MEMORANDUM

To: City Council
From: Gloria Hirashima, Chief Administrative Officer
Date: July 16, 2018
Subject: Teamsters Contract Update

Contract negotiations between the City of Marysville (the City) and Teamsters Local 763 (the Union) began in July 2017 and encompassed 6 negotiation sessions and 3 mediation sessions. The City negotiation team consisted of myself, Kevin Nielsen – PW Director, Sandy Langdon-Finance Director, Bill Kolden (in 2017 and early 2018) and Teri Lester, Human Resources Manager (last 2 mediation sessions), Wendy Wade-Police Commander and our labor attorney Peter Altman-Summit Law. The City and Teamsters negotiation teams have worked many hours on the contract, resulting in tentative agreements on multiple contract language and economic items. As a result of these sessions, we have reached a tentative agreement that included the following highlights:

Article 1: Incorporation of previously agreed to memorandum of understanding relating to seasonal and temporary workers.

Article 3.2: Allowing employees to cash out their administrative bank bi-annually instead of annually.

Article 3.6: Increasing Standby Duty rate from \$1.50/hour to \$3.00/hour.

Article 7.13: Cash out of all unused vacation in the event of an employee's death.

Article 9.1: Change of Medical Insurance from AWC HealthFirst plan to AWC HealthFirst 250 and from Group Health Cooperative Plan 2 to Kaiser Permanente \$200/\$20 Co-Pay Plan. In exchange for moving to the replacement plans, all full-time and regular part-time employees eligible for health insurance benefits, will receive a one-time payment of \$2500.

Article 9.8: Language relating to Employer discretion to move from fully-insured to self-insured coverage provided employee benefits are not substantially altered. Employer will notify Union and bargain any impacts.

Article 10: Language relating to pension requirements to ensure legal compliance for contributions.

Article 11.2: Boot allowance and revision to clarify boot purchases for new hires.

Article 18.1.2: Specifies that city will provide rain gear, rubber boots, and certain safety equipment for seasonal/temporary maintenance employees in Parks and Public Works.

Article 19.1: Duration of contract for a three year term, January 1, 2018 through December 31, 2020.

Article 19.2: Reopener for Paid Leave provisions of Initiative 1433 if needed.

Appendix "A":

The following individual position salaries or requirements were revised:

- A.1 Police Property/Evidence Specialist increased by 2%.
- A.2 Accounting Technician-Accounts Payable moved to Pay Code 7.
- A.3 Water Quality Specialist/Cross Connection Control Specialist increased by 3%.
- A.4 Water Operator – create position at Pay Code 22-1.
- A.5 Wastewater Treatment Plant (WWTP) Operator increased by 3%.
- A.6 Wastewater Treatment – no longer eligible for 3% premium and certification not required.

- A.10 Seasonal/temporary maintenance employee wage chart adjusted, Years 0-5.
- A.11 **Teamsters Pay Grid reflecting the following (after application of increases in A1-A11 above): 2018- 2.7% increase effective 1/1/18, 2019-2.7% increase effective 1/1/19, and 2020-3% increase effective 1/1/20.**
- A.14 Prior Work Experience – Allows Employer to increase starting salary to give credit for prior work experience up to Step 4 at hire, and Step 5 at completion of probationary period.
- A.18 Employee doing higher classification work (out of class) will receive 5% over employee's regular rate of pay for work exceeding three shifts plus one hour.

Following the mediation sessions, the City and Teamsters #763 signed a tentative agreement which provided a wage reopener for 2020 following a compensation study of the bargaining unit employees that would be completed by the City by August 30, 2019. The study will be a "total cost of compensation" analysis, taking into account base pay, longevity and specialty premium pay. Overall parameters and expectations for the study were also outlined in the agreement.

This collective bargaining agreement represents 109 regular full or part-time employees and 15 seasonal employees. The groups represented are office clerical, public works, parks & recreation, police records and seasonal/temp maintenance employees working over 347 hours/year. The 2018 implementation cost is approximately \$485,000 (\$260,000 in one time health insurance change payment, and \$225,000 2018 COLA and other salary/wage adjustments). The 2019 wage adjustment and other salary impacts resulting from the contract are estimated at \$215,000. The 2020 COLA impact is estimated at \$245,000.

The 2.7% wage adjustment is 90% of CPI-W as identified by the Department of Labor, Bureau of Labor Statistics for Seattle-Tacoma-Bremerton area for October 2017.

The one time health payment was negotiated to mitigate the health insurance change that is being enacted on 1/1/18 for employees on the Health First and current Kaiser plan. The City moved all employees currently on HealthFirst and Group Health Plan 2 to Health First 250 or Kaiser \$200/\$20 Co-Pay as our current plans are being terminated by our provider AWC. There will be an impact with the new plans as deductibles, maximum out of pocket increased and coverage was reduced for various services.

1.1.a For purposes of this Agreement, a “seasonal/temporary maintenance employee in Parks and Public Works” is defined as an individual employed for less than twelve hundred (1200) hours in a twelve (12) rolling month period. In the event that such an individual is employed for more than three hundred forty seven (347) hours in a twelve (12) month rolling period, the employee shall become a limited member of the bargaining unit, and will be entitled to a rate of pay as outlined in Appendix A, but will only have those benefits specifically outlined in Section 1.1.b. below. Upon reaching twelve hundred (1200) hours in a twelve (12) rolling month period, the employee shall be covered by this collective bargaining agreement as a regular employee.

1.1.b. Seasonal/temporary maintenance employees in Parks and Public Works who have worked more than three hundred forty seven (347) hours, but fewer than twelve hundred (1200) hours in a twelve (12) rolling month period, will be covered by the following articles:

Articles 1, 2, 3.3, and 3.4, 12, 13, 15 (safety and wages only), 16, and 19

1.1.c. Union Notification – Within seven (7) days from the date of hire of a new seasonal/temporary maintenance employee in Parks and Public Works, and within the next pay period after a seasonal/temporary maintenance employee in Parks and Public Works crosses the three hundred forty seven (347) hour threshold, the City shall forward to the Union the name, address, telephone number, and rate of pay of the employee. The City shall promptly notify Local 763 when a seasonal/temporary maintenance employee in Parks and Public Works terminates employment.

It shall also be a condition of employment that all employees covered by this Agreement who are hired or assigned into the bargaining unit on or after its effective date shall, on the thirtieth (30th) day following the beginning of such employment, become and remain members in good standing in the Union.

1.2.1 An employee shall be protected from having to join the Union provided the employee can substantiate that there exists bona fide religious tenets or teachings of a church or religious body of which he is a member, in which case he shall pay an amount of money equivalent to the regular Union dues and initiation fee to a non-religious charity mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the dues and initiation fee. The employee shall furnish proof that such payment has been made.

1.3 Payroll Deduction - The Employer shall deduct from the pay of all employees covered by this Agreement the dues, ~~and~~ initiation fees, ~~and delinquent dues and initiation fees as certified by~~ of the Union and shall remit to said Union all such deductions monthly, except that all deductions for the above items must be uniform and regular to accommodate the monthly machine processed payroll. Where laws require written authorization by the employee, the same shall be furnished in the form required. No deduction shall be made which is prohibited by applicable law. The Union shall indemnify and hold harmless the Employer from any and all liability resulting from the dues check-off system, including the deduction of dues, initiation fees, and any delinquent dues and initiation fees.-

ARTICLE 2 **NON-DISCRIMINATION, UNION INVESTIGATION & SHOP STEWARDS**

2.1 Non-Discrimination – No employee shall be discriminated against for upholding Union principles and any employee who works under instructions of the Union, or who serves on a committee, shall not lose his job or be discriminated against for this reason; provided however, such activities shall not interfere with the employee's work duties.

2.1.1 The Employer and the Union shall not unlawfully discriminate against any individual with respect to hiring, compensation, terms or conditions of employment because of such individual's race, color, religion, sex, national origin, or marital status, or the presence of any physical, mental, or sensory handicap, or age, unless such physical, mental, or sensory handicap, or age, has a bona fide occupational qualification.

2.1.2 Wherever words denoting a specific gender are used in this Agreement they are intended and shall be construed so as to apply equally to either gender.

2.2 Union Investigation – Duly authorized business agents of the Union may visit the work location of employees upon reasonable notification to the Employer. Such representative shall limit his activities during such visitations to matters relating to this Agreement. Work hours shall not be used by employees and/or Union representatives for the conduct of Union business or the promotion of Union affairs other that stated herein. Union business including the investigation of grievances, shall occur during non-working hours (e.g. coffee breaks, meal periods, before and after shift).

2.3 Shop Steward – In the interest of resolving problems and keeping the City operating in an efficient and cost effective manner, the Union shall have the right to appoint five (5) shop stewards. The steward(s) have the responsibility to assist the members and the city in resolving grievances/issues using good judgment to balance these needs with their primary job duties. Use of City equipment may be authorized by the Human Resources Department

on a case by case basis. The steward shall recognize that this privilege is not to be abused and all investigating/problem solving shall be within reason and approved by the Department Director.

- 2.3.1 The City recognizes that the steward is a rank and file member of the bargaining unit and does not have the right to call or authorize a work stoppage, bind the Union through an agreement(s) of any kind or set precedent regarding grievances. The City shall not hold the Union responsible for any individual who violates these parameters.

ARTICLE 3 HOURS OF WORK, OVERTIME, CALLBACK AND STANDBY

- 3.1 Hours of Work – Eight (8) consecutive hours, exclusive of meal periods, shall constitute a normal days schedule for all full-time employees. Five (5) consecutive days in a seven (7) day period with at least one (1) weekend day off shall constitute a normal weeks schedule for all employees; provided however, where appropriate, work schedules may be established by the Employer which provide for other than eight (8) hours per day and other than five (5) days per week but with corresponding changes in hours off and in days off. In cases where the employer changes an employee's normal work schedule (shift hours), with less than forty-eight (48) hours' notice, to the employee, the employee shall be paid a ten percent (10%) shift differential for their hours worked until completion of the shift change (i.e. snow days, special projects, water main work at night). Overtime hours will include the shift differential. This shall not apply to call back. Employees other than lead workers who work a schedule that includes a Saturday or Sunday and includes supervisory duties shall be paid a shift differential of one and one-half percent (1.5%) for their complete work week schedule for each one day of lead that is performed. In no event shall any employee be placed on a schedule that does not allow one (1) weekend day (Saturday or Sunday) off.

All departments, except the Police Department, with weekend shifts (non-lead) shall be bid in each department by seniority. The individual must have the minimum qualifications to perform the work and have two (2) years seniority with the city to be awarded the bid. If no one is awarded the bid the city will select by inverse seniority. The least senior employee (with at least two years seniority) with the minimum qualifications shall be awarded the position. Seniority will be the date of hire within the city. The entire bid will be posted including the positions which the city has the right to fill per this subsection.

All weekend shifts shall be bid on a seniority basis, annually, each December. On the first (1st) working day in December all weekend shifts shall be posted for five (5) working days, during which time employees shall be afforded the opportunity to bid. Annual shift bids shall be awarded and become effective the first (1st) of January.

- 3.2 Overtime – If an employee is required to work in excess of the normal number of hours per day established in Section 3.1, or forty (40) hours per week, the employee shall be compensated at the rate of one and one-half (1-1/2) times his regular straight-time hourly rate of pay. Should other schedules be in effect, such as four (4) ten (10) hours days per week, overtime shall be paid for work in excess of the assigned schedule. Employees receive overtime pay when a holiday, vacation or compensatory time falls within the same week. Conversely, employees who work in excess of the normal hours per week are not generally eligible for overtime pay when sick leave hours have been used in the same week with the exception of emergency/unscheduled overtime (Section 3.2.1) and any time the employer compels a member to work (except as provided in Sections 3.2.2 and 3.2.3). Employees have the option of utilizing compensatory or vacation hours in lieu of sick leave. Except in emergency situations (Section 3.2.1), all overtime shall be approved in advance by the Employer and posted by department/division (see attached Appendix Z) and filled per Sections 3.2.2, and 3.2.3. Overtime shall be offered by seniority to employees in those divisions. Overtime is based on the employee's knowledge, achieved and required

1/30/18 updated 6/21/18

certifications, and ability in the division to perform the work being assigned.

Employees required to travel out of the City of Marysville shall be compensated in accordance with the Fair Labor Standards Act (FLSA) and not upon any other requirement; provided however, all employees who travel beyond thirty (30) miles from their normal workstation shall be compensated for travel time with compensatory time off, which shall be used by mutual agreement between the Employer and the employee(s), within the next ten (10) working days. If the employee(s) are not afforded the compensatory time off during the next ten (10) working days, they shall be paid for the compensatory time on their next paycheck.

In lieu of paid overtime, compensatory time-off may be earned upon the request of the employee and approval of the Supervisor and shall be taken at the rate of one and one-half (1 ½) times the actual time worked. Such compensatory time shall not exceed two hundred forty (240) hours in any calendar year nor shall more than forty (40) hours of compensatory time be carried over into the calendar year.

[Employees may request a “cash out” of their compensatory accrual bank twice a year; June request for July payments and/or November for December payments.](#)

3.2.1 Emergency Unscheduled Overtime – Emergency Unscheduled Overtime is defined as an event/situation that occurs on an emergency, unplanned basis outside of the normal work schedule and requires immediate response.

Posting - The Employer shall prepare and post the emergency unscheduled overtime master list at Public Works and Parks, Monday of each week. This list will be used for the assignment of emergency (unscheduled) overtime for the following week. The assignment of overtime will be determined by seniority (Teamsters date of hire) within the department, and by classification. Monday afternoon of each week the lists in the specified divisions shall be taken down, signed and dated by the on duty Standby person and kept in their possession through their Standby week. The Standby person will distribute copies of the list to the Water Operations Manager, the Streets/Solid Waste Manager, the Water Resources Manager, Fleet and Facilities Manager, and the Shop Stewards by end of shift on Monday. The overtime assignment shall go to the most senior Worker who signed up on the Emergency Unscheduled Overtime list.

Volunteer Within Division - When there is an Emergency Unscheduled Overtime need without a qualified employee from that classification within the division, the Employer shall call out the most senior qualified employee in the division who has signed up for the Emergency Unscheduled Overtime on the master list.

Volunteer Within Classification - When there is an Emergency Unscheduled Overtime need without a qualified employee by classification signed up on the Emergency Unscheduled Overtime master list, the Employer may call out any employee within the bargaining unit who is able to perform such work and meets the qualifications of the classification/position.

When employees are called for emergencies, and if they don't answer their phones, a message must be left stating that the overtime opportunity was missed.

3.2.2 Scheduled Overtime – Scheduled overtime is defined as a pre-planned event or project that occurs outside of the normal work schedule (i.e., Strawberry Festival, Healthy Communities, paving projects, etc.).

Volunteers Within Division – When sufficient employees are available within a division and by classification to accommodate Scheduled Overtime needs and the work is normally performed by the division, the Employer shall post the overtime at the division's location

DRAFT RATIFICATION DOCUMENT
1/30/18 updated 6/21/18

(normal posting location) and shall fill the overtime needs with employees within the division as follows:

The Employer shall first assign the overtime to:

1. Qualified volunteers from within the division and classification willing to work the overtime, from senior to junior. The opinion of the Employer shall not be arbitrary or capricious.
2. When insufficient employees are available within a department or division the Employer shall prepare and post a notice on the employee bulletin board at the main buildings of the Employer (all City buildings) for the solicitation of volunteers. Each posting shall be accompanied by a sign-up sheet to be filled in by employees volunteering for the overtime.
3. Once an employee signs the list they must remain available to perform the work until such work is assigned, except for verifiable illness or injury of the employee or an immediate family member (as determined in Section 8.2) that incapacitates the employee from performing the work they requested.

3.2.3 Unscheduled Overtime (non-emergency) – Unscheduled overtime is defined as work or projects that are completed based on weather conditions, availability of equipment, or other variables or business needs.

Volunteers Within Division – When sufficient employees are available within a division and by classification to accommodate Unscheduled Overtime needs and the work is normally performed by the division, the Employer shall fill the overtime needs with employees within the division as follows:

The Employer shall first assign the overtime to qualified volunteers from within the division and classification willing to work the overtime, from senior to junior. The opinion of the Employer shall not be arbitrary or capricious.

Employees who volunteer or are offered to work overtime, report to work and who demonstrate to the Employer an unwillingness to perform the assigned work shall be released from the assignment, and prohibited from signing up for overtime for a period of 45 calendar days from the date of the unwillingness to perform assigned work.

3.2.3.1 When it becomes evident during the workday that overtime will be necessary to complete a job, those employees who have been performing the work during the regular shift are encouraged to remain on the job to complete the work. If the employee(s) do not volunteer to remain on the job, the Employer may compel qualified employees(s), in inverse Teamsters seniority order unless the employee has a pre-scheduled appointment or obligation.

3.2.4 If insufficient qualified and able volunteers are available to meet the needs of the Employer then the overtime shall be compelled from first:

- 1) The employees working in the classification of the overtime from junior to senior based on length of service in the classification.
- 2) And next to all other bargaining unit employees qualified and able from junior to senior until the Employer's overtime needs are met.

3.2.5 For purposes of Section 3.2.1, in determining which employee performs work within a

DRAFT RATIFICATION DOCUMENT
1/30/18 updated 6/21/18

classification, the determination shall be based upon which employee performs the function or operates the equipment as a normal and routine part of their day-to-day assignments. Where one (1) or more "departments" perform a function or operate equipment as a routine part of their work, the "departments" shall be considered to be one (1) department and employee hire dates shall be amalgamated for assigning overtime.

- 3.2.6 Employees required by the Employer to work more than two (2) hours beyond the end of their shift, when such extended work has not previously been scheduled, shall be provided a meal or reimbursed for the cost of a meal up to ~~fourteen-twenty~~ (\$~~14~~20) dollars with receipt, in addition to overtime.
- 3.3 Rest Periods - Employees shall receive a fifteen (15) minute rest period on the Employer's time for each four (4) hours, or major portion thereof, of their working time.
- 3.4 Meal Periods - Employees shall receive not less than a thirty (30) minute nor more than a one (1) hour meal period which shall be on the employee's own time and which shall commence no less than three (3) hours nor more than five (5) hours from the beginning of the work shift.
- 3.5 Callback - An employee who has left work and is called back to work after completion of his regular day's shift shall be paid a minimum of three (3) hours at one and one-half (1-1/2) times his regular straight-time hourly rate of pay. Should an employee's regular shift start less than three (3) hours from the time he started work on the callback, he shall receive one and one-half (1 -1/2) times his regular straight time hourly rate of pay only for such time as occurs before his regular shift. If the employee is called back within three (3) hours of his regularly scheduled start time, with mutual consent between the Employer and the employee, the employee may be released from work upon completion of eight (8) hours of work. In such an event, overtime shall not be paid for those hours worked prior to the employee's regularly scheduled start time.
- 3.5.1 Alarm System Callback - Alarm callbacks shall be the work of the bargaining unit. An employee called back for an alarm shall be paid a minimum of one (1) hour at one and one-half (1-1/2) times their regular rate of pay.
- 3.5.2 SCADA Alarm Callback – Standby employees that check and make adjustments to operational settings proactively on the SCADA system from the Standby laptop, or other device provided, shall receive one (1) hour at 1.7 times their regular rate of pay. If called by SCADA (emergency), Standby employees shall receive the standard callback (see Section 3.5) at 1.7 times their regular rate of pay.
- Response to communication failures via the SCADA system are typically done by the Telemetry Administrator and, therefore, not the sole work of the Bargaining Unit.
- 3.6 Standby Duty - Employees who are assigned to Standby Duty shall receive ~~one-dollar and fifty cents~~ three dollars ~~-\$1.50~~ 3.00 for each hour of Standby Duty or portion thereof. Such compensation shall be in addition to and exclusive of any other compensation required by this Agreement. The provisions of Section 3.5 shall not apply when an employee on Standby is called back to work within one (1) hour of the end of his shift. In such event, the employee shall be paid at the overtime rate for the time from the end of the employee's regular work shift through the completion of the task(s) the employee was called out to perform.
- 3.6.1 Actual overtime hours worked during standby duty shall be paid at one and seven tenths (1.7) of the employees' regular straight time hourly rate of pay.

ARTICLE 4 TRIAL PERIOD, LAYOFF, RECALL AND JOB VACANCIES

4.1 Trial Period - A new employee shall be subject to a six (6) month initial trial (probationary) period commencing with the most recent date of hire in a bargaining unit position. The initial trial period may be extended in writing up to an additional six (6) months upon mutual agreement between the Employer and the employee, with a copy to the Union. An employee is not eligible to sign up for emergency unscheduled overtime during the initial trial period. During the initial trial period the employee shall be considered on trial and subject to discharge at the sole discretion of the Employer. Discharge during the initial trial period shall not be subject to the grievance procedure. The Employer may not discharge or discipline for the purpose of discriminating against an employee because of lawful Union activity. No employee shall serve a trial period except as provided in this Agreement while employed in a position within the bargaining unit. Employees who have been accepted into a position (in initial employment) within the preceding twelve (12) months shall not be considered for openings until they have held a position for at least twelve (12) months. This provision may be waived by the City Administrator whenever it is in the interest of the City.

4.2 Length of Service - In layoff, recall, and filling permanent job vacancies, the Employer shall give consideration to an employee's length of continuous service within the Teamster bargaining unit and his/her ability to perform the duties required in the job. In applying this provision, it is the intent to provide qualified employees with opportunities for promotion and the Employer with efficient operations.

4.3 Layoff - When the City becomes aware that a layoff may be necessary, they will notify the Union in a timely manner. Within fourteen (14) calendar days of notification, appropriate representatives from the Union and the City will meet to review the issues and process as defined below before issuing notices.

The City will notify the bargaining unit in writing (posting) of an impact and ask for volunteers. If there is an insufficient amount of volunteers within fourteen (14) calendar days of the posting, the layoff process will apply.

The employee with the least seniority (seniority shall be defined as the most recent date of hire within the City's Teamster bargaining unit) within the classification shall be laid off first.

4.4 Bumping – The City agrees that when contemplating potential layoffs, it shall meet with each affected employee to review the employee's seniority date and discuss the employee's skills and abilities in an effort to determine appropriate placement via the bumping process.

The City shall consider the employee's skills, abilities, qualifications, and certifications regarding bumping and the City's judgment shall be reasonably exercised.

In the event of a layoff:

- 1) The employee may bump the least senior employee within his/her same classification and department, provided that the bumping employee has more seniority and meets the qualifications of the position.
- 2) If no opportunity exists in sub-paragraph 1 (above), then the employee may bump the least senior employee in the same classification within the bargaining unit, provided that the bumping employee has more seniority and meets the qualifications of the position.
- 3) If no opportunities exist in sub-paragraphs 1 or 2 (above), then the employee may bump the least senior employee in a lower classification, provided the bumping

DRAFT RATIFICATION DOCUMENT
1/30/18 updated 6/21/18

employee has more seniority and meets the qualifications of the position. In the event the "bump" would normally result in a pay decrease, the employee's prior pay level will be preserved at the pre-layoff step as long as all certifications are maintained. In the event of a position opening, the city may place the affected employee in the prior position that they held based on seniority.

A bargaining unit employee who has "bumped" into a new position as a result of this process shall be in an orientation period and shall be subject to written performance evaluations throughout a four (4) month orientation period. The employee must be able to perform the work with a reasonable amount of training prior to the completion of the orientation period. At the completion of the orientation period, the employee will resume the normal evaluation process.

For the purpose of bumping into the Municipal Court, an employee may bump if he/she meets the qualifications for the job and the needs of the Court and the Judge pursuant to General Rule 29.

The pay grade of the position bumped into will prevail; however, the employee shall be placed at a step comparable to their current pay as possible within the pay grade. Step increase dates are set to the new move date.

- A.513 Effective January 01, ~~2017~~2020, the parties agree to a 3.0% COLA adjustment, subject to the terms listed in A 13.8 below, and wage reopener as follows: ~~monthly rates of pay shall be increased by a two percent (2%) COLA adjustment. The following constitutes the monthly rates of pay for each pay grade for those classifications covered by this Agreement:~~
- A.13.1 Wage reopener is limited to 2020 wages only, following compensation study, unless otherwise mutually agreed by the parties or required due to changes in the law.
- A.13.2 In 2018, the City will begin a compensation study for Teamster bargaining unit employees. The City will complete the compensation study no later than August 30, 2019.
- A.13.3 The City will use and pay for the same consulting firm that performed the City's 2017 non-represented employee compensation study.
- A.13.4 The consulting firm will be asked to perform a "total cost of compensation" analysis, taking into consideration most aspects of compensation, including base pay, longevity, and specialty premium pay. Items that are difficult to accurately compare in the analysis, such as health insurance plans/premiums, weekend/evening standby pay, and shift differential will be excluded. The consultant will not include hours of work, vacation leave, holiday pay, compensatory time, or sick leave as part of the wage study.
- A.13.5 The City will adhere to the same methodology and implementation, same comparable entities, and same target of the 55th percentile as was performed for the City's 2017 non-represented employee compensation study.
- A.13.6 To best compare jobs at the City with the external market, the City anticipates, whenever reasonable, to separate broad job descriptions (e.g., Maintenance Worker II) into more specific job classifications (e.g., Parks Maintenance Worker II, Streets Maintenance Worker II, etc.). The study will be based on current job descriptions. If an external employer does not have current job descriptions available, the outside consulting firm will consult as necessary with the external employer for an accurate description of actual job duties/requirements.

A.13.7 As part of the compensation study, the City may revise job descriptions to better reflect the external market. Should the City propose changes to working conditions or other mandatory subjects found in the job descriptions, it will provide a draft copy to the Union and agrees to bargain the issue in a timely manner through joint labor-management meetings.

A.13.8 Once the compensation study is complete, wages for 2020 will be OPEN for negotiation, with an estimated completion of negotiations by December 31, 2019, without the City nor the Union waiving its right to bargain regardless of the recommendations of the Study. All wage increases are retroactive to January 1, 2020. However, as was identical for non-represented employees, the City will entertain both upward and downward market adjustments recommended by the Study. The City agrees no individual employee will be subject to a wage reduction. However, employees above the market may be subject to either a wage freeze or only a partial application of the 2020 COLA (i.e., something less than 3.0%). The City does not anticipate adjusting step anniversary dates.

A.314 Prior Work Experience - New employees may be given credit for prior work experience in computing entry salary. Such experiences may qualify the employee to start at an advanced Step, up to Step ~~C4~~, of the appropriate classification, with an additional adjustment up to and including Step 5 as the maximum, conditioned upon successful completion of the probationary period. For example, a qualified lateral employee may be hired at Step 4 as the starting salary, and then increased to Step 5 upon completing the probationary period. If the Employer is unable to hire a qualified candidate for a position at or below Step ~~C4~~ and he needs to address a Pay Step greater than ~~C4~~, the Employer shall meet, confer and bargain with the Union over the position and Pay Step before hiring a candidate to fill the position. Employees who have performed bargaining unit work within the prior twelve (12) months shall receive credit for such time worked in determining the employees initial Step as a regular employee, provided such work is comparable to the current position. Length of service for fringe benefits shall begin with the date of becoming a regular employee.

A.415 Step Advancement - Advancement to Step ~~F5~~ shall occur after twelve (12) months in the preceding Step. Denial of an advancement to Step ~~G-6~~ Merit Step for inadequate performance may be authorized by the Department Director, provided that the employee so affected is served with written notification in advance outlining the reasons. Retention of a merit step may be conditioned upon continued satisfactory performance and participating mandatory in-service training opportunities provided by the Employer, unless excused by the Department Director or his designee.

A.415.1 The Employer has a process of Annual Employee Evaluations. During an employee's

DRAFT RATIFICATION DOCUMENT
1/30/18 updated 6/21/18

annual evaluation if the obtaining of, or retention of merit Step ~~6~~ is in doubt, the Supervisor will advise the employee of the reasons why he may not receive or continue to receive, merit pay and what action may be necessary on the part of the employee to correct their deficiencies. If during any year employee performance should jeopardize retention of merit pay, the employee will be counseled on what action may be necessary on the part of the employee and provided thirty (30) days to take the necessary action.

A.516 Promotion - An employee who is promoted from one classification to another shall be placed into not less than the lowest pay Step of the higher classification which still provides for an increase higher than currently being received by the employee prior to the promotion; provided however, in no event shall the increase be less than two point five percent (2.5%) above the rate of the old position.

A.617 Longevity Pay - The following shall be the Longevity pay for employees covered by this Agreement. Increases shall become effective with the employee's anniversary date of employment and upon completion of an employee's fifth (5th) year of service.

05 -10 years	\$70.00 per month
11-15 years	\$95.00 per month
16 - 20 years	\$120.00 per month
21 and over	\$170.00 per month

A.718 Higher Classification: An employee who has been assigned by management to act in a temporary capacity in a higher classification shall be paid at the higher classification in the pay step, which is the lowest step in the higher classification that still provides a minimum ~~2.5~~ five percent (5.0%) increase over the employee's regular rate of pay, provided the employee has worked at least ~~one-three~~ (43) shifts and one (1) hour in such capacity following which they will be paid back to hour one (1). If no assignment has been made by management the most senior employee shall be assigned and receive the higher pay.

A.819 Leadperson - In the event the Employer establishes a leadperson position(s), the Employer and Union shall meet to establish the appropriate pay grade for such position.

A.20 The City agrees to give seasonal/temporary maintenance employees in Parks and Public Works who have performed satisfactorily and competently from the previous year the first right of refusal for seasonal positions available the following year. Former seasonal/temporary maintenance employees in Parks and Public Works will receive offers in order based on the following criteria: number of hours worked in the previous seasons and performance.

A.21 The City's hiring practices will remain as they historically have – the City will hire seasonal/temporary maintenance employees in parks and public works based on need, primarily for the period of March through October. The City, however, reserves the right to hire and manage the workforce based on operational needs throughout the year. The City will not terminate or decline to bring back in subsequent seasons a seasonal/temporary maintenance employee in parks and public works based solely on that worker reaching the three hundred forty seven (347) hour threshold and/or higher pay scale. The City may hire seasonal/temporary maintenance employees in parks and public works with the expectation that they will not work more than 1200 hours in a 12 month period.

A.21.1 The City agrees that seasonal/temporary maintenance employees in Parks and Public Works are to be used to supplement the fulltime work force, not supplant it. The City agrees that the type of work assignments performed by seasonal/temporary maintenance employees in Parks and Public Works will remain status quo.

DRAFT RATIFICATION DOCUMENT
1/30/18 updated 6/21/18

- A.22 Local 763 agrees that the initial fee for seasonal/temporary maintenance employees in Parks and Public Works will be spread evenly over four (4) months.

- A.23 The City and Local 763 agree to use a rolling twelve (12) month period, rolling backwards, in determining whether a seasonal/temporary maintenance employee in Parks and Public Works has crossed the threshold of three hundred forty seven (347) hours or twelve hundred (1200) hours. The City and Local 763 agree that the first twelve (12) month rolling period will begin on June 1, 2016, and that hours worked by any seasonal/temporary maintenance employee in Parks and Public Works prior to June 1, 2016, will not count toward any threshold for crossing three hundred forty seven (347) or twelve hundred (1200) hours.

- A.24 Both parties agree to meet and begin bargaining six (6) months prior to the expiration of the collective bargaining agreement.
