SUMMARY:	

For a number of years, the city has received citizen complaints of firearms being discharged in the area of the Qwuloolt during the hunting season. The Marysville municipal code currently does not prohibit the discharge of firearms within the city limits, except in parks (MMC 6.82.070) and where the discharge is in a “public place “or in any place where any person might be endangered thereby” (MMC 6.60.010 adopting RCW 9.41.230 by reference). While MMC 6.60.010 gives police and prosecutors case-by-case authority depending on the specific facts, it is resource-intensive and does not authorize the city to place any particular place off-limits to shooting.

Three of Marysville’s closest city neighbors ban the discharge of firearms within their limits: Arlington, Lake Stevens, and Stanwood, as do four other Snohomish County cities (Gold Bar, Monroe, Mukilteo, and Sultan) and numerous cities statewide (e.g. Auburn, Bellingham, Duvall, Lakewood, Maple Valley, Shoreline, Spokane Valley, Tacoma, and Walla Walla).

RECOMMENDED ACTION: Staff recommends the Council consider authorizing the Mayor to sign the ordinance adding a new section 6.60.060 to the municipal code.
