SUMMARY:	

Since 1991 the City of Marysville (“the City”) and the Snohomish County Fire Protection District No. 12, (“the District”) have worked cooperatively through formation of the Marysville Fire District to provide fire and emergency medical services to the city of Marysville and unincorporated territory contained within District boundaries and contracted areas. While this cooperative relationship served the public well for many years, as a result of the needs of a growing community and demands for enhanced fire and EMS services the City and the District have determined that it is in the public interest to place a measure before the voters that if approved would result in formation of a regional fire authority (RFA).

Pursuant to RCW 52.26.030 and 52.26.040 the City and the District formed an RFA Planning Committee to evaluate the feasibility of creating a Regional Fire Authority to provide the fire protection and emergency services within the boundaries of the City and the District. The members of the Planning Committee included the Mayor, three City Council members and the three Fire District Commissioners. Over a ten month period, the Planning Committee met and created a Regional Fire Authority Service Plan (“Plan”) providing for the governance, financing, and structure of the fire and emergency services operation. On 11/27/18 the Planning Committee unanimously recommended approval of the Plan to the City Council and District Commissioners.

The proposed RFA Service Plan would be submitted to the voters on April 23, 2019. The RFA is proposed to be funded by a \$1.45 per \$1,000 assessed value property tax levy. The City and District would continue to collect the EMS levy and transfer these funds to the District, until such time as the RFA passes its own levy. The governance structure for the RFA will be composed of four appointed representatives of the Marysville City Council, one appointed representative as well as one non-voting alternate from the District.

RECOMMENDED ACTION: Staff recommends the council approve the RFA Planning Committee’s recommended Regional Fire Authority Service Plan.

SECTION 1 – BACKGROUND AND NEEDS

A. Background and Needs:

1. The ability to respond to emergency situations by fire protection and emergency services jurisdictions has not kept up or progressed with the region's needs and special service demands. Anticipated increases in population, residential density and building heights will likely exacerbate this problem.
2. Providing a fire protection and emergency services system requires a collaborative partnership and responsibility among local and regional governments, the private sector, and the community.
3. Delivery of core emergency services and timely development of significant projects can best be achieved through stable funding options for regional fire protection and emergency services.
4. The City of Marysville and Snohomish County Fire Protection District No. 12 have had a cooperative partnership, striving to provide the highest level of fire and emergency services to our community within the confines of available resources through a long-standing interlocal agreement by which they jointly provide services as the Marysville Fire District.
5. The City of Marysville and Fire Protection District No. 12 will be asking its citizens to consider combining all functions and services provided by the City of Marysville and Snohomish County Fire Protection District No. 12 into a single regional fire authority (RFA) entity, called the Marysville Fire District.
6. The Planning Committee established this Plan as authorized under state law using an approach to equitably share costs and contribute assets to form a Regional Fire Authority (RFA).
7. Upon joint approval by the Marysville city attorney and the District's attorney, staff of the City and District are authorized to jointly make necessary corrections to this RFA Plan prior to its submission to voters, including scrivener's errors or clerical mistakes; references to local, state, or federal laws, rules, or regulations; references to interlocal agreements; or numbering or referencing of sections and subsections of this RFA Plan.

RFA SECTION 1 PLAN REVISION:

Except where this RFA Plan specifically authorizes the Governing Board to amend this plan, it shall not be amended without voter approval.
