Executive Summary

The *City of Marysville 2020-2024 Consolidated Plan* provides a framework to guide the City of Marysville in investing Community Development Block Grant (CDBG) funds to address local priority housing and community development needs that primarily benefit low- and moderate-income persons.

The Consolidated Plan is a comprehensive planning document that the City prepared in collaboration with residents, public and nonprofit agencies, and other stakeholders through consultations and a citizen participation process. The Consolidated Plan was informed by quantitative and qualitative data collected via communications with public and nonprofit agencies and citizens, surveys, public meetings, a public hearing, and general research.

The Consolidated Plan is a requirement of the U.S. Department of Housing and Urban Development (HUD) for receiving and administering CDBG funds. This Con plan will be in effect from July 1, 2020 through June 30, 2024.

Evaluation of past performance

There has been great success in assisting underserved populations with household repairs and chores, food security programs, filling gaps infrastructure, and improving public facilities. These services have allowed individuals to retain their independence and remain in their homes, increase food security, and provide increased access to improved facilities. The agencies receiving CDBG funds are providing a much-needed service and acting in a timely manner.

Another need that has been served by the allocation of CDBG funds has been assistance to homeless and at risk of homelessness individuals and families. For each of the Program Years that have been completed, 70 individuals (20 families) had access to transitional housing as well as supportive services to aid them in moving towards securing permanent housing.

A number of Capital Improvement projects were also completed which improved access to, and improved facilities, for low-moderate income individuals.

The above mentioned past performances, as well as evaluation and performance review, helped guide the City in its establishment of goals and projects for the next five years.

Priority Needs

The City has identified the following Priority Needs in the Con Plan:

- Housing
- Homelessness
- Non-homeless Special Needs
- Non-housing Community Development

- Economic Development

Annual Action Plan Activities

The City was awarded \$385,261 for Program Year (PY) 2020. Funds from prior year projects that were able to be completed under budget were included in the allocations, for a total amount of \$396,286 being awarded for PY2020.

After the COVID-19 outbreak, HUD implemented waivers to assist jurisdictions in preparing, responding and recovery from the pandemic. One of these waivers was suspending the 15% cap on Public Service Activities. The City re-opened the application process soliciting agencies that could provide services to prevent, prepare, and respond to the outbreak utilizing funds that were received in excess of initial estimates. The total amount to be re-programmed for COVID-19 relief was \$32,971.

The following activities were recommended to be awarded PY 2020 funds and are included in the 2020 Annual Action Plan (AAP), which is submitted as part of the 2020-2024 Con Plan:
