SUMMARY:	•

In 2021 the city began implementing Executime and Advanced Scheduling software to give the police and public works staff the ability to use technology to more accurately track their time and attendance and increase the efficiency of timesheet reporting.

The City Project Team has implemented the first phase of the project Executime and is now in the final stages of testing the second phase Advanced Scheduling prior to deploying and training the end users. The City Project Team is requesting to purchase 28 additional hours of technical support to assist with the completion of the second phase.
