SUMMARY:	

The Interlocal Government Agreement between the City of Marysville and the State of Washington Department of Corrections provides the framework to embed a Community Corrections Officer with the Marysville Pro-Act Team.

This provides immediate access to the Department of Corrections computer data, which includes incarceration history, criminal history and current imposed restrictions for those individuals on parole and/or probation.

Many of these same individuals continue to commit crimes in and around the City of Marysville. Working jointly with the Department of Correction will serve to strengthen partnerships, locate and incarcerate those individuals who are committing crimes in our community.

This Interlocal Agreement will have no impact to our budget and will be active beginning January 1, 2018 and extend through January 1, 2020.
