The period of performance of this Agreement shall commence upon the date of execution by both Parties, but not earlier than October 1, 2020, and remain in effect until September 30, 2021, unless terminated sooner, as provided herein.

## **3. STATEMENT OF WORK**

### **SCOPE OF WORK:**

**3.1. GOAL:** To increase pedestrian safety throughout Region 10 by providing effective and coordinated pedestrian safety enforcement and community outreach activities.

### **3.2. STRATEGY:**

The Region 10 Traffic Safety Task Force will use DOT crash data to determine education and enforcement needs in high concentration areas. Additional data may be gleaned from dispatch records along with anecdotal information from local departments of known problem areas.

**Education:** The education component in most projects will be 2 pronged, depending on project locations and demographics. The first prong will be officers or deputies will work overtime in the project area contacting pedestrians, handing out fliers, speaking directly with folks. This can include bus stops, apartment complexes, schools etc. Other partners such as police volunteers, the Target Zero Manager, fire department volunteers may also be utilized for this component to supplement officer efforts, or if staffing prevents commissioned officers from completing this component. The second prong would be educational stops by officers and deputies on unsafe drivers and pedestrians. Additionally, the Target Zero Manager will coordinate with other educational efforts (including but not limited to) speaking engagements, working with schools, coordinating with school resource officers, interacting with media, conducting media interviews, social media support etc.

**Enforcement:** Enforcement will be secondary to education and community outreach efforts in the FFY 2021 project year.

### **3.3. OBJECTIVES:**

The SUB-RECIPIENT will:

- Submit project proposals to the Target Zero Manager, Stacey McShane for approval and then carry out the required tasks as described in the Region 10 Traffic Safety

Task Force policies. The Target Zero Manager will submit proposals to the Washington Traffic Safety Commission for approval. This may include modifications to the proposal to increase effectiveness and provide for performance measures. The SUB-RECIPIENT and Target Zero Manager will negotiate and agree on a final proposal.

- Submit reports on their project to the Target Zero Manager as directed providing measures of their activities.
- Submit billings for the activities conducted to implement their projects directly to the Washington Traffic Safety Commission.

3.5.4. Dispatch: WTSC will reimburse communications officers/dispatch personnel for work on this project providing SUB-RECIPIENT has received prior approval from their

region's TZM. This activity must be overtime and only the expenses listed in section 3.2 and its subsections will be reimbursed.

WTSC understands there may be instances when more than eight hours are billed due to DUI processing or other reasons and an explanation should be provided on the WEMS Officer Activity Log.

The law enforcement agency involved will ensure that any reserve officer for whom reimbursement is claimed has exceeded their normal weekly working hours when participating in an emphasis patrol and is authorized to be paid at the amount requested. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

#### **24. SAVINGS**

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30-day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

#### **25. SEVERABILITY**

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

#### **28. TERMINATION FOR CAUSE**

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation, and may terminate this

Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

## **29. TERMINATION FOR CONVENIENCE**

Except as otherwise provided in this Agreement, either Party may terminate this Agreement, without cause or reason, with 30 days written notice to the other Party. ### **32. BUY AMERICA ACT**

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

### **33. DEBARMENT AND SUSPENSION**

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the "lower tier participant") is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1300.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, debarment, suspension, ineligible, lower tier, participant, person, primary tier, principal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Covered Transactions sections of 2 CFR part 180.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1300.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 35.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

#### Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.
