Re: Annual Certification of Board of Health Representative

Dear Mayor Nehring:

At the December 11 Board of Health meeting, the Board passed Res. 18-26 (attached) amending language to the Snohomish Health District Charter regarding membership and city representation.

The amended language establishes a more clearly defined process of selection and membership for Board of Health positions for smaller cities and towns. It also implements a rotation amongst the smaller cities in each County Council district on an annual or semi-annual basis. The amended language, however, does not affect the largest city within each Council district.

Per the Health District Charter, the largest city within each Council district appoints a Board of Health representative in accordance with each city's procedure for making such appointments. Marysville is the largest city in District 1 and thus selects its own representative. The current representative for your city is Councilmember Jeff Vaughan, who remains eligible to serve. Mr. Vaughan also serves on the Public Health Program Policy Committee.

The Board sets local public health policy and oversees the operations of the Health District. In addition to attending monthly Board of Health meetings, Board members are asked to serve on one of three committees. These committees meet regularly and address topics such as budgeting, Board governance, and policy matters.

The first 2019 meeting of the Board will be on January 8. Certification must occur before representatives can assume their seat on the Board. It's our hope that Marysville can complete its process before that meeting; however, if the Health District doesn't receive a certification letter from your city by the January 8 meeting, the incumbent continues as a voting member of the Board until the certification process is complete.

Please mail your certification letter signed by you or your city manager to me at the address below or via email to icarl@snohd.org.

Thank you for your assistance with this process, Mayor Nehring. If you have any questions, please call me at (425) 339-8781.

Sincerely,

Jefferson Ketchel, Administrator
