SUMMARY:	

There was \$200,000 identified in the 2018 City of Marysville budget for the purchase of a new comparable paver for the Street's Division of the City's Public Works Department. City staff obtained a quote from Modern Machinery for a new Carlson CP100 Asphalt Paver in the amount of \$205,614.22. The quote was obtained utilizing a recent bid extension originally done by the City of Tacoma in which the City of Marysville has a Cooperative Purchasing Agreement with. This quote accounts for the trade in of the City's 2001 Gilcrest Pro Paver, which was recently identified for surplus.

RECOMMENDED ACTION:

City of Marysville staff recommend that the City Council authorize the purchase of a new Carlson CP100 Asphalt Paver in the amount of \$205,614.22 from Modern Machinery.
