| SUMMARY: | |

The Puget Sound Regional Council criteria change for recognizing “regional manufacturing industrial centers” is giving a path for the Arlington Marysville Manufacturing Industrial Center to be recognized on a regional level. Part of the application requirement is for the City Council to pass a Resolution authorizing the submittal of the application and when there is more than one jurisdiction involved an inter local agreement be signed between the jurisdictions involved.

The recognition of the Arlington Marysville Manufacturing Industrial Center will place this area on the maps showing regional centers in the Puget Sound Regional Council publications, be a part of the VISION 2040 update creating VISION 2050, and make the area eligible for the regional transportation funding allocated by the Puget Sound Regional Council.

| RECOMMENDED ACTION: Staff recommends that the City Council authorize the Mayor to sign and submit an application and inter local agreement, in partnership with the City of Arlington to the Puget Sound Regional Council for the designation of the Arlington Marysville Manufacturing Industrial Center as a “regional manufacturing industrial center”. |
