Thank you Suzanne!

We are pleased to inform you that your application for CARES Act reimbursement funding of \$16,723 has been approved by the CARES Application Review Workgroup.

The CARES Act funds are a reimbursable agreement. In other words, after you have paid for the goods and/or services you must then submit an invoice voucher (A19) to the AOC for reimbursement. Along with the invoice voucher (A19), please include copies of documents/invoices that support the reimbursement request. I have attached a copy of the invoice voucher form (A19) to use for submitting the payment requests. You may submit electronic copies of the completed A19's and invoices and/or supporting documents.

Please submit completed A19's accompanied by supporting documentation to sam.knutson@courts.wa.gov

When submitting your A19 and supporting documentation for reimbursement, please reference **CARES379**

Please note, if you subsequently receive county/city funds for reimbursement of items funded by the AOC CARES Act funds, you are expected to return the AOC CARES funding to the AOC. You may, however, submit additional applications for reimbursement of other necessary items.

Please let me know if you have any questions or if I can help you in any way.

9. Brief justification statement, including priority of costs for potential reimbursement. [Attach Additional Pages As Needed]

As many courts have experienced during the global pandemic work needed to be completed in a different manner to keep both the public and court staff safe and healthy. Marysville Municipal Court almost immediately moved to remote hearings and continued to look for ways to keep access to justice the paramount priority.

A lot of this adjustment required technology needs which were not budgeted for in the 2020 or 2021 budget at the municipal court.

The court created a ZOOM ROOM to allow access to the remote hearings for individuals who did not have internet access or access to a camera on their computers. In order to complete the process the court needed to amplify the WIFI capability in the courthouse. The purchase of a WIFI amplifier was completed but not previously budgeted.

As COVID numbers continued to rise in Snohomish County, the Marysville Municipal Court took several steps to separate staff so they were not located in the same areas. This included the judges, court management and probation for remote work capability. To complete this process technology equipment was needed and the court was able to purchase, unbudgeted, monitors, laptops, printers and scanners in order to help the Judge and Court Management to continue their daily tasks from remote locations.

Priority list of reimbursement-

Dell Laptops- \$12,602.30

WiFi Apapter- \$89.62

Adobe Pro Licenses- \$330.65

Snapscan Scanners- \$807.27

Laptop Docks- \$1581.99

HP All-in-One Printers \$884.97
