# NOTICE OF APPLICATION & OPTIONAL DNS PROCESS

---

The proposed project is located within 156<sup>th</sup> St NE public right-of-way directly east of Smokey Point Blvd. The applicant is proposing to construct a portion of 156<sup>th</sup> St NE plus install multiple utilities. There are no critical areas on or within 500' of the project site. The applicant will use best management practices during construction and restore any property impacted to its original condition prior to project construction.

Notice is hereby given that the City of Marysville, being the lead agency for the following project, expects to issue a DNS for this proposal utilizing the Optional DNS process outlined in WAC 197-11-355:

<b>File Number:</b>	PA 15-029
<b>Applicant:</b>	Kevan "Butch" Kvamme
<b>Location:</b>	Within existing right-of-way on 156 <sup>th</sup> St NE east of Smokey Point Blvd
<b>Date of Completeness:</b>	September 4, 2015

This may be the only opportunity to comment on the environmental impacts of this proposal. The proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared. A copy of the subsequent threshold determination for this proposal may be obtained upon request.

---

The application and complete case file is available for review at City of Marysville, Community Development, 80 Columbia Avenue, Marysville WA 98270.

For Project Information: Cheryl Dungan, Senior Planner  
(360)363-8206

Written comments on the application are solicited and should be reached at the above address by **September 14, 2015**.
