMS) identifies concepts and principles that answer how to manage emergencies from preparedness to recovery regardless of their cause, size, location, or complexity. NIMS provides a consistent, nationwide approach and

vocabulary for multiple agencies or jurisdictions to work together to build, sustain and deliver the core capabilities needed to achieve a secure and resilient nation.

- b. Consistent implementation of NIMS provides a solid foundation across jurisdictions and disciplines to ensure effective and integrated preparedness, planning, and response.  - d. Percentages applicable to the Sub-grantee under this Grant Agreement may differ from the above overall FFY 20134 HSGP grant stipulations as the requirements apply to the overall grant program:

The Guidance provides helpful information such as how a Sub-grantee can determine the extent of its obligation to provide language services; selecting language services; and elements of an effective plan on language assistance for LEP persons. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance <https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-accesspeople-limited> and additional resources on <http://www.lep.gov>.

Non-federal entities that spend less than \$500,000 a year in federal awards are exempt from federal audit requirements for that year, except as noted in Circular No. A-133. As defined in Circular A-133, the term "non-federal entity" means a State, local government, or non-profit organization, and the term "State" includes Indian tribes. Circular A-133 is available on the OMB Home Page at <http://www.omb.gov>.

Sub-grantees that qualify as subrecipients required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the Comptroller General and the OMB Compliance Supplement. The Sub-grantee has the responsibility of notifying its auditor and

requesting an audit in compliance with Circular A-133, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by Circular A-133.

The Sub-grantee shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any sub-contractors also maintain auditable records.

The Sub-grantee is responsible for any audit exceptions incurred by its own organization or that of its sub-contractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The Sub-grantee must respond to County or the Department's requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The Department reserves the right to recover from the Sub-grantee all disallowed costs resulting from the audit.

Once the single audit has been completed, the Sub-grantee must send a full copy of the audit to the County or the Department and a letter stating there were no findings, or if there were findings, the letter should provide a list of the findings. The Sub-grantee must send the audit and the letter no later than nine (9) months after the end of the Sub-grantee's fiscal year(s) to:

**Regional Coordinator
Snohomish County – Dept. of Emergency Management
720 80th Street SW, Building A
Everett, WA 98203**

In addition to sending a copy of the audit, the Sub-grantee must include a corrective action plan for any audit findings and a copy of the management letter if one was received.

If Sub-grantee claims it is exempt from the audit requirements of Circular A-133, Sub-grantee must send a letter identifying this Grant Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the Sub-grantee fiscal year(s) to the same address shown above. The County retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The Sub-grantee shall include the above audit requirements in any sub-contracts.

Conducting a single or program-specific audit in compliance with Circular A-133 is a material requirement of this Grant Agreement. In the absence of a valid claim of exemption from the audit requirements of Circular A-133, the Sub-grantees failure to comply with said audit requirements may result in one or more of the following actions in the County's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with Circular A-133; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

No other understandings or agreements, written or oral, shall be binding on the parties.

If requested by the County or the Department, the Sub-grantee shall complete and sign a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form. Any such form completed by the Sub-grantee for this Grant Agreement shall be incorporated into this Grant Agreement by reference.

Further, the Sub-grantee agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Sub-grantee certifies that it will ensure that potential sub-contractors or sub-recipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in "covered transactions" by any federal department or agency. "Covered transactions" include procurement contracts for goods or services awarded under a non-procurement transaction (e.g. grant or cooperative agreement) that are expected to equal or exceed \$25,000, and sub-awards to sub-recipients for any amount. With respect to covered transactions, the Sub-grantee may comply with this provision by obtaining a certification statement from the potential sub-contractor or sub-recipient or by checking the System for Award Management (<http://www.sam.gov>) maintained by the federal government. The Sub-grantee also agrees not to enter into any arrangements or contracts with any party on the Washington State Department of Labor and Industries' "Debarred Contractor List" (<http://www.lni.wa.gov/TradesLicensing/PrevWage/AwardingAgencies/DebarredContractors/>).

this certification be included in the award documents for all subawards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into, and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.

A.9 CONFLICT OF INTEREST

No officer or employee of the County; no member, officer, or employee of the Sub-grantee or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of such the Sub-grantee who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Grant Agreement. The Sub-grantee shall incorporate, or cause to incorporate, in all such contracts or subcontracts, a provision prohibiting such interest pursuant to this provision.

A.10 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES

The Sub-grantee and all its contractors shall comply with, and the County is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, executive orders, OMB Circulars, and/or policies. A.26 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN

While the County undertakes to assist the Sub-grantee with the project/statement of work/work plan (project) by providing grant funds pursuant to this Grant Agreement, the project itself remains the sole responsibility of the Sub-grantee. The County undertakes no responsibility to the Sub-grantee, or to any third party, other than as is expressly set out in this Grant Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Sub-grantee, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Sub-grantee shall ensure that all applicable Federal, State, and local permits and clearances are obtained, including but not limited to FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws and executive orders.

The Sub-grantee shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Sub-grantee in connection with the project. The Sub-grantee shall not look to the County, the Department, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including but not limited to cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.27 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Grant Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Grant Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Grant Agreement are declared severable.

A.28 SUB-CONTRACTING

The Sub-grantee shall use a competitive procurement process in the award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The procurement process followed shall be in accordance with 44 CFR Part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, or with OMB Circular A-110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations, as applicable to the Sub-grantee.

The Sub-Grantee must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Sub-Grantee and the County to make a determination on eligibility of project costs.

All sub-contracting agreements entered into pursuant to this Grant Agreement shall incorporate this Grant Agreement by reference.

A.29 SUB-GRANTEE NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Grant Agreement. The Sub-grantee, and/or employees or agents performing under this Grant Agreement are not employees or agents of the County in any manner whatsoever. The Sub-grantee will not be presented as nor claim to be an officer or employee of the County, the Department or of the State of Washington by reason of this Grant Agreement, nor will the Sub-grantee make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the County, the Department or of the State of Washington by reason of this Grant Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Grant Agreement, the Sub-grantee shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the Sub-grantee or its staff required by statute or regulation that are applicable to Grant Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Grant Agreement, the Sub-grantee may terminate this Grant Agreement by providing written notice of such termination to the County's Key Personnel identified in the Grant Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Grant Agreement, the County, in its sole discretion and in the best interests of the State of Washington, may terminate this Grant Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the Sub-grantee. Upon notice of termination for convenience, the County reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Sub-grantee from incurring additional obligations of funds. In the event of termination, the Sub-grantee shall be

liable for all damages as authorized by law. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR CAUSE

In the event the County, in its sole discretion, determines the Sub-grantee has failed to fulfill in a timely and proper manner its obligations under this Grant Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Sub-grantee unable to perform any aspect of the Grant Agreement, or has violated any of the covenants, agreements or stipulations of this Grant Agreement, the County has the right to immediately suspend or terminate this Grant Agreement in whole or in part.

The County may notify the Sub-grantee in writing of the need to take corrective action and provide a period of time in which to cure. The County is not required to allow the Sub-grantee an opportunity to cure if it is not feasible as determined solely within the County's discretion. Any time allowed for cure shall not diminish or eliminate the Sub-grantee liability for damages or otherwise affect any other remedies available to the County. If the County allows the Sub-grantee an opportunity to cure, the County shall notify the Sub-grantee in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the County, or if such corrective action is deemed by the County to be insufficient, the Grant Agreement may be terminated in whole or in part.

The County reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Sub-grantee from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Sub-grantee, if allowed, or pending a decision by the County to terminate the Grant Agreement in whole or in part.

In the event of termination, the Sub-grantee shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Grant Agreement and the replacement or cover Grant Agreement and all administrative costs directly related to the replacement Grant Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the County provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the Sub-grantee: (1) was not in default or material breach, or (2) failure to perform was outside of the Sub-grantee's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

A.33 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the County terminates this Grant Agreement, the Sub-grantee shall follow any procedures specified in the termination notice. Upon termination of this Grant Agreement and in addition to any other rights provided in this Grant Agreement, the County may require the Sub-grantee to deliver to the County any property specifically produced or acquired for the performance of such part of this Grant Agreement as has been terminated.

If the termination is for convenience, the County shall pay to the Sub-grantee agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the County prior to the effective date of Grant Agreement termination, and the amount agreed upon by the Sub-grantee and the County for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the County, (iii) other work, services and/or equipment or supplies which are accepted by the County, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Grant Agreement. If the termination is for cause, the County shall determine the extent of the liability of the County. The County shall have no other obligation to the Sub-grantee for termination. The County may withhold from any amounts due the Sub-grantee such sum as the County determines to be necessary to protect the County against potential loss or liability.

The rights and remedies of the County provided in this Grant Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the County in writing, the Sub-grantee shall:

- a. Stop work under the Grant Agreement on the date, and to the extent specified, in the notice;
- b. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Grant Agreement except as may be necessary for completion of such portion of the work under the Grant Agreement as is not terminated;
- c. Assign to the County, in the manner, at the times, and to the extent directed by the County, all of the rights, title, and interest of the Sub-grantee under the orders and sub-contracts so terminated, in which case the County has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and sub-contracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the County to the extent the County may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the County and deliver in the manner, at the times, and to the extent directed by the County any property which, if the Grant Agreement had been completed, would have been required to be furnished to the County;
- f. Complete performance of such part of the work as shall not have been terminated by the County in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the County may require, for the protection and preservation of the property related to this Grant Agreement which is in the possession of the Sub-grantee and in which the County has or may acquire an interest.

A.34 TRAVEL AND SUBSISTENCE REIMBURSEMENT

Unless the Grant Agreement specifically provides for different rates, any travel or subsistence reimbursement allowed under the Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended. The Sub-grantee may be required to provide to the County copies of receipts for any travel related expenses other than meals and mileage (example: parking) that are authorized under this Agreement.

No conditions or provisions of this Grant Agreement can be waived unless approved in advance by the County in writing. The County's failure to insist upon strict performance of any provision of the Grant Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Grant Agreement.

A.37 VENUE

This Grant Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by, the laws of the State of Washington. Venue of any suit between the parties arising out of this Grant Agreement shall be the Superior Court of Snohomish County, Washington. **ADDITIONAL AGREEMENT PROVISIONS AND WORKSHEET
For Compliance With The
Federal Funding Accountability and Transparency Act of 2006 (P.L. 109-282) (FFATA)**

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website. Federal awards include grants, subgrants, loans, awards, cooperative agreements and other forms of financial assistance as well as contracts, subcontracts, purchase orders, task orders, and delivery orders. The legislation does not require inclusion of individual transactions below \$25,000 or credit card transactions before October 1, 2008. However, if an award is initially below this amount yet later increased, the act is triggered. Due to this variability in compliance Subrecipients are **required** by the Military Department to be familiar with the FFATA requirements and complete this Worksheet for *each contract* for the State's submission in to the FFATA portal.

ADDITIONAL PROVISIONS

- A. This contract (subaward) is supported by federal funds, requiring compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act) and Office of Management and Budget Guidance (OMB). Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note). By entering into this contract, contractor agrees to provide all applicable reporting information to the Washington Military Department (WMD) required by FFATA and OMB Guidance.
- B. The FFATA requires the OMB to establish a publicly available online database (USASpending.gov) containing information about entities that are awarded Federal grants, loans, and contracts. As required by FFATA and OMB Guidance, certain information on the first-tier subawards related to Federal contracts and grants, and the executive compensation of awardees, must be made publicly available.
- C. For new Federal grants beginning October 1, 2010, if the initial subaward is equal to or greater than \$25,000, reporting of the subaward and executive compensation information is required. If the initial subaward is below \$25,000 but subsequent grant modifications result in a total subaward equal to or over \$25,000, the subaward will be subject to the reporting requirements as of the date the subaward exceeds \$25,000. If the initial subaward equals or exceeds \$25,000 but funding is subsequently de-obligated such that the total award amount falls below \$25,000, the subaward continues to be subject to the reporting requirements of the Transparency Act and OMB Guidance.
- D. As a Federal grant subawardee under this contract, your organization is required by FFATA, OMB Guidance and this contract to provide the WMD, as the prime grant awardee, all information required for FFATA compliant reporting by WMD. This includes all applicable subawardee entity information required by FFATA and OMB Guidance, subawardee DUNS number, and relevant executive compensation data, as applicable.
 1. Data about your organization will be provided to USASpending.gov by the WMD. System for Award Management (SAM) is a government wide registration system for organizations that do business with the Federal Government. SAM stores information

about awardees including financial account information for payment purposes and a link to D&B for maintaining current DUNS information, www.sam.gov. WMD requires SAM registration and annual renewal by your organization to minimize unnecessary data entry and re-entry required by both WMD and your organization. It will also reduce the potential of inconsistent or inaccurate data entry.

2. Your organization must have a Data Universal Numbering System (DUNS) number obtained from the firm Dun and Bradstreet (D&B) (www.dnb.com). A DUNS number provides a method to verify data about your organization. D&B is responsible for maintaining unique identifiers and organizational linkages on behalf of the Federal Government for organizations receiving Federal assistance.
- E. The WMD, as the prime awardee, is required by FFATA to report names and total compensation of the five (5) most highly compensated officers of your organization (as the subawardee) if:
1. Your organization (the subawardee), in the preceding fiscal year, received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards; and
 2. The public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986.

“Total compensation” for purposes of this requirement generally means the cash and non-cash value earned by the executive during the past fiscal year and includes salary and bonus; awards of stock, stock options and stock appreciation rights; and other compensation such as severance and termination payments, and value of life insurance paid on behalf of the employee, and as otherwise provided by FFATA and applicable OMB guidance.

- F. If (1) in the preceding fiscal year your organization received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards, and (2) the public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986, insert the names and total compensation for the five most highly compensated officers of your organization in the table below.

Purpose: As a pass-through agency of federal grant funds, the Washington Military Department/Emergency Management Division (WMD/EMD) is required by Office of Management and Budget (OMB) Circular A-133 to monitor activities of subrecipients to ensure federal awards are used for authorized purposes and ensure that subrecipients expending \$500,000 or more in federal awards during their fiscal year have met the OMB Circular A-133 Audit Requirements. Your entity is a subrecipient subject to such monitoring by MIL/EMD because it is a non-federal entity that expends federal grant funds received from MIL/EMD as a pass-through entity to carry out a federal program. OMB Circular A-133 can be found at http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf, and it should be consulted when completing this form.

Directions: As required by OMB Circular A-133, non-federal entities that expend \$500,000 in federal awards in a fiscal year shall have a single or program-specific audit conducted for that year. If your entity **is not** subject to A-133 requirements, you must complete Section A of this Form. If your entity **is** required to complete an A-133 Audit, you must complete Section B of this form. When completed, you must sign, date, and return this form with your grant agreement contract and every fiscal year thereafter until the grant agreement contract is closed. Failure to return this completed Audit Certification Form may result in delay of grant agreement processing, withholding of federal awards or disallowance of costs, and suspension or termination of federal awards.

SECTION A: Entities NOT subject to the audit requirements of OMB Circular A-133

Our entity is not subject to the requirements of OMB Circular A-133 because (check all that apply):

- We did not expend \$500,000 or more of *total* federal awards during the fiscal year.
- We are a for-profit agency.
- We are exempt for other reasons (describe):

However, by signing below, I agree that we are still subject to the audit requirements, laws and regulations governing the program(s) in which we participate, that we are required to maintain records of federal funding and to provide access to such records by federal and state agencies and their designees, and that WMD/EMD may request and be provided access to additional information and/or documentation to ensure proper stewardship of federal funds.
