SUMMARY:	
<p>City staff have received various complaints in regards to tractor-trailer parking. In addition, some of the areas currently being allowed for tractor-trailer parking are being utilized as staging areas for local delivery service trucks. Chapter 11.08.200 of the Marysville Municipal Code (MMC) currently allows tractor-trailer parking as described in the attachments. The amendment would remove tractor-trailer parking in all areas of the City, except where shown in the attached map and revised ordinance. The amendment would also remove staging of trailers, dollies and tractor-trailers associated with local delivery service within right-of-way.</p>
