ATTACHMENTS:	
Contract and First Amendment to Master Service Agreement with Securus Technologies and City of Marysville Police Department	
BUDGET CODE:	AMOUNT:
	\$0.00
SUMMARY:	

We currently use Securus Technologies for our inmate communication system. The new jail facility will take advantage of advances in technology in the area of inmate communication, information sharing, education, programs, and services. All of which requires an expanded service model from Securus Technologies. The amendment to the current agreement would cover the expanded service model.

A synopsis of the amendment;

Securus Technologies would install / provide, at their cost, approximately \$114,300 in equipment, software services, and support. Once certain benchmarks are met the city would begin receiving a commission on services and fees paid to Securus Technologies for the services they provide to inmates.

While there is no cost associated with this agreement, if the Agreement is terminated for any reason other than Provider’s default before the end of the Term, Customer will refund the prorated amount of the Total Cost.

Securus is the leading provider of these services in correctional facilities in the nation and have contracts with several facilities in the region.

Master Services Agreement
Marysville Police Department (WA)
A000013

This Master Services Agreement (this "Agreement") is by and between the City of Marysville ("Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the later of November 13, 2011 or the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider install an inmate telecommunication system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to install the inmate telecommunications system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement and the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will perform certain inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.

2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of existing and any future inmate related communications, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) at the Facilities in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.

3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.

4. Term. The obligations of the parties shall be effective as of the Effective Date, but the "Initial Term" shall begin 120 days after the Effective Date (to allow for installation of hardware and/or implementation of network connectivity) and shall end on the date that is 36 months after the Effective Date. Unless one party delivers to the other written notice of non-renewal at least ninety (90) days before the end of the then current term, this Agreement shall automatically renew for successive periods of 12 months each. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.

5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality

Applications and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.

6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Confidentiality. The parties agree that this Agreement is a public record subject to disclosure under the Public Records Act RCW 42.56. Both parties acknowledge and agree that pursuant to this Agreement valuable marketing and technical information as well as personal information of a confidential nature may be disclosed by Provider and Customer; that such information shall be retained by each party in confidence; however, the event of a Public Records Request, prior to any disclosure the Customer will provide at least 7 calendar days, written 3rd party notice to Provider, whereby the Provider can choose whether the Provider will file for a court order to prevent or limit disclosure under the Public Records Act, or if applicable any other court action. NOTE: Customer is subject to Public Disclosure laws, and dealings with the City and confidentiality covenants must qualify under this law.

10. **Claims.** To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. The Provider agrees to install and implement the Inmate Telephone System according to the law governing the Provider, the instruction it receives from the Customer as to the Customer's requirements under the law, and according to the Customer's facility's demographics. The Customer agrees to indemnify the Provider against any and all Claims arising out of or related to instruction Provider receives from the Customer.

11. **Insurance.** We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion.

12. **Default and Termination.** If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. **Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

14. **Uncontrollable Circumstance.** We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs)) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. **Injunctive Relief.** Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. **Force Majeure.** Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance,

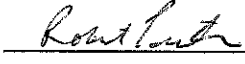

failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – five days after deposit; and courier – when delivered as shown by courier records.

18. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement shall not be construed so as to create such status. The rights, duties, and obligations contained herein shall operate only between the parties and shall inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone shall have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

19. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment shall have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

EXECUTED as of the Effective Date.

INSTANT PAY™ PROGRAM

DESCRIPTION

The Instant Pay™ Program optimizes the call routing at Facilities by connecting as many calls as possible. If a call is attempted but there is no account or calling card open and in use to pay for the call, the call can be routed to the Instant Pay Program. The Instant Pay Program will offer the called party additional options to connect the call as well as provide information and promotional messaging on how to create a prepaid AdvanceConnect™ Account.

COMPENSATION

Pay Now™ Pay Now™ is an instant paid payment product available to facilities that have the Instant Pay Program installed that allows the called party to instantly pay for a single call using a debit or credit card in real-time as the call is being initiated. With Pay Now™, the called party may immediately pay using a credit or debit card for one single call or may elect to setup and / or fund a prepaid AdvanceConnect account. Provider will compensate the Customer at a rate of one and 60/100 dollars (\$1.60) for each call accepted and paid for using Pay Now™. Pay Now™ is not subject to any other compensation.

Text2Connect™ Text2Connect™, previously known as First Call Connect 2 ("FCC2"), is a program designed to get inmates in touch with Friends and Family members quickly and to encourage them to set up a prepaid AdvanceConnect™ account. If (a) an inmate attempts a call to a mobile phone, (b) the facility allows calls to mobile phones, and (c) the call cannot be billed by Provider, then call control will be assumed by our third-party provider. Our third-party provider will prompt the called party to double opt-in to accept and confirm the charges for a premium SMS text message and continue the call. Charges for the message are billed by the called party's mobile provider on their mobile phone bill. The called party receives a text message receipt for the call charges and is given instructions on how to open a prepaid AdvanceConnect™ account. Text2Connect™ is available through our third-party processor who maintains relationships with select mobile phone companies around the country and manages the connection.

Text2Connect™ promotional calls are not commissionable, and Provider will pay the Customer a bonus payment of thirty cents (\$0.30) for each transaction fee billed and collected by the wireless carrier completed through the Text2Connect™ platform. Bonus payments for each applicable connection will be added to your existing monthly commission statement. Text2Connect™ is not subject to any other compensation.

VOICE BIOMETRICS™

Voice Biometrics™ provides validation of inmate personal identification numbers (PINs) through voice verification technology for purposes of improved security and reduced potential of fraud and consumer harassment by inmates. Where installation of Voice Biometrics™ is requested by the Customer, a per call service charge of \$0.25 applies to intrastate calls and a per call service charge of \$0.40 applies to all interstate and international calls. The per call service charges are non-commissionable pass-through fees, and are **in addition to the call rates** and all applicable message charges, operator assistance service charges, and other miscellaneous service charges.

CALLING RATES

Provider will charge rates that are in compliance with state and federal regulatory requirements. International rates, if applicable, will vary by country.

* Customer responsible for electrical wiring

** Customer responsible for JMS/Commissary Integration Fees, if applicable

SVC and ConnectUs System Costs. Provider will cover the Total Costs set forth in the chart above unless otherwise stated herein. If the Agreement is terminated for any reason other than Provider’s default before the end of the Term, Customer will refund the prorated amount of the Total Cost set forth in the chart above. Customer is responsible for all costs associated with network wiring and electrical installation as Customer will own any installed wire or network cabling upon termination of the Agreement.

Additional ConnectUs Applications may be deployed by mutual agreement of Provider and Customer. If applicable, Provider will deploy a Third Party Vendor Commissary Application, once an agreement has been executed by and between Provider and Customer’s commissary operator for such application. Provider will not charge an integration fee, but Customer is responsible for any Jail Management System (JMS) and Commissary integration fees if charged by those providers.

Customer’s use of the Law Library Application, LN Prison Solutions, is also governed and conditioned upon execution of the LN End User Prison Terms, which will be provided to Customer. The obligations set forth therein are in addition to and not in lieu of the terms and conditions in this Agreement. In the event of a conflict in this Agreement and the terms of the LN End User Prison Terms, the LN End User Prison Terms will prevail.

Customer also agrees to implement the following additional requirements:

² Additional terminals may subsequently be deployed by mutual agreement of the parties.

1. Customer agrees that SVC must be available for paid remote sessions seven days a week for a minimum of 80 hours per terminal per week.
2. Customer will allow incarcerated end users to conduct remote visits without quantity limits other than for disciplinary action for individual misbehavior.
3. All on-site sessions will be required to be scheduled at least 24 hours in advance, where practicable.

If the number of remote paid visits averages less than one per incarcerated end user per month, Provider and Customer agree to negotiate in good faith regarding additional compensation for Provider.

Provider will charge SVC session charges that are in compliance with state and federal regulatory requirements plus applicable taxes/fees/surcharges. If Customer wishes to offer free SVC sessions, a session charge equal to the then-current session rate, plus applicable taxes/fees/surcharges, will apply and will be invoiced to Customer or deducted from compensation otherwise owed to Customer under the Agreement. It is Customer's sole responsibility to (i) establish and communicate its policies regarding monitoring and/or recording of private visits (i.e., attorney/client visits, clergy visits or other visits approved and implemented by Customer), and (ii) provide appropriate accommodations for non-recorded visits, as necessary. Provider is not responsible and hereby disclaims any liability for any and all content of the third-party applications and any documents, videos, or forms published by Customer or from outside sources. Customer and Provider acknowledge and agree that Customer's visitation policy with respect to in-person visits is solely within Customer's discretion.

SVC Compensation to Customer. Provider will initially not pay a commission associated with SVC. If the number of monthly paid visits meets or exceeds 1.5 visits per incarcerated end user per month and the ADP at Customer's facility is 40 or greater for 3 consecutive months **and Customer certifies the existence of such conditions in writing to Provider³**, Provider will pay Customer 20% of the charges (excluding applicable taxes/fees/surcharges) collected for paid SVC sessions at Customer's Facility. Provider reserves the right to deduct SVC session credits from revenue calculations. Provider will pay SVC payments for a calendar month to Customer on or before the 30th day of the following calendar month in which the sessions occurred (the "Payment Date"). SVC Payments are paid in one-month arrears and are not subject to retroactive payments or adjustments for notice delays.

Ownership and Use. The SVC system and ConnectUs will at all times remain Provider's sole and exclusive property. Provider (or Provider's licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the software and any copies, custom versions, modifications, or updates of the software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider's applications, the SVC system, and Provider's other products and services (collectively, the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

Legality / Limited License Agreement: For services related to applications which may allow Customer to monitor and record SVC sessions, by providing the application, Provider makes no representation or warranty as to the legality of recording or monitoring such sessions. Customer may utilize settings to disable the monitoring and recording function to prevent monitoring and recording of private sessions (i.e., attorney client privileged communications, clergy visits, etc.) which will be Customer's sole responsibility to identify, approve and disable. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of SVC sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

ADVANCECONNECT SINGLE CALL

AdvanceConnect Single Call allows friends and family to pre-pay for a call from an incarcerated end user and, if deployed, hereby replaces Provider's Instant Pay Program. Based on the actual duration of the call, AdvanceConnect Single Call transactions are rated at the per-minute rate (plus any applicable federal, state, and local taxes and transaction fees). AdvanceConnect Single Call calls are commissioned in the same manner as collect calls.

SECURUS DEBIT

SCP also includes the ability to integrate Securus Debit accounts. A Securus Debit account is a prepaid account owned by an incarcerated end user which is utilized to pay for certain of Provider's services, and is funded either through a transfer from a trust/commissary account or through deposits from friends and family. Once deposited in the Securus Debit account,

³ The Commission will not change in the event Customer does not provide the required certification.

funds become property of the incarcerated end user. Securus Debit accounts are associated with a personal identification number ("PIN"), and users are required to input a PIN at the beginning of every Securus Debit call.

Provider will invoice Customer on a weekly basis for all funding amounts transferred from facility trust/commissary accounts to Securus Debit accounts. The invoice will be due and payable upon receipt. For Securus Debit calls, Provider will pay Customer the same commission that is described in Section 2 of this First Amendment. Provider reserves the right to deduct call credits from usage. Provider will remit the commission for a calendar month to Customer on or before the 30th day after the end of the calendar month in which the Debit calls were made (the "Payment Date"). All commission payments will be final and binding upon Customer unless Provider receives written objection within 60 days after the Payment Date. If Securus Debit is used to pay for other Provider services, those transactions will be commissioned as described in the section of the parties' Agreement specifically relating to those services.

OUTBOUND VOICEMAIL

Outbound Voicemail allows friends and family to retrieve voicemails from incarcerated end users. If a call goes unanswered, the caller may leave a voicemail. Provider will send a text message to the dialed number with a link to pay for and listen the message. Based on the actual duration of the call, Outbound Voicemail transactions are rated at the per-minute rate (plus any applicable federal, state, and local taxes and transaction fees). Outbound Voicemail calls are commissioned in the same manner as collect calls.

EMESSAGING

Provider's eMessaging Application ("eMessaging") allows for two-way electronic communication between friends and family and an incarcerated end user. Users purchase eMessaging "stamps," which are used to fund the transmission of an electronic message according to the following chart:

<u>Type of Message (When Available)</u>	<u>Number of Stamps</u>	<u>Notes</u>
Text Message	1 stamp per message	
Photo	1 stamp per photo	Limit of 5 photos per eMessage; 3 MB / photo limit
eCard	1 stamp per eCard	Limit of 5 eCards per eMessage
VideoGram	3 stamps per VideoGram	

Different types of attachments can also be combined in a single transmission.

The facility can access a web-based portal that enables message review, and can approve and reject a message or attachment based on the facility's policies and criteria. Friends and family must send and receive messages using either the Securus mobile app or their inbox at www.securustech.net and must have a free Securus Online account to access. Approved messages and attachments are accessible through certain of Provider's technologies as agreed by Customer and Provider.

With Customer's agreement, Provider may (a) issue future releases of eMessaging which contain additional features and functionalities; or (b) modify the pricing contained herein. Customer understands and acknowledges that eMessaging is a requirement for Tablet deployment.

Customer is solely responsible for reviewing and approving each message, including (if applicable and permitted by Customer) any attachments. Provider will use machine translation to translate eMessages written in Spanish into English for the sole purpose of Customer review. Customer acknowledges that machine translation is not 100% accurate and that such machine-translated messages may contain grammatical and other errors. Provider makes no representations or warranties regarding the accuracy or reliability of such machine translation.

Provider will provide eMessaging at no cost to Customer. Friends and family members can purchase a book of stamps specific to a facility in the following quantities:

<u>Number of Stamps in Book</u>	<u>Stamp Book Price (Plus transaction fees and all applicable taxes)</u>
5	\$2.50
10	\$5.00
20	\$10.00
50	\$25.00

Where available, using funds in a Securus Debit account, incarcerated end users can purchase a book of stamps in the following quantities:

<u>Number of Stamps in Book</u>	<u>Stamp Book Price (Plus applicable taxes)</u>
1	\$0.50
2	\$1.00
5	\$2.50
10	\$5.00

Provider will initially not pay a commission associated with eMessaging. If the ADP at Customer's facility is 40 or greater for 3 consecutive months **and Customer certifies the existence of such conditions in writing to Provider⁴**, Provider will pay Customer a commission of 10% on each redeemed stamp based on the Stamp Book Price (excluding any applicable taxes/fees/surcharges), which may differ from facility to facility. A stamp is considered "redeemed" when it is used to send messages. Provider will remit the payment for a calendar month to Customer on or before the 30th day after end of the calendar month in which the eMessaging stamps were redeemed (the "Payment Date"). All payments will be final and binding unless Provider receives written objection within 60 days after the Payment Date.

4. Customer Options for Alternative Compensation Structures. Notwithstanding anything to the contrary in the Agreement, at Customer's option, Customer may request that compensation and rates under the Agreement be amended to either a no commission or taxpayer-funded and no commission option at any time during the Term. If requested by Customer, the parties will negotiate in good faith regarding an appropriate reduction to the applicable call rates if Customer agrees to no longer receive any commission or other type of financial compensation under the Agreement. For such compensation structures, Provider can also accommodate a Customer request to transition from end user funding of telephone services to a model where those services are taxpayer-funded / paid for by Customer.

5. Private Number Designation. We will continue to provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

6. Addition to Miscellaneous Terms. If any legal action or other proceeding is brought for the enforcement of the Agreement or because of an alleged dispute, breach, default, or misrepresentation in connection with any provisions of the Agreement, the successful or prevailing party or parties shall be entitled to recover from the non-prevailing party, reasonable attorneys' fees, court costs, and all expenses, even if not taxable as court costs (including, without limitation, all such fees, costs, and expenses incident to appeals), incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled. As used herein, "prevailing party" includes without limitation, a party who dismisses an action for recovery hereunder in exchange for payment of the sums allegedly due, performance of covenants allegedly breached, or consideration substantially equal to the relief sought in the action.

7. Address Change. Provider's Notice and Payment addresses are hereby changed to the following:

Notice Address:	Payment Address:
4000 International Parkway Carrollton, Texas 75007 Attention: General Counsel Phone: (972) 277-0335	4000 International Parkway Carrollton, Texas 75007 Attention: Accounts Payable Phone: (972) 277-0335

8. Except as expressly amended by this First Amendment, all of the terms, conditions and provisions of the Agreement shall remain in full force and effect.

EXECUTED as of the First Amendment Effective Date.

⁴ The Commission will not change in the event Customer does not provide the required certification.
