## **New Business**

6. Consider the Interlocal Agreement with Snohomish County for the Human Services Grant to Use towards Senior Center Projects.

Mayor Nehring stated that this helps pay for the position at the Baxter Center.

7. Consider an Ordinance Amending Sections 6.76.090 and 4.02.040 of the Marysville Municipal Code Setting Penalties for Noise Violations.

Assistant Chief Goldman explained that this would clean up the noise ordinance and improve police ability to respond. It also would clean up the fee schedule.

8. Consider a Resolution for the Submission to the Voters of the City at the August 7, 2018, Primary Election, of a Proposition Authorizing a Sales and Use Tax at the Rate of One-Tenth of One Percent Pursuant to RCW 82.14.450 to be used for Criminal Justice Purposes.

CAO Hirashima noted that at the Council Retreat the Council voted to utilize the public safety sales tax as the mechanism to help fund the new public safety building. This resolution would notify the Auditor's Office that this would be on the ballot for the August election. The public safety sales tax is estimated to generate approximately \$800,000 in revenues.

Councilmember Toyer asked why 15% is going to the County. CAO Hirashima stated that it is required by state law.

Mayor Nehring commented that Councilmember Norton had recommended including information in the Resolution that one third of the public safety sales tax was required to be spent on public safety, and in the City's situation all of it would be used to for criminal justice purposes. Staff indicated they could provide Council with some language related to that.

Councilmember Muller asked how this would be presented to the public since the City is not able to promote it. CAO Hirashima explained that the City cannot encourage a "yes" vote, but they can inform the citizens what the money would be used for. She indicated staff could provide a communication plan for the Council to review at an upcoming meeting.

9. Consider an Ordinance Amending Title 6 of the Municipal Code, Adding Definitions, and Eliminating Conflicting Provisions.

Deputy City Attorney Eggertsen explained that this is a housekeeping ordinance which would remove or revise outdated language and eliminate provisions that conflict with and are other covered by other portions of the code.

10. Consider Extending Both Leases with Everett Gospel Mission for Marysville Extended Shelter Home Services to July 31, 2018.

CAO Hirashima explained that this would extend the lease to allow time to vacate those homes. The City has met with the Allen Creek Community Church members who are overseeing that program, and they have indicated they will be able to transition everybody out of the home by July 31.

Councilmember King asked if the City provides any furnishings for the houses. CAO Hirashima replied that it is an empty home which is furnished through the program by community donations.
